**Item 8.01 Other Events.**

As previously disclosed, Key Energy Services, Inc. ( Key or the Company ) has been cooperating with investigations by the Department of Justice and the Securities and Exchange Commission into possible violations by Key of the Foreign Corrupt Practices Act ( FCPA ).

Key has been informed by the Department of Justice that the Department has closed its investigation and that it has decided to decline prosecution of the Company.

In addition, Key has been engaged in negotiations with the staff of the Division of Enforcement of the SEC in an effort to reach a resolution of the staff's investigation related to these same matters. Key has reached an agreement in principle with the staff on the terms of a proposed offer of settlement, which must be presented to the Commission for approval. While there is no assurance that the offer of settlement will be accepted by the Commission, Key is optimistic that the proposed resolution will become final in the second quarter of 2016. In connection with the offer of settlement, Key has accrued a liability in the amount of \$5 million.
