EXPLANATORY NOTE

This is a combined (i) new registration statement for Cognex Corporation (the Company) to register 10,000,000 newly authorized shares of common stock, par value \$.002 per share (Common Stock), that may be offered or sold pursuant to the Company's 2001 General Stock Option Plan, as Amended and Restated (the Plan); and (ii) post-effective amendment no. 1 to the registration statement on Form S-8 (File No. 333-100709) filed by the Company with the Securities and Exchange Commission (the Commission) on October 24, 2002 (the 2002 Registration Statement). Pursuant to the 2002 Registration Statement, 7,500,000 shares of the Company's Common Stock were registered for issuance under the Plan. The Plan was amended on August 14, 2007 to decrease the number of shares of Common Stock available for issuance under the Plan from 7,500,000 shares to 7,110,000 shares, which 390,000 shares of Common Stock are hereby deregistered under the 2002 Registration Statement. On each of September 16, 2013 and December 1, 2017, the Company effected a two-for-one stock split of its Common Stock in the form of a stock dividend, which resulted in a total of 28,440,000 shares of Common Stock authorized for issuance under the Plan. Pursuant to Rule 416(a) promulgated under the Securities Act of 1933, as amended (the Securities Act), the 2002 Registration Statement was deemed to cover the additional shares of Common Stock issuable under the Plan as a result of such stock splits. Upon the effectiveness of this filing, a total of 38,440,000 shares of Common Stock will have been registered for issuance under the Plan. The 2002 Registration Statement remains in effect as to the shares of Common Stock remaining available for offer and sale pursuant thereto.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 2.02(b)(4) of Chapter 156D of the Massachusetts General Laws allows a corporation to eliminate or limit the personal liability of a director of a corporation to the corporation or its shareholders for monetary damages for a breach of fiduciary duty as a director notwithstanding any provision of law imposing such liability, except where the director breached his or her duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of an improper distribution or obtained an improper personal benefit. The Company has included a similar provision in its articles of organization.

Section 8.51(a) of Chapter 156D of the Massachusetts General Laws provides that a corporation may indemnify its directors against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement reasonably incurred in connection with any litigation or other legal proceeding brought against any director by virtue of his or her position as a director of the corporation unless he or she is deemed to have not acted in good faith in the reasonable belief that his or her action was in the best interest of the corporation. As noted below, the Company has provided for director indemnification in its articles of organization and by-laws.

Section 8.52 of Chapter 156D of the Massachusetts General Laws provides that a corporation must indemnify a director who is wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because he or she was a director of the corporation against reasonable expenses incurred by him or her in connection with the proceeding.

Section 8.56(a) of Chapter 156D of the Massachusetts General Laws (Section 8.56) provides that a corporation may indemnify its officers to the same extent as its directors and, for officers that are not directors, to the extent provided by (i) the articles of organization, (ii) the by-laws, (iii) a vote of the board of directors or (iv) a contract. In all instances, the extent to which a corporation provides indemnification to its officers under Section 8.56 is optional. As noted below, the Company has provided for officer indemnification in its by-laws.

The Company's by-laws, as amended and restated, provide that, except as limited by law or otherwise provided in the by-laws, each director or officer of the Company (and his or her heirs and personal representatives) shall be indemnified by the Company against any expense incurred in connection with each proceeding in which he or she is involved as a result of his or her serving or having served as a director or officer. The by-laws further provide that no indemnification shall be provided to a director or officer with respect to a proceeding as to which it shall have been adjudicated that he or she did not act in good faith in the reasonable belief that his or her action was in the best interests of the Company. The Company will pay sums on account of indemnification in advance of a final disposition of a proceeding upon receipt of an undertaking by the director or officer to repay such sums if it is subsequently established that he or she is not entitled to indemnification.

The by-laws do not limit the power of the board of directors to authorize the purchase and maintenance of insurance on behalf of any director or officer against any expense whether or not the Company would have the power to

indemnify such director or officer against such expense under the by-laws.

The Company has entered into indemnification agreements with its directors. The indemnification agreements require, among other matters, that the Company indemnify its directors to the fullest extent provided by law and advance to directors certain expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted.

Item 7. Exemption from Registration Claimed.

Not applicable

Item 8. Exhibits.

See the Exhibit Index on the page immediately preceding the signature page for a list of exhibits filed as part of this registration statement, which Exhibit Index is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; and

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act

and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
