This Supplement No. 3 is being filed to update, amend, and supplement the information previously included in the prospectus with the information contained in our Current Report on Form 8-K filed with the Securities and Exchange Commission on March 6, 2017 (the 8-K). Accordingly, we have attached the 8-K to this Supplement No. 3. You should read this Supplement No. 3 together with the prospectus, Supplement No. 1 and Supplement No. 2. Unless otherwise defined in this Supplement No. 3, capitalized terms used in this Supplement No. 3 shall have the same meanings as set forth in the prospectus.

The prospectus, Supplement No. 1, Supplement No. 2 and this Supplement No. 3 relate to our distribution to holders of record of our common stock, par value \$0.001 per share, and to holders of our class of warrants with an exercise price of \$0.85 per share expiring June 19, 2020, which we refer to as the Listed Warrants, at no cost, of non-transferrable subscription rights, which we refer to as the Subscription Rights, to subscribe for up to an aggregate of 19,662,782 units, which we refer to as the Units, at a subscription price of \$1.00 per Unit. We are issuing one Subscription Right for each 20 shares of common stock and each 20 Listed Warrants held of record at the close of business on January 26, 2017. Each Unit consists of four shares of common stock and one-half a share of Series C Convertible Preferred Stock, which we refer to as the Preferred Stock. We refer to the offering that is the subject of the prospectus, Supplement No. 1, Supplement No. 2 and this Supplement No. 3 as the Rights Offering. An investor whose subscription may result in the investor beneficially owning more than 4.99% of our outstanding common stock may elect to receive in the Rights Offering, in lieu of shares of common stock, certain pre-funded warrants, which we refer to as the Pre-Funded Warrants, to purchase the same amount of shares of common stock.

The Rights Offering commenced on January 30, 2017, and the Subscription Rights will expire if they are not exercised by 5:00 p.m. Eastern Time, on March 17, 2017.

The Rights Offering is being conducted on a best-efforts basis. There is no minimum amount of proceeds necessary in order for us to close the Rights Offering.

We have engaged Maxim Group LLC to act as dealer-manager in the Rights Offering.

Investing in our securities involves a high degree of risk. See the section entitled Risk Factors beginning on page 25 of the prospectus. You should carefully consider these risk factors, as well as the information contained in the prospectus, before you invest.

Shares of our common stock are listed on the NYSE MKT under the symbol PVCT, although NYSE MKT suspended trading in our common stock and commenced delisting procedures on October 13, 2016. We are appealing the NYSE MKT decision to commence delisting procedures. Effective October 17, 2016, our common stock trades on the OTCQB under the symbol PVCT. On March 3, 2017, the closing sale price for our common stock was \$0.03 per share.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of the prospectus or this prospectus supplement. Any representation to the contrary is a criminal offense.

FOR IMMEDIATE RELEASE

**PROVECTUS BIOPHARMACEUTICALS, INC. ANNOUNCES EXTENSION OF
RIGHTS OFFERING DUE TO RECEIPT OF UNSOLICITED INVESTMENT
PROPOSALS TO INVEST IN PROVECTUS**

KNOXVILLE, TN, March 6, 2017 Provectus Biopharmaceuticals, Inc. (OTCQB: PVCT, www.provectusbio.com) (Provectus or the Company), a clinical-stage oncology and dermatology biopharmaceutical company, today announced that it has extended the expiration date of its rights offering (the Rights Offering) until Friday, March 17, 2017 at 5:00 p.m. Eastern Time. All other terms and conditions of the Rights Offering remain unchanged.

The Company s Board of Directors determined that it was in the best interests of the Company and its stockholders to extend the expiration date of the Rights Offering as a result of the Company s receipt of two unsolicited proposals from two separate groups of the Company s stockholders relating to potential equity financings, both for material sums of money (collectively, the Proposals), that would be in lieu of consummating the Rights Offering. The Board of Directors, in consultation with its legal and financial advisors, is carefully considering, reviewing and evaluating both Proposals and will have no further comment on either Proposal or the status of the Rights Offering until the Board of Directors has completed its evaluation.

The Board of Directors cautions the Company s stockholders and others considering trading in the Company s securities that the Board of Directors has just recently received the Proposals and while actively under consideration, no decisions have been made by the Board of Directors yet with respect to either Proposal or with respect to the status of the Rights Offering. There can be no assurance that any definitive agreement will be executed or that any transaction (i.e., either Proposal or the Rights Offering) will be consummated, or if consummated, the timing thereof.

The units being offered pursuant to the Rights Offering are being offered under the Company s effective registration statement on Form S-1 (No. 333-213986) by means of a prospectus, as supplemented from time to time, which has been filed with the

Securities and Exchange Commission (SEC) and is available on the website of the SEC at <http://www.sec.gov>. Before you invest, you should read the prospectus, as supplemented from time to time, and other documents Provectus has filed or will file with the SEC for more complete information about Provectus and the Rights Offering.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.
