Any alternative may depend upon a variety of factors, including, without limitation, current and anticipated future trading prices of the securities, the financial condition, results of operations and prospects of the Issuer and general industry conditions, the availability, form and terms of financing, other investment and business opportunities, general stock market and economic conditions, tax considerations and other factors.

Except to the extent that the foregoing may be deemed to be a plan or proposal, none of the Reporting Persons currently has any plans or proposals that relate to or would result in any of the actions specified in clause (a) through (j) of Item 4 of Schedule 13D. Depending upon the foregoing factors and to the extent deemed advisable in light of their general investment policies, or other factors, the Reporting Persons may, at any time and from time to time, formulate other purposes, plans or proposals regarding the Issuer or the Common Stock, or any other actions that could involve one or more of the types of transactions or have one or more of the results described in paragraphs (a) through (j) of Item 4 of Schedule 13D. The foregoing is subject to change at any time, and there can be no assurance that any of the Reporting Persons will take any of the actions set forth above.

Item 5. Interest in Securities of the Issuer.

Stockholders Agreement

The Issuer, WCAS X, WCASM, WCAS Capital IV, Ms. Rowe, Messrs. Richison, Kerber, York, and Levenson, ELK Trust, SLY Trust, Lenox Capital and the Estate of Richard Aiello are parties to an Amended and Restated Stockholders Agreement (the Stockholders Agreement). Among other things, the Stockholders Agreement provides that upon the completion of the IPO and for so long as the parties thereto continue to collectively hold 40% of the Issuer's issued and outstanding shares of Common Stock, each party will vote and take all other necessary and

desirable action within such party's control to (a) cause the authorized number of directors of the Issuer's board of directors to be established at seven and (b) elect to the Issuer's board of directors: (i) three representatives designated by the holders of a majority of the shares of Common Stock held by WCAS X and any of its affiliates to which shares of Common Stock are transferred pursuant to the Stockholders' Agreement, (ii) one representative designated by the holders of a majority of the shares of Common Stock held

by WCAS Capital IV and any of its affiliates to which shares of Common Stock are transferred pursuant to the Stockholders' Agreement and (iii) subject to certain conditions, one representative designated by the holders of a majority of the shares of Common Stock held by Ms. Rowe, Messrs. Richison, Kerber, York and Levenson and the Estate of Richard Aiello and any of their affiliates, who shall be Mr. Richison for so long as he is employed by the Issuer. WCAS X and its affiliates have effectively designated four representatives to the Issuer's initial board of directors. Mr. Levenson, Sanjay Swani and Rob Minicucci were designated by WCAS X. Conner Mulvee was designated by WCAS Capital IV.

The Stockholders' Agreement further provides that, so long as WCAS X and certain of its affiliates (collectively, the WCAS X Holders) and WCAS Capital IV and certain of its affiliates, on an aggregate basis, continue to hold 40% of the Issuer's issued and outstanding shares of Common Stock, each party will cast all votes to which it is entitled to vote, directly or indirectly, in respect of the shares of Common Stock, in the same proportion as the shares of Common Stock held by the WCAS X Holders are voted by the WCAS X Holders for or against any sale, recapitalization, merger, consolidation, reorganization or any other transaction or series of transactions involving the Issuer or its subsidiaries, and in the case of any proposed tender offer for the securities of the Issuer to tender or withhold his, her or its shares in the same proportion as are tendered and/or withheld by the WCAS X Holders. In addition, each of the parties to the Stockholders' Agreement appointed WCAS X Associates, LLC as the person's true and lawful proxy and attorney-in-fact, with full power of substitution to vote at any annual or special meeting of the stockholders of the Issuer, or to take any action by written consent in lieu of such meeting with respect to, or to otherwise take action in respect of all shares and other voting securities of the Issuer directly or indirectly owned or held of record by the stockholder for the election or removal of directors and the other matters described in the Stockholders' Agreement.

The Stockholders' Agreement will terminate upon the latest of the date on which (x) Mr. Richison ceases to be the Issuer's Chief Executive Officer, (y) Mr. Richison ceases to be a director of the Issuer and (z) the parties to the Stockholders' Agreement collectively cease to own less than 40% of the Issuer's issued and outstanding shares of Common Stock. The foregoing description of certain terms of the Stockholders' Agreement is qualified in its entirety by reference to the full text of such agreement, a copy of which is included as Exhibit 99.2 to this Schedule 13D and is incorporated herein by reference.

Lock-Up Agreements

Shares of Common Stock owned by each of the Reporting Persons are subject to lock-up agreements, pursuant to which, for a period of 180 days after the date of the final prospectus (subject to certain limited exceptions described below) the Reporting Persons cannot, directly or indirectly, without the prior written consent of the underwriters, (a) offer for sale, sell, pledge, or otherwise dispose of (or enter into any transaction or device that is designed to, or could be expected to, result in the disposition by any person at any time in the future of) any shares of Common Stock (including, without limitation, shares of Common Stock that may be deemed to be beneficially owned by them in accordance with the rules and regulations of the Securities and Exchange Commission (the SEC)) and shares of Common Stock that may be issued upon exercise of any options or warrants) or securities convertible into or exercisable or exchangeable for, or that represent the right to receive shares of, Common Stock (other than shares that were sold in the IPO), (b) enter into any swap or other derivatives transaction that transfers to another, in whole or in part, any of the economic benefits or risks of ownership of shares of Common Stock, whether any such transaction described in clause (a) or (b) above is to be settled by delivery of Common Stock or other securities, in cash or otherwise, (c) cause to be filed a registration statement, including any amendments thereto, with respect to the registration of any shares of Common Stock or securities convertible, exercisable or exchangeable into Common Stock or any of the Issuer's other securities, or (d) publicly disclose the intention to do any of the foregoing.

Each of the lock-up agreements contains certain exceptions, including the disposition of shares of Common Stock purchased in open market transactions after the completion of the IPO, bona fide gifts, sales, transfers or other

Edgar Filing: Paycom Software, Inc. - Form SC 13D

dispositions of shares of any class of Common Stock, including by will or intestacy, made exclusively between and among a Reporting Person and members of such Reporting Person's family or certain other persons, and the adoption of a Rule 10b5-1 sales plan; provided, in each case, that no filing shall be required under the Exchange Act in connection with the transfer or disposition during the 180-day lock-up period.

After the expiration of the 180-day lock-up period, shares of Common Stock subject to the lock-up agreements may be sold in the public market in the United States, subject to prior registration in the United States or in reliance upon an exemption from registration, including compliance with the volume restrictions of Rule 144 promulgated under the Securities Act of 1933, as amended. A copy of the form of lock-up agreement covering shares owned by each of the Reporting Persons is included as Exhibit 99.3 to this Schedule 13D and is incorporated herein by reference.

Restricted Stock

On January 1, 2014, the Issuer issued shares of restricted stock under the Paycom Software, Inc. 2014 Long-Term Incentive Plan to each of Messrs. Richison, York and Kerber to replace unvested management incentive units previously owned by such persons. These grants were designed to provide Messrs. Richison, York and Kerber with shares of restricted stock equivalent in value to the management incentive units and are subject to the terms of restricted stock award agreements. Approximately 50% of the shares awarded to each of Messrs. York and Kerber are subject to time-based vesting conditions and approximately 50% of the shares are subject to performance-based vesting conditions. Approximately 25% of the shares awarded to Mr. Richison are subject to time-based vesting conditions and approximately 75% of the shares are subject to performance-based vesting conditions.

The shares of restricted stock that are subject to time-based vesting conditions either vest: (i) 25% on each of the first four anniversaries of the date of grant of the previously issued management incentive units (for the shares of restricted stock granted to replace equity incentive units awarded on April 3, 2012), provided that the person is employed by the Issuer on that date, (ii) 20% on each of the first five anniversaries of the date of grant of the previously issued management incentive units (for the shares of restricted stock granted to replace equity incentive units awarded on October 14, 2013 or April 17, 2013), provided that the person is employed by the Issuer on that date, or (iii) upon a change in control (as defined in the restricted stock award agreement).

Shares of restricted stock subject to performance-based vesting conditions vest one-half upon the Issuer reaching a total enterprise value of \$1.4 billion and one-half upon the Issuer reaching a total enterprise value of \$1.8 billion, provided that the person is employed by the Issuer on that date. For purposes of the restricted stock award agreements, total enterprise value is defined as the sum of: (i) the product of (A) the volume weighted average price of a share of Common Stock not subject to vesting or other restrictions multiplied by (B) the number of outstanding shares of Common Stock, (ii) for each other class or series of equity securities of the Issuer, if any, the product of (A) the volume weighted average price per share for such class or series of such equity securities of the Issuer multiplied by (B) the number of shares of such class or series of such equity securities of the Issuer, and (iii) the principal amount of the Issuer's outstanding funded indebtedness less the aggregate amount of cash and cash equivalents of the Issuer (exclusive of funds held on behalf of clients). The Issuer's total enterprise value includes outstanding shares of restricted stock and calculates the value of such shares as if there were no vesting or other restrictions.

All unvested shares of restricted stock will become fully vested in the event of the applicable Reporting Person's death while performing his duties and responsibilities for the Issuer. In the event of a termination of service of the applicable Reporting Person due to disability, by the applicable Reporting Person for good reason (as defined in the Reporting Person's employment agreement), by the Issuer without cause (as defined in the Reporting Person's employment agreement), or death (other than while performing his duties and responsibilities for the Issuer), the Issuer's board of directors may, in its sole discretion, accelerate vesting of all or any portion of the unvested shares of restricted stock. Further, if Mr. Richison's employment is terminated by the Issuer without cause (as defined in his employment agreement), all unvested shares of restricted stock subject to time-based vesting conditions will remain outstanding and eligible for vesting for one year following such termination of employment, and the board of directors may accelerate the vesting of the other remaining unvested shares of restricted stock, in its discretion. Other than as provided above, all unvested shares of restricted stock shall be forfeited upon the applicable Reporting Person's termination of service or upon engaging in certain forfeiture activities involving violations of noncompetition, noninterference, non-solicitation provisions of his employment agreement.
