<b>Currency of Payment:</b>	Euro
<b>Optional Redemption:</b>	<p>Prior to April 8, 2019, in the case of the 2019 Notes (three months prior to their maturity date), January 4, 2022, in the case of the 2022 Notes (their maturity date), and April 8, 2025 in the case of the 2025 Notes (three months prior to their maturity date), each series of Fixed Rate Notes will be redeemable, in whole at any time or in part from time to time, at the Issuer's option at a redemption price equal to the greater of (i) 100% of the principal amount of the Fixed Rate Notes of such series being redeemed or (ii) a make-whole amount based on a discount rate equal to the applicable Comparable Government Bond Rate (as defined below) plus (i) 20 basis points in the case of the 2019 Notes, (ii) 25 basis points in the case of the 2022 Notes and (iii) 25 basis points in the case of the 2025 Notes, plus in each case accrued interest to, but excluding, the redemption date, discounted on an annual basis (ACTUAL/ACTUAL (ICMA)).</p> <p>In addition, on or after April 8, 2019 in the case of the 2019 Notes (three months prior to their maturity date) and April 8, 2025 in the case of the 2025 Notes (three months prior to their maturity date), each such series of Fixed Rate Notes will be redeemable, in whole at any time or in part from time to time, at the Issuer's option at a redemption price equal to 100% of the principal amount of the Fixed Rate Notes of such series being redeemed, plus accrued interest thereon to, but excluding, the redemption date.</p> <p>Comparable Government Bond Rate means, the price, expressed as a percentage (rounded to three decimal places, 0.0005 being rounded upwards), at which the gross redemption yield on the series of Fixed Rate Notes being redeemed, if they were to be purchased at such price on the third Business Day prior to the date fixed for redemption, would be equal to the gross redemption yield on such Business Day of the Comparable Government Bond on the</p>

basis of the middle market price of the Comparable Government Bond prevailing at 11:00 a.m. (London time) on such Business Day as determined by an independent investment bank selected by the Issuer.

Comparable Government Bond means, in relation to any Comparable Government Bond Rate calculation, at the discretion of an independent investment bank selected by the Issuer, a German *Bundesanleihe* security whose maturity is closest to the maturity of the series of Fixed Rate Notes to be redeemed, or if such independent investment bank in its discretion considers that such similar bond is not in issue, such other German *Bundesanleihe* security as such independent investment bank may, with the advice of three brokers of, and/or market makers in, German *Bundesanleihe* securities selected by such independent investment bank, determine to be appropriate for determining the Comparable Government Bond Rate.

**Special Mandatory Redemption:**

If the Issuer does not consummate the Acquisition on or prior to May 12, 2016, or the merger agreement related to the proposed acquisition is terminated prior to that date, the Issuer will be required to redeem in whole and not in part each series of Fixed Rate Notes on the special mandatory redemption date (as defined below) at a redemption price equal to 101% of the aggregate principal amount of the notes of such series outstanding, plus accrued and unpaid interest from the date of initial issuance, or the most recent date to which interest has been paid or duly provided for, whichever is later, to, but excluding, the special mandatory redemption date. The special mandatory redemption date means the earlier to occur of (1) June 12, 2016, if the Acquisition has not been completed on or prior to May 12, 2016, or (2) the 30th day (or if such day is not a business day, the first business day thereafter) following the termination of the merger agreement.

**Change of Control Triggering Event:**

If a change of control triggering event occurs, unless the Issuer has exercised its right to redeem a series of Fixed Rate Notes, it will be required to make an offer to purchase each series of Fixed Rate Notes at a purchase price equal to 101% of the principal amount of the notes of such series, plus accrued and unpaid interest, if any, to the date of redemption.

**Form/Clearing System:**

Each series of Fixed Rate Notes will be issued only in registered, book-entry form. There will be a global Note representing each series of Fixed Rate Notes deposited with a common depository for Euroclear and Clearstream.

**Listing:**

Application will be made to have each series of Fixed Rate Notes listed on the New York Stock Exchange.
