Item 1.01. Entry Into a Material Definitive Agreement.

Credit Agreement Amendment

On February 23, 2015, Atlas Resource Partners, L.P., a Delaware limited partnership (the Partnership), entered into a Sixth Amendment to the Second Amended and Restated Credit Agreement (the Sixth Amendment) with Wells Fargo Bank, National Association, as administrative agent, and the lenders party thereto, which amendment amends the Second Amended and Restated Credit Agreement (the Credit Agreement), dated July 31, 2013, by and among the Partnership, as borrower, the administrative agent and the lenders party thereto. Among other things, the Amendment:

reduces the borrowing base under the Credit Agreement from \$900.0 million to \$750.0 million;

permits the incurrence of second lien debt in an aggregate principal amount up to \$300.0 million;

if the Borrowing Base Utilization is less than 90%, increases the applicable margin on Eurodollar loans and ABR loans by 0.25% from previous levels;

following the next scheduled redetermination of the borrowing base, upon the issuance of senior notes or the incurrence of second lien debt, reduces the borrowing base by 25% of the stated amount of such senior notes or additional second lien debt; and

revises the maximum ratio of Total Funded Debt to EBITDA to be (i) 5.25 to 1.0 as of the last day of the quarters ended on March 31, 2015, June 30, 2015, September 30, 2015, December 31, 2015 and March 31, 2016, (ii) 5.00 to 1.0 as of the last day of the quarters ended on June 30, 2016, September 30, 2016 and December 31, 2016, (iii) 4.50 to 1.0 as of the last day of the quarters ended on March 31, 2017 and (iv) 4.00 to 1.0 as of the last day of each quarter thereafter.

The Amendment was approved by the lenders and was effective on February 23, 2015. This summary of the Sixth Amendment does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Sixth Amendment filed as Exhibit 10.1, which is incorporated herein by reference.

Second Lien Term Loan Facility

On February 23, 2015, the Partnership, as borrower, entered into a Second Lien Credit Agreement (the Second Lien Credit Agreement) with Wilmington Trust, National Association, as administrative agent, and the lenders party thereto. The Second Lien Credit Agreement provides for a second lien term loan in an original principal amount of \$250.0 million (the Term Loan Facility). The Term Loan Facility matures on February 23, 2020.

The Partnership has the option to prepay the Term Loan Facility at any time, and is required to offer to prepay the Term Loan Facility with 100% of the net cash proceeds from the issuance or incurrence of any debt and 100% of the excess net cash proceeds from certain asset sales and condemnation recoveries. The Partnership is also required to offer to prepay the Term Loan Facility upon the occurrence of a change of control. All prepayments are subject to the following premiums, plus accrued and unpaid interest:

Edgar Filing: Atlas Resource Partners, L.P. - Form 8-K

a make-whole premium plus all interest that would accrue through the first anniversary date of the term loan (plus an additional amount if such prepayment is optional and funded with proceeds from the issuance of equity) for prepayments made during the first 12 months after the closing date;

4.5% of the principal amount prepaid for prepayments made between 12 months and 24 months after the closing date;

2.25% of the principal amount prepaid for prepayments made between 24 months and 36 months after the closing date; and

no premium for prepayments made following 36 months after the closing date.

The Partnership's obligations under the Term Loan Facility are secured on a second priority basis by security interests in all of the assets of the Partnership and each of the Partnership's material restricted subsidiaries (the Loan Parties) that guarantee the Partnership's existing first lien revolving credit facility, including substantially all personal property of the Loan Parties (including all of their ownership interests in a majority of its material operating subsidiaries) and a percentage of the aggregate value attributed to all proved oil and gas properties directly owned by the Loan Parties. In addition, the obligations under the Term Loan Facility are guaranteed by the Partnership's material restricted subsidiaries.

Borrowings under the Term Loan Facility bear interest, at the Partnership's option, at either (i) LIBOR plus 9.0% or (ii) the highest of (a) the prime rate, (b) the federal funds rate plus 0.50%, (c) one-month LIBOR plus 1.0% and (d) 2.0%, each plus 8.0% (an ABR Loan). Interest is generally payable at the applicable maturity date for Eurodollar loans and quarterly for ABR loans.

The Second Lien Credit Agreement contains customary covenants that limit the Partnership's ability to make restricted payments, take on indebtedness, issue preferred stock, grant liens, conduct sales of assets and subsidiary stock, make distributions from restricted subsidiaries, conduct affiliate transactions and engage in other business activities. In addition, the Second Lien Credit Agreement contains covenants substantially similar to those in the Partnership's existing first lien revolving credit facility, including, among others, restrictions on swap agreements, debt of unrestricted subsidiaries, drilling and operating agreements and the sale or discount of receivables.

Under the Second Lien Credit Agreement, the Partnership may elect to add one or more incremental term loan tranches to the Term Loan Facility so long as the aggregate outstanding principal amount of the Term Loan Facility plus the principal amount of any incremental term loan does not exceed \$300.0 million and certain other conditions are adhered to. Any such incremental term loans may not mature on a date earlier than February 23, 2020.

This summary of the Second Lien Credit Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Second Lien Credit Agreement filed as Exhibit 10.2, which is incorporated herein by reference.
