PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 20, 2014

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

We have sent you a Notice of Availability of Proxy Materials (the Notice) or our proxy materials, as applicable, because the Board of Directors (the Board) of Geron Corporation, a Delaware corporation (Geron, the Company, we or us), is soliciting your proxy to vote at the 2014 Annual Meeting of Stockholders (the Annual Meeting), to be held on May 20, 2014, at 8:00 a.m. Pacific Daylight Time at the Hotel Sofitel, 223 Twin Dolphin Drive, Redwood City, CA 94065 or at any adjournment or postponement thereof. You may vote by proxy over the Internet, by phone or by mail, if you requested printed copies of the proxy materials.

We intend to distribute the Notice and the proxy materials on or about April 8, 2014 to all stockholders of record entitled to vote at the Annual Meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters described in this Proxy Statement. In addition, following the meeting, management will report on current events at Geron and respond to questions from stockholders.

How can I attend the Annual Meeting?

All stockholders are cordially invited to attend the Annual Meeting in person at the Hotel Sofitel, 223 Twin Dolphin Drive, Redwood City, CA 94065. For directions to attend the Annual Meeting, please contact our Investor Relations department at (650) 473-7765 or by email at investor@geron.com. Stockholders may also access the meeting via telephone by dialing 866-318-8614 (U.S.) or 617-399-5133 (international). The passcode is 71317250. A live audio-only webcast will also be available at <http://edge.media-server.com/m/p/7awtbx5k/lan/en> via the Internet. The Annual Meeting will start at 8:00 a.m., Pacific Daylight Time, on May 20, 2014.

How can I participate in the Annual Meeting if I cannot attend in person?

If you cannot attend the meeting in person, stockholders may participate via telephone by dialing 866-318-8614 (U.S.) or 617-399-5133 (international). The passcode is 71317250. Why did I receive a Notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

We are pleased to continue to apply the SEC rule that allows companies to furnish their proxy materials over the Internet. If you received the Notice by mail, you will not receive a printed copy of the proxy materials unless you request one. Instead, the Notice will instruct you as to how you may access and review the proxy materials and cast your vote via the Internet. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, please follow the instructions included in the Notice. A stockholder's election to receive proxy materials by mail or electronically by email will remain in effect until the stockholder terminates such election.

Why did I receive a full set of proxy materials instead of a Notice regarding the Internet availability of proxy materials?

We are providing paper copies of the proxy materials to stockholders who previously requested to receive them. If you would like to reduce the environmental impact and the costs incurred by us in mailing proxy materials, you may elect to receive all future proxy materials electronically via email or the Internet. To sign up for electronic delivery, please follow the instructions provided with your proxy materials and on your proxy card or voting instruction card, to vote using the Internet and, when prompted, indicate that you agree to receive or access future stockholder communications electronically. Alternatively, you can go to www.proxyvote.com and enroll for online delivery of proxy materials.

How can I access the proxy materials over the Internet?

You may view and also download our proxy materials, including the 2013 Annual Report on Form 10-K, at www.proxyvote.com.

How do I order proxy materials if I have not received them?

This Proxy Statement and Geron's 2013 Annual Report on Form 10-K are available at www.proxyvote.com. Internet distribution of proxy materials is designed to expedite receipt by stockholders, lower the cost of the Annual Meeting and conserve natural resources. However, if you have not received a copy of our proxy materials and would like to receive one for the Annual Meeting or for future stockholder meetings, you may request printed copies as follows:

- by telephone: call 1-800-579-1639 free of charge and follow the instructions;
- by Internet: go to www.proxyvote.com and follow the instructions; or
- by e-mail: send an e-mail message to sendmaterial@proxyvote.com. Please send a blank e-mail and put the 12-Digit Control Number located in your Notice in the subject line.

Who can vote at the Annual Meeting?

Only holders of record at the close of business on March 24, 2014 (the Record Date) will be entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. At the close of business on the Record Date, we had 156,898,895 shares of common stock, par value \$0.001 per share (Common Stock), outstanding. Each holder of record of Common Stock on the Record Date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting. The stock transfer books will not be closed between the Record Date and the Annual Meeting date. A list of stockholders entitled to vote at the Annual Meeting will be available for examination at our principal executive offices at the address listed above for a period of ten days prior to the Annual Meeting and during the Annual Meeting.

Table of Contents

What am I voting on at the Annual Meeting?

You are being asked to vote on three proposals, as follows:

Proposal 1	To elect the three nominees for director named in this Proxy Statement to hold office as Class III members of our Board of Directors until the 2017 annual meeting of stockholders;
Proposal 2	To approve the 2014 Employee Stock Purchase Plan;
Proposal 3	To approve, on an advisory basis, the compensation of our named executive officers, as disclosed in this Proxy Statement; and
Proposal 4	To ratify the selection by the Audit Committee of the Board of Directors of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

What are the choices in voting?

For Proposal 1, you may either vote For all nominees to the Board of Directors or you may Withhold your vote for any nominee you specify. For Proposals 2, 3 and 4, you may vote For or Against or Abstain from voting.

What is the recommendation of the Board on each of the matters scheduled to be voted on at the Annual Meeting?

The Board of Directors recommends that you vote:

- FOR the nominees to the Board of Directors (Proposal 1);
- FOR the approval of the 2014 Employee Stock Purchase Plan (Proposal 2);
- FOR the approval, on an advisory basis, of the compensation of our named executive officers as disclosed in this Proxy Statement (Proposal 3); and
- FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014 (Proposal 4).

Could other matters be decided at the Annual Meeting?

Our Bylaws require that we receive advance notice of any proposal to be brought before the Annual Meeting by our stockholders, and we have not received notice of any such proposals. If any other matter were to be properly submitted for a vote at the Annual Meeting, the proxy holders appointed by the Board will have the discretion to vote on those matters for you as they see fit. This includes, among other things, considering any motion to adjourn the Annual Meeting to another time and/or place, including for the purpose of soliciting additional proxies for or against a given proposal.

What is the difference between holding shares as a stockholder of record or as a beneficial owner?

Stockholder of Record: Shares Registered in Your Name

You are a stockholder of record if at the close of business on March 24, 2014, your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A. As a stockholder of record, you may vote during the Annual Meeting or vote by proxy.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

You are a beneficial owner, if at the close of business on March 24, 2014, your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization and not in your name. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. Being a beneficial owner means that, like most stockholders, your shares are held in street name and these proxy

Table of Contents

materials are being forwarded to you by that organization. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account by following the voting instructions your broker or other nominee provides. If you do not provide your broker or nominee with instructions on how to vote your shares, your broker or nominee will be able to vote your shares with respect to some of the proposals, but not all. Refer to the section below *What are broker non-votes?* for more information.

How do I vote my shares and what are the voting deadlines?

Please refer to the proxy card for instructions on, and access information for, voting by telephone, over the Internet or by mail.

Stockholder of Record: Shares Registered In Your Name

If you are a stockholder of record, there are several ways for you to vote your shares.

- **Via the Internet.** You may vote at www.proxyvote.com, 24 hours a day, seven days a week. You will need the 12-Digit Control Number included on your Notice or your proxy card (if you received a printed copy of the proxy materials). Votes submitted through the Internet must be received by 11:59 p.m., Eastern Time, on May 19, 2014.
- **By Telephone.** You may vote using a touch-tone telephone by calling 1-800-690-6903, 24 hours a day, seven days a week. You will need the 12-Digit Control Number included on your Notice or your proxy card (if you received a printed copy of the proxy materials). Votes submitted by telephone must be received by 11:59 p.m., Eastern Time, on May 19, 2014.
- **By Mail.** If you received printed proxy materials, you may submit your vote by completing, signing, and dating each proxy card received and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy card. Proxy cards submitted by mail must be received no later than May 19, 2014 to be voted at the Annual Meeting.
- **During the Annual Meeting.** Stockholders may also submit their vote if they attend the meeting in person.

The Internet and telephone voting procedures described above, which comply with Delaware law, are designed to authenticate stockholders identities, to allow stockholders to vote their shares, and to confirm that their instructions have been properly recorded. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If you are a beneficial owner of your shares, you should have received a Notice or voting instructions from the broker or other nominee holding your shares. You should follow the instructions in the Notice or voting instructions provided by your broker or nominee in order to instruct your broker or other nominee on how to vote your shares. The availability of telephone and Internet voting will depend on the voting process of the broker or nominee. Please contact your bank, broker or other agent if you have questions about their instructions on how to vote your shares. To vote during the 2014 Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent, and attend the meeting in person to submit your vote.

Geron Plan Participants

As trustee of the Geron 401(k) Plan, Prudential Bank and Trust FSB will receive a proxy that incorporates all the shares owned by the Geron 401(k) Plan and will vote such proxy as directed by the Geron 401(k) sponsor.

Shares purchased through the 1996 Employee Stock Purchase Plan will follow standard brokerage industry practices. Shares held in the name of the broker will be voted on behalf of the holder on certain routine matters. To the extent the brokerage firm votes shares on the behalf of the holder, the shares will be counted for the purpose of determining a quorum.

Table of Contents

Can I vote my shares by filling out and returning the Notice?

No. The Notice will, however, provide instructions on how to vote by Internet, by telephone, or by requesting and returning a paper proxy card or voting instruction card.

How many votes are needed to approve a proposal?

A quorum of stockholders is necessary to hold a valid meeting. In order to constitute a quorum and to transact business at the Annual Meeting, a majority of the outstanding shares of Common Stock on the Record Date must be represented at the Annual Meeting. Shares represented by proxies that reflect abstentions or broker non-votes will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Proposal Number	Proposal	Vote Required
1	To elect the three nominees for director named in this Proxy Statement to hold office as Class III members of our Board of Directors until the 2017 annual meeting of stockholders.	The three nominees receiving the most FOR votes properly cast in person or by proxy will be elected. Only votes FOR or WITHHOLD will affect the outcome of the vote.
2	To approve the 2014 Employee Stock Purchase Plan.	The affirmative vote of the holders of a majority of the shares present or represented, in person or by proxy at this meeting. Abstentions will have the same effect as a vote against this proposal, and broker non-votes will have no effect on the outcome of this proposal.
3	To approve, on an advisory basis, the compensation of our named executive officers, as disclosed in this Proxy Statement.	The affirmative vote of the holders of a majority of the shares present or represented, in person or by proxy at this meeting. Abstentions will have the same effect as a vote against this proposal, and broker non-votes will have no effect on the outcome of this proposal. However, this proposal is advisory and non-binding upon us.
4	To ratify the selection by the Audit Committee of the Board of Directors of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.	The affirmative vote of the holders of a majority of the shares present or represented, in person or by proxy, at this meeting. Abstentions will have the same effect as a vote against this proposal, and broker non-votes will have no effect on the outcome of this proposal.

Although the election of directors at the Annual Meeting is uncontested and directors are elected by a plurality of votes cast, and we therefore expect that each of the named nominees for director will be elected at the Annual Meeting, under our Corporate Governance Guidelines, any nominee for director is required to submit an offer of resignation for consideration by the Nominating and Corporate Governance Committee if such nominee for director (in an uncontested election) receives a greater number of WITHHOLD votes from his or her election than votes FOR such election. In such case, the Nominating and Corporate Governance Committee will then consider all of the relevant facts and circumstances and recommend to the Board the action to be taken with respect to such offer of resignation. For more information on this policy see Corporate Governance Matters Corporate Governance Guidelines below.

What are broker non-votes ?

Broker non-votes occur when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares on how to vote on matters deemed non-routine. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be routine, but not with respect to non-routine matters. In the event that a broker, bank, custodian, nominee or other record holder of Geron Common

Table of Contents

Stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular proposal, then those shares will be treated as broker non-votes with respect to that proposal. Accordingly, if you own shares through a nominee, such as a broker or bank, please be sure to instruct your nominee on how to vote to ensure that your vote is counted on each of the proposals.

Which ballot measures are considered routine or non-routine?

The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014 (Proposal 4) is considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to occur in connection with Proposal 4. The election of directors (Proposal 1), the approval of the 2014 Employee Stock Purchase Plan (Proposal 2) and the advisory vote on the compensation of our named executive officers (Proposal 3) are considered non-routine matters under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore we expect broker non-votes on Proposals 1, 2 and 3.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

How will your proxy be voted?

Votes will be counted by the Inspector of Election appointed for the Annual Meeting, who will separately count For and (with respect to proposals other than the election of directors) Against votes, abstentions and broker non-votes. In addition, with respect to the election of directors, the Inspector of Election will count the number of Withhold votes received for the nominees. If your shares are held by your broker as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to routine items, but not with respect to non-routine items. See What are broker non-votes? and Which ballot measures are considered routine or non-routine? above for more information regarding routine and non-routine matters.

Can I revoke or change my vote after I submit my proxy?

Stockholder of Record: Shares Registered In Your Name

If you are a stockholder of record, you may revoke or change your vote at any time before the final vote at the Annual Meeting by:

- signing and returning a new proxy card with a later date;
- submitting a later-dated vote by telephone or via the Internet only your latest Internet or telephone proxy received by 11:59 p.m., Eastern Time, on May 19, 2014 will be counted;
- attending the Annual Meeting in person and voting again; or
- delivering a written revocation to our Corporate Secretary at Geron's offices, 149 Commonwealth Drive, Suite 2070, Menlo Park, California 94025, before the Annual Meeting.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If you are a beneficial owner of your shares, you must contact the broker or other nominee holding your shares and follow their instructions for revoking or changing your vote.

Is my vote confidential?

Edgar Filing: GERON CORP - Form DEF 14A

Yes. Proxy cards, ballots and voting tabulations that identify stockholders by name are kept confidential. There are exceptions for contested proxy solicitations or when necessary to meet legal requirements. In addition, all comments written on a proxy card or elsewhere will be forwarded to management, but your identity will be kept confidential unless you ask that your name be disclosed.

Table of Contents

How can I obtain a copy of Geron's Annual Report on Form 10-K?

We will mail to you without charge, upon written request, a copy of our Annual Report on Form 10-K filed with the SEC for the fiscal year ended December 31, 2013, as well as a copy of any exhibit specifically requested. Requests should be sent to: Corporate Secretary, Geron Corporation, 149 Commonwealth Drive, Suite 2070, Menlo Park, California 94025. A copy of our Annual Report on Form 10-K has also been filed with the SEC and may be accessed from the SEC's homepage (www.sec.gov). You may also view and download our 2013 Annual Report on Form 10-K on our website at www.geron.com as well as www.proxyvote.com.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published by Geron in a Current Report on Form 8-K, filed with the SEC, that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we intend to file a Current Report on Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Current Report on Form 8-K to publish the final results.

Who is paying for this proxy solicitation?

We will pay the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the proxy and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to such beneficial owners. In addition, we may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by solicitation by mail, telephone or other electronic means, or in person, by our directors, officers, or other regular employees, or at our request, by Alliance Advisors, LLC. No additional compensation will be paid to directors, officers or other regular employees for such services, but Alliance Advisors will be paid its customary fee, estimated to be \$5,000, to render solicitation services.

When are stockholder proposals due for next year's Annual Meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 9, 2014, to our Corporate Secretary at Geron Corporation, 149 Commonwealth Drive, Suite 2070, Menlo Park, California, 94025, and must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended. However, if our 2015 Annual Meeting of Stockholders is not held between April 20, 2015 and June 19, 2015, then the deadline will be a reasonable time prior to the time we begin to print and send our proxy materials.

If you wish to bring a proposal before the stockholders or nominate a director at the 2015 Annual Meeting of Stockholders, but you are not requesting that your proposal or nomination be included in next year's proxy materials, you must notify our Corporate Secretary, in writing, not earlier than the close of business on January 20, 2015 and not later than the close of business on February 19, 2015. However, if our 2015 Annual Meeting of Stockholders is not held between April 20, 2015 and July 19, 2015, then the deadline will be the 90th day prior to the 2015 Annual Meeting or, if later, the 10th day following the day on which public disclosure of the date of the 2015 Annual Meeting of Stockholders was first made. We also advise you to review Geron's Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations. The chairman of the 2015 Annual Meeting of Stockholders may determine, if the facts warrant, that a matter has not been properly brought before the meeting and, therefore, may not be considered at the meeting. Stockholders interested in submitting a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of the applicable securities laws. The submission of a stockholder proposal does not guarantee that it will be included in our Proxy Statement. For additional discussion, refer to the section entitled "Stockholder Nominations and Proposals for 2015 Annual Meeting" on page 62.

This means that only one copy of this Proxy Statement and 2013 Annual Report on Form 10-K or the Notice may have been sent to multiple stockholders in a stockholder's household. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive separate copies of the proxy statement, annual report or the notice of internet availability, please notify your broker or our Investor Relations department. MATTERS TO BE CONSIDERED AT THE 2014 ANNUAL MEETING

PROPOSAL 1

ELECTION OF DIRECTORS

Board Structure

Our Board currently consists of eight members, seven of which are independent, as that term is defined by NASDAQ Rule 5605(a)(2). Proxies may only be voted for the three Class III directors nominated for election at the Annual Meeting. Our Bylaws provide for the classification of the Board into three classes, as nearly equal in number as possible, with staggered terms of office. Our Bylaws also provide that upon expiration of the term of office for a class of directors, nominees for such class will be elected for a term of three years or until their successors are duly elected and qualified.

The term of office of the Class III directors will expire at the Annual Meeting in May 2014. Two of the nominees, V. Bryan Lawlis, Ph.D. and Susan M. Molineaux, Ph.D., are currently serving as our directors, but have not been previously elected by our stockholders. Ms. Eastham was previously elected to our Board by our stockholders in 2011. The Class I directors, Thomas Hofstaetter, Ph.D., John A. Scarlett, M.D., and Robert J. Spiegel, M.D., FACP, have one year remaining on their terms of office. The Class II directors, Hoyoung Huh, M.D., Ph.D., and Daniel M. Bradbury, have two years remaining on their terms of office.

**NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS
For a Three Year Term Expiring at the
2017 Annual Meeting**

The Board has selected three nominees for Class III directors, all of whom are currently directors of Geron. Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy at the meeting. The three nominees receiving the highest number of For votes will be elected as Class III directors of Geron. The election of directors is a non-routine matter on which a broker or other nominee is not empowered to vote. Accordingly, if the beneficial owner does not give a broker specific instructions, the beneficially owned shares may not be voted on this proposal and will not be counted in determining the number of shares necessary for election.

Table of Contents

Set forth below is a brief biography of each nominee for Class III director, including their ages, the periods during which they have served as a director of Geron, and information furnished by them as to principal occupations and public company directorships held by them. Dr. Molineaux was responsible for leading the development of Proteolix's second-generation proteasome inhibitor, carfilzomib (now marketed as Kyprolis), for the treatment of multiple myeloma, from discovery through completion of clinical trials for accelerated approval, until the company's acquisition by Onyx Pharmaceuticals, Inc., a global oncology-oriented biopharmaceutical company, in November 2009. The Board believes Dr. Molineaux's extensive experience in pharmaceutical and oncology drug development, and her expertise in managing and conducting clinical trials, qualifies Dr. Molineaux to be nominated as a director.

Vote Required and Board Recommendation

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy at the meeting. The three nominees receiving the highest number of FOR votes properly cast in person or by proxy at the meeting will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named above. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as our Nominating and Corporate Governance Committee and Board may propose. Broker non-votes will not have any effect on the outcome of this proposal. In tabulating the voting results for the election of directors, only FOR and WITHHOLD votes are counted.

Although the election of directors at the Annual Meeting is uncontested and directors are elected by a plurality of votes cast, and we therefore expect that each of the named nominees for director will be elected at the Annual Meeting, under our Corporate Governance Guidelines, any nominee for director is required to submit an offer of resignation for consideration by the Nominating and Corporate Governance Committee if such nominee for director (in an uncontested election) receives a greater number of WITHHOLD votes from his or her election than votes FOR such election. In such case, the Nominating and Corporate Governance Committee will then consider all of the relevant facts and circumstances and recommend to the Board the action to be taken with respect to such offer of resignation. For more information on this policy see Corporate Governance Matters Corporate Governance Guidelines below.

He is also a director of Edge Therapeutics, Inc., a biopharmaceutical company focused on products for acute, fatal or debilitating conditions, and Avior Computing Corporation, a governance risk and compliance process technology company. CORPORATE GOVERNANCE MATTERS

We have an ongoing commitment to excellence in corporate governance and business practices. In furtherance of this commitment, we regularly monitor developments in the area of corporate governance and review our processes, policies and procedures in light of such developments. We comply with the rules and regulations promulgated by the SEC and NASDAQ, and implement additional corporate governance practices that we believe are in the best interest of Geron and our stockholders.

Corporate Governance Guidelines

Our Board has adopted Corporate Governance Guidelines that set forth key principles to guide the Board in their exercise of responsibilities and serve the interests of Geron and our stockholders. In February 2014, the Board amended the Corporate Governance Guidelines to include provisions whereby any nominee for director would submit an offer of resignation for consideration by the Nominating and Corporate Governance Committee of the Board, if such nominee for director in an uncontested election receives a greater number of votes withheld from his or her election than votes for such election. The Nominating and Corporate Governance Committee would then consider all of the relevant facts and circumstances and recommend to the Board the action to be taken with respect to such offer of resignation. Promptly following the Board's decision, we would disclose that decision and an explanation of such decision in a filing with the Securities and Exchange Commission or a press release. The current form of the Corporate Governance Guidelines can be found on the Corporate Governance page under the Investor Relations section of our website at www.geron.com. In addition, these guidelines are available in print

Table of Contents

to any stockholder who requests a copy. Please direct all requests to our Corporate Secretary, Geron Corporation, 149 Commonwealth Drive, Suite 2070, Menlo Park, California 94025. In accordance with these guidelines, a member of our Board may serve as a director of another company only to the extent such position does not conflict or interfere with such person's service as a director of Geron.

Board Independence

In accordance with NASDAQ listing standards and Geron's Corporate Governance Guidelines, our Board has affirmatively determined that all nominees for election at the Annual Meeting and all continuing directors, other than Dr. Scarlett, are independent under NASDAQ listing standards. The Board consults with our counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of the NASDAQ, as in effect from time-to-time.

One class of the Board is elected annually, and each class of directors stands for election every three years. From January 2013 to May 2013, the Board was comprised of ten directors, one of whom was an executive officer and nine of whom were affirmatively determined by the Board to be independent, meeting the objective requirements set forth by the SEC and NASDAQ, and having no relationship, direct or indirect, to Geron other than as stockholders or through their service on the Board. From May 2013 to the present date, our Board has been comprised of eight directors: one non-independent member, Dr. Scarlett, our Chief Executive Officer, and seven members who have been affirmatively determined by the Board to be independent, meeting the objective requirements set forth by the SEC and NASDAQ, and having no relationship direct or indirect, to Geron other than as stockholders or through their service on the Board.

Board Leadership Structure

The Board has an independent Chair, Dr. Huh, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, to set meeting agendas and to determine materials to be distributed to the Board. Accordingly, the Board Chair has substantial ability to shape the work of the Board. Except from February 2011 to September 2011, the role of Chairman of the Board historically has been separate from the role of Chief Executive Officer at Geron. From February 2011 to September 2011, we maintained a Lead Independent Director and an Executive Chairman.

We believe that separation of the positions of Board Chair and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of Geron. As a result, we believe that having an independent Board Chair enhances the effectiveness of the Board as a whole. In addition, we believe that having an independent Board Chair creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of Geron and our stockholders.

The Board regularly meets in executive sessions without the presence of the non-independent director or management.

Board's Role in Risk Oversight

Geron is subject to a variety of risks, which generally include any undesired event, circumstance or outcome that could affect Geron's ability to achieve its objectives or adversely impact Geron's business, operations or financial condition. Some risks may be readily perceived and even quantified, while others are unexpected or unforeseeable. Risks can be external, such as those arising from the macroeconomic or industry environment, government policies or regulations, competitors' activities or natural disasters. Alternatively, risks can arise as a result of our business or financial activities.

The Board and Geron's management team work together to manage Geron's risks. It is management's responsibility to manage risk and bring to the Board's attention the material risks to the Company. The Board has an active role in overseeing management of the Company's risks. The Board regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. In addition, our Corporate Governance

Table of Contents

Guidelines specify that each of our Board committees oversees the risks within its areas of responsibilities. While each committee is responsible for evaluating certain risks and overseeing the management of such risks within its respective oversight area, the entire Board is regularly informed through committee reports about such risks.

The Compensation Committee of the Board is responsible for overseeing the management of risks relating to Geron's employment policies and executive compensation plans and arrangements. In connection with the structuring of the compensation elements for executive officers, the Compensation Committee, together with the Board, considers whether such programs, individually or in the aggregate, encourage executive officers to take unnecessary risks.

The Audit Committee of the Board oversees management of financial risks. In addition to fulfilling its responsibilities for the oversight of our financial reporting processes and annual audit of Geron's financial statements, the Audit Committee also reviews with the independent auditors and management the adequacy and effectiveness of our policies and procedures to assess, monitor and manage business risk and Geron's ethical compliance program. The Audit Committee takes the appropriate actions to set the best practices and highest standards for quality financial reporting, sound business risk practices and ethical behavior.

The Nominating and Corporate Governance Committee of the Board manages Geron's corporate governance practices, including certain risks that those practices are intended to address. In addition, the Nominating and Corporate Governance Committee reviews risks associated with the independence of the Board, potential conflicts of interest and risks relating to management and Board succession planning.

Board Committees and Meetings

It is Geron's policy to encourage directors to attend annual meetings of stockholders. All of our current directors attended our 2013 Annual Meeting. During the fiscal year ended December 31, 2013, the Board held seven meetings. The Board has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. During the fiscal year ended December 31, 2013, each of the directors attended at least 89% of the aggregate number of meetings of the Board and the committees on which the director served, held during the portion of the last fiscal year for which he or she was a director or committee member.

Audit Committee

From January 1, 2013 until May 22, 2013, the Audit Committee was comprised of Ms. Eastham and Messrs. Bradbury, Fritzky and Kiley. Messrs. Fritzky and Kiley retired from the Boar
