Shares of Common Stock owned by each of the Reporting Persons are subject to lock-up agreements, pursuant to which, for a period of 90 days after the date of the final prospectus (subject to certain limited exceptions described below) the Reporting Persons cannot, directly or indirectly, without the prior written consent of Credit Suisse Securities (USA) LLC, (a) offer for sale, sell, pledge, or otherwise dispose of (or enter into any transaction or device that is designed to, or could be expected to, result in the disposition by any person at any time in the future of) any shares of Common Stock (including, without limitation, shares of Common Stock that may be deemed to be beneficially owned by them in accordance with the rules and regulations of the SEC and shares of Common Stock that may be issued upon exercise of any options or warrants) or securities convertible into

or exercisable or exchangeable for, or that represent the right to receive shares of, Common Stock (other than shares that were sold in the secondary offering), (b) enter into any swap or other derivatives transaction that transfers to another, in whole or in part, any of the economic benefits or risks of ownership of shares of Common Stock, whether any such transaction described in clause (a) or (b) above is to be settled by delivery of Common Stock or other securities, in cash or otherwise, (c) cause to be filed a registration statement, including any amendments thereto, with respect to the registration of any shares of Common Stock or securities convertible, exercisable or exchangeable into Common Stock or any of the Issuer's other securities, or (d) publicly disclose the intention to do any of the foregoing.

#### *Restricted Stock*

During 2014, the Issuer reached a total enterprise value of \$1.4 billion and 50% of the shares of restricted stock that were subject to performance-based vesting conditions vested effective as of December 1, 2014.

#### *Registration Rights Agreement*

On December 30, 2013, WCAS Paycom Holdings, Inc. (WCAS Holdings), WCAS X, WCASM, WCAS Capital IV, the Estate of Richard Aiello, Robert J. Levenson, Sue Ann Jordan, Chad Richison, Jeffrey D. York and certain entities affiliated with these individuals became parties to a registration rights agreement (the Registration Rights Agreement). The parties to the Registration Rights Agreement are entitled to certain rights with respect to registration of shares of our common stock under the Securities Act of 1933, as amended (the Securities Act). These shares are referred to as registrable securities. The holders of these registrable securities will possess the registration rights contained in the Registration Rights Agreement that are described in additional detail below.

Under the Registration Rights Agreement, upon the written request of the holders of a majority of the registrable securities owned by WCAS Holdings and its affiliates to register all or part of their registrable securities on a registration statement under the Securities Act, the Issuer will be obligated to register the sale of all registrable securities that holders may request in writing to be registered within 20 days of the mailing of a notice by the Issuer to all holders of such registration. The Issuer is required to effect no more than four registration statements on Form S-1, subject to certain exceptions, and an unlimited number of registration statements on Form S-3. The Issuer may postpone the filing of a registration statement for up to 120 days once in a 12-month period if in the good faith judgment of its board of directors such registration would be materially harmful to its economic prospects, and it is not required to effect the filing of a registration statement within six months following the effective date of a previous registration of the registrable securities.

If the Issuer registers any of its securities for public sale, it will have to register all registrable securities that the holders of such securities request in writing be registered within 20 days of mailing of notice by the Issuer to all holders of the proposed registration, subject to certain exceptions. However, this right does not apply to a registration

statement on Form S-8 or S-4 or a demand registration. The managing underwriter of any underwritten offering will have the right to limit, due to marketing reasons, the number of shares registered by these holders.

To the extent the Issuer is eligible to use a registration statement on Form S-3, the holders of a majority of the registrable securities owned by WCAS Holdings and its affiliates can request that it register all or a portion of their shares on a registration statement on Form S-3. The Issuer is required to use its best efforts to file one or more registration statements on Form S-3 upon the exercise of these rights, subject to certain exceptions.

The Issuer is required to pay all expenses incurred in connection with each of the registrations described above, except for underwriting discounts and commissions. The registration rights described above will terminate as to any stockholder at such time as the stockholder no longer holds shares of common stock.
