[] THE PROPOSAL: ELECTION OF TRUSTEES

HOW ARE NOMINEES SELECTED?

The Board of Trustees of the Fund (the "Board" or the "Trustees") has a Nominating Committee (the "Committee") consisting of Frank H. Abbott, III, Harris J. Ashton, Robert F. Carlson, S. Joseph Fortunato, Frank W.T. LaHaye and Gordon S. Macklin, Chairman, none of whom is an "interested person" of the Fund as defined by the Investment Company Act of 1940, as amended (the "1940 Act"). Trustees who are not interested persons of the Fund are referred to as "Independent Trustees," and Trustees who are interested persons of the Fund are referred to as "Interested Trustees."

The Committee is responsible for selecting candidates to serve as Trustees and recommending such candidates (a) for selection and nomination as Independent Trustees by the incumbent Independent Trustees and the full Board; and (b) for selection and nomination as Interested Trustees by the full Board. In considering a candidate's qualifications, the Committee generally considers the potential candidate's educational background, business or professional experience, and reputation. In addition, the

Committee has established as minimum qualifications for Board membership as an Independent Trustee (1) that such candidate be independent from relationships with the Fund's investment manager and other principal service providers both within the terms and the spirit of the statutory independence requirements specified under the 1940 Act, (2) that such candidate demonstrate an ability and willingness to make the considerable time commitment, including personal attendance at Board meetings, believed necessary to his or her function as an effective Board member, and (3) that such candidate have no continuing relationship as a director, officer or board member of any investment company other than those within the Franklin Templeton Investments fund complex.

When the Board has or expects to have a vacancy, the Committee receives and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Trustees, including any recommendations by shareholders. Such individuals are evaluated based upon the criteria described above. To date, the Committee has been able to identify, and expects to continue to be able to identify, from its own resources an ample number of qualified candidates. The Committee, however, will review shareholders' recommendations to fill vacancies on the Board if these recommendations are submitted in writing and addressed to the Committee at the Fund's offices. The Committee may amend these procedures from time to time, including the procedures relating to the evaluation of candidates and the process for submitting recommendations to the Committee.

The Board has adopted and approved a formal written charter for the Committee. A copy of the charter is attached as Appendix B to this proxy statement.

WHO ARE THE NOMINEES AND CURRENT MEMBERS OF THE BOARD OF TRUSTEES?

The Board is divided into three classes serving staggered terms. Each year the term of office of one class expires. Frank H. Abbott, III, Harris J. Ashton, and Martin L. Flanagan have been nominated for three-year terms set to expire in 2007, until their successors are duly elected and qualified to serve, or until a Trustee's earlier resignation, retirement, death or removal. All of the nominees are currently members of the Board, and Martin L. Flanagan is an Interested Trustee. In addition, all of the current nominees and the Trustees are also directors and/or trustees of other investment companies in Franklin Templeton Investments.

Certain Trustees of the Fund hold director and/or officer positions with Franklin Resources, Inc. ("Resources") and/or its affiliates. Resources is a publicly-owned holding company, the principal shareholders of which are Charles B. Johnson and Rupert H. Johnson, Jr., who own approximately 17.82% and 15.18%, respectively, of its outstanding shares. Resources is primarily engaged, through its various subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to Franklin Templeton Funds. Resources is a New York Stock Exchange, Inc. ("NYSE") listed holding company (NYSE: BEN). Charles B. Johnson, Chairman of the Board and Trustee of the Fund, and Rupert H. Johnson, Jr., Senior Vice President and Trustee of the Fund, who are brothers, are the father and uncle, respectively, of Gregory E. Johnson, Vice President of the Fund.

Each nominee is currently eligible and has consented to serve if elected. If any of the nominees should become unavailable, the persons named in the proxy card will vote in their discretion for another person or persons who may be

Board members historically have followed a policy of having substantial investments in one or more of the funds in Franklin Templeton Investments, as is consistent with their individual financial goals. In February 1998, this policy was formalized through adoption of a requirement that each Board member invest one-third of fees received for serving as a director or trustee of a Templeton fund in shares of one or more Templeton funds and one-third of fees received for serving as a director or trustee of a Franklin fund in shares of one or more Franklin funds until the value of such investments equals or exceeds five times the annual fees paid such Board member. Investments in the name of family members or entities controlled by a Board member constitute fund holdings of such Board member for purposes of this policy, and a three year phase-in period applies to such investment requirements for newly elected Board members. In implementing such policy, a Board member's fund holdings existing on February 27, 1998, were valued as of such date with subsequent investments valued at cost.

The following tables provide the dollar range of equity securities beneficially owned by the Board members on June 30, 2004.

HOW OFTEN DO THE TRUSTEES MEET AND WHAT ARE THEY PAID?

The role of the Trustees is to provide general oversight of the Fund's business, and to ensure that the Fund is operated for the benefit of shareholders. The Trustees anticipate meeting at least 11 times during the current fiscal year to review the operations of the Fund and the Fund's investment performance. The Trustees also oversee the services furnished to the Fund by Franklin Advisers, Inc., the Fund's investment manager (the "Investment Manager"), and various other service providers. The Fund pays the Independent Trustees \$325 per month plus \$325 per meeting attended. Board members who serve on the Audit Committee of the Fund and other funds in Franklin Templeton Investments are paid an aggregate per diem compensation of \$2,000, a portion of which is allocated to the Fund, for attending a meeting of the Audit Committee on a day when a Board Meeting is not held. Members of a committee are not separately compensated for any committee meeting held on the day of a Board meeting. Fees payable by the Fund to certain Trustees are subject to reduction resulting from fee caps adopted by the boards in Franklin Templeton Investments limiting the total amount of fees payable to trustees who serve on other boards within Franklin Templeton Investments.

During the first fiscal period ended March 31, 2004, there were eight meetings of the Board and five meetings of the Audit Committee. Each of the Trustees attended at least 75% of the total number of meetings of the Board. There was 100% attendance at the meetings of the Audit Committee. There were no meetings of the Nominating Committee.

The Fund does not currently have a formal policy regarding Trustees' attendance at the Annual Shareholders' Meeting. The Meeting will be the Trust's First Annual Shareholders' Meeting.

Certain Trustees and Officers of the Fund are shareholders of Resources and may be deemed to receive indirect remuneration due to their participation in the management fees and other fees received from Franklin Templeton Investments by the Investment Manager and its affiliates. The Investment Manager or its affiliates pay the salaries and expenses of the Officers. No pension or retirement benefits are accrued as part of Fund expenses.

*For the first fiscal period ended March 31, 2004. **For the calendar year ended December 31, 2003. ***We base the number of boards on the number of U.S. registered investment companies in the Franklin Templeton Investments fund complex. This number does not include the total number of series or funds within each investment company for which the Board members are responsible.

The table above indicates the total fees paid to Independent Trustees by the Fund individually and then by all of the funds in Franklin Templeton Investments. These Trustees also serve as directors or trustees of other investment companies in Franklin Templeton Investments, many of which hold meetings at different dates and times. The Trustees and the Fund's management believe that having the same individuals serving on the boards of many of the funds in Franklin Templeton Investments enhances the ability of each fund to obtain, at a relatively modest cost to each separate fund, the services of high caliber, experienced and knowledgeable Independent Trustees who can more effectively oversee the management of the funds.

WHO ARE THE EXECUTIVE OFFICERS OF THE FUND?

All of the filing dates of these reports were met. In making this disclosure, the Fund relied upon the written representations of the persons affected and copies of their relevant filings.

If a shareholder wishes to send a communication to the Board of Trustees, such correspondence should be in writing and addressed to the Board of Trustees at the Fund's offices, One Franklin Parkway, San Mateo, California 94403-1906, Attention: Secretary. [] AUDIT COMMITTEE

The Board has a standing Audit Committee consisting of Messrs. LaHaye (Chairman), Abbott and Carlson, all of whom are Independent Trustees and also are considered to be "independent" as that term is defined by the listing standards of the American Stock Exchange ("AMEX"). The Fund's Audit Committee is responsible for the selection of the Fund's independent auditors, including evaluating their independence and meeting with such auditors to review matters relating to the Fund's financial reports and internal accounting. The Audit Committee also reviews the maintenance of the Fund's records and the safekeeping arrangements of the Fund's custodian, and reviews both the audit and non-audit work of the Fund's independent auditors.

SELECTION OF INDEPENDENT AUDITORS. The Audit Committee and the Board selected the firm of PricewaterhouseCoopers LLP ("PwC") as independent auditors of the Fund for the current fiscal year. Representatives of PwC are not expected to be present at the Meeting, but will have the opportunity to make a statement if they wish, and will be available should any matter arise requiring their presence.

AUDIT FEES. The aggregate fees paid to PwC for professional services rendered by PwC for the audit of the Fund's annual financial statements or for services that are normally provided by PwC in connection with statutory and regulatory filings or engagements were \$25,154 for the first fiscal period ended March 31, 2004.

AUDIT-RELATED FEES. The aggregate fees paid to PwC for assurance and related services by PwC that are reasonably related to the performance of the audit or review of the Fund's financial statements and are not reported under "Audit Fees" above were \$45,000 for the first fiscal period ended March 31, 2004.

In addition, the Audit Committee pre-approves PwC's engagements for audit-related services with the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. The fee for

this service was \$2,910 for the first fiscal period ended March 31, 2004.

TAX FEES. No fees were paid to PwC for professional services rendered by PwC for tax compliance, tax advice and tax planning for the first fiscal period ended March 31, 2004.

In addition, the Audit Committee pre-approves PwC's engagements for tax services with the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. No such services were provided for the first fiscal period ended March 31, 2004.

ALL OTHER FEES. The aggregate fees paid to PwC were \$187 for any other products or services provided by PwC for the first fiscal period ended March 31, 2004.

In addition, the Audit Committee pre-approves PwC's engagements for other services with the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. The aggregate fees paid to PwC for services were \$99,813 for the first fiscal period ended March 31, 2004.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES. As of the date of this proxy statement, the Audit Committee has not adopted pre-approval policies and procedures. As a result, all services provided by PwC must be directly pre-approved by the Audit Committee.

AGGREGATE NON-AUDIT FEES. The aggregate fees paid to PwC for non-audit services to the Fund, to the Investment Manager and any entity controlling, controlled by, or under common control with the Investment Manager that provides ongoing services to the Fund were \$147,910 for the first fiscal period ended March 31, 2004.

AUDIT COMMITTEE REPORT. The Fund's Board of Trustees has adopted and approved a formal written charter for the Audit Committee, which sets forth the Audit Committee's responsibilities. A copy of the charter is attached as "Appendix A" to this proxy statement.

As required by the charter, the Audit Committee reviewed the Fund's audited financial statements and met with management, as well as with PwC, the Fund's independent auditors, to discuss the financial statements.

The Audit Committee received the written disclosures and the letter from PwC required by Independence Standards Board Standard No. 1. The Audit Committee also received the report of PwC regarding the results of their audit. In connection with their review of the financial statements and the auditors' report, the members of the Audit Committee discussed with a representative of PwC, the independence of PwC, as well as the following: the auditors' responsibilities in accordance with generally accepted auditing standards; the auditors' responsibilities for information prepared by management that accompanies the Fund's audited financial statements and any procedures performed and the results; the initial selection of, and whether there were any changes in, significant accounting policies or their application; management's judgments and accounting estimates; whether there were any significant audit adjustments; whether there were any disagreements with management; whether there was any consultation with other accountants; whether there were any major issues discussed with management prior to the auditors' retention; whether the auditors encountered any difficulties in dealing with management in performing the audit; and the auditors' judgments

about the quality of the company's accounting principles.

Based on its discussions with management and the Fund's auditors, the Audit Committee did not become aware of any material misstatements or omissions in the financial statements.

Accordingly, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the Fund's Annual Report to Shareholders for the fiscal year ended March 31, 2004 for filing with the U.S. Securities and Exchange Commission.

[] FURTHER INFORMATION ABOUT VOTING AND THE MEETING

SOLICITATION OF PROXIES. Your vote is being solicited by the Board. The cost of soliciting these proxies will be borne by the Fund. The Fund reimburses brokerage firms and others for their expenses in forwarding proxy material to the beneficial owners and soliciting them to execute their proxies. In addition, the Fund may retain a professional proxy solicitation firm to assist with any necessary solicitation of proxies. The Fund expects that the solicitation would be primarily by mail, but may also include telephone, telecopy or oral solicitations. If the Fund does not receive your proxy by a certain time you may receive a telephone call from a proxy soliciting agent asking you to vote. If professional proxy solicitors are retained, it is expected that soliciting fees would be approximately \$5,000, plus expenses. The Fund does not reimburse Trustees and Officers of the Fund, or regular employees and agents of the Investment Manager, involved in the solicitation of proxies. The Fund intends to pay all costs associated with the solicitation and the Meeting.

VOTING BY BROKER-DEALERS. The Fund expects that, before the Meeting, broker-dealer firms holding shares of the Fund in "street name" for their customers will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms' proxy solicitation materials, the Fund understands that AMEX Rules permit the broker-dealers to vote on the Proposal to be considered at the Meeting on behalf of their customers and beneficial owners. Certain broker-dealers may exercise discretion over shares held in their name for which no instructions are received by voting those shares in the same proportion as they vote shares for which they received instructions.

QUORUM. A majority of the shares entitled to vote - present in person or represented by proxy - constitutes a quorum at the Meeting. The shares over which broker-dealers have discretionary voting power, the shares that represent "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), and the shares whose proxies reflect an abstention on any item are all counted as shares present and entitled to vote for purposes of determining whether the required quorum of shares exists.

REQUIRED VOTE. Provided that a quorum is present, the Proposal to elect Trustees requires that the three nominees receiving the greatest number of votes be elected. All voting rights are non-cumulative, which means that the

holders of more than 50% of the shares voting for the election of Trustees can elect 100% of such Trustees if they choose to do so, and in such event, the holders of the remaining shares voting will not be able to elect any Trustees.

Abstentions and broker non-votes will be treated as votes present at the Meeting, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will not be counted for purposes of obtaining approval of the Proposal.

ADJOURNMENT. In the event that a quorum is not present at the Meeting, the Meeting may be adjourned to permit further solicitation of proxies. In the event that a quorum is present, but sufficient votes have not been received to elect three Trustees, the persons named as proxies may propose one or more adjournments of the Meeting to permit the further solicitation of proxies. The persons named as proxies will vote in their discretion on questions of adjournment those shares for which proxies have been received that grant discretionary authority to vote on matters that may properly come before the Meeting.

SHAREHOLDER PROPOSALS. The Fund anticipates that its next annual meeting will be held in September 2005. Shareholder proposals to be presented at the next annual meeting must be received at the Fund's offices, One Franklin Parkway, San Mateo, California 94403, Attention: Secretary, no later than April 8, 2005, in order to be included in the Fund's proxy statement and proxy card relating to that meeting and presented at that meeting. Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the proxy statement. A shareholder who wishes to make a proposal at the 2005 Annual Shareholders' Meeting without including the proposal in the Fund's proxy statement should notify the Fund at the Fund's offices of such proposal by June 22, 2005. If a shareholder fails to give notice by this date, then the persons named as proxies in the proxies solicited by the Board for the 2005 Annual Shareholders' Meeting may exercise discretionary voting power with respect to any such proposal.

No business other than the matters described above is expected to come before the Meeting, but should any other matter requiring a vote of shareholders arise, including any question as to an adjournment or postponement of the Meeting, the persons named on the enclosed proxy card will vote on such matters in accordance with the views of management.

By Order of the Board of Trustees,
Murray L. Simpson
SECRETARY

Dated: August 6, 2004
San Mateo, California

APPENDIX A

AUDIT COMMITTEE CHARTER

I. THE COMMITTEE.

The Audit Committee ("Committee") is a committee of, and established by, the Board of Directors/Trustees of the Fund (the "Board"). The Committee shall consist of such number of members as set by the Board from time to time and its members shall be selected by the Board. The Committee shall be comprised entirely of "independent" members, as defined in Item 3(a)(2) of SEC Form N-CSR ("Disinterested Board members"). Members shall be financially literate. At least one member of the Committee shall be designated by the Board as an "audit committee financial expert," as defined in Item 3(b) of SEC Form N-CSR, unless the Board determines that the Fund does not have an audit committee financial expert on the Committee.

II. PURPOSES OF THE COMMITTEE.

The function of the Committee is to be directly responsible for overseeing the Fund's accounting and auditing processes, which shall include the appointment, compensation, retention and oversight of the work of the Fund's independent auditors ("auditors") engaged (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund. It is management's responsibility to maintain appropriate systems for accounting and internal controls. It is the auditors' responsibility to plan and carry out a proper audit and to report directly to the Committee.

Consistent with such allocation of functions, the purposes of the Committee are:

(a) To oversee the Fund's accounting and financial reporting policies and practices and its internal controls, and to obtain, where it deems appropriate, reports on internal controls of service providers to the Fund;

(b) To oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof;

(c) To act as a liaison between the Fund's independent auditors and the Board; and

(d) To consider such other matters as it deems appropriate in carrying out its purpose and any other matters that may be assigned to it by the Board.

In addition, the Committee shall serve as the Fund's Qualified Legal Compliance Committee ("QLCC") pursuant to Section 205 of the SEC's Standards of Professional Conduct for Attorneys (the "Standards"). In this capacity, the Committee is required to adopt and maintain written procedures for the confidential receipt, retention and consideration of any report of evidence of a material violation. "Evidence of a material violation" means credible evidence, based upon which it would be unreasonable, under the circumstances, for a prudent and competent attorney not to conclude that it is reasonably likely that a material violation of an applicable U.S. federal or state securities law, a material breach of fiduciary (or similar duty) to the Fund arising under U.S. federal or state law, or a similar material violation of any U.S. federal or state law has occurred, is ongoing, or is about to occur.

III. POWERS AND DUTIES.

The Committee shall have the following powers and duties to carry out its purposes:

(a) To select the auditors, subject to approval both by the Board and by a separate vote of the Disinterested Board members, and, in connection therewith, to evaluate the independence of the auditors in accordance with applicable law.

(b) To be directly responsible for approving the services to be provided by, and the compensation of, the auditors, including:

(i) pre-approval of all audit and audit related services;

(ii) pre-approval of all non-audit related services to be provided to the Fund by the auditors;

(iii) pre-approval of all non-audit related services to be provided to the Fund by the auditors to the Fund's investment adviser or to any entity that controls, is controlled by or is under common control with the Fund's investment adviser and that provides ongoing services to the Fund where the non-audit services relate directly to the operations or financial reporting of the Fund; and

(iv) establishment by the Committee, if deemed necessary or appropriate, as an alternative to Committee pre-approval of services to be provided by the auditors, as required by paragraphs (ii) and (iii) above, of policies and procedures to permit such services to be pre-approved by other means, such as through establishment of guidelines or by action of a designated member or members of the Committee; provided the policies and procedures are detailed as to the particular service and the Committee is informed of each service and such policies and procedures do not include delegation of audit committee responsibilities, as contemplated under the Securities Exchange Act of 1934, to management; subject, in the case of (ii) through (iv), to any waivers, exceptions or exemptions that may be available under applicable law or rules.

(c) To meet with the auditors, including private meetings, as necessary to (i) review the arrangements for and scope of the annual audit and any special audits; (ii) discuss any matters or concerns relating to the Fund's financial statements, including any recorded and/or unrecorded adjustments to such statements recommended by the auditors, or other results of audits; (iii) consider the auditors' comments with respect to the Fund's financial policies, procedures and internal controls and management's responses thereto; and (iv) to review the form of opinion the auditors propose to render.

(d) To receive and consider reports from the auditors:

(i) as required by generally accepted accounting standards; and

(ii) annually and by update as required by SEC Regulation S-X, regarding: (w) all critical accounting policies and practices of the Fund to be used; (x) alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with management of the Fund, including ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditors; (y) other material written communications between the auditors and management of the Fund, such as any management letter or schedule of unadjusted differences; and (z) all non-audit services provided to any entity in an investment company complex, as defined in SEC Regulation S-X, that were not pre-approved by the Committee pursuant to SEC Regulation S-X.

(e) To consider the effect upon the Fund of any changes in accounting principles or practices proposed by management or the auditors.

(f) To investigate improprieties or suspected improprieties in Fund operations.

(g) In considering the independence of the auditors, to request from the auditors a written statement, and other reports as necessary, describing all relationships between the auditors and the Fund, the Fund's investment adviser and service providers, and other entities advised or serviced by, including any entities controlling, controlled by or under common control with, the investment adviser or any other service providers to the Fund; to obtain and consider periodic reports from the auditors regarding whether the provision of non-audit services is compatible with maintaining the auditors' independence; and to request from the auditors a certificate that they are independent auditors under the Federal securities laws and are in compliance with all standards adopted by the Independence Standards Board.

(h) To review the experience and qualifications of the senior members of the auditors' team and the quality control procedures of the auditors.

(i) To require that the auditors regularly provide timely information to the Committee with respect to new rules and pronouncements by applicable regulatory and accounting standards agencies, along with an explanation of how such developments may affect the Fund's financial statements and accounting principles and practices.

(j) To review, at such times and in the manner deemed appropriate by the Committee, the results of the annual audit and financial statements, and the report of the auditors' audit of the Fund's annual financial statements, including footnotes and any significant audit findings.

(k) To consider management's evaluation of the Fund's disclosure controls and procedures in connection with certifications of the Fund's Chief Executive Officer - Finance and Administration and Chief Financial Officer concerning (i) all significant deficiencies in the design or operation of internal controls which could adversely affect the Fund's ability to record, process, summarize and report financial data and have identified for the Fund's auditors any material weaknesses in internal controls; and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in the Fund's internal controls, and for any other purposes the Committee deems appropriate.

(l) To inform the chief legal officer ("CLO") and chief executive officer ("CEO") of the Fund (or the equivalents thereof) of any report of evidence of a material violation by the Fund, its officers, directors/trustees, employees (if any), or agents (collectively, "affiliates").

(m) To determine whether an investigation is necessary regarding any report of evidence of a material violation by the Fund or its affiliates.

(n) If the Committee determines such an investigation is necessary or appropriate, (i) to notify the Board; (ii) to initiate an investigation, which may be conducted by either the CLO or by outside attorneys; and (iii) to retain such additional expert personnel as the Committee deems necessary to assist in the investigation.

(o) At the conclusion of any such investigation, (i) to recommend by a majority vote, that the Fund implement an appropriate response (as defined in Section 205.2(b) of the Standards) to evidence of a material violation, and (ii) to inform the CLO and the CEO and the Board of the results of such investigation and the appropriate remedial measures to be adopted.

(p) Acting by majority vote, to take all other appropriate action, including the authority to notify the SEC in the event the Fund fails in any material respect to implement an appropriate response that the Committee has recommended the Fund to take.

(q) To otherwise respond to evidence of a material violation.

IV. OTHER FUNCTIONS AND PROCEDURES OF THE COMMITTEE.

(a) The Committee shall meet at least twice each year or more frequently, in open or executive sessions. The Committee shall meet as frequently as circumstances require with (i) the auditors as provided in III (c), above; and (ii) management's internal audit department to review and discuss internal audit functions and reports. The Committee may invite members of management, the auditors, counsel, advisers and others to attend its meetings as it deems appropriate. The Committee shall have separate sessions with the auditors, management and others, as and when it deems appropriate.

(b) The Committee shall establish procedures for (i) the receipt, retention and treatment of complaints received by the Fund or the Fund's adviser regarding accounting, internal accounting controls, or accounting matters; and (ii) the confidential, anonymous submission by employees of the Fund or such Fund's adviser, principal underwriter, administrator or other provider of accounting related services, of concerns regarding questionable accounting or auditing matters.

(c) The Committee shall have the authority to engage special counsel, experts and advisers as and when it determines necessary to carry out its duties and the Fund must provide for appropriate funding, as determined by the Committee, for payment of (i) compensation to any auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund; (ii) compensation to any advisers employed by the Committee; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

(d) The Committee shall have unrestricted access to the Fund's management and management of the Fund's adviser, including, but not limited to, their chief executive officer(s), chief financial officer(s), internal auditors and any other executives and financial officers.

(e) The Committee shall report its activities to the Board and make such recommendations as the Committee may deem necessary or appropriate.

(f) The Committee shall review this Charter annually, or more frequently if it chooses, and recommend any changes to the Board.

ADDITIONAL STATEMENT FOR CLOSED-END FUNDS ONLY

The Committee shall evaluate candidates' qualifications for Board membership and the independence of such candidates from the Fund's investment manager and other principal service providers. Persons selected must be independent in terms of both the letter and the spirit of the 1940 Act. The Committee shall also consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, E.G., business, ---- financial or family relationships with investment managers or service providers.
2. The Committee also shall evaluate candidates' qualifications and make recommendations for "interested" members on the Board to the full Board.
3. The Committee may adopt from time to time specific, minimum qualifications that the Committee believes a candidate must meet before being considered as a candidate for Board membership and shall comply with any rules adopted from time to time by the U.S. Securities and Exchange Commission regarding investment company nominating committees and the nomination of persons to be considered as candidates for Board membership.
4. The Committee shall review shareholder recommendations for nominations to fill vacancies on the Board if such recommendations are submitted in writing and addressed to the Committee at the Fund's offices. The Committee shall adopt, by resolution, a policy regarding

its procedures for considering candidates for the Board, including any recommended by shareholders.

III. COMMITTEE NOMINATIONS AND FUNCTIONS.

1. The Committee shall make recommendations to the full Board for nomination for membership on all committees of the Board.
2. The Committee shall review as necessary the responsibilities of any committees of the Board, whether there is a continuing need for each committee, whether there is a need for additional committees of the Board, and whether committees should be combined or reorganized. The Committee shall make recommendations for any such action to the full Board.
3. The Committee shall, on an annual basis, review the performance of the Disinterested Board members.

The Committee may meet in person or by telephone, and the Committee may act by written consent, to the extent permitted by law and by the Fund's by-laws. In the event of any inconsistency between this Charter and the Fund's organizational documents, the provisions of the Fund's organizational documents shall be given precedence.
