Item 2.01. Completion of Acquisition or Disposition of Assets.

On October 28, 2011 (the “distribution date”), IDT Corporation (“IDT”) completed the spin-off of Genie Energy Ltd. (“Genie”), a wholly-owned subsidiary of IDT, to IDT’s stockholders. In the spinoff, IDT distributed its 100% interest in Genie to IDT’s stockholders. Upon completion of the spinoff, IDT’s businesses consist primarily of IDT Telecom, Innovative Communications Technologies, Inc., as well as other interests and smaller operations, including IDT’s interests in Zedge and Fabrix. Genie consists of IDT Energy, which operates its energy services company (ESCO), and Genie Oil and Gas, its unconventional energy operations.

The spin-off of Genie occurred by way of a pro rata distribution of Genie Class A common stock and Class B common stock to IDT’s stockholders. In the distribution, on the distribution date, each IDT stockholder received one share of Genie Class A common stock for every share of IDT Class A stock and one share of Genie Class B common stock for every share of IDT Class B common stock, held on or about 5:00 p.m., Eastern Time, on October 21, 2011, the record date for the spin-off.

Item 7.01. Regulation FD Disclosure.

On October 31, 2011, the Registrant issued a press release announcing the consummation of the spinoff of Genie described in Item 2.01 above. The press release is being furnished and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liabilities of such section, nor shall such information be deemed to be incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

IDT CORPORATION
PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS
BASIS OF PRESENTATION
(unaudited)

The pro forma consolidated balance sheet as of July 31, 2011, and the pro forma consolidated statements of operations for the years ended July 31, 2011, 2010 and 2009, are based on the historical financial statements of the Registrant.

The pro forma condensed balance sheet as of July 31, 2011, is presented as if the disposition of Genie, as described in item 2.01 of this Form 8-K occurred in its entirety on July 31, 2011. As set forth in Item 2.01 of this Form 8-K, as of October 28, 2011 such disposition has been consummated.

The pro forma consolidated statements of operations for the years ended July 31, 2011, 2010 and 2009, are presented as if the disposition of Genie occurred on August 1, 2008. The pro forma consolidated financial statements should be read in conjunction with the historical financial statements and notes related thereto appearing in the Registrant's Form 10-K for the years ended July 31, 2011, 2010 and 2009 and in conjunction with the historical financial statements and notes related thereto appearing in Genie's Information Statement on Form 10 for the years ended July 31, 2011, 2010 and 2009.

Preparation of the pro forma information was based on assumptions considered appropriate by the Registrant's management. The pro forma financial information is unaudited and is not necessarily indicative of the results which would have occurred if the disposition described above had been consummated on August 1, 2008 for the pro forma consolidated statements of operations and on July 31, 2011 for the pro forma consolidated balance sheet, nor does it purport to represent the future financial position and the results of operations for future periods. In management's opinion, all adjustments necessary to reflect the effects of the disposition of Genie have been made.
