Item 3.03. Material Modification to Rights of Security Holders.

The Company filed on July 1, 2011, a Certificate of Amendment to its Restated Certificate of Incorporation, as amended, which will cause a one-for-ten reverse stock split of the Company's issued and outstanding common stock, par value \$0.001 per share, on July 6, 2011 at 12:01am Eastern Time (such time on such date, the Effective Time).

As a result of the one-for-ten reverse stock split (the Reverse Stock Split), at the Effective Time, each ten shares of the Company's common stock issued and outstanding immediately prior to the Effective Time will be automatically combined into and become one share of Company common stock. In cases in which the Reverse Stock Split results in any shareholder holding a fraction of a share, such fractional share will be rounded up to the nearest whole number. Also, as a result of the Reverse Stock Split, at the Effective Time, the per share exercise price of, and the number of shares of common stock underlying, Company stock options, warrants and other derivative securities outstanding immediately prior to the Effective Time will be automatically proportionally adjusted, based on the one-for-ten split ratio, in accordance with the terms of such options, warrants or other derivative securities, as the case may be.

Immediately after the Effective Time, the Company will have 76,000,000 shares of authorized stock, consisting of (i) 75,000,000 shares of authorized Common Stock, and (ii) 1,000,000 shares of Undesignated Preferred Stock. Immediately after giving effect to the Reverse Stock Split, the Company will have no shares of preferred stock outstanding and approximately 13,846,590 shares of Common Stock outstanding (without giving effect to rounding due to fractional shares). The Reverse Stock Split will not alter the par value of the Common Stock or modify any voting rights or other terms of the Common Stock.

Item 5.03 Amendments to Articles of Incorporation or Bylaws: Change in Fiscal Year

The Company filed on July 1, 2011, a Certificate of Amendment to its Restated Certificate of Incorporation, as amended, which will cause a one-for-ten reverse stock split of the Company's issued and outstanding common stock, par value \$0.001 per share, on July 6, 2011 at 12:01am Eastern Time. After which, the Company will have 76,000,000 shares of authorized stock, consisting of (i) 75,000,000 shares of authorized common stock, and (ii) 1,000,000 shares of undesignated preferred stock.
