This document contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Generally, forward-looking statements include expressed expectations, estimates, and projections of future events and financial performance and the assumptions on which those expressed expectations, estimates and projections are based. Statements that are not historical facts, including statements about the beliefs and expectations of the Company and its management, are forward-looking statements. All forward-looking statements are inherently uncertain as they are based on various expectations and assumptions about future events, and they are subject to known and unknown risks, uncertainties and other factors that can cause actual events and results to differ materially from historic results or those projected. The Company intends its forward-looking statements to speak only as of the date on which they were made. The Company expressly undertakes no obligation to update or revise any forward-looking statements as a result of changed assumptions, new information, future events or otherwise.

The following factors, among others, could cause the Company's actual results to differ from historical results or those expressed or implied in the forward-looking statements: its revenue is generated from a limited number of clients and the loss of one or more significant clients could have a material adverse effect on the Company; terms of its client contracts; availability of cash flows from operations and borrowing availability under its loan agreements; its ability to comply with its debt covenants; the ultimate resolution of its dispute with the Internal Revenue Service; its ability to effectively manage customer care center capacity and offshore growth; its ability to conduct business internationally, including managing foreign currency exchange risks; its ability to attract and retain qualified employees; and fluctuations in revenue associated with its Medicare Part D enrollment and customer care programs.

Edgar Filing: APAC CUSTOMER SERVICE INC - Form 8-K

Other reasons that may cause actual results to differ from historical results or those expressed or implied in the forward-looking statements can be found in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 and the Company's quarterly report on Form 10-Q for the quarter ended April 1, 2007.
