PROPOSAL OF THE BOARD OF DIRECTORS

ITEM 6 ON THE AGENDA:

Whereas:

- A) It is convenient for the Company to be able to continue to make use, under general terms, of the possibilities inherent to the acquisition and disposal of own shares;
- B) That same interest exists as well with regard to dependent companies, which may notably be bound under their own issuances of securities to acquire or dispose of shares of the Company, which, without prejudice to the provisions of paragraph 3 of article 319 of the Portuguese Companies Code, it is also convenient to provide for;
- C) The Board of Directors announced, in connection with the Public Tender Offer launched over the shares representing the Company's share capital by the companies Sonaecom, SGPS, S.A. and Sonaecom, B.V., its intention of developing a share buyback programme;
- D) Commission Regulation (EC) no. 2273/2003 of 22 December 2003 established a special system of rules containing exemption requirements from the general regime governing market abuse for certain share buyback programmes, which requirements it is advisable to take into account even in the case of acquisitions not within the scope of the programmes covered by those regulations;

We propose that it be resolved:

- 1) To approve the acquisition by the Company, or by any dependent companies, present or future, of own shares, including any rights to the acquisition or allocation thereof, subject to a decision by the management board of the acquiring company, and under the following terms:

a) Maximum number of shares to be acquired: Up to a limit equivalent to 10% of the share capital, deducting any disposals made, without prejudice to such quantity as may be required for compliance with the acquirer's obligations under law, contract or issuances of securities, or arising from any contractual obligation to implement the Company's stock option plan, subject, if applicable, to subsequent disposal, as established by law, of such shares as may exceed said limit, and without prejudice to the acquisition of own shares for the purpose of implementing a resolution for a capital reduction as provided for under item 7 on the agenda, in which case the specific limits stipulated in the reduction resolution shall apply;

Subject to the requirements established by law and in this resolution, it is hereby notably approved the acquisition that the Board of Directors may come to execute within the framework of a share buyback programme, such acquisition to be made in any of the forms provided for under this resolution;

b) Term during which the acquisition may be made: Eighteen months, as of the present resolution;

c) Forms of acquisition: Subject to the terms and mandatory limits established by law, acquisition of shares, or rights of acquisition or allocation of shares, for consideration, in any form, on a regulated market or in an over-the-counter acquisition, in compliance with the principle of equal treatment of shareholders as established by law, notably from a financial institution with which the Company has entered into an equity swap agreement or other similar financial derivative instruments, including Goldman Sachs International, Morgan Stanley & Co. International Limited and Barclays Bank PLC, or any other acquisition for the purpose of, or by virtue of, complying with an obligation established by law or contract, or conversion or exchange of convertible or exchangeable securities issued by the Company or a dependent company, in accordance with the relevant terms of issue or any contracts implemented with regard to such conversion or exchange;

c) Public disclosure of the transactions carried out until the end of the seventh day of the trading session following the date on which such transactions take place;

d) Carrying out the transactions under conditions of time, form and volume that do not disturb the regular operation of the market, notably seeking to avoid it at sensitive times for trading, in particular, at the opening and closing of the session, at times of market disturbance, at times close to the disclosure of material events or of the disclosure of results;

- e) Carrying out of the acquisitions at a price not exceeding the highest of the last independent transaction and the highest independent offer at the time of acquisition on the Eurolist by Euronext Lisbon;
- f) Limiting the acquisitions to 25% of the daily average trading volume, or to 50% of such volume if communicated to the competent authority and disclosed to the market;
- g) Refraining from disposing of shares during any execution of a buyback programme covered by the Regulation mentioned in the Whereas clauses.

For such purpose, the Board of Directors may organize the separation of the acquisitions and their respective systems of rules, notably according to the programme in which they are included, and provide information regarding such separation in the relevant public disclosure.
