Item 2.02**Assurant Provides Update on Health Runoff Operations.**

On the basis of preliminary results, Assurant, Inc. (the Company or Assurant) expects its Assurant Health runoff operations to report a pre-tax loss in the range of approximately \$215 million to \$230 million, or \$140 million to \$150 million after-tax, for the third quarter 2015.

The pre-tax loss was driven by higher than expected claims experience on 2015 individual major medical policies. As a result, the Company recognized losses for 2015 adverse claims development and increased premium deficiency reserves established at the end of second quarter 2015 to account for estimated future losses and direct expenses through 2017. Third quarter 2015 results for Assurant Health runoff operations also include \$25 million to \$35 million pre-tax of severance and other exit-related costs.

Assurant Health	Estimated Q315 Pre-tax Results (in millions)
Additional losses, including premium deficiency reserve strengthening and other expenses	\$190 -195
Severance and retention	20 -25
Other exit charges	5-10

Pre-tax loss (\$215) - (\$230)

Note: Beginning in second quarter 2015, Assurant Health results have been removed from net operating income and now are reflected in net income as runoff operations.

Based on current estimates, the Company expects its Health runoff operations to incur an additional \$60 million to \$70 million of pre-tax exit-related charges, mainly for severance, through the wind-down period.

Capital Update

As of quarter end, Assurant Health had approximately \$350 million of GAAP equity. The Company expects to contribute approximately \$200 million to subsidiaries comprising Assurant Health in the fourth quarter 2015 to maintain appropriate capital levels.

The foregoing information is preliminary and subject to completion of the Company's quarter-end financial reporting processes and review. More information about the Company's financial performance in the third quarter of 2015 will be provided when the Company reports final results on October 27, 2015, after market close.
