Explanatory Note

On March 13, 2015, CenterPoint Energy, Inc. filed its definitive proxy statement for its Annual Meeting of Shareholders to be held on April 23, 2015 (the 2015 Proxy Statement). Attached is a copy of each of the CenterPoint Energy, Inc. 2009 Long-term Incentive Plan (Long-term Incentive Plan) and the CenterPoint Energy, Inc. short-term incentive plan (as amended, Short-term Incentive Plan), which were inadvertently omitted as appendices to the 2015 Proxy Statement. Items 4 and 5 of the 2015 Proxy Statement propose that shareholders reapprove the material terms of the performance-based goals under the Long-term Incentive Plan and the Short-term Incentive Plan, respectively, to allow certain awards to continue to qualify as performance-based compensation deductible under Internal Revenue Code Section 162(m). As stated in the 2015 Proxy Statement, we are not proposing any amendments to the terms of the Long-term Incentive Plan or the Short-term Incentive Plan in connection with the reapproval of the material terms of the performance-based goals under such plans.

6. ADMINISTRATION.

(a) This Plan shall be administered by the Committee except as otherwise provided herein.

(b) Subject to the provisions hereof, the Committee shall have full and exclusive power and authority to administer this Plan and to take all actions that are specifically contemplated hereby or are necessary or appropriate in connection with the administration hereof. The Committee shall also have full and exclusive power to interpret this Plan and to adopt such rules, regulations and guidelines for carrying out this Plan as it may deem necessary or proper, all of which powers shall be exercised in the best interests of the Company and in keeping with the objectives of this Plan. Subject to paragraph 6(d) hereof, the Committee may, in its discretion, provide for the extension of the exercisability of an Award, accelerate the vesting or exercisability of an Award, eliminate or make less restrictive any restrictions applicable to an Award, waive any restriction or other provision of this Plan or an Award or otherwise amend or modify an Award in any manner that is either (i) not adverse to the Participant to whom such Award was granted or (ii) consented to by such Participant. The Committee may correct any defect or supply any omission or reconcile any inconsistency in this Plan or in any Award in the manner and to the extent the Committee deems necessary or desirable to further the Plan purposes. Any decision of the Committee in the interpretation and administration of this Plan shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned.

(c) No member of the Committee or officer of the Company to whom the Committee has delegated authority in accordance with the provisions of paragraph 7 of this Plan shall be liable for anything done or omitted to be done by him or her, by any member of the Committee or by any officer of the Company in connection with the performance of any duties under this Plan, except for his or her own willful misconduct or as expressly provided by statute.

(d) The terms of outstanding Awards may not be amended without the approval of the Company's shareholders to reduce the Grant Price of any outstanding Options or SARs or to cancel any outstanding Options or SARs in exchange for cash or other Awards, or Options or SARs with a Grant Price that is less than the Grant Price of the original Options or SARs.

7. DELEGATION OF AUTHORITY. The Committee may delegate to the Chief Executive Officer and other senior officers of the Company and to a subcommittee its duties under this Plan pursuant to such conditions or limitations as the Committee may establish with respect to Awards; *provided, however*, that, (i) such delegation is in compliance with the applicable rules of the principal national securities exchange on which the Common Stock is listed and (ii) the Committee may not delegate to any person the authority to grant Awards to, or take other action with respect to, Participants who are subject to Section 16 of the Exchange Act or Section 162(m) of the Code. The Committee may engage or authorize the engagement of a third party administrator to carry out administrative functions under the Plan.

8. AWARDS.

(a) Each Award shall be evidenced in such communications as the Committee deems appropriate, including in an Award Agreement, which shall contain such terms, conditions and limitations as shall be determined by the Committee, in its sole discretion, and, if required by the Committee, shall be signed by the Participant to whom the Award is granted and by an Authorized Officer for and on behalf of the Company. An Award Agreement or any other agreement between the Participant and the Company may provide that the Award shall be canceled if the Participant, without the consent of the Company, while employed by or providing services to the Company or any Subsidiary or after termination of such employment or service, violates a non-competition, non-solicitation or

non-disclosure covenant or agreement or otherwise engages in activity that is in conflict with or adverse to the interest of the Company or any Subsidiary (including conduct contributing to any financial restatements or financial irregularities), as determined by the Committee in its sole discretion. The Committee may provide in an Award Agreement or in any other agreement between the Participant and the Company that, if within the time period specified in the Award Agreement or such other agreement, the Participant establishes a relationship with a competitor or engages in an activity referred to in the preceding sentence, the Participant will forfeit any gain realized on the vesting or exercise of the Award and must repay such gain to the Company.

(b) Awards may consist of those listed in this paragraph 8(b) and may be granted singly, in combination or in tandem. Awards may also be granted in combination or in tandem with, in replacement of, or as alternatives to, grants or rights under this Plan or any other employee plan of the Company or any of its Subsidiaries, including the plan of any acquired entity. All or part of an Award shall be subject to conditions established by the Committee. Upon the death, disability or termination of employment by a Participant, any unexercised, unvested or unpaid Awards shall be treated as set forth in the applicable Award Agreement or in any other written agreement the Company has entered into with the Participant.

(i) **Option.** An Award may be in the form of an Option, which may be an Incentive Stock Option or a Nonqualified Stock Option. Except with respect to Substituted Awards, the Grant Price of an Option shall be not less than the Fair Market Value of the Common Stock on the Grant Date. The term of the Option shall extend no more than 10 years after the Grant Date. Options may not include provisions that reload the Option upon exercise. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Options awarded pursuant to this Plan, including the Grant Price, the term of the Options and the date or dates upon which they become exercisable, shall be determined by the Committee.

(ii) **Stock Appreciation Rights.** An Award may be in the form of an SAR. The Grant Price of an SAR shall be not less than the Fair Market Value of the Common Stock on the Grant Date; provided, however, that the Grant Price may be less than Fair Market Value (1) with respect to Substituted Awards and (2) with respect to a tandem SAR that is granted subsequent to the related Option if such Grant Price is equal to the Grant Price of the related Option. The exercise period for an SAR shall extend no more than 10 years after the Grant Date. SARs may not include provisions that reload the SAR upon exercise. The terms, conditions and limitations applicable to any SARs awarded pursuant to this Plan, including the term of any SARs and the date or dates upon which they become exercisable, shall be determined by the Committee.

(iii) **Stock Award.** An Award may be in the form of a Stock Award, which may include Restricted Stock. The terms, conditions and limitations applicable to any Stock Awards granted pursuant to this Plan shall be determined by the Committee.

(iv) **Restricted Stock Unit Award.** An Award may be in the form of a Restricted Stock Unit Award. The terms, conditions and limitations applicable to any Restricted Stock Unit Award, including, but not limited to, the Restriction Period and the right to Dividend Equivalents, shall be determined by the Committee.

(v) **Cash Award.** An Award may be in the form of a Cash Award. The terms, conditions and limitations applicable to any Cash Awards granted pursuant to this Plan shall be determined by the Committee.

(vi) **Performance Award.** Without limiting the type or number of Awards that may be made under the other provisions of this Plan, an Award may be in the form of a Performance Award. The terms, conditions and limitations applicable to an Award that is a Performance Award shall be determined by the Committee. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the value and/or amount of Performance Awards that will be paid out to the Participant and/or the portion that may be exercised.

A-6

(A) *Nonqualified Performance Award.* Performance Awards that are not intended to qualify as performance-based compensation under Section 162(m) of the Code shall be based on achievement of such goals and be subject to such terms, conditions and restrictions as the Committee or its delegate shall determine.

(B) *Qualified Performance Award.* Performance Awards under the Plan that are intended to qualify as performance-based compensation under Section 162(m) of the Code shall be paid, vested or otherwise deliverable solely on account of the attainment of one or more pre-established, objective Performance Goals established by the Committee prior to the earlier to occur of (x) 90 days after the commencement of the period of service to which the Performance Goal relates or (y) the lapse of 25% of the period of service (as scheduled in good faith at the time the goal is established), and in any event while the outcome is substantially uncertain. A Performance Goal is objective if a third party having knowledge of the relevant facts could determine whether the goal is met. Such a Performance Goal may be based on one or more business criteria that apply to the Employee, one or more business units of the Company, or the Company as a whole, and may include one or more of the following: earnings per share, earnings per share growth, total shareholder return, economic value added, cash return on capitalization, increased revenue, revenue ratios (per employee or per customer), net income, stock price, market share, return on equity, return on assets, return on capital, return on capital compared to cost of capital, return on capital employed, return on invested capital, shareholder value, net cash flow, operating income, earnings before interest and taxes, cash flow, cash from operations, cost reductions, cost ratios (per employee or per customer), proceeds from dispositions, project completion time and budget goals, net cash flow before financing activities, customer growth and total market value. Goals may also be based on performance relative to a peer group of companies. Unless otherwise stated, such a Performance Goal need not be based upon an increase or positive result under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria). In interpreting Plan provisions applicable to Performance Goals and Qualified Performance Awards under this clause (B), it is the intent of the Plan to conform with the standards of Section 162(m) of the Code and Treasury Regulation § 1.162-27(e)(2) (i), as to grants to those Employees whose compensation is, or is likely to be, subject to Section 162(m) of the Code, and the Committee in establishing such goals and interpreting the Plan shall be guided by such provisions. Prior to the payment of any compensation based on the achievement of Performance Goals, the Committee must certify in writing that applicable Performance Goals and any of the material terms thereof were, in fact, satisfied. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Qualified Performance Awards made pursuant to this Plan shall be determined by the Committee.

(c) Notwithstanding anything to the contrary contained in this Plan, the following limitations shall apply to any Awards made hereunder:

(i) no Participant may be granted, during any one calendar year, Awards consisting of Options or SARs that are exercisable for more than 1,000,000 shares of Common Stock;

(ii) no Participant may be granted, during any one calendar year, Stock Awards or Restricted Stock Unit Awards covering or relating to more than 1,000,000 shares of Common Stock (the limitation set forth in this clause (ii), together with the limitation set forth in clause (i) above, being hereinafter collectively referred to as the Stock Based Awards Limitations); and

(iii) no Participant may be granted Awards consisting of cash or in any other form permitted under this Plan (other than Awards consisting of Awards identified in clauses (i) and/or (ii) above) in respect of any one calendar year having a value determined on the Grant Date in excess of \$8,000,000.

9. PAYMENT OF AWARDS.

(a) **General.** Payment made to a Participant pursuant to an Award may be made in the form of cash or Common Stock, or a combination thereof, and may include such restrictions as the Committee shall determine, including, in the case of Common Stock, restrictions on transfer and forfeiture provisions. If such payment is made in the form of Restricted Stock, such shares shall be registered in the name of the Participant as of the Grant Date (subject to any required payment by the Participant) and the applicable Award Agreement relating to such shares shall specify whether such shares are to be delivered (physically or in book-entry) to the Participant at the beginning or end of the Restriction Period. If the shares of Restricted Stock are to be delivered at the beginning of the Restriction Period, the certificates evidencing such shares (to the extent that such shares are so evidenced) shall contain appropriate legends and restrictions that describe the terms and conditions of the restrictions applicable thereto. With respect to Restricted Stock Unit Awards, the right to receive such shares shall be evidenced by book entry registration or in such other manner as the Committee may determine.

(b) **Dividends and Dividend Equivalents.** Rights to (a) dividends will be extended to and made part of any Stock Award and (b) Dividend Equivalents may be extended to and made part of any Restricted Stock Unit Award, subject in each case to such terms, conditions and restrictions as the Committee may establish.

10. OPTION EXERCISE. The Grant Price shall be paid in full at the time of exercise in cash or, if permitted by the Committee and elected by the optionee, the optionee may purchase such shares by means of the Company withholding shares of Common Stock otherwise deliverable on exercise of the Award or tendering Common Stock, including Restricted Stock, valued at Fair Market Value on the date of exercise, or any combination thereof. The Committee shall determine acceptable methods for Participants to tender Common Stock or other Awards. The Committee may provide for procedures to permit the exercise or purchase of such Awards by use of the proceeds to be received from the sale of Common Stock issuable pursuant to an Award (including cashless exercise). Unless otherwise provided in the applicable Award Agreement, in the event shares of Restricted Stock are tendered as consideration for the exercise of an Option, a number of the shares issued upon the exercise of the Option, equal to the number of shares of Restricted Stock used as consideration therefor, shall be subject to the same restrictions as the Restricted Stock so submitted as well as any additional restrictions that may be imposed by the Committee. The Committee may adopt additional rules and procedures regarding the exercise of Options from time to time, provided that such rules and procedures are not inconsistent with the provisions of this paragraph 10.

11. TAXES. The Company or its designated third party administrator shall have the right to deduct applicable taxes from any Award payment and withhold, at the time of delivery or vesting of cash or shares of Common Stock under this Plan, an appropriate amount of cash or number of shares of Common Stock or a combination thereof for payment of required withholding taxes or other amounts required by law or to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for withholding of such taxes; provided, however, that the number of shares of Common Stock withheld for payment of required withholding taxes must equal no more than the required minimum withholding taxes. The Committee may also permit withholding to be satisfied by the transfer to the Company of shares of Common Stock theretofore owned by the holder of the Award with respect to which withholding is required. If shares of Common Stock are used to satisfy tax withholding, such shares shall be valued based on the Fair Market Value when the tax withholding is required to be made.

12. AMENDMENT, MODIFICATION, SUSPENSION OR TERMINATION OF THE PLAN. The Board may amend, modify, suspend or terminate this Plan for the purpose of meeting or addressing any changes in legal requirements or for any other purpose permitted by law, except that (i) no amendment or alteration that would adversely affect the rights of any Participant under any Award previously granted to such Participant shall be made without the consent of such Participant and (ii) no amendment or alteration shall be effective prior to its approval by the stockholders of the Company to the extent such approval is required by applicable legal requirements or the requirements of the securities exchange on which the Company's stock is listed.

A-8

13. ASSIGNABILITY.

(a) Except as otherwise provided in this paragraph 13, no Award or any other benefit under this Plan shall be assignable or otherwise transferable except by will or the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act, or the rules thereunder. The Committee may prescribe and include in applicable Award Agreements other restrictions on transfer. Any attempted assignment of an Award or any other benefit under this Plan in violation of this paragraph 13 shall be null and void.

(b) Subject to approval by the Committee in its sole discretion, all or a portion of the Awards granted to a Participant under the Plan may be transferable by the Participant, to the extent and only to the extent specified in such approval, to (i) the spouse, parent, brother, sister, children or grandchildren (including adopted and stepchildren and grandchildren) of the Participant (Immediate Family Members), (ii) a trust or trusts for the exclusive benefit of such Immediate Family Members, or (iii) a partnership or partnerships in which such Immediate Family Members have at least 99% of the equity, profit and loss interests; provided that the Award Agreement pursuant to which such Awards are granted (or an amendment thereto) must expressly provide for transferability in a manner consistent with this paragraph. Subsequent transfers of transferred Awards shall be prohibited except by will or the laws of descent and distribution, unless such transfers are made to the original Participant or a person to whom the original Participant could have made a transfer in the manner described herein. No transfer shall be effective unless and until written notice of such transfer is provided to the Committee, in the form and manner prescribed by the Committee. Following transfer, any such Awards shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer, and, except as otherwise provided herein, the term Participant shall be deemed to refer to the transferee. The consequences of termination of employment or service shall continue to be applied with respect to the original Participant, following which the Awards shall be exercisable by the transferee only to the extent and for the periods specified in this Plan and the Award Agreement.

(c) The foregoing paragraphs 13(a) and 13(b) notwithstanding, an Option granted under this Plan to an Employee shall become transferable by such Employee upon or after his or her termination of employment with the Company, to the extent the Option is vested and exercisable at the time of such transfer, if (i) the former Employee assumes an office or position with a federal, state or local government or agency or instrumentality thereof (whether by employment, appointment or election, and whether legislative, executive, judicial or administrative) and (ii) following written request to the Committee identifying the office or position and the basis for the requested determination, the Committee determines, in its sole discretion, that by reason of the former Employee's holding of such office or position, the holding of such Option, the exercise thereof or the acquisition, holding or voting of the Common Stock issuable upon exercise thereof is, or is likely to, (x) be prohibited or restricted by law, regulation or order, or (y) give rise to or result in an actual or potential conflict of interest, disqualification or similar impediment in or to the exercise of the duties and responsibilities or such office or position.

14. ADJUSTMENTS.

(a) The existence of outstanding Awards shall not affect in any manner the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the capital stock of the Company or its business or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or prior preference stock (whether or not such issue is prior to, on a parity with or junior to the existing Common Stock) or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding of any kind, whether or not of a character similar to that of the acts or proceedings enumerated above.

(b) In the event of any subdivision or consolidation of outstanding shares of Common Stock, declaration of a dividend payable in shares of Common Stock or other stock split, then (i) the number of shares of Common Stock reserved under this Plan, (ii) the number of shares of Common Stock covered by outstanding Awards in the form of Common Stock or units denominated in Common Stock, (iii) the Grant Price or other price in respect of such Awards, (iv) the appropriate Fair Market Value and other price determinations for such Awards, and (v) the Stock Based Awards Limitations shall each be proportionately adjusted by the Board as appropriate to reflect such transaction. In the event of any other recapitalization or capital reorganization of the Company, any consolidation or merger of the Company with another corporation or entity, the adoption by the Company of any plan of exchange affecting the Common Stock or any distribution to holders of Common Stock of securities or property (other than normal cash dividends or dividends payable in Common Stock), the Board shall make appropriate adjustments to (i) the number of shares of Common Stock covered by Awards in the form of Common Stock or units denominated in Common Stock, (ii) the Grant Price or other price in respect of such Awards, (iii) the appropriate Fair Market Value and other price determinations for such Awards, and (iv) the Stock Based Awards Limitations to reflect such transaction; provided that such adjustments shall only be such as are necessary to maintain the proportionate interest of the holders of the Awards and preserve, without increasing, the value of such Awards.

(c) In the event of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Board may make such adjustments to Awards or other provisions for the disposition of Awards as it deems equitable, and shall be authorized, in its discretion, (i) to provide for the substitution of a new Award or other arrangement (which, if applicable, may be exercisable for such property or stock as the Board determines) for an Award or the assumption of the Award, regardless of whether in a transaction to which Section 424(a) of the Code applies, (ii) to provide, prior to the transaction, for the acceleration of the vesting and exercisability of, or lapse of restrictions with respect to, the Award and, if the transaction is a cash merger, provide for the termination of any portion of the Award that remains unexercised at the time of such transaction, or (iii) to cancel any such Awards and to deliver to the Participants cash in an amount that the Board shall determine in its sole discretion is equal to the Fair Market Value of such Awards on the date of such event, which in the case of Options or SARs shall be the excess of the Fair Market Value of Common Stock on such date over the Grant Price of such Award.

(d) No adjustment or substitution pursuant to this paragraph 14 shall be made in a manner that results in noncompliance with the requirements of Section 409A of the Code, to the extent applicable.

15. RESTRICTIONS. No Common Stock or other form of payment shall be issued with respect to any Award unless the Company shall be satisfied based on the advice of its counsel that such issuance will be in compliance with applicable federal and state securities laws. Certificates evidencing shares of Common Stock delivered under this Plan (to the extent that such shares are so evidenced) may be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any securities exchange or transaction reporting system upon which the Common Stock is then listed or to which it is admitted for quotation and any applicable federal or state securities law. The Committee may cause a legend or legends to be placed upon such certificates (if any) to make appropriate reference to such restrictions.

16. UNFUNDED PLAN. Insofar as it provides for Awards of cash, Common Stock or rights thereto, this Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants who are entitled to cash, Common Stock or rights thereto under this Plan, any such accounts shall be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by cash, Common Stock or rights thereto, nor shall this Plan be construed as providing for such segregation, nor shall the Company, the Board or the Committee be deemed to be a trustee of any cash, Common Stock or rights thereto to be granted under this Plan. Any liability or obligation of the Company to any Participant with respect to an Award of cash, Common Stock or rights thereto under this Plan shall be based

solely upon any contractual obligations that may be created by this Plan and any Award Agreement, and no such liability or obligation of the Company shall be deemed to be secured by any pledge or other encumbrance on any property of the Company. Neither the Company nor the Board nor the Committee shall be required to give any security or bond for the performance of any obligation that may be created by this Plan.

17. AWARDS TO FOREIGN NATIONALS AND EMPLOYEES OUTSIDE THE UNITED STATES. To the extent the Committee deems it necessary, appropriate or desirable to comply with foreign law or practice and to further the purpose of the Plan, the Committee may, without amending the Plan, (a) establish special rules applicable to Awards granted to Participants who are foreign nationals, are employed outside the United States, or both, including rules that differ from those set forth in this Plan, and (b) grant Awards to such Participants in accordance with those rules.

18. GOVERNING LAW. This Plan and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by mandatory provisions of the Code or the securities laws of the United States, shall be governed by and construed in accordance with the laws of the State of Texas.

19. RIGHT TO CONTINUED SERVICE OR EMPLOYMENT. Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or any of its Subsidiaries to terminate any Participant's employment or other service relationship with the Company or its Subsidiaries at any time, nor confer upon any Participant any right to continue in the capacity in which he or she is employed or otherwise serves the Company or its Subsidiaries.

20. SUCCESSORS. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

21. SECTION 409A OF THE CODE. It is intended that any Awards under the Plan that are subject to Section 409A of the Code satisfy the requirements of Section 409A of the Code and related regulations and Internal Revenue Service and Department of Treasury pronouncements to avoid imposition of applicable taxes thereunder. Thus, notwithstanding anything in this Plan to the contrary, if any Plan provision or Award under the Plan would result in the imposition of an applicable tax under Section 409A of the Code and related regulations and Internal Revenue Service and Department of Treasury pronouncements, that Plan provision or Award will be reformed to the extent permissible under Section 409A of the Code with the intent to avoid imposition of the applicable tax and no action taken to comply with Section 409A of the Code shall be deemed to adversely affect the Participant's rights to an Award.

22. EFFECTIVENESS. The Plan was approved by the Board on February 19, 2009, and by the shareholders of the Company at its annual meeting on April 23, 2009.

The terms and conditions under which a Participant may participate in the Plan shall be determined by the Committee (or its appropriately designated delegate) in its sole discretion.

4. ***Eligibility:*** Except as provided below, only Employees who (a) are employed at least 90 calendar days during the Plan Year, (b) are employed on the last day of the Plan Year, and (c) are employed on the Payment Date are eligible for the payment of an Award under the Plan. Days counted to meet the 90-day minimum need not be consecutive days as there may be a break in employment. Employees covered by a collective bargaining agreement providing for participation in this Plan are eligible for payments under this Plan only to the extent of the specific terms contained in the applicable collective bargaining agreement. Employees covered by a collective bargaining agreement that does not specifically provide for their participation in this Plan are not eligible for any payments under this Plan under any circumstances.

(1) ***Retirement, Death or Disability:*** If, during the Plan Year, a Participant retires on his Retirement Date as defined in the Retirement Plan, dies or terminates employment under circumstances establishing eligibility for disability benefits under the Company's long-term disability plan, then the Participant shall nonetheless receive payment of the Award the Participant would have received had the goals with respect to the Participant's Award been met at the target level based on his Compensation earned prior to the Participant's date of retirement, death or disability. (2) ***Termination After Last Day of the Plan Year:*** If a Participant is an Employee on the last day of the Plan Year and was employed at least 90 days during the Plan Year, but is not an Employee on the Payment Date, then the Participant may receive on the Payment Date, an Award (if any) upon management's recommendation and approval by the Committee.

5. Plan Administration: The Plan shall be administered by the Committee. All decisions of the Committee shall be binding and conclusive on the Participants. The Committee, on behalf of the Participants, shall enforce this Plan in accordance with its terms and shall have all powers necessary for the accomplishment of that purpose, including, but not by way of limitation, the following powers:

- (a) To select the Participants;
- (b) To interpret, construe, approve and adjust all terms, provisions, conditions and limitations of this Plan;
- (c) To decide any questions arising as to the interpretation or application of any provision of the Plan;
- (d) To prescribe forms and procedures to be followed by Employees for participation in the Plan, or for other occurrences in the administration of the Plan;
- (e) To establish the terms and conditions of any Agreement under which an Award may be earned and paid; and
- (f) In addition to all other powers granted herein, the Committee shall make and enforce such rules and regulations for the administration of the Plan as are not inconsistent with the terms set forth herein.

No member of the Committee or officer of the Company to whom the Committee has delegated authority in accordance with the provisions of Section 5 of this Plan shall be liable for anything done or omitted to be done by him, by any member of the Committee or by any officer of the Company in connection with the performance of any duties under this Plan, except for his own willful misconduct or as expressly provided by statute.

6. Delegation of Authority: The Committee may delegate to the Chief Executive Officer and to other senior officers of the Company its duties under this Plan (including, but not limited to, its authority to select Participants) pursuant to such conditions or limitations as the Committee may establish.

7. Awards: The Committee shall determine the terms and conditions of Awards to be made under this Plan and shall designate from time to time the individuals who are to be the recipients of Awards. Awards may also be made in combination or in tandem with, in replacement of, or as alternative to, grants or rights under this Plan or any other employee plan of the Company or any of its Subsidiaries, including the plan of any acquired entity. An Award may provide for the grant or issuance of additional, replacement or alternative Awards upon the occurrence of specified events. All or part of an Award may be subject to conditions established by the Committee, which may include, but are not limited to, continuous service with the Company and its Subsidiaries, achievement of specific individual and/or business objectives, increases in specified indices, attainment of specified growth rates and other comparable measurements of performance. Unless specified otherwise by the Committee, the amount payable pursuant to an Award shall be based on a percentage of the Participant's Compensation.

An Award may be in the form of a Performance Award. A Performance Award shall be paid, vested or otherwise deliverable solely on account of the attainment of one or more pre-established, objective Performance Goals established by the Committee prior to the earlier to occur of (x) 90 days after the commencement of such period of service to which the Performance Goal relates and (y) the lapse of 25% of such period of service (as scheduled in good faith at the time the goal is established), and in any event while the outcome is substantially uncertain. A Performance Goal is objective if a third party having knowledge of the relevant facts could determine whether the goal is met. Such a Performance Goal may be based on one or more business criteria that apply to the individual, one or more business units of the Company, or the Company as a whole. Performance Goals shall be based upon targets established by the Committee with respect to one or more of the following financial or operational factors, as applied to the Company or a business unit, as applicable: earnings per share, earnings per share growth, total shareholder return, economic value added, cash return on capitalization, increased revenue, revenue ratios (per employee or per customer), net income, stock price, market share, return on equity, return on assets, return on capital, return on capital compared to cost of capital, shareholder value, net cash flow, operating income, earnings before interest and taxes, cash flow, cash flow from operations, cost reductions, cost ratios (per employee or per customer), proceeds from dispositions, project completion time and budget goals, net cash flow before financing activities, customer growth, total market value, customer satisfaction, and employee safety. Unless otherwise stated, a Performance Goal need not be based upon an increase or positive result under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria), and may also be based on performance relative to the S&P 500 Electric Utilities Panel or other designated peer group.

Prior to the payment of any compensation based on the achievement of Performance Goals, the Committee must certify in writing that applicable Performance Goals and any of the material terms thereof were, in fact, satisfied. The Committee in its sole discretion may decrease the amount payable pursuant to a Performance Award, but in no event shall the Committee have discretion to increase the amount payable pursuant to a Performance Award in a manner inconsistent with the requirements for qualified performance-based compensation under Code Section 162(m). In interpreting Plan provisions applicable to Performance Goals and Performance Awards, it is the intent of the Plan to conform with the standards of Code Section 162(m) applicable to qualified performance-based compensation, and the Committee in establishing such Performance Goals and interpreting the Plan shall be guided by such provisions. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Performance Awards pursuant to this Plan shall be determined by the Committee. No Participant may be granted Performance Awards which will result in the payment of more than \$3,500,000 per Plan Year.

8. **Payment of Awards:** The Committee has sole and absolute authority and discretion to determine the time and manner in which Awards, if any, shall be paid under this Plan. Generally, however, the following provisions may apply:

(a) **Form of Payment:** Generally, payment of Awards shall be made in cash and may be subject to such restrictions as the Committee shall determine.

(b) **Date of Payment:** Payment of Awards shall be made as soon as practicable (as determined by the Committee) following the close of the Plan Year (the Payment Date), unless otherwise provided in Section 4(1).

9. **Assignability:** Unless otherwise determined by the Committee and provided in the Agreement, no Award or any other benefit under this Plan shall be assignable or otherwise transferable, except by will or the laws of descent and distribution. Any attempted assignment of an Award or any other benefit under this Plan in violation of this Section 9 shall be null and void.

10. **Tax Withholding:** The Company shall have the right to withhold applicable taxes from any Award payment and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for withholding of such taxes.

11. **Finality of Determinations:** Any determination by the Committee in carrying out or administering this Plan shall be final and binding for all purposes and upon all interested persons and their heirs, successors, and personal representatives.

12. **Employee Rights Under the Plan:** No Employee or other person shall have any claim or right to be granted an Award under this Plan. Neither the Plan nor any action taken thereunder shall be construed as giving an Employee any right to be retained in the employ of the Company or an Employer. No Participant shall have any lien on any assets of the Company or an Employer by reason of any Award made under this Plan.

13. **Amendment, Modification, Suspension or Termination:** The Board may amend, modify, suspend or terminate this Plan for the purpose of meeting or addressing any changes in legal requirements or for any other purpose permitted by law, except that (i) no amendment or alteration that would adversely affect the rights of any Participant under any Award previously granted to such Participant shall be made without the consent of such Participant and (ii) no amendment or alteration shall be effective prior to its approval by the stockholders of the Company; however clause (ii) shall only apply if, and to the extent, such approval is required by applicable legal requirements.

14. **Other Plans:** The Award payments under this Plan shall be considered compensation under the Retirement Plan and the Savings Plan.

15. **Governing Law:** This Plan and all determinations made and actions taken pursuant hereto, shall be governed by and construed in accordance with the laws of the State of Texas.

IN WITNESS WHEREOF, CenterPoint Energy, Inc. has executed these presents as evidenced by the signature of its duly authorized officer, in a number of copies, all of which shall constitute but one and the same instrument, which may be sufficiently evidenced by any such executed copy hereof, this 19th day June, 2003, but effective as of January 1, 2003.
