"During the fourth quarter of 2006, Seaspan passed a number of important milestones in its development," said Gerry Wang, Chief Executive Officer. "During the quarter, we took delivery of two vessels from our originally contracted fleet and purchased our first second-hand vessels when we completed a sale and charter-back transaction for four ships with A.P. "We completed our first follow-on equity offering during the quarter, raising \$235.1 million in net proceeds to fund the growth of our company," continued Mr. Wang. "In recognition of the significant growth in our business during 2006, our Board of Directors approved a 5% increase in our regular quarterly dividend from \$0.425 to \$0.44625 per share for the fourth quarter of 2006.

"We arranged to purchase a total of 18 vessels at an estimated cost of \$950.0 million during 2006, nearly doubling the size of our contracted fleet and increasing our steady state EBITDA by approximately \$105.0 million annually. We also executed two new credit facilities totaling \$583.4 million and completed our follow-on equity offering to finance our growth.
