Item 1.01 Entry into a Material Definitive Agreement

On April 14, 2016, Independence Contract Drilling, Inc. (the Company) entered into a Fourth Amendment to the Amended and Restated Credit Agreement dated as of November 5, 2014 (the Fourth Amendment), by and among ICD, the Lenders and CIT, as Administrative Agent, as amended by (i) that certain First Amendment to Amended and Restated Credit Agreement, dated March 4, 2015; (ii) that certain Second Amendment to Amended and Restated Credit Agreement, dated April 17, 2015; and (iii) that certain Third Amendment to Amended and Restated Credit Agreement dated October 20, 2015 (as so amended, and as otherwise amended, supplemented, revised, restated or otherwise modified from time to time, the Credit Agreement).

Among other things, the Fourth Amendment (a) decreases the aggregate amount of commitments under the Credit Agreement from \$125 million to \$85 million, but maintains the \$25 million uncommitted accordion feature pursuant to which commitments may be increased in the future; (b) amends the Leverage Ratio and Rig Utilization covenants as described below; (c) amends the advance rate on Eligible Equipment for purposes of calculating the borrowing base; (d) increases interest rates by 50 basis points beginning September 30, 2016, unless the Company elects to raise \$10M of additional capital by such date; and (e) adds a springing covenant associated with capital expenditures consistent with the Company's previously announced capital plans as described below.

The Fourth Amendment modifies the Leverage Ratio covenant (defined as Net Funded Debt to EBITDA) to provide as follows as of the following dates:

March 31, 2016: 3.75

June 30, 2016: 4.00

September 30, 2016: 4.25

December 31, 2016: 4.50

March 31, 2017: 4.50

June 30, 2017: 4.50

September 30, 2017: 4.00

December 31, 2017 and thereafter: 3.00

Under the Credit Agreement, as amended, for purposes of calculating EBITDA, non-cash stock-based compensation is added back to EBITDA as well as up to \$2.0 million per year of previously capitalized construction costs that may be incurred in 2016 and 2017. At March 31, 2016, the Company's calculated leverage ratio under this covenant was approximately 1.8x.

Edgar Filing: Independence Contract Drilling, Inc. - Form 8-K

The Fourth Amendment modifies the Rig Utilization Ratio covenant to provide for 60% utilization through June 30, 2017, and 70% for the remainder of 2017. For purposes of calculating the Rig Utilization Ratio, the Credit Agreement continues to exclude decommissioned rigs, rigs under repair or construction, and rigs never included in the Credit Facility borrowing base for purposes of calculating the Rig Utilization Ratio. At March 31, 2016, the Company's calculated utilization under this covenant was approximately 86%.

The Fourth Amendment modifies the advance rate on eligible equipment for purposes of calculating the borrowing base under the credit facility so that it remains at 72.5% throughout 2016 and begins declining 1.25% per quarter thereafter.

The Fourth Amendment adds a springing covenant that limits capital expenditures in each of 2016 and 2017 to \$10 million. The covenant only applies when the Company's rig utilization covenant percentage falls below 80%, thus the Company does not expect this covenant to be applicable when it elects to restart its newbuild program. The permitted capital expenditure basket under the covenant may be increased for rig upgrades associated with new contracts or extensions or renewals of existing contracts, subject to administrative agent approval, as well as in the event of equity capital raises.

The Fourth Amendment reduces the requirement for a mandatory lockbox trigger from \$15 million of availability under the credit facility to \$10 million of availability under the Credit Facility.

The Fourth Amendment provides that the interest rate under the Credit Facility increases by 50 basis points beginning September 30, 2016; however, the increase will not be applicable if the Company elects to raise at least \$10 million of additional equity capital prior to such date.

The foregoing description of the Fourth Amendment does not purport to be complete and is qualified in its entirety by reference to the complete text of the Fourth Amendment, a copy of which is filed as Exhibit 10.1 hereto and incorporated by reference herein.
