PROXY STATEMENT

THE TAIWAN FUND, INC.

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Taiwan Fund, Inc. (the Fund or Corporation) for use at the Annual Meeting of Stockholders (the Meeting), to be held at the offices of Clifford Chance US LLP, 31 West 52nd Street, New York, New York 10019, on Tuesday, April 17, 2018 at 9:00 a.m., local time, and at any adjournments thereof.

This Proxy Statement and the form of proxy card are being mailed to stockholders on or about March 12, 2018. Any stockholder giving a proxy has the power to revoke it by executing a superseding proxy by phone, Internet or mail following the process described on the proxy card or by submitting a notice of revocation to the Fund prior to the date of the Meeting or in person at the Meeting. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, for the election of the directors, as described in this Proxy Statement.

The presence in person or by proxy of stockholders entitled to cast one third of the votes entitled to be cast thereat constitutes a quorum at all meetings of the stockholders. For purposes of determining the presence of a quorum for transacting business at the Meeting, executed proxies returned without marking a vote on Proposal 1, Proposal 2 or Proposal 3 will be treated as shares that are present for quorum purposes. Abstentions are included in the determination of the number of shares present at the Meeting for purposes of determining the presence of a quorum. **If a stockholder is present in person or by proxy at the Meeting but does not cast a vote, the stockholder's shares will count towards a quorum but will have no effect on Proposal 1 and will have the effect of a vote to disapprove Proposal 2 and Proposal 3.** In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, holders of a majority of the stock present in person or by proxy have power to adjourn the meeting from time to time to a date not more than 120 days after the original record date without notice other than announcement at the Meeting. The chairman of the Meeting also may adjourn the Meeting from time to time. Any adjournment may be made to a date not more than 120 days after the original record date without notice other than announcement at the Meeting. If a quorum is present, a stockholder vote may be taken on one or more of the Proposals in this Proxy Statement prior to any such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. At such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the Meeting as originally notified. The Fund may set a subsequent record date and give notice of it to stockholders, in which case the meeting may be held not more than 120 days beyond the subsequent record date.

The Board of Directors has fixed the close of business on February 23, 2018 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting and at any adjournments thereof. Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, the Fund had outstanding 8,172,205 shares of common stock.

Management of the Fund knows of no item of business other than those items mentioned in Proposal 1, Proposal 2 and Proposal 3 of the Notice of Meeting that will be eligible to be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

The Fund will furnish, without charge, a copy of its annual report for its fiscal year ended August 31, 2017 to any stockholder requesting such report. Requests for the annual report should be made in writing to The Taiwan Fund, Inc., c/o State Street Bank and Trust Company, P.O. Each of the nominees for Director has consented to be named in this Proxy Statement and to serve as a director of the Fund if elected. (1) The term "Fund Complex" means two or more registered investment companies that share the same investment adviser or principal underwriter or hold themselves out to investors as related companies for the purposes of investment and investor services.

Leadership Structure and Board of Directors

The Board has general oversight responsibility with respect to the business and affairs of the Fund. The Board is responsible for overseeing the operations of the Fund in accordance with the laws of Maryland, the provisions of the 1940 Act, other applicable laws and the Fund's Articles of Incorporation. The Board is currently composed of four Independent Directors and one of the Independent Directors serves as Chairman of the Board.

Generally, the Board acts by majority vote of all of the Directors, including a majority vote of the Independent Directors if required by applicable law. The Fund's day-to-day operations are currently managed by JF International Management Inc. (the "Adviser") and other service providers who have been approved by the Board. The Board meets periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers, oversee compliance with regulatory requirements and review performance. The Board has determined that its leadership structure is appropriate given the size of the Board, the fact that all of the Directors are not interested persons, and the nature of the Fund.

The existing Directors were selected to serve and continue, and Messrs. Kamp and Olsen were nominated, to serve on the Board, based upon their skills, experience,

judgment, analytical ability, diligence, ability to work effectively with other Directors and a commitment to the interests of stockholders and a demonstrated willingness to take an independent and questioning view of management. Each existing Director, other than Messrs. Kamp and Olsen, also has considerable familiarity with the Fund and State Street Bank and Trust Company (the Administrator), and its operations, as well as the special regulatory requirements governing registered investment companies and the special responsibilities of investment company directors, all as a result of their prior service as a Director of the Fund and, in several cases, as directors of other investment companies. In addition to those qualifications, the following is a brief summary of the specific experience, qualifications or skills that led to the conclusion that as of the date of this proxy statement, each person identified below should serve as a Director for the Fund. References to the qualifications, attributes and skills of the Directors are pursuant to requirements of the Securities and Exchange Commission (SEC), and do not constitute a holding out by the Board or any Director as having any special expertise and should not be considered to impose any greater responsibility or liability on any such person or on the Board by reason thereof than the normal responsibility and liability of an investment company board member or board. As required by rules the SEC has adopted under the 1940 Act, the Fund's Independent Directors select and nominate all candidates for Independent Director positions.

William C. Kirby. Mr. Kirby has served as a Director of the Fund since 2013. He is T. M. Chang Professor of China Studies at Harvard University and Spangler Family Professor of Business Administration at Harvard Business School. Mr. Kirby is a historian of modern China, whose work examines China's business, economic and political development in an international context. He has served the academic community for over 30 years. Mr. Kirby joined Harvard University in 1992, where he currently serves various positions including Chairman of the Harvard China Fund. He has also served as the Director of the John K. Fairbank Center for Chinese Studies, Dean of the Faculty of Arts and Sciences, Chair of the Council on East Asian Studies and the Director of the National Resource Center for East Asia for Harvard University. Prior to joining Harvard University, Mr. Kirby served as the Dean of the University College, Director of Asian Studies and Director of International Affairs at Washington University. Mr. Kirby has published numerous books and articles related to Chinese business and history.

Anthony S. Clark. Mr. Clark has served as a Director of the Fund since 2017. He is Managing Member of Innovation Capital Management, LLC since 2016. Mr. Clark served as Chief Investment Officer of the Pennsylvania State Employees Retirement System from 2010 to 2013 and Deputy Chief Investment Officer of the Pension Benefit Guaranty Corporation (PBGC) from 2009 to 2011. Prior to PBGC, Mr. Clark served as Director of Global Equities in the Investment Department of the Howard Hughes Medical Institute (1995 to 2008). Mr. Clark also serves as Director on the board of Aberdeen Japan Equity Fund, Inc.

Thomas G. Kamp. Mr. Kamp is a nominee for Director of the Fund. He served as President, Chief Investment Officer and Director of Cornerstone Capital Management

LLC from 2006 to 2016. Prior to that, Mr. Kamp was Senior Vice President, Portfolio Manager and manager of AllianceBernstein's and Alliance Capital's Minneapolis office.

Warren J. Olsen. Mr. Olsen is a nominee for Director of the Fund. He is Chairman and Chief Investment Officer at SCB Global Capital Management. Mr. Olsen served as Vice Chairman and Chief Investment Officer at First Western Financial Inc. between 2002 and 2014. He also served as President and CEO of IBJ Whitehall Asset Management from 1999 to 2002 and President of Morgan Stanley Funds from 1988 to 1997. Mr. Olsen also serves on the boards of Aetos Capital Multi-Strategy Arbitrage Fund, LLC, Aetos Capital Distressed Investment Strategies Fund, LLC and Aetos Capital Long/Short Strategies Fund, LLC.

Shelley E. Rigger. Ms. Rigger has served as a Director of the Fund since 2016. She has been the Brown Professor of East Asian Studies at Davidson College since 1993. Ms. Rigger has been a visiting Associate Professor at Fudan University's School of International Relations and Public Administration in Shanghai. She has also been a visiting Research Scholar at National Chengchi University in Taiwan for the Institute for International Relations. Ms. Rigger graduated magna cum laude from Princeton University's Woodrow Wilson School of Public and International Affairs. She also holds a Ph.D. from Harvard University's Department of Government with fields of specialization in comparative politics, Chinese politics, American politics and government and political anthropology. Ms. Rigger has published several books and numerous articles related to Taiwanese and Chinese history and business.

The Fund does not have a policy regarding Board member's attendance at the Annual Meeting of Stockholders. However, four of the five then Directors attended the 2017 Annual Meeting of Stockholders.

The Board of Directors of the Fund held four regular meetings and one special meeting during the fiscal year ended August 31, 2017. For the fiscal year ended August 31, 2017, each Director attended at least seventy-five percent of the aggregate number of meetings held during the fiscal year of the Board and of any committee on which he or she served.

Audit Committee. The Fund's Board of Directors has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act), which is responsible for reviewing financial and accounting matters. The Fund's Audit Committee is composed of directors who are independent (as defined in the New York Stock Exchange, Inc. (NYSE) listing standards, as may be modified or supplemented) and not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) and its actions are governed by the Fund's Audit Committee Charter, which is posted on the Fund's website (www.thetaiwanfund.com). The current members of the Audit Committee are Messrs. Clark, Kirby and Lo and Ms. Rigger, with Mr. Lo serving as Chairman. The Audit Committee convened four times during the fiscal year ended August 31, 2017. The Fund's Board of Directors has designated Mr. Lo, an Independent Director, as an audit committee financial expert.

Nominating Committee. The Fund's Board of Directors has a Nominating Committee, which is responsible for recommending individuals to the Board for nomination as members of the Board and its Committees. The Fund's Nominating Committee is composed of directors who are independent as independence is defined in the NYSE's listing standards, as may be modified or supplemented, and are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) and its actions are governed by the Fund's Nominating Committee Charter, which is posted on the Fund's website (www.thetaiwanfund.com). Currently, the Nominating Committee does not solicit recommendations for nominees from stockholders. The Nominating Committee believes that it is not necessary to have such a policy because the Board has had no difficulty identifying qualified candidates to serve as Directors. The Nominating Committee evaluates a candidate's qualifications for Board membership and the candidate's independence from the Fund's advisers and other principal service providers. The Nominating Committee does not have specific minimum qualifications that must be met by candidates recommended by the Nominating Committee and there is not a specific process for identifying such candidates. In nominating candidates, the Nominating Committee takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses or other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, requirements of the NYSE and the SEC to maintain a minimum number of independent or non-interested directors, requirements of the SEC as to disclosure regarding persons designated as having financial expertise on the Fund's audit committee and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board. The Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard. The current members of the Nominating Committee are Messrs. Clark, Kirby and Lo and Ms. Rigger, with Ms. Rigger serving as Chair. The Nominating Committee convened five times during the fiscal year ended August 31, 2017.

Valuation Committee. The Fund's Board of Directors has a Valuation Committee which is responsible for establishing and monitoring policies and procedures reasonably designed to ensure that the Fund's assets are valued appropriately, objectively and timely, reflecting current market conditions. The current Directors who are members of the Valuation Committee are Messrs. Clark, Kirby and Lo and Ms. Rigger, with Mr. Clark serving as Chairman. The Valuation Committee met one time during the fiscal year ended August 31, 2017.

Share Repurchase Program Committee. The Fund's Board of Directors has a Share Repurchase Program Committee which is responsible for overseeing and evaluating the Fund's program to repurchase its shares on the market. The current members of the Share Repurchase Program Committee are Messrs. Clark, Kirby and Lo and Ms. Rigger, with Mr. Kirby serving as Chairman. The Share Repurchase Program Committee met four times during the fiscal year ended August 31, 2017.

Risk Oversight

The day-to-day operations of the Fund, including the management of risk, are performed by third party service providers, such as the Fund's Adviser and Administrator. The Directors are responsible for overseeing the Fund's service providers and thus have oversight responsibilities with respect to risk management performed by those service providers. Risk management seeks to identify and address risks, i.e., events or circumstances that could have material adverse effects on the business, operations, stockholder services, investment performance or reputation of the Fund. The Fund and its service providers employ a variety of processes, procedures and controls to identify certain of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur.

Not all risks that may affect the Fund can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Fund or the Adviser or other service providers. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals. As a result of the foregoing and other factors, the Fund's ability to manage risk is subject to substantial limitations.

Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and Committee activities. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with and reviews reports from, among others the Fund's Adviser, the Fund's Administrator, the Fund's chief compliance officer and its independent registered public accounting firm, as appropriate, regarding risks faced by the Fund. The Board is responsible for overseeing the nature, extent and quality of the services provided to the Fund by the Adviser and receives information about those services at its regular meetings. In addition, on an annual basis, in connection with its consideration of whether to renew the Advisory Agreement, the Board meets with the Adviser to review the services provided. Among other things, the Board regularly considers the Adviser's adherence to the Fund's investment restrictions and compliance with various Fund policies and procedures and with applicable securities regulations. The Board has appointed a chief compliance officer who oversees the implementation and testing of the Fund's compliance program and reports to the Board regarding compliance matters for the Fund and its service providers. The Board, with the assistance of the Adviser, reviews investment policies and risks in connection with its review of the Fund's performance. In addition, as part of the Board's oversight of the Fund's advisory and other service provider agreements, the Board may periodically consider risk management aspects of their operations and the functions for which they are responsible.

Stockholder Communications

Stockholders may send communications to the Fund's Board of Directors by addressing the communication directly to the Board (or individual Board members)

and/or clearly indicating that the communication is for the Board (or individual Board members). The communication may be sent to either the Fund's office or directly to such Board member(s) at the address specified for each Director above. Other stockholder communications received by the Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act requires the Fund's officers and Directors, and beneficial owners of more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange, Inc. Section 30(h) of the 1940 Act extends the reporting requirements under Section 16(a) of the 1934 Act to the Fund's Adviser and the officers and directors of such Adviser. The Fund believes that its officers and Directors and the officers of the Adviser have complied with all applicable filing requirements for the fiscal year ended August 31, 2017.

Required Vote

Election of the listed nominees for Director requires the affirmative vote of the holders of a majority of the shares of common stock of the Fund cast at the Meeting. Pursuant to the Fund's By-Laws, any Director who is nominated for re-election at the Meeting and is not re-elected at the Meeting will be deemed to have tendered to the Board of Directors his or her resignation as a Director, with such resignation to take effect 30 days after the date of the Meeting unless the Board of Directors unanimously decides to reject that Director's tender of resignation, in which case the Director will continue in office until his or her death, resignation or removal or until his or her successor has been elected and has been qualified.

THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE FIVE NOMINEES FOR DIRECTOR NAMED IN THIS PROXY STATEMENT.

PROPOSAL 2 TO AMEND THE FUND S BY-LAWS TO REMOVE A FUNDAMENTAL POLICY THAT RESTRICTS THE FUND FROM INVESTING MORE THAN 10% OF THE FUND S TOTAL ASSETS (TAKEN AT CURRENT VALUE) IN A SINGLE ISSUER

At a special meeting of the Fund s Board of Directors held on February 14, 2018, the Directors unanimously voted to approve, and to recommend that stockholders of the Fund approve, an amendment to the Fund s by-laws to remove a fundamental policy that restricts the Fund from investing more than 10% of the Fund s total assets (taken at current value) in a single issuer. The Fund s fundamental policies may not be changed without stockholder approval. It is not anticipated that the approval of the removal of this investment limitation will result in a material modification of the Fund s investment strategies other than permitting the Fund to invest a greater percentage of the Fund s assets than currently permitted in up to two issuers in which the Adviser has strong convictions.

The relevant text of the Fund s By-Laws is set out in Appendix A. It is proposed that ARTICLE XIII, Section 13.1(ii) of the by-laws be removed to permit the Fund to invest more than 10% of the Fund s total assets (taken at current value) in a single issuer.

Rationale for Removal of Fundamental Policy

The Board of Directors has discussed certain of the Fund s fundamental policies with the Fund s Adviser. The Adviser indicated that it believes that restricting the Fund from investing more than 10% of the Fund s total assets (taken at current value) in a single issuer negatively limits the Adviser s ability to invest in certain issuers that it has high conviction in. For example, one security in which the Adviser currently has a high conviction is Taiwan Semiconductor Manufacturing Company (TSMC), which currently constitutes almost 20% of the Fund s benchmark, the TAIEX Total Return Index (the TAIEX). Because of the 10% limitation of the fundamental policy, the Fund has had to restrict its investment in TSMC to less than 10% of its total assets. The Adviser believes that the constraint of this fundamental policy has contributed to the Fund underperforming the TAIEX over certain periods of time because the index does not have this investment constraint. The Board considered the Adviser s rationale for recommending that this fundamental policy be removed and that it be permitted to invest in excess of 10% of the Fund s total assets (taken at current value) in a single issuer. The Board also considered the potential for increased risk in the Fund if the Fund invests in excess of 10% of total assets (taken at current value) in a single issuer, which include the potential for a less diverse portfolio of investments and individual risks being reflected to a greater extent. The Board concluded that the potential for improved performance by the Fund s portfolio from permitting the Adviser to invest a greater amount in certain issuers that it has high conviction in outweighs the potential increase in risk of a less diverse portfolio. The Board also noted that it will continue to monitor these risks like it does with other potential risks to the Fund.

Required Vote

Approval of an amendment to the Fund's by-laws to remove the fundamental policy that restricts the Fund from investing in excess of 10% of its total assets (taken at current value) will require the affirmative vote of a majority of the Fund's outstanding shares of common stock. As defined in the 1940 Act, a majority of outstanding shares means the lesser of 67% of the voting securities present at the Meeting if a quorum is present, or 50% of the outstanding securities. For this purpose, both abstentions and broker non-votes will have the effect of a vote to disapprove the proposed amendment. The Fund will continue under its current fundamental policies if this Proposal is not approved by the stockholders.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE PROPOSAL TO AMEND THE FUND'S BY-LAWS TO REMOVE THE FUND'S FUNDAMENTAL POLICY THAT RESTRICTS THE FUND FROM INVESTING MORE THAN 10% OF THE FUND'S TOTAL ASSETS (TAKEN AT CURRENT VALUE) IN A SINGLE ISSUER.

PROPOSAL 3 TO AMEND THE FUND'S BY-LAWS TO AMEND A FUNDAMENTAL POLICY TO REQUIRE THE FUND TO INVEST MORE THAN 25% OF ITS TOTAL ASSETS (TAKEN AT CURRENT VALUE) IN THE SEMI-CONDUCTOR INDUSTRY

At a special meeting of the Fund's Board of Directors held on February 14, 2018, the existing Directors unanimously voted to approve, and to recommend that stockholders of the Fund approve, the amendment of the Fund's by-laws to remove a fundamental policy that restricts the Fund from investing more than 25% of its total assets (taken at current value) in a single industry except that the Fund will invest more than 25% of its total assets (taken at current value) in the semi-conductor industry.

The relevant text of the Fund's By-Laws is set out in Appendix A. It is proposed that ARTICLE XIII, Section 13.1(iv) be amended to add a requirement that the Fund invest more than 25% of its total assets (taken at current value) in the semi-conductor industry.

Rationale for Replacement of Fundamental Policy

The Board of Directors has discussed with the Adviser changing the Fund's fundamental policy regarding investment in a single industry. The Adviser indicated that it believes that restricting the Fund from investing more than 25% of the Fund's total assets (taken at current value) in a single industry negatively limits the Adviser's ability to invest in the semi-conductor industry, an industry in which it has high conviction. The Adviser believes that the constraint on investing in a single industry has contributed to the Fund underperforming its benchmark index, the TAIEX, over certain periods of time because the index does not have this investment constraint. The Board considered the Adviser's rationale for recommending that this investment

limitation be amended to add a requirement that the Fund invest in excess of 25% of the Fund's total assets (taken at current value) in the semiconductor industry. The Board also considered the potential for increased risk if the Fund invests in excess of 25% of its total assets in the semi-conductor industry.

The Board also discussed with the Adviser the fact that if the Fund amends one of its fundamental policies to require the Fund invest in excess of 25% of its total assets in the semi-conductor industry, and thereby becomes concentrated in that industry, it must continue to do so unless stockholders approve removal of that amendment. The Adviser advised the Board that it believes that the semiconductor industry is likely to remain one of the larger components of the investment universe of the Fund for the foreseeable future. Should the semi-conductor industry cease to represent more than 25% of the investment universe of the Fund, the Fund reserves the right to propose to stockholders that the Fund no longer be required to invest more than 25% of its total assets in the semi-conductor industry.

Risk of Concentrating in Semi-Conductor Industry

Companies in the semi-conductor industry face intense competition, both domestically and internationally, and such competition may have an adverse effect on profit margins. In addition, semi-conductor companies may have limited product lines, markets, financial resources or personnel. The products of semi-conductor companies may also face obsolescence due to rapid technological developments and frequent new product introduction, unpredictable changes in growth rates and competition for the services of qualified personnel. Capital equipment expenditures among semi-conductor companies could be substantial, and equipment generally suffers from rapid obsolescence. Companies in the semi-conductor industry are heavily dependent on patent and intellectual property rights. The loss or impairment of these rights, would adversely affect the profitability of these companies.

Required Vote

Approval of an amendment to the Fund's by-laws to amend a fundamental policy to require the Fund to invest more than 25% of its total assets (taken at market value) in the semi-conductor industry will require the affirmative vote of a majority of the Fund's outstanding shares of common stock. As defined in the 1940 Act, a majority of outstanding shares means the lesser of 67% of the voting securities present at the Meeting if a quorum is present, or 50% of the outstanding securities. For this purpose, both abstentions and broker non-votes will have the effect of a vote to disapprove the proposed amendment. The Fund will continue under its current investment limitation on investing in a single industry if this Proposal is not approved by the stockholders.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE PROPOSAL TO AMEND THE FUND'S BY-LAWS TO REMOVE THE FUNDAMENTAL POLICY RESTRICTING THE FUND FROM INVESTING MORE THAN 25% OF ITS TOTAL ASSETS (TAKEN AT CURRENT VALUE) IN A SINGLE INDUSTRY AND TO REPLACE IT WITH A FUNDAMENTAL

POLICY REQUIRING THE FUND TO INVEST MORE THAN 25% OF ITS TOTAL ASSETS (TAKEN AT MARKET VALUE) IN THE SEMI-CONDUCTOR INDUSTRY.
