http://sp.jpmorgan.com/document/cusip/48130W6S5/doctype/Product_Termsheet/document.pdf For information about the estimated value of the notes, which likely will be lower than the price you paid for the notes, see the hyperlink above. Certain Product Characteristics If the Final Value of the Underlying is greater than its Initial Value, you will receive a cash payment that provides you with a return per \$1,000 principal amount note equal to the Underlying Return multiplied by the Upside Leverage Factor, subject to the Maximum Return on the notes. If the Final Value of the Underlying is equal to or less than its Initial Value by up to the Buffer Amount, you will receive the principal amount of your notes at maturity. If the Underlying declines from its Initial Value by greater than the Buffer Amount, you will lose 1% of the principal amount of your notes for every 1% that the Underlying has declined beyond the Buffer Amount. Any payment on the notes is subject to the credit risk of JPMorgan Chase Financial Company LLC, as issuer of the notes and the credit risk of JPMorgan Chase & Co., as guarantor of the notes. * To be determined on the Pricing Date, but not less than 13.50% or greater than 17.50% ** Reflects a Maximum Return of 13.50% for illustrative purposes. The hypothetical returns and hypothetical payments on the notes shown above apply only at maturity. These hypotheticals do not reflect fees or expenses that would be associated with any sale in the secondary market. If these fees and expenses were included, the hypothetical returns and hypothetical payments shown above would likely be lower. North America Structured Investments 1.5yr RTY Capped Buffered Return Enhanced Note J.P. Morgan Structured Investments | 1 800 576 3529 | jpm_structured_investments@jpmorgan.com Selected Risks ? Your investment in the notes may result in a loss. ? Payment on the notes at maturity is subject to the credit risk of JPMorgan Chase Financial Company LLC and JPMorgan Chase & Co. Therefore the value of the notes prior to maturity will be subject to changes in the market's view of the creditworthiness of JPMorgan Chase Financial Company LLC or JPMorgan Chase & Co. ? No interest payments, dividend payments or voting rights. ? The tax consequences of the notes may be uncertain. You should consult your tax advisor regarding the U.S. federal income tax consequences of an investment in the notes. ? As a finance subsidiary, JPMorgan Chase Financial Company LLC has no independent operations and has limited assets. ? The notes are subject to the risks associated with small capitalization stocks. Selected Risks (continued) ? JPM's estimated value of the notes will be lower than the original issue price (price to public) of the notes. ? JPM's estimated value of the notes is determined by reference to an internal funding rate. ? JPM's estimated value of the notes does not represent future values and may differ from others' estimates. ? The value of the notes, which may be reflected in customer account statements, may be higher than the then current estimated value of the notes for a limited time period. ? Lack of liquidity: J.P. Morgan Securities LLC, acting as agent for the Issuer (and who we refer to as JPMS), intends to offer to purchase the notes in the secondary market but is not required to do so. The price, if any, at which JPMS will be willing to purchase notes from you in the secondary market, if at all, may result in a significant loss of your principal. ? Potential conflicts: We and our affiliates play a variety of roles in connection with the issuance of notes, including acting as calculation agent and hedging our obligations under the notes, and making the assumptions used to determine the pricing of the notes and the estimated value of the notes when the terms of the notes are set. It is possible that such hedging or other trading activities of J.P. Morgan or its affiliates could result in substantial returns for J.P. Morgan and its affiliates while the value of the notes decline. The risks identified above are not exhaustive. Please see "Risk Factors" in the applicable product supplement and "Selected Risk Considerations" in the applicable preliminary pricing supplement for additional information. Additional Information SEC Legend: JPMorgan Financial Company LLC and JPMorgan Chase & Co. have filed a registration statement (including a prospectus) with the SEC for any offerings to which these materials relate. Before you invest, you should read the prospectus in that registration statement and the other documents relating to this offering that JPMorgan Financial
