Item 1.01 Entry into a Material Definitive Agreement.

On June 5, 2009, we entered into a Fifth Amendment to our Second Amended and Restated Credit and Security Agreement (the "Amendment") among MarineMax, Inc. and our subsidiaries, as Borrowers; and KeyBank National Association; Bank of America, N.A.; GE Commercial Distribution Finance Corporation; Wachovia Bank, National Association; Wells Fargo Bank, N.A.; U.S. Bank National Association; Branch Banking & Trust Company; and Bank of the West, as Lenders.

The Amendment modifies the amount of borrowing availability, financial covenants, and reporting requirements of the prior facility. The amended facility provides a line of credit with asset-based borrowing availability up to \$300 million, stepping down to \$250 million by September 30, 2009 and \$175 million by September 30, 2010, with interim decreases between such dates. In order to facilitate the reduction of inventory, the Amendment enables us to incur cumulative negative earnings before interest, taxes, depreciation, and amortization (EBITDA) of up to \$25 million as of March 31, 2009, \$32 million as of June 30, 2009, and \$40 million as of September 30, 2009. The Amendment also increases the allowable cumulative negative EBITDA for fiscal 2010 to \$12 million as of December 31, 2009 and March 31, 2010 and \$5 million as of June 30, 2010. We are required to have a cumulative EBITDA greater than or equal to our interest expense for the fiscal year ended September 2010. The Amendment further requires that we maintain a leverage ratio of not more than 2.75 to 1.

The Amendment provides for a variable interest rate margin of LIBOR plus 490 basis points through September 30, 2010 and thereafter at LIBOR plus 150 to 400 basis points, depending upon our financial and operating performance. With the execution of the Amendment, we have agreed to pay the Lenders a \$1.25 million amendment fee. The amended facility matures in May 2011, but includes two one-year renewal options, subject to lender approval.
