Item 1.01. Entry into a Material Definitive Agreement.

Supplemental Indenture

On March 12, 2015, Cypress Semiconductor Corporation, a Delaware corporation (the "Cypress"), entered into a Supplemental Indenture (the "Supplemental Indenture") by and among Spansion LLC, a Delaware limited liability company (the "Issuer"), Spansion Inc., a Delaware corporation (the "Spansion"), Spansion Technology LLC, a Delaware limited liability company (the "Spansion Technology"), and together with Spansion and any other guarantors from time to time, the "Indenture Guarantors"), Cypress and Wells Fargo Bank, National Association, a national banking association organized under the laws of the United States, as trustee (the "Trustee") under that certain Indenture, dated as of August 26, 2013, between the Issuer, Spansion, Spansion Technology and the Trustee (the "Indenture"), pursuant to which the Issuer issued its 2.00% Exchangeable Senior Notes due 2020 (the "Notes").

The Supplemental Indenture effects certain amendments to the Indenture in connection with the Merger (as defined below) which will, among other things, amend the exchange right of the Notes so that at and after the effective time of the Merger, the holder of each Note outstanding as of the effective time of the Merger shall have the right to exchange each \$1,000 principal amount of such Note into the number of shares of Cypress Common Stock (as defined below) that a holder of a number of shares of Spansion Common Stock (as defined below) equal to the number of shares of Spansion Common Stock issuable upon exchange of the Notes immediately prior to the effective time of the Merger would have been entitled to receive upon the Merger. The exchange rate of the Notes immediately prior to the effective time of the Merger was 72.0929 shares of Spansion Common Stock per \$1,000 principal amount of notes. Pursuant to the Supplemental Indenture, the exchange rate of the Notes immediately following the effective time of the Merger was 177.1323 shares of Cypress Common Stock per \$1,000 principal amount of notes.

Pursuant to the Supplemental Indenture, Cypress guarantees all of the Issuer's obligations under the Notes pursuant thereto.

A copy of the Supplemental Indenture, attached hereto as Exhibit 4.1, is incorporated into this Item 1.01 by reference.

Restated Credit Agreement

On March 12, 2015, Cypress entered into an amendment and restatement agreement (the "Amendment and Restatement Agreement") pursuant to which the Credit and Guaranty Agreement, dated as of June 26, 2012, by and among Cypress, the Guarantors (as defined below), the lenders from time to time party thereto (the "Lenders"), Morgan Stanley Senior Funding, Inc., as administrative agent and collateral agent, JPMorgan Chase Bank, N.A. and Silicon Valley Bank, as syndication agents, and Bank of America N.A., JPMorgan Chase Bank, N.A., Royal Bank of Canada, UBS Securities LLC and Union Bank N.A., as documentation agents, was amended and restated in its entirety (as so amended and restated, the "Restated Credit Agreement").

The Restated Credit Agreement provides for a \$450,000,000 revolving credit facility (the "Revolving Credit Facility"). Cypress may request borrowings under the Revolving Credit Facility prior to March 12, 2020, on which date the Revolving Credit Facility terminates. The Restated Credit Agreement also contains an increase option permitting Cypress, subject to certain requirements, to arrange with the Lenders and/or new lenders for up to an aggregate of \$250,000,000 in additional commitments, which commitments may be for revolving loans or term loans. The proceeds of the loans made under the Restated Credit Agreement may be used for working capital, acquisitions, stock re-purchases and general corporate purposes. As of March 12, 2015, \$330.0 million aggregate principal amount of loans and letters of credit in an aggregate face amount of approximately \$650,000 were outstanding under the Restated Credit Agreement.

The obligations under the Restated Credit Agreement are guaranteed by certain present and future wholly-owned material domestic subsidiaries of Cypress (the "Guarantors") and secured by a security interest in substantially all assets

of Cypress and the Guarantors.

The loans under the Revolving Credit Facility will bear interest, at Cypress' option, at an adjusted base rate plus a spread of 1.25%, or an adjusted LIBOR rate plus a spread of 2.25%. Cypress is also obligated to pay other customary closing fees, arrangement fees, commitment fees, administration fees and letter of credit fees for a credit facility of this size and type.

All outstanding loans under the Revolving Credit Facility, together with all accrued and unpaid interest, are due on March 12, 2020. Cypress may prepay the loans and terminate the commitments, in whole or in part, at any time without premium or penalty.

The Restated Credit Agreement contains customary affirmative and negative covenants, including covenants that limit or restrict Cypress and its restricted subsidiaries ability to, among other things, incur indebtedness, grant liens, merge or consolidate, dispose of assets, pay dividends or make distributions, make investments or acquisitions, enter into restrictive agreements and enter into certain transactions with affiliates, in each case subject to customary exceptions for a Restated Credit Agreement of this size and type. Cypress is also required to maintain compliance with a minimum fixed charge coverage ratio and a maximum total leverage ratio.

The Restated Credit Agreement contains customary events of default such as, among others, non-payment defaults, defaults due to the inaccuracy of representations and warranties, covenant defaults, cross defaults to material indebtedness, bankruptcy and insolvency defaults, material judgment defaults, defaults due to the unenforceability of guarantees or collateral documents, ERISA defaults and a default due to a change of control. The occurrence of an event of default could result in the acceleration of all outstanding obligations under the Restated Credit Agreement. Under certain circumstances, a default interest rate will apply on all outstanding obligations during the existence of an event of default under the Restated Credit Agreement at a per annum rate equal to 2.00% above the otherwise applicable interest rate (or, in certain circumstances, the base rate).

Certain of the Lenders and their affiliates have engaged in, and may in the future engage in, other commercial dealings in the ordinary course of business with Cypress or its affiliates. They have received, or may in the future receive, customary fees and commissions for those transactions.

The foregoing description is qualified in its entirety by reference to the Amendment and Restatement Agreement, Restated Credit Agreement and the Amended and Restated Pledge and Security Agreement, which are attached as Exhibits 10.1, Exhibit 10.2 and Exhibit 10.3, respectively, to this Current Report and are incorporated herein by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On March 12, 2015, pursuant to the Agreement and Plan of Merger and Reorganization, dated as of December 1, 2014 (the Merger Agreement), by and among Cypress, Mustang Acquisition Corporation (Merger Sub), and Spansion, Merger Sub merged with and into Spansion (the Merger) with Spansion surviving the Merger as a wholly owned subsidiary of Cypress.

As a result of the Merger, each share of the common stock of Spansion, par value \$0.001 per share (the Spansion Common Stock) that was outstanding immediately prior to the effective time of the Merger (the Effective Time) was converted into the right to receive 2.457 shares of the common stock, par value \$0.01 per share, of Cypress (the Cypress Common Stock). No fractional shares of Cypress Common Stock will be issued in the Merger, and holders of shares of Spansion Common Stock will receive cash in lieu of any such fractional shares.

The issuance of Cypress Common Stock in connection with the Merger, as described above, was registered under the Securities Act of 1933, as amended, pursuant to Cypress registration statement on Form S-4 (File No. 333-201173), filed with the Securities and Exchange Commission (the SEC) and declared effective on February 5, 2015 (the Joint Proxy Statement/Prospectus).

The foregoing description of the transactions consummated pursuant to the Merger Agreement does not purport to be complete and is qualified by its entirety by reference to the Merger Agreement, which was filed as Exhibit 2.1 to Cypress Current Report on Form 8-K filed with the SEC on December 1, 2014, which is incorporated herein by

reference.
