**Item 1.01 Entry into a Material Definitive Agreement**

On July 3, 2013, Great Lakes Dredge & Dock Corporation (the *Company*) entered into the third amendment (the *Third Amendment*) to the *Company*'s senior revolving credit facility dated June 4, 2012 with Wells Fargo Bank, National Association, as Administrative Agent, and the other lenders party thereto (the *Credit Agreement*). The *Third Amendment* amends the *Credit Agreement* by:

clarifying the treatment of contingent *Bonding Obligations* for financial covenant purposes by clearly excluding such contingent obligations from the definition of *Consolidated Total Indebtedness*; and

restating the event of default in Section 10.1(m)(i) to clarify that the surety must discontinue providing a bonding facility for the issuance of, or provide notice that it will no longer issue, bonds that are necessary for the *Company*'s business before this provision applies. It also clarifies that an event of default will not occur if the surety declines to issue individual bonds, so long as the *Company* maintains a surety bonding facility.

The foregoing description of the *Third Amendment* does not purport to be complete and is qualified in its entirety by reference to the complete text thereof, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
