Shares are represented by performance stock units. Each performance stock unit represents a contingent right to receive one share of

(1) NANO common stock. The performance stock units vest on an annual basis, in equal 1/3rd target increments, over a three-year period from the award date, provided that certain price performance targets are met.

Remarks:

This amendment is being made to reflect the amount of performance stock units at 150% of target.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
