PROPOSAL 1

ELECTION OF DIRECTORS

The Fund's Board of Directors, consisting of nine members, is divided into three classes: Class I, Class II and Class III. The Directors serving in Class III have terms expiring at the Meeting. At a Board meeting held on March 11-12, 2015, upon recommendation of the Fund's Nominating Committee, the Board approved the nomination of Sandra N. Bane, David W. Jennings and Marijn P. Smit to serve as Class III Directors for a three year term expiring in 2018 and until their successors are duly elected and qualified (each, a Nominee and together, the Nominees).

Shareholders are asked to consider the election of these three Nominees as Class III Directors of the Fund. Each Nominee currently serves as a Director of the Fund. Each Nominee has indicated his or her willingness to serve as Director, if elected. The terms of office of the remaining Class I and Class II Directors expire in 2016 and 2017, respectively, or thereafter until their respective successors are duly elected and qualified. These staggered terms may prevent replacement of a majority of the Directors for up to a two-year period.

The persons named as proxies intend to vote to elect the Nominees, unless authority to vote for the election of all of the Nominees, or specified Nominees, is withheld by so marking the Proxy. If any Nominee is unable to serve, the persons named as proxies may vote for any other person or vote to fix the number of Directors at less than eleven. Election is by a majority of all the votes cast at the Meeting in person or by Proxy, if a quorum is present.

The term fund complex in the tables below refers to the Fund, Transamerica Funds, Transamerica Series Trust (TST), Transamerica Partners Funds Group (TPFG), Transamerica Partners Funds Group II (TPFG II), Transamerica Partners Portfolios (TPP), and Transamerica Asset Allocation Variable Funds (TAAVF). The mailing address of each Nominee is 4600 S. Syracuse Street, Suite 1100, Denver, Colorado 80237. The names, years of birth and principal occupations for the past five years (their titles may have varied during that period) of the Nominees and each other Director of the Fund, and any other board memberships they hold, are:

- *** Independent Board Member means a Board Member who is not an interested person (as defined under the Investment Company Act of 1940 (the 1940 Act)) of the Fund.

Qualifications and Experience of Directors and Nominees, Leadership Structure and Risk Management

Each of the Board Members, other than Mr. Jennings, Mr. Smit and Mr. Warrick, previously served as a trustee or director of the TAM, Diversified or Premier fund family, and each Board Member was thus initially selected by the board of the applicable predecessor fund family. In connection with the consolidation of all manager of managers investment advisory services within Transamerica in 2007, a single board was established to oversee the TAM and Diversified fund families, and each of the Board Members, other than Ms. Bane, Mr. Jennings, Mr. Smit and Mr. Warrick, joined the Board at that time. The Board was established with a view both to ensuring continuity of representation by board members of the TAM and Diversified fund families on the Board and in order to establish a Board with experience in and focused on overseeing various types of funds, which experience would be further developed and enhanced over time. Ms. Bane joined the Board in 2008 when the Premier fund family was consolidated into Transamerica Mutual Funds. Mr. Jennings joined the Board in 2009. Mr. Warrick joined the Board in 2012. Mr. Smit joined the Board in 2014.

The Board believes that each Board Member's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Board Members lead to the conclusion that the Board possesses the requisite skills and attributes. The Board believes that the Board Members' ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with TAM, the sub-adviser, other services providers, counsel and independent auditors, and to exercise effective business judgment in the performance of their duties, support this conclusion. The Board also has considered the following experience, qualifications, attributes and/or skills, among others, of its members in reaching its conclusion: his or her character and integrity; such person's service as a board member of a predecessor fund family (other than Mr. Jennings, Mr. Smit and Mr. Warrick); such person's willingness to serve and willingness and ability to commit the time necessary to perform the duties of a Board Member; the fact that such person's service would be consistent with the requirements of the retirement policies of the Fund; as to each Board Member other than Mr. Smit and Mr. Warrick, his or her status as not being an interested person as defined in the 1940 Act; as to Mr. Smit, his status as a representative of TAM; and, as to Mr. Warrick, his former service in various executive positions for certain affiliates of TAM. In addition, the following specific experience, qualifications, attributes and/or skills apply as to each Board Member: Ms. Bane, accounting experience and experience as a board member of multiple organizations; Mr. Hill, financial and entrepreneurial experience as an executive, owner and consultant; Mr. Jennings, investment management experience as an executive of investment management organizations and portfolio manager; Mr. Kimball, business experience as an executive; Mr. Mannella, accounting and fund administration experience, investment management industry experience as an executive and consultant; Ms. Sawyer, management consulting and board experience; Mr. Waechter, securities industry and fund accounting and fund compliance experience, legal experience and board experience; Mr. Smit, investment management and insurance experience as an executive and leadership roles with TAM and affiliated entities; and Mr. Warrick, financial services industry experience as an executive and consultant with various TAM affiliates and other entities. References to the qualifications, attributes and skills of Board Members are pursuant to requirements of the Securities and Exchange Commission, do not constitute holding out of the Board or any Board Member as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

The Board is responsible for overseeing the management and operations of the Fund. Mr. Smit serves as Chairman of the Board. Mr. Smit is an interested person of the Fund. Independent Board Members constitute more than 75% of the Board.

The Board currently believes that an interested Chairman is appropriate and is in the best interests of the Fund and its shareholders, and that its committees, as further described below, help ensure that the Fund has effective and independent governance and oversight. The Board believes that an interested Chairman has a professional interest in the quality of the services provided to the Fund and that the Chairman is best equipped to provide oversight of such services on a day-to-day basis because of TAM's sponsorship of the Fund and TAM's ongoing monitoring of the investment sub-adviser that manages the assets of the Fund. The Board also believes that its leadership structure facilitates the orderly and efficient flow of information to the Independent Board Members from management. The Independent Board Members also believe that they can effectively act independently without having an Independent Board Member act as Chairman. Among other reasons, this belief is based on the fact that the Independent Board Members represent over 75% of the Board.

Through its oversight of the management and operations of the Fund, the Board also has a risk oversight function, which includes (without limitation) the following: (i) requesting and reviewing reports on the operations of the Fund (such as reports about the performance of the Fund); (ii) reviewing compliance reports and approving compliance policies and procedures of the Fund and its service providers; (iii) meeting with management to consider areas of risk and to seek assurances that adequate resources are available to address risks; (iv) meeting with service providers, including Fund auditors, to review Fund activities; and (v) meeting with the Chief Compliance Officer and other officers of the Fund and its service providers to receive information about compliance, and risk assessment and management matters. Such oversight is exercised primarily through the Board and its Audit Committee but, on an ad hoc basis, also can be exercised by the Independent Board Members during executive sessions. The Board has emphasized to TAM and the sub-adviser the importance of maintaining vigorous risk management.

The Board recognizes that not all risks that may affect the Fund can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the Board Members as to risk management matters are typically summaries of the relevant information. Most of the Fund's investment management and business affairs are carried out by or through TAM, its affiliates, the sub-adviser and other service providers each of which has an independent interest in risk management but whose policies and the methods by which one or more risk management functions are carried out may differ from the Fund's and each other's in the setting of priorities, the resources available or the effectiveness of relevant controls. As a result of the foregoing and other factors, the Board's risk management oversight is subject to substantial limitations. In addition, some risks may be beyond the reasonable control of the Board, the Fund, TAM, its affiliates, the sub-adviser or other service providers.

In addition, it is important to note that the Fund is designed for investors that are prepared to accept investment risk, including the possibility that as yet unforeseen risks may emerge in the future.

Required vote

The affirmative vote of a majority of all the votes cast at the Meeting in person or by Proxy, if a quorum is present, is required to approve Proposal 1.

Recommendation

The Board of Directors of the Fund, including the Independent Board Members, unanimously recommends that shareholders vote FOR Proposal 1.

Board Meetings and Shareholder Meetings

The Board met seven times during the fiscal year ended March 31, 2015. Each Director attended at least 75% of all meetings of the Board and of all meetings of committees of the Board on which he or she served as a regular member for the period during which he or she was in office.

The Fund does not have a policy with regard to attendance at the Fund's annual shareholder meeting, and no Director attended last year's annual shareholder meeting.

The table below gives (i) the dollar range of shares of the Fund beneficially owned by each Nominee and other Directors and (ii) the aggregate dollar range of shares of all funds in the fund complex overseen by each Nominee and other Directors beneficially owned by each Nominee and other Directors as of December 31, 2014.

** Mr. Warrick and Mr. Smit are each an interested person of the Fund, as discussed above.

As of May 11, 2015, none of the Independent Board Members or their immediate family members had any interest in the investment adviser, sub-adviser or distributor of the Fund, or any person controlling, controlled by or under common control with such persons. For this purpose, immediate family member includes an Independent Board Member's spouse and children residing in the Independent Board Member's household and dependents of the Independent Board Member.

Remuneration of Directors

As of September 2014, Independent Board compensation is determined as follows: Independent Board Members receive a total annual retainer fee of \$160,000 from the funds/portfolios that make up the fund complex, as well as \$9,000 for each regularly scheduled meeting attended and each special meeting requiring an in-person quorum (whether attended in-person or telephonically). The Independent Board Members receive \$2,500 for each telephonic meeting attended. Additionally, each member of the Audit Committee and Nominating Committee receives a total annual retainer fee of \$40,000. The Fund pays a pro rata share of these fees based on its relative assets compared to those of the fund complex. The Lead Independent Board Member also receives an additional retainer of \$48,000 per year. The Audit Committee Chairperson receives an additional retainer of \$20,000 per year and the Nominating Committee Chairperson receives an additional retainer of \$12,000 per year. The Fund pays a pro rata

share allocable to the Fund based on the relative assets of the Fund for the Lead Independent Board Member and Audit Committee Chairperson retainers. Any fees and expenses paid to an Interested Board Member and officers are paid by TAM or an affiliate and not by the Fund, except for the Chief Compliance Officer.

For the fiscal year ended March 31, 2015, the Independent Board Members, as a group, received compensation in the amount of \$43,434 from the Fund.

Under a non-qualified deferred compensation plan effective January 1, 1996, as amended and restated January 1, 2010 (the Deferred Compensation Plan), available to the Board Members, compensation may be deferred that would otherwise be payable by the Trust to an Independent Board Member on a current basis for services rendered as a Board Member. Deferred compensation amounts will accumulate based on the value of Class A (or comparable) shares of a series of Transamerica Funds (without imposition of sales charge), as elected by the Board Members. Amounts deferred and accrued under the Deferred Compensation Plan are unfunded and unsecured claims against the general assets of the Trust.

The following table sets forth the total compensation paid by the funds that make up the fund complex to each Independent Board Member of the Fund for the fiscal year ended March 31, 2015. Directors who are interested persons of the Fund do not receive any compensation from the Fund.

Committees

The Board has two standing committees: the Audit Committee and Nominating Committee. Both the Audit Committee and Nominating Committee are chaired by an Independent Board Member and composed of all of the Independent Board Members. In addition, the Board has a Lead Independent Board Member.

The Lead Independent Board Member and the chairs of the Audit and Nominating Committees work with the Chairman of the Board to set the agendas for Board and committee meetings. The Lead Independent Board Member also serves as a key point person for dealings between management and the Independent Board Members. Through the Fund's Board committees, the Independent Board Members consider and address important matters involving the Fund, including those presenting conflicts or potential conflicts of interest for management, and they believe they can act independently and effectively. The Board believes that its leadership structure is appropriate and facilitates the orderly and efficient flow of information to the Independent Board Members from Management.

The Audit Committee

The Board has a standing Audit Committee, that currently consists of Sandra N. Bane, Leo J. Hill, David W. Jennings, Russell A. Kimball, Jr., Eugene M. Mannella, Patricia L. Sawyer, and John W. Waechter, each of whom is an Independent Board Member and qualifies as an independent director for purposes of New York Stock Exchange Listing Standards. Mr. Waechter currently serves as chairperson of the Audit Committee. The Audit Committee, among other things, oversees the accounting and reporting policies and practices and internal controls of the Fund, oversees the quality and integrity of the financial statements of the Fund, approves, prior to appointment, the engagement of the Fund's independent registered public accounting firm, reviews and evaluates the independent registered public accounting firm's qualifications, independence and performance, and approves the compensation of the independent registered public accounting firm. The Audit Committee also approves all audit and permissible non-audit services provided to the Fund by the independent registered public accounting firm and all permissible non-audit services provided by the Fund's independent registered public accounting firm to TAM and any affiliated service providers if the engagement relates directly to the Fund's operations and financial reporting. The Audit Committee met seven times during the fiscal year ended March 31, 2015. The Board has adopted a written charter for the Fund's Audit Committee, which appears as Exhibit B to this Proxy Statement.

Audit Committee Report

The Audit Committee reports that it (i) has reviewed and discussed the audited financial statements for the fiscal year ended March 31, 2015, with Fund management, (ii) has discussed with the Fund's independent public accountant the matters required to be addressed by Statement on Auditing Standards No. 114, and (iii) has received written disclosures and the letter required by the Public Company Accounting Oversight Board Rule 3526 from the Fund's independent public accountant and has discussed with the independent public accountant its independence. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended March 31, 2015, for filing with the U.S. Securities and Exchange Commission (the "SEC").

The Nominating Committee

The Nominating Committee is a forum for identifying, considering, selecting and nominating, or recommending for nomination by the Board, candidates to fill vacancies on the Board. The Nominating Committee may consider diversity in identifying potential candidates, including differences of viewpoint, professional experience and skill, as well as such other individual qualities and attributes as it may deem relevant. The Nominating Committee has not adopted a formal procedure for the implementation, or for assessing the effectiveness, of its policy with regard to the consideration of diversity in identifying potential candidates.

When addressing vacancies, the Nominating Committee sets any necessary standards or qualifications for service on the Board and may consider nominees recommended by any source it deems appropriate, including management and shareholders. Shareholders who wish to recommend a nominee should send recommendations to the Fund's Secretary that include all information relating to such person that is required to be disclosed under the Fund's By-Laws as summarized below. A recommendation must be accompanied by a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the shareholders.

The Nominating Committee also identifies potential nominees through its network of contacts and may also engage, if it deems appropriate, a professional search firm. The committee meets to discuss and consider such candidates qualifications and then chooses a candidate by majority vote. The committee does not have specific, minimum qualifications for nominees, nor has it established specific qualities or skills that it regards as necessary for one or more of the Board Members to possess (other than any qualities or skills that may be required by applicable law, regulation or listing standard). The committee has, however, established (and reviews from time to time as it deems appropriate) certain desired qualities and qualifications for nominees, including certain personal attributes and certain skills and experience.

The members of the Fund's Nominating Committee are Sandra N. Bane, Leo J. Hill, David W. Jennings, Russell A. Kimball, Jr., Eugene M. Mannella, Patricia L. Sawyer and John W. Waechter, each of whom is an Independent Board Member and qualifies as an independent director for purposes of the New York Stock Exchange Listing Standards. Ms. Sawyer currently serves as chairperson of the Nominating Committee. The Board has a Nominating Committee charter, a copy of which is included as Exhibit C to this Proxy Statement.

While the Nominating Committee is solely responsible for the selection and nomination of potential candidates to serve on the Board, the Nominating Committee may consider and evaluate nominations properly submitted by shareholders of the Fund. Nominations proposed by shareholders will be properly submitted for consideration by the Committee only if shareholders submit their considerations in accordance with the qualifications and procedures set forth in the charter of the Nominating Committee and the Fund's By-Laws. It is in the Nominating Committee's sole discretion whether to seek corrections of a deficient submission or to exclude a nominee from consideration.

A candidate for nomination as Director submitted by a shareholder will not be deemed to be properly submitted to the Committee for the Committee's consideration if, in addition to any other requirements contained in the Fund's By-Laws, the following requirements have not been met and if the following procedures have not been followed:

1. Each eligible shareholder or shareholder group may submit no more than one nominee each calendar year.

2. The nominee must satisfy all qualifications provided herein and in the Fund's organizational documents, including qualification as a possible Independent Board Member if the nominee is to serve in that capacity.

The nominee may not be the nominating shareholder, a member of the nominating shareholder group or a member of the immediate family of the nominating shareholder or any member of the nominating shareholder group.¹

Neither the nominee nor any member of the nominee's immediate family may be currently employed or employed within the year prior to the nomination by any nominating shareholder entity or entity in a nominating shareholder group.

Neither the nominee nor any immediate family member of the nominee is permitted to have accepted directly or indirectly, during the year of the election for which the nominee's name was submitted, during the immediately preceding calendar year, or during the year when the nominee's name was submitted, any consulting, advisory, or other compensatory fee from the nominating shareholder or any member of a nominating shareholder group.

The nominee may not be an executive officer, director or person fulfilling similar functions of the nominating shareholder or any member of the nominating shareholder group, or of an affiliate of the nominating shareholder or any such member of the nominating shareholder group.

The nominee may not control the nominating shareholder or any member of the nominating shareholder group (or, in the case of a holder or member that is a fund, an interested person of such holder or member as defined by Section 2(a)(19) of the 1940 Act).

A shareholder or shareholder group may not submit for consideration a nominee which has previously been considered by the Committee.

3. In order for the Committee to consider shareholder submissions, the following requirements must be satisfied regarding the shareholder or shareholder group submitting the proposed nominee:

Any shareholder or shareholder group submitting a proposed nominee must beneficially own, either individually or in the aggregate, more than 5% of the Fund's securities that are eligible to vote both at the time of submission of the nominee and at the time of the Board member election. Each of the securities used for purposes of calculating this ownership must have been held continuously for at least two years as of the date of the nomination. In addition, such securities must continue to be held through the date of the meeting. The nominating shareholder or shareholder group must also bear the economic risk of the investment.

The nominating shareholder or shareholder group must also submit a certification which provides the number of shares which the person or group has (a) sole power to vote or direct the vote; (b) shared power to vote or direct the vote; (c) sole power to dispose or direct the disposition of such shares; and (d) shared

power to dispose or direct the disposition of such shares. In addition the certification shall provide that the shares have been held continuously for at least two years.

- ¹ Terms such as immediate family member and control shall be interpreted in accordance with the federal securities laws.

4. Shareholders or shareholder groups submitting proposed nominees must substantiate compliance with the above requirements at the time of submitting their proposed nominee as part of their written submission to the attention of the Fund's Secretary, who will provide all submissions to the Committee. In addition, this submission to the Fund must include the following (as set forth in the Fund's By-Laws):

the shareholder's contact information;

the nominee's name, age, date of birth, business address, residence address and nationality;

the number of applicable Fund shares owned of record or beneficially by the proposed nominee, as reported to the shareholder by the nominee;

any other information regarding such person required by Item 401 of Regulation S-K or Item 22 of Rule 14a-101 (Schedule 14A) under the Securities Exchange Act of 1934 (or any successor provision thereto) (1934 Act);

all information regarding the nominee that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for elections of Directors pursuant to Section 14 of the 1934 Act and the rules and regulations promulgated thereunder;

whether such shareholder believes any nominee is or will be an interested person of the Fund (as defined in the 1940 Act) and, if not an interested person, information regarding each nominee that will be sufficient for the Fund to make such determination;

the written and signed consent of each person to be nominated stating his or her intention to serve as a nominee and to serve as Director if elected; and

such other information as the Directors may reasonably require or deem necessary to determine the eligibility of such proposed nominee to serve as Director.

5. As set forth in the Fund's By-Laws, to be timely, all shareholder recommended nominee submissions must be received by the Fund no earlier than the 150th day or later than the 120th day prior to the first anniversary of the date on which the Fund first mailed its proxy materials for the prior year's annual meeting; provided, however, that if and only if the annual meeting is not scheduled to be held within a period that commences 30 days before the first anniversary date of the annual meeting for the preceding year and ends 30 days after such anniversary date, notice by the shareholder must be delivered by the later of the close of business on (i) the date 90 days prior to such annual meeting or (ii) the 10th business day following the date such annual meeting is first publicly announced or disclosed.

The Nominating Committee met four times during the fiscal year ended March 31, 2015.

Shareholder Communications with the Board

Shareholders may mail written communications to the Board, addressed to the care of the Secretary of the Fund, at the Fund's address. Each shareholder communication must (i) be in writing and be signed by the shareholder, and (ii) identify the full name of the Fund. The Secretary is responsible for collecting,

reviewing and organizing all properly submitted shareholder communications. Except as provided below, with respect to each properly submitted shareholder communication, the Secretary will either (i) provide a copy of the communication to the Board at the next regularly scheduled Board meeting, or (ii) if the Secretary determines that the communication requires more immediate attention, forward the communication to the Board promptly after receipt. The Secretary may, in good faith, determine that a shareholder communication should not be provided to the Board because the communication, among other things, (i) does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in the Fund, or (ii) is ministerial in nature (such as a request for Fund literature, share data or financial information).

OTHER INFORMATION

Information on Independent Registered Certified Public Accounting Firm. Ernst & Young LLP (E&Y) was selected by the Board as the independent registered certified public accounting firm for the fiscal year ending March 31, 2016.

Representatives of E&Y are not expected to be present at the Meeting but have been given the opportunity to make a statement if they so desire and will be available should any matter arise requiring their response.

Fees

The following table sets forth the aggregate fees billed for professional services rendered by E&Y to the Fund during the two most recent fiscal years:

Fiscal Year Ended	Audit-Related			All Other	Totals
	Audit Fees	Fees	Tax Fees	Fees	
March 31, 2015 (E&Y)	\$ 27,191	\$ 0	\$ 1,250	\$ 0	\$ 28,441
March 31, 2014 (E&Y)	\$ 27,191	\$ 0	\$ 3,750	\$ 0	\$ 30,941

All of the services described in the table above were approved by the Audit Committee pursuant to its pre-approval policies and procedures listed below.

Non-Audit Service

For the fiscal years ended March 31, 2014 and March 31, 2015, E&Y did not provide any non-audit services to the Fund (other than tax services), TAM, or any entity controlling, controlled by or under common control with TAM that required Audit Committee pre-approval.

Pre-approval Policies and Procedures

The pre-approval policies and procedures of the Fund contained in the Fund's Audit Committee Charter require that the Fund's Audit Committee pre-approve all audit services and non-audit services provided

by E&Y or any other independent public accountant engaged by the Fund (the Auditor). The Audit Committee must pre-approve any engagement of the Auditor to provide non-audit services to (i) the Adviser, and (ii) any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Fund (entities in (i) and (ii), hereinafter Service Affiliates) if the services directly relate to the operations and financial reporting of the Fund (Covered Non-Audit Services). The policies and procedures permit the Audit Committee to pre-approve the provision of types or categories of non-audit services to the Fund and Covered Non-Audit Services to the Service Affiliates. The Chairperson of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee.

The Audit Committee pre-approved each of the audit and non-audit fees listed in the table above.

Compliance with Section 16(a) Reporting Requirements. Section 16(a) of the Securities Exchange Act of 1934 requires the Fund s officers, Directors and the Adviser, the affiliated persons of the Adviser, and the beneficial owners of more than 10% of the Fund s shares (collectively, Reporting Persons) to file initial reports of ownership and reports of changes in ownership with the SEC and the New York Stock Exchange, and to provide copies of these reports to the Fund. Based solely on its review of the copies of such forms received by it and written representations of certain Reporting Persons, the Fund believes that during the fiscal year ended March 31, 2015, no person owned beneficially more than 10% of its shares and that its Reporting Persons complied with all applicable filing requirements.

Fund Service Providers. The investment adviser, TAM, is located at 4600 S. Syracuse Street, Suite 1100, Denver, Colorado 80237. The Fund s investment sub-adviser, Aegon USA Investment Management, LLC (AUIM), is located at 4333 Edgewood Road NE, Cedar Rapids, IA 52499. The Fund s Administrator, Transamerica Fund Services, Inc., is located at 4600 S. Syracuse Street, Suite 1100, Denver, Colorado 80237.

Shareholder Reports. To obtain a copy of the Fund s most recent annual report for the year ended March 31, 2015, without charge, write to the Fund at 4600 S. Syracuse Street, Suite 1100, Denver, Colorado 80237; telephone toll free 1-888-233-4339; or visit www.transamericaassetmanagement.com.

Please note that only one annual report or proxy statement may be delivered to two or more shareholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or proxy statement, or for instructions as to how to request a separate copy of such documents or as to how to request a single copy if multiple copies of such documents are received, shareholders should contact the Fund at the address and phone number set forth above.

VOTING INFORMATION

Proxy Solicitation. In order to obtain the necessary quorum at the Meeting, in addition to solicitations of proxies by mail, proxy solicitations may also be made by telephone, e-mail or personal interviews conducted by officers of the Fund, regular employees of TAM, or other representatives of the Fund. The Fund has retained Computershare Fund Services (Computershare) as the Fund s proxy solicitor for the Meeting.

Expenses. The expense of preparing, printing and mailing the accompanying Proxy, the Notice and the Proxy Statement will be borne by the Fund. The cost of retaining Computershare as the Fund s proxy solicitor for the Meeting is expected to cost approximately \$16,000.

Shareholder Voting. The Board has fixed the close of business on May 11, 2015, as the record date (the Record Date) for the determination of Fund shareholders entitled to notice of and to vote at the

Meeting. Shareholders of record, as to any matter on which they are entitled to vote, will be entitled to one vote per share on all business of the Meeting and an appropriate fraction of a vote for each fractional share. There were 6,318,771 shares outstanding on the Record Date.

Exhibit A sets forth the shareholders entitled to cast 5% or more of the Fund's votes. To the best of the Fund's knowledge, as of the Record Date, no shareholder was entitled to cast 5% or more of the Fund's votes, except as stated in Exhibit A. As of the Record Date, the officers and the Directors of the Fund as a group beneficially owned less than 1% of the Fund's shares.

The presence of shareholders entitled to cast a majority of all the votes entitled to be cast, in person or by proxy, is necessary to constitute a quorum for the transaction of business at the Meeting. Shareholders of record at the close of business on May 11, 2015, are entitled to notice of, and to vote at, the Meeting. If a quorum is not present at the Meeting, or if a quorum is present but sufficient votes to approve Proposal 1 are not received, the Chairman or the President of the Board, or any person presiding at the Meeting, may adjourn or postpone the Meeting to permit further solicitation of Proxies. A shareholder vote may be taken on Proposal 1 prior to any such adjournment if sufficient votes have been received and it is otherwise appropriate.

Voting. In order that your shares may be represented at the Meeting, you are requested to:

indicate your instructions on the enclosed Proxy;

date and sign the Proxy;

mail the Proxy promptly in the enclosed envelope, which requires no postage if mailed in the United States; and

allow sufficient time for the Proxy to be received on or before 5:00 p.m., Eastern Time, on July 9, 2015.

If the enclosed Proxy is properly executed and returned in time to be voted at the Meeting, the shares represented by the Proxy will be voted in accordance with the instructions marked therein. If you give no voting instructions on the Proxy, it will be voted FOR the matters listed in the accompanying Notice and Proxy and, in the proxies' discretion, either FOR or AGAINST any other matters that may be properly presented at the Meeting. Any shareholder who has given a Proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her shares in person, or by submitting a letter of revocation or a later-dated Proxy to the Fund at the above address prior to the date of the Meeting. However, attendance at the Meeting, by itself, will not revoke a previously tendered Proxy.

You may also vote via the Internet, or by telephone. Instructions are enclosed in these materials. If you elect to vote using one of these methods, do not return your Proxy unless you later elect to change your vote.

Broker-dealer firms holding shares of the Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on Proposal 1 before the Meeting. If you beneficially own shares that are held in street name through a broker-dealer, and if you do not give specific voting instructions for your shares, they may not be voted at all or they may be voted by the broker-dealer in a manner that you may not intend. Therefore, you are strongly encouraged to give your broker-dealer specific instructions as to how you want your shares to be voted.

Required Vote. Approval of Proposal 1, election of the Directors, requires an affirmative vote of a majority of all the votes cast at the Meeting in person or by Proxy, if a quorum is present. Fund shareholders will vote together as a single class on Proposal 1.

Broker non-votes occur when the Fund receives a Proxy from a broker or nominee who does not have discretionary power to vote on a particular matter and the broker or nominee has not received instructions from the beneficial owner or other person entitled to vote the shares represented by the Proxy. Abstentions and broker non-votes will be counted as shares present at the Meeting for purposes of determining whether a quorum is present, but will not be counted as votes cast on any proposal. Accordingly, abstentions and broker non-votes will have no effect on the result of the vote on Proposal 1.

Shareholders Proposals. Shareholders wishing to submit proposals for inclusion in a Proxy Statement for a subsequent shareholders meeting should send their written proposals to the Secretary of the Fund at 4600 S. Syracuse Street, Suite 1100, Denver, Colorado 80237. The Fund shall not be required to consider for inclusion in the Fund's Proxy Statement and form of Proxy relating to the Fund's 2016 annual meeting of shareholders any proposal received later than January 31, 2016. Shareholders wishing to submit proposals at the 2016 annual meeting of shareholders not to be included in the Fund's Proxy Statement should send written notice of such proposals to the Secretary of the Fund at the above address by January 31, 2016 but no earlier than January 1, 2016. Timely submission of a proposal for inclusion in the Fund's Proxy Statement, or for presentation at the 2016 annual meeting, does not necessarily mean that the proposal will be included or presented. Inclusion of such proposals is subject to limitations under the federal securities laws and informational requirements of the Fund's By-Laws, as in effect from time to time.

The Fund is required to hold annual meetings of shareholders. To ensure the presence of a quorum at the Meeting and to help save the cost of follow-up mailings, prompt execution and return of the enclosed Proxy is requested.

Audit Committee Charter

Revised January 24, 2014

Organization and Membership

There shall be a committee of the Board of Directors of the Transamerica Income Shares, Inc. (the Fund) to be known as the Audit Committee. The Audit Committee shall be composed of at least three Directors. Audit Committee members shall be independent of the Fund and free of any relationship that, in the opinion of the Directors, would interfere with their exercise of independent judgment as a committee member. Each member must meet the independence and experience requirements of the New York Stock Exchange, Rule 10A-3(b)(1) under the Securities Exchange Act of 1934 (the Exchange Act), and the rules and regulations of the Securities and Exchange Commission (the SEC). Additionally, if a member simultaneously serves on the audit committees of more than three public companies, the Board must determine that such simultaneous service will not impair the ability of such member to effectively serve on the Audit Committee, and must disclose such determination either on or through the Fund s website, in its annual proxy statement, or in the Fund s annual report.

The Committee shall have such members as the Board shall determine from time to time. The Board shall designate one member of the Audit Committee as Committee Chairman, and the Chairman shall serve for such term as the Board may approve.

Each member of the Audit Committee shall have, or obtain within a reasonable time after his or her appointment to the Audit Committee, a basic understanding of finance and accounting and be able to read and understand fundamental financial statements. At least one member of the Audit Committee must have accounting or related financial management expertise, in the judgment of the Board. The Board may presume that an Audit Committee member that is an audit committee financial expert (as set out in Item 407(d) of Regulation S-K) has accounting or related financial management expertise.

The Board shall at least annually, or as otherwise required by applicable law, determine whether any Audit Committee member is an audit committee financial expert.

¹ For purposes of this requirement, where a Trustee serves on multiple boards in the same fund complex, such service will be counted as one board.

Statement of Policy

The Audit Committee shall: (1) assist Board oversight of (a) the quality and integrity of the Fund's financial statements, (b) the Fund's compliance with legal and regulatory requirements, (c) the independent auditors' qualifications and independence, and (d) the performance of the Fund's internal audit function and independent auditors; (2) oversee the accounting, reporting policies and practices and internal controls of the Fund; (3) approve and recommend for appointment or replacement the Fund's independent auditors; and (4) prepare the disclosure required by Item 407(d)(3)(i) of Regulation S-K. In so doing, the Audit Committee shall seek to maintain free and open means of communication among the Directors, the independent auditors and the management of the Fund's Adviser. The Audit Committee shall meet periodically with management of the Adviser and the Fund's independent auditors in separate executive sessions. The independent auditors for the Fund shall report directly to the Audit Committee.²

Although the Audit Committee shall have the authority and responsibilities set forth in this Charter, it is not the responsibility of the Audit Committee to plan or conduct audits or to determine that the Fund's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. That is the responsibility of management and the independent auditors. Nor is it the duty of the Audit Committee to conduct investigations or to ensure compliance with laws and regulations. In discharging its duties, the Audit Committee may rely on the independent auditors, the Fund's Chief Financial Officer or Chief Compliance Officer or any legal, accounting or other consultants it retains to advise it.

Responsibilities

Fund management has the primary responsibility to establish and maintain systems for accounting, reporting and internal control.

The Fund's independent auditors have the primary responsibility to plan and implement an audit, with proper consideration given to the accounting, reporting and internal controls. The independent auditors are ultimately accountable to the Board and Audit Committee. It is the direct responsibility of the Audit Committee to select, retain, evaluate and replace the independent auditors and to determine their compensation.

In carrying out its responsibilities the Audit Committee believes its policies and procedures should remain flexible, in order to react to changing conditions and requirements applicable to the Fund.

The Audit Committee may delegate any portion of its authority, including the authority to grant pre-approvals of audit and permitted non-audit services, to one or more members or a subcommittee. Any decision of the subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next regularly scheduled meeting.

² The members of the Audit Committee shall not be subject to greater fiduciary obligations and shall not be subject to a higher standard of care than the other members of the Board because of their work for the Committee.

The Audit Committee is responsible for the following:

Fund Financial Statements:

1. Meeting to review and discuss the Fund's annual audited financial statements, semi-annual financial statements and Management's Discussion of Fund Performance if included in the Fund's Form N-CSR with Fund management and the independent auditors.
2. Discussing with management the Fund's press releases and other communications regarding dividends, as well as financial information and guidance provided to analysts and rating agencies. This discussion may be done generally, consisting of discussing the types of information to be disclosed and the types of presentations to be made. The Chairman of the Audit Committee shall be authorized to have these discussions with management on behalf of the Audit Committee.
3. Reviewing and discussing (a) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Fund's selection or application of accounting principles, and major issues as to the adequacy of the Fund's internal controls and any special audit steps adopted in light of material control deficiencies; (b) analyses prepared by management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements; (c) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Fund; and (d) the type and presentation of information to be included in dividend press releases (paying particular attention to any use of pro forma, or adjusted non-GAAP, information), as well as review any financial information and guidance provided to analysts and rating agencies.
4. Reviewing and discussing any reports from the independent auditors regarding (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative treatments and disclosures, and the treatment preferred by the independent auditors; and (c) other material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences.
5. Discussing (a) policies with respect to risk assessment and risk management.; (b) guidelines and policies to govern the process by which the Fund's exposure to risk is assessed and managed; and (c) the Fund's major financial risk exposures and the steps management has taken to monitor and control such exposures. [**Note:** Revised to incorporate NYSE Listed Company Manual Section 303A.07(b)(iii)(D).]
6. Reviewing disclosures made to the Audit Committee by the Fund's principal executive officer and principal financial officer during their certification process for the Fund's periodic reports about any significant deficiencies or material weaknesses in the design or operation of internal controls and any fraud involving management or other employees who have a significant role in the Fund's internal controls.

With respect to the independent auditors:

1. Having the sole authority to appoint or replace the independent auditors, subject, if applicable, to shareholder ratification and Board approval; and compensating and overseeing the work of the independent auditors (including the resolution of disagreements between management and the independent auditors regarding financial reporting), who shall report directly to the Audit Committee, for the purpose of preparing or issuing an audit report or related work.
2. Meeting with the independent auditors and Fund management to review the scope, fees, audit plans and staffing for the audit for the current year and to approve the fees. At the conclusion of the audit, reviewing such audit results, including the independent auditors' evaluation of the Fund's financial and internal controls, any comments or recommendations of the independent auditors, any audit problems or difficulties and management's response, any significant changes required from the originally planned audit programs and any adjustments to such statements recommended by the auditors.
3. Approving, prior to appointment, the engagement of the auditors to provide other audit services to the Fund or to provide non-audit services to the Fund, the Adviser or any entity controlling, controlled by, or under common control with the Adviser (Adviser affiliate) that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund. The Chairman of the Audit Committee shall be authorized to give such pre-approvals on behalf of the Audit Committee.

Developing appropriate policies and procedures for the pre-approval of the engagement of the Fund's independent auditors to provide any of the services described above, (See Attached Audit Committee Preapproval Policy).

Considering whether the non-audit services the Fund's auditors provides to the Adviser or any Adviser affiliate that provides ongoing services to the Fund, to the extent not pre-approved, are compatible with maintaining the auditors independence.

Considering the controls the auditors use and any measures management takes to assure that all items requiring the Audit Committee's preapproval are identified and referred to the Audit Committee in a timely manner.

4. Obtaining and reviewing a report from the independent auditors at least annually (including a formal written statement delineating all relationships between the auditors and the Fund) regarding (a) the independent auditors internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities, including but not limited to the Public Company Accounting Oversight Board (PCAOB), within the preceding five years, respecting one or more independent audits carried out by the audit firm; (c) any steps taken to deal with any such issues; and (d) all relationships between the independent auditors and the Fund and their respective affiliates; and evaluating the qualifications, performance and independence of the independent auditors, including their membership in the SEC practice section of the AICPA and their compliance with all

applicable requirements for independence and peer review, and a review and evaluation of the lead partner, taking into account the opinions of management and discussing such reports with the independent auditors. The Audit Committee shall present its conclusions with respect to the independent auditors to the Board.

5. Reviewing any reports from the independent auditors mandated by Section 10A(b) of the Exchange Act regarding any illegal act detected by the independent auditors (whether or not perceived to have a material effect on the Fund's financial statements) and obtaining from the independent auditors any information about illegal acts in accordance with Section 10A(b).
6. Ensuring the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further considering the rotation of the independent auditor firm itself.
7. Setting clear policies for the Fund's or the Adviser's hiring of employees or former employees of the independent auditors.

Other responsibilities:

3. Reviewing with the independent auditors and with Fund management, the adequacy and effectiveness of the accounting and financial controls of the Fund, and eliciting any recommendations for the improvement of internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose payments, transactions or procedures that might be deemed illegal or otherwise improper.
4. Discussing with management and the independent auditors any correspondence with regulators or governmental agencies that raise material issues regarding the Fund's financial statements or accounting policies.
5. Performing an annual performance evaluation of the Audit Committee.
6. Reporting to the Directors on the results of the activities of the Audit Committee.
7. Performing any special reviews, investigations or oversight responsibilities requested by the Directors.

8. Establishing procedures for the receipt, retention and treatment of complaints received by the Fund regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of the Fund, the Adviser, an Adviser affiliate, administrator, principal underwriter or any other provider of accounting related services for the Fund of concerns about accounting or auditing matters, and addressing reports from attorneys or auditors of possible violations of federal or state law or fiduciary duty.

9. Reviewing any report required by the rules of the SEC to be included in a proxy statement for the Fund. With respect to the Audit Committee report required to be included in the Fund's proxy statement for its annual meeting of shareholders (if such meeting is required by law), the report shall indicate whether the Audit Committee has (i) reviewed and discussed the financial statements with management; (ii) discussed with the independent auditors the matters required to be discussed by the PCAOB Standard No. 16, as modified or supplemented; and (iii) received written disclosures and the letter from the independent auditors required by applicable requirements of the PCAOB Ethics and Independence Rule 3526 regarding the independent auditor's communications with the Audit Committee concerning independence, and has discussed with the independent auditors the auditor's independence. The Audit Committee's report should also indicate whether the Audit Committee, based on its review and its discussions with management of the Adviser and the independent auditors, recommends to the Board that the financial statements be included in the Fund's annual report for the last fiscal year.

Other Powers and Responsibilities

1. The Audit Committee shall meet as necessary to carry out its responsibilities hereunder and otherwise from time to time as appropriate.
2. The Audit Committee may meet in person or telephonically, provided that, when the Audit Committee meets in person members may attend telephonically. The Audit Committee may act by written consent to the extent permitted by law and the Fund's bylaws.
3. The Audit Committee shall have the authority to meet privately and to invite non-members to attend its meetings.
4. The Audit Committee shall meet regularly, in separate executive sessions, with representatives of Fund management and the Fund's independent auditors. The Audit Committee may also request to meet with internal legal counsel and compliance personnel of the Fund's Adviser and with entities that provide significant accounting or administrative services to the Fund to discuss matters relating to the Fund's accounting and compliance as well as other Fund-related matters. The Audit Committee may also request any officer or employee of the Fund's Adviser or the Fund's independent auditors or outside counsel to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. The Fund's independent auditors shall have unrestricted access at any time to Audit Committee members.
5. The Audit Committee shall prepare and keep minutes of its meetings and document decisions made outside of its meetings by delegated authority.
6. A majority of the members of the Audit Committee shall constitute a quorum for the transaction of business at any meeting of the Audit Committee. The action of a majority of members of the Audit Committee present at a meeting at which a quorum is present shall be the action of the Audit Committee unless a higher voting requirement is required by law.

7. The Audit Committee shall have the authority and resources in its discretion appropriate to discharge its responsibilities, including to retain special legal, accounting or other consultants to advise the Audit Committee.

8. The Board shall adopt this charter and may amend it upon its own motion. The Audit Committee shall review this Charter at least annually and recommend to the Board any changes the Audit Committee deems appropriate.

Audit Committee Preapproval Policy

1. Statement of Principles

The Audit Committee is required to preapprove audit and non-audit services performed for the Funds by the independent accountant in order to assure that the provision of such services does not impair the accountant's independence. The Audit Committee also is required to preapprove non-audit services performed by the Funds independent accountant for the Funds investment adviser, and certain of the adviser's affiliates that provide ongoing services to the Funds, if the services to be provided by the accountant relate directly to the operations and financial reporting of the Funds. The preapproval of these services also is intended to assure that the provision of the services does not impair the accountant's independence.

Unless a type of service to be provided by the independent accountant has received preapproval, it will require separate preapproval by the Audit Committee. Also, any proposed services exceeding preapproved cost levels will require separate preapproval by the Audit Committee. When considering services for preapproval, the Audit Committee will take into account such matters as it deems appropriate or advisable, including applicable rules regarding auditor independence.

The appendices to this Policy describe the Audit, Audit-related, Tax and All Other services for the Funds, and the Non-Audit services for the Funds investment adviser and its affiliates, that have the preapproval of the Audit Committee. The term of any preapproval is 12 months from the date of preapproval, unless the Audit Committee specifically provides for a different period. The Audit Committee will periodically revise the list of preapproved services based on subsequent determinations.

Notwithstanding any provision of this Policy, the Audit Committee is not required to preapprove services for which preapproval is not required by applicable law, including de minimis and grandfathered services.

2. Delegation

The Audit Committee may delegate preapproval authority to one or more of its members. The member or members to whom such authority is delegated shall report any preapproval decisions to the Audit Committee at its next scheduled meeting. By adopting this Policy the Audit Committee does not delegate to management the Audit Committee's responsibilities to preapprove services performed by the independent auditor.

B-8

3. Audit Services

The annual Audit services engagement terms and fees for the Funds will be subject to the preapproval of the Audit Committee. The Audit Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope or other matters.

In addition to the annual Audit services engagement approved by the Audit Committee, the Audit Committee may grant preapproval for other Audit services, which are those services that only the independent accountant reasonably can provide. The Audit Committee has preapproved the Audit services listed in Appendix A. All Audit services not listed in Appendix A must be separately preapproved by the Audit Committee.

4. Audit-Related Services

Audit-related services are assurance and related services for the Funds that are reasonably related to the performance of the audit or review of the Funds' financial statements or that are traditionally performed by the independent accountant. The Audit Committee believes that the provision of Audit-related services does not impair the independence of the accountant, and has preapproved the Audit-related services listed in Appendix B. All Audit-related services not listed in Appendix B must be separately preapproved by the Audit Committee.

5. Tax Services

The Audit Committee believes that the independent accountant can provide Tax services to the Funds such as tax compliance, tax planning and tax advice without impairing the accountant's independence. However, the Audit Committee will not permit the retention of the independent accountant in connection with a transaction initially recommended by the independent accountant, the purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations. The Audit Committee has preapproved the Tax services listed in Appendix C. All Tax services not listed in Appendix C must be separately preapproved by the Audit Committee.

6. All Other Services

The Audit Committee may grant preapproval to those permissible non-audit services for the Funds classified as All Other services that it believes are routine and recurring services, and would not impair the independence of the accountant. The Audit Committee has preapproved the All Other services listed in Appendix D. Permissible All Other services not listed in Appendix D must be separately preapproved by the Audit Committee.

A list of the SEC's prohibited non-audit services is attached to this policy as Exhibit 1. The SEC's rules and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

7. Non-Audit Services to the Adviser and Certain Affiliates

The Audit Committee believes that the Funds' independent accountant may perform certain permissible non-audit services for the Funds' investment adviser and certain of the adviser's affiliates that relate directly to the operations and financial reporting of the Funds, without impairing the independence of the accountant. The Audit Committee has preapproved the Non-Audit services to the adviser and its applicable affiliates listed in Appendix E. Non-Audit services to the adviser and its affiliates that relate directly to the operations and financial reporting of the Funds and

that are not listed in Appendix E must be separately preapproved by the Audit Committee.

B-9

As noted above, a list of the SEC's prohibited non-audit services is attached to this policy as Exhibit 1.

8. Preapproval Fee Levels

Preapproval fee levels for all services to be provided by the independent accountant to the Funds, and applicable non-audit services to be provided by the accountant to the Funds' investment adviser, and its affiliates, will be established periodically by the Audit Committee. Any proposed services exceeding these levels will require specific preapproval by the Audit Committee.

9. Supporting Documentation

With respect to each service that is separately preapproved, the independent auditor will provide detailed back-up documentation, which will be provided to the Audit Committee, regarding the specific services to be provided.

10. Procedures

Requests or applications to provide services that require separate approval by the Audit Committee will be submitted to the Audit Committee by both the independent accountant and the Funds' treasurer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

Management will promptly report to the Chair of the Audit Committee any violation of this Policy of which it becomes aware.

NOMINATING COMMITTEE CHARTER

(Approved April 3, 2008, as revised July 15, 2010)

A. COMMITTEE MEMBERSHIP

The Nominating Committee (the Committee) of the Funds Boards (the Boards) shall be composed solely of trustees who are not interested persons of the Funds as defined in Section 2(a)(19) of the Investment Company Act of 1940 (the Independent Trustees). Other members of the Boards, while not serving as members of the Committee, may assist the Committee in the discharge of its responsibilities, *e.g.*, by identifying and recommending potential candidates to the Committee for its consideration. In addition, at the request of the Committee, the Funds investment advisers and other service providers will provide administrative support and other assistance to the Committee.

The Boards shall nominate and appoint the members of the Committee and shall designate the Chair of the Committee. The Chair shall preside at each meeting of the Committee.

The Committee shall serve at the pleasure of the Boards. A majority of the members of the Committee shall constitute a quorum for the transaction of business, and the act of a majority of the members of the Committee present at any meeting, including by means of a conference call or other communications equipment by means of which all persons participating in the meeting can hear and communicate with each other, at which there is a quorum shall be the act of the Committee. The Committee may take action by unanimous written consent if at least the number of Trustees required for approval of such action at a meeting of the Trustees consent to the action in writing.

B. OBJECTIVES OF THE COMMITTEE

The primary purposes and responsibilities of the Committee are to (i) identify individuals qualified to become members of the Boards in the event that a position is vacated or created, (ii) consider all candidates proposed to become members of the Boards, subject to the procedures and policies set forth in this Charter or resolutions of the Boards, (iii) select and nominate, or recommend for nomination by the Boards, candidates for election as Trustees and (iv) set any necessary standards or qualifications for service on the Boards. The Independent Trustees, however, retain

the authority to act in place of the Committee to select and nominate the independent trustee candidates if they determine to do so. Similarly, the Trustees (the Independent Trustees together with the Management Trustees) retain the authority to act in place of the Committee to select and nominate management trustee candidates if they determine to do so.

C-1

C. BOARD NOMINATIONS AND FUNCTIONS

1. In the event of any vacancies or created positions on the Boards, the Committee shall oversee the process for the identification, evaluation and nomination of potential candidates to serve on the Boards. The Committee may solicit suggestions for nominations from any source it deems appropriate, including from representatives of Management.
2. The Committee shall evaluate each candidate's qualifications for Board membership, and, with respect to nominees for Independent Trustee membership, their independence from the Funds' investment advisers and other principal service providers. The Committee shall consider the effect of any relationships beyond those delineated in the 1940 Act that might impair the independence of a prospective Independent Trustee.
3. In assessing the qualifications of a potential candidate for membership on the Boards, the Committee may consider the candidate's potential contribution to the operation of the Boards and its committees, and such other factors as it may deem relevant. The Committee may consider diversity in identifying potential candidates, including differences of viewpoint, professional experience and skill, as well as such other individual qualities and attributes as it may deem relevant. Specific desired (but not required) qualities of Independent Trustee candidates are set forth in Schedule A to this Charter. All equally qualified nominees will be treated equally in consideration by the Committee. No person shall be qualified to be a Board member unless the Committee, in consultation with legal counsel, has determined that such person, if elected as a Trustee, would not cause the Funds to be in violation of or not in compliance with (a) applicable law, regulation or regulatory interpretation, (b) its organizational documents, or (c) any policy adopted by the Boards regarding either the retirement age of Board members or the percentage of a Board that is to be composed of Independent Trustees.
4. While the Committee is solely responsible for the selection and nomination of potential candidates to serve on the Boards, the Committee may consider and evaluate nominations properly submitted by shareholders of the Funds. Nominations proposed by shareholders will be properly submitted for consideration by the Committee only if the qualifications and procedures set forth in Schedule B of this Charter, as it may be amended from time to time by the Committee or the Boards, are met and followed. It shall be in the Committee's sole discretion whether to seek corrections of a deficient submission or to exclude a nominee from consideration.
5. The Committee shall evaluate, as necessary, the operations and effectiveness of the Boards as a whole and shall evaluate the composition of the Boards to determine whether it may be appropriate to add individuals with different backgrounds or skills from those already on the Boards.

D. OTHER POWERS AND RESPONSIBILITIES

The Committee shall meet as necessary to carry out its responsibilities hereunder, and otherwise from time to time as the Chair of the Committee deems appropriate.

The Committee may delegate any portion of its authority to a subcommittee of one or more members. Any decision of the subcommittee shall be presented to the full Committee at its next regularly scheduled meeting.

C-2

The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the ability to engage and compensate third party consultants from each Fund's assets.

The Committee shall periodically assess this Charter and recommend to the Boards any revisions or modifications that the Committee deems necessary or appropriate to the effective discharge of its responsibilities.

Nothing in this Charter is intended to impose, or should be interpreted as imposing, on any member of the Committee any additional duties or responsibilities over and above those placed on the member in his or her capacity as a Trustee of the Funds under applicable federal and state law.

SCHEDULE A

Each of the securities used for purposes of calculating this ownership must have been held continuously for at least two years as of the date of the nomination. In addition, such securities must continue to be held through the date of the meeting.

The nominating shareholder or shareholder group must also bear the economic risk of the investment.

The nominating shareholder or shareholder group must also submit a certification which provides the number of shares which the person or group has (a) sole power to vote or direct the vote; (b) shared power to vote or direct the vote; (c) sole power to dispose or direct the disposition of such shares; and (d) shared power to dispose or direct the disposition of such shares.
