Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

In connection with its on-going review of the Company's compensation plans, on October 15, 2015, the Compensation & Organization Committee approved an amendment to the Company's Supplemental Executive Retirement Program ("SERP"). The SERP has been closed to new participants since 2007 and Mr. Lundgren and Mr. Loree are the only two named executive officers who are still eligible for benefits under the SERP.

The primary reasons for the amendment were:

- (1) To change the lump sum actuarial adjustment factor, which had not been updated in 14 years and therefore was not aligned with current interest rates and mortality tables.
- (2) To discourage participants from making certain types of elections that could result in an increased cost to the Company.

Under the SERP, Mr. Lundgren has elected to have his benefit distributed in a lump sum upon his retirement. If Mr. Lundgren were to change his distribution election to receive a Joint and Survivor Annuity, as he is entitled to do, the present value of the accumulated benefit would increase by approximately \$5.9 Million. As a result of this amendment, the present value of Mr. Lundgren's existing lump sum benefit will increase by approximately \$5.3 Million and not by approximately \$5.9 million if Mr. Lundgren exercised his right to change his distribution election to receive a Joint and Survivor Annuity.

This amendment is not expected to affect the present value of Mr. Loree's accumulated benefit, as Mr. Loree previously elected to have his benefit distributed in the form of a Joint and Survivor Annuity.

The amended and restated SERP is attached as Exhibit 10.1 to this report and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.
