2727 North Harwood Street, Suite 300
Dallas, TX 75201

April 25, 2018

Dear Stockholder:

You are cordially invited to attend the 2018 Annual Meeting of Stockholders (the “Annual Meeting”) of Spirit Realty Capital, Inc. (“Spirit”), which will be held at 10:00 am local time (Central) on Wednesday, June 27, 2018 at our principal executive offices located at 2727 N. Harwood Street, Suite 300, Dallas, Texas 75201. You may attend the meeting in person or by proxy.

The attached Notice of Annual Meeting of Stockholders and Proxy Statement describe the matters expected to be acted upon at the Annual Meeting. We urge you to review these materials carefully.

We are pleased to take advantage of the Securities and Exchange Commission rule allowing companies to furnish proxy materials to stockholders over the Internet. We believe that this e-proxy process expedites stockholders’ receipt of proxy materials, while also lowering costs and reducing the environmental impact of our Annual Meeting. On or about April 27, 2018 we began mailing a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and Annual Report, how to vote over the Internet and how to request and return a proxy card by mail. For information on how to vote your shares, please refer to the Notice of Internet Availability of Proxy Materials, proxy materials email or proxy card to ensure that your shares will be represented and voted at the Annual Meeting even if you cannot attend.

Your vote is very important to us. Please vote your shares by proxy as soon as possible to ensure your vote is recorded at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, please follow the instructions provided to you and vote your shares today. Voting now will not prevent you from voting your shares in person if you are able to attend. You may vote by telephone, over the Internet or by mail by signing, dating and returning the proxy card in the envelope provided.

On behalf of the Board of Directors and employees of Spirit, we appreciate your continued support.

Sincerely,
Richard I. Gilchrist
Chairman of the Board of Directors

THE ANNUAL MEETING AND VOTING QUORUM

The holders of a majority of our common shares outstanding as of the close of business on April 20, 2018 must be present in person or represented by proxy to constitute a quorum to transact business at the Annual Meeting. Stockholders who abstain from voting and broker non-votes are counted for purposes of establishing a quorum. A broker non-vote occurs when a beneficial owner does not provide voting instructions to the beneficial owner's broker or custodian with respect to a proposal on which the broker or custodian does not have discretionary authority to vote.

WHO CAN VOTE

Holders of our common stock at the close of business on April 20, 2018 are entitled to receive notice of and to vote their shares at the Annual Meeting. As of that date, there were 432,639,569 common shares outstanding and entitled to vote. Each outstanding share of common stock is entitled to one vote on each matter properly brought before the Stockholders at the Annual Meeting.

A list of all Spirit stockholders entitled to vote at the Annual Meeting will be available for inspection by any stockholder for any purpose reasonably related to the Annual Meeting during ordinary business hours for the ten days preceding the Annual Meeting at our principal executive offices located at 2727 North Harwood Street, Suite 300, Dallas, TX 75201.

HOW TO VOTE

You may vote your shares in one of several ways, depending on how you own your shares.

Stockholders of Record

If you own shares registered in your name (a "stockholder of record"), you may:

Vote your shares by proxy by calling (866) 256-1217, 24-hours a day, seven days a week until 5:00 p.m. Eastern time on June 26, 2018. Please have your proxy card in hand when you call. The telephone voting system has easy-to-follow instructions and provides confirmation that the system has properly recorded your vote.

OR

Vote your shares by proxy via the website www.proxypush.com/SRC, 24-hours a day, seven days a week until 5:00 p.m. Eastern time on June 26, 2018. Please have your proxy card in hand when you access the website. The website has easy-to-follow instructions and provides confirmation that the system has properly recorded your vote.

OR

Vote your shares by proxy by signing, dating and returning the proxy card in the postage-paid envelope provided. If you vote by telephone or over the Internet, you do not need to return your proxy card by mail.

OR

Vote your shares by attending the Annual Meeting in person and depositing your proxy card at the registration desk or completing a ballot that will be distributed at the Annual Meeting.

Beneficial Owners

If you own shares registered in the name of a broker or other custodian (a "beneficial owner"), follow the instructions provided by your broker or custodian on how to vote your shares. If you want to vote your shares in person at the Annual Meeting, contact your broker or custodian to obtain a legal proxy or broker's proxy card that you should bring to the Annual Meeting to demonstrate your authority to vote. If you do not instruct your broker or custodian how to vote, such broker or custodian will have discretionary authority, under current New York Stock Exchange ("NYSE") rules, to vote your shares in its discretion on the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for fiscal year ending December 31, 2018 (Proposal 2). However, your broker or custodian will not have discretionary authority to vote on the election of directors (Proposal 1), or the advisory vote to approve our executive compensation (Proposal 3) without instructions from you. As a result, if you do not provide instructions to your broker or custodian, your shares will not be voted on Proposal 1 or Proposal 3.

Votes by Proxy

All shares that have been properly voted by proxy and not revoked will be voted at the Annual Meeting in accordance with the instructions contained in the proxy. Shares represented by proxy cards that are signed and returned but do not contain any voting instructions will be voted consistent with the Board's recommendations:

- ü FOR the election of all director-nominees named in this Proxy Statement (Proposal 1);
- ü FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2018 (Proposal 2);
- ü FOR the approval, on an advisory basis, of our executive compensation (Proposal 3); and
- ü In the discretion of the proxy holders, on such other business as may properly come before the Annual Meeting.

HOW TO REVOKE YOUR VOTE

If you are a stockholder of record, you can revoke your prior vote by proxy if you:

• Execute and return a later-dated proxy card before your proxy is voted at the Annual Meeting;

• Vote by telephone or over the Internet no later than 5:00 p.m. Eastern time on June 26, 2018;

• Deliver a written notice of revocation to our Investor Relations Department, Attention: Investor Relations at our principal executive offices located at 2727 North Harwood Street, Suite 300, Dallas, TX 75201, before your proxy is voted at the Annual Meeting; or

• Attend the Annual Meeting and vote in person (attendance by itself will not revoke your prior vote by proxy).

If you are a beneficial owner, follow the instructions provided by your broker or custodian to revoke your vote by proxy, if applicable.

EXPENSES AND SOLICITATION

Spirit will bear the expense of soliciting proxies by the Board of Directors. Proxies may be solicited on behalf of the company in person, or by telephone, e-mail or fax, by directors, officers or employees of Spirit, who will receive no additional compensation for soliciting proxies. We have engaged The Proxy Advisory Group, LLC to assist in the solicitation of proxies and provide related advice and informational support, for a services fee and the reimbursement of customary disbursements, which are not expected to exceed \$20,000 in total. We will also reimburse brokers and other nominees for their expenses incurred in distributing proxy materials to beneficial owners of our shares.

ATTENDING THE ANNUAL MEETING

You are entitled to attend the Annual Meeting only if you were a Spirit stockholder as of the close of business on April 20, 2018 or you hold a valid proxy for the Annual Meeting. In order to be admitted to the Annual Meeting, you must present photo identification (such as a driver's license) and proof of ownership of shares of our common stock on April 20, 2018, the record date for the Annual Meeting. Proof of ownership can be accomplished through the following:

• A printout of the proxy distribution email (if you receive your materials electronically);

• A proxy card;

PERFORMANCE OVERVIEW

2017 PERFORMANCE

The following overview has been prepared to assist you in reviewing our 2017 performance and the matters to be considered at the Annual Meeting. For additional information, please review our Annual Report on Form 10-K for the year ended December 31, 2017 and other information contained in this Proxy Statement.

Total Shareholder Return (“TSR”): In response to challenges faced by the Company in 2016 and the beginning of 2017, and in order to continue our focus on improving Spirit's operating capabilities, our Board promptly appointed Jackson Hsieh as our new CEO on May 8, 2017. From Mr. Hsieh's appointment as CEO, to December 31, 2017, our TSR increased by approximately 22%. However, Spirit's TSR in 2017, which factors stock price changes and the reinvestment of dividends, was -14.1%. During the first quarter of 2017, Spirit experienced increased credit losses and withdrew its prior net acquisition target, resulting in lowered 2017 Adjusted Funds From Operations (“AFFO”) per share. From our initial public offering (“IPO”) in September 2012 to December 31, 2017, our annualized TSR was 56.1%. During 2017, our stockholders received dividends of \$332.4 million, or \$0.72 per share of common stock.

The following graph shows our cumulative stock performance for the period beginning with the initial listing of our common stock on the NYSE on September 20, 2012 and ending on December 31, 2017, with stock prices retroactively adjusted for the 1.9048 exchange ratio established in connection with our merger with and into Cole Credit Property Trust II, Inc. (the “Cole II Merger”) that was completed on July 17, 2013. The graph assumes a \$100 investment in each of the indices on September

20, 2012 and the reinvestment of all dividends. The graph also shows the cumulative total returns of the S&P Index and industry peer groups. Our stock price performance shown in the following graph is not indicative of future stock price performance.

Strategic Financial Activities to Strengthen Our Balance Sheet: During 2017, Spirit successfully executed its capital plan, significantly strengthening its balance sheet. Some of Spirit's achievements include the following:

In August 2017, Spirit announced plans to leverage and spin-off a separate publicly traded REIT. As part of this proposed spin-off transaction, Spirit re-issued notes in December 2017 out of the Master Trust 2014 (the net-lease mortgage securitization trust established in 2005 and amended and restated in 2014 under the Spirit Master Funding Program), issuing \$674.4 million in aggregate principal amount of net-lease mortgage notes, comprised of \$542.4 million of 4.36% amortizing notes and \$132.0 million of 6.35% interest-only notes, both expected to be repaid in December 2022. On January 23, 2018 the \$132.0 million portion of notes were repriced and the interest rate was reduced from 6.35% to 5.49%.

In October 2017, Spirit diversified its funding sources by completing a public offering of 6,900,000 shares of 6.000% Series A Cumulative Redeemable Preferred Stock for aggregate net proceeds of \$166.2 million after deducting underwriter discounts and offering costs.

Spirit extinguished \$238.5 million of mortgage debt that had a weighted average interest rate of 5.5%.

Spirit repurchased 35.8 million shares of outstanding common stock, at a weighted average purchase price of \$7.88 per share.

Well-disciplined and Calculated Allocator of Capital: In 2017, Spirit demonstrated its ability to allocate capital and accretively acquire and underwrite quality real estate and tenants with exposure that is aligned with our investment policy and rankings.

Spirit was a net disposer of assets, which resulted in a decrease of our total revenues (\$669 million versus \$686 million in 2016), AFFO (\$398.1 million, or \$0.85 per diluted share, versus \$413.0 million, or \$0.88 per diluted share, in 2016), and reported Adjusted Debt to Annualized Adjusted EBITDA ratio (6.3x versus 6.2x in 2016).

During 2017, we acquired 39 properties, representing an aggregate gross investment of \$323 million (which includes \$42.6 million in revenue producing follow-on investments in existing properties) at an initial weighted average yield of 7.66%, and sold 192 properties for \$551.2 million of gross sales proceeds (\$154 million of which was for vacant properties) at a weighted average capitalization rate of 7.11%, equaling a net disposition activity of \$228.2 million.

Improved Real Estate Portfolio through Prudent Growth: Our portfolio has strengthened over the last year as a result of reduced vacancies and the targeting of industries that are consistent with our strategic plan.

During 2017, we acquired 39 properties in 25 separate transactions, with more than 52% of these acquisitions executed through direct sale-leaseback transactions. These high-quality investments position us for consistent AFFO growth in the future and further strengthen the diversity and quality of our overall real estate portfolio.

We sold 12 properties leased to Specialty Retail Shops Holding Corp. and certain of its affiliates (collectively "Shopko") for total gross proceeds of \$71.4 million, reducing our largest tenant concentration to 7.7% of our Contractual Rent.

We continued to harvest value from a 20 property grocery store portfolio formerly leased to certain affiliates of Haggen Holdings, LLC by selling five properties for \$58 million, representing a 6.1% weighted average capitalization rate on income producing properties.

Spirit significantly increased occupancy throughout 2017 reducing 46 vacant properties to 19 (99.2% occupied as of December 31, 2017).

Spirit refined its acquisition strategy with a higher focus on technological disruption and competitive positioning along with a property ranking system to quantify real estate rankings across the portfolio.

- Spirit renewed 41 out of 47 leases that expired or were due to expire, recapturing 100.1% of the expiring rent with \$1.2 million in additional expenditures.

At the end of 2017, our portfolio was comprised of 2,392 owned properties in 49 states representing 419 high-quality tenants that operate in 30 diverse industries. Other than Shopko, no single tenant represented more than 5% of our Contractual Rent as of December 31, 2017. Our top five and 10 tenant concentrations compare very favorably to our net-lease peers, and our portfolio remained essentially fully occupied at 99.2% under long-term leases that had a weighted average lease term of approximately 10 years.

Transformation of Spirit:

The following table highlights improvement of our portfolio with less tenant concentration and stronger balance sheet metrics.

PROPOSALS REQUIRING YOUR VOTE

PROPOSAL 1

ELECTION OF DIRECTORS

The following table provides a summary about our seven director-nominees, each of whom currently serves on our Board. Directors are elected annually by a majority of votes cast in uncontested elections. The Board recommends that you vote “FOR” each of the named director-nominees.

Name	Age	Served Since	Independence	Current Committees
Jackson Hsieh	57	2017	Employed by Spirit Realty Capital, Inc.	
Kevin M. Charlton	52	2009	Independent	Compensation (Chairperson); Audit;
Todd A. Dunn	54	2012	Independent	Nominating & Corporate Governance Compensation;
Richard I. Gilchrist	72	2012	Independent	Lead Independent Director; Chairman of the Board Compensation;
Sheli Z. Rosenberg	76	2013	Independent	Nominating & Corporate Governance Audit
Thomas D. Senkbeil	68	2013	Independent	Nominating & Corporate Governance (Chairperson)
Nicholas P. Shepherd	59	2012	Independent	

Following the recommendation of the Nominating and Corporate Governance Committee, our Board has nominated each individual presently serving as a director for election at the Annual Meeting, except for Diane M. Morefield who will not stand for re-election due to time constraints related to her current employment as Executive Vice President and Chief Financial Officer of CyrusOne, Inc. Following the Annual Meeting, we will decrease the number of members of our Board from eight to seven directors, however, the Board has commenced a formal search for an individual to serve as a new member of the Board and as Chairperson of the Audit Committee. In the interim, following the Annual Meeting, Nicholas P. Shepherd will be appointed to serve as an interim member of the Audit Committee and Todd A. Dunn will be appointed to serve as interim Chairperson of the Audit Committee. Pursuant to our Bylaws, in uncontested elections (which is the case for the Annual Meeting), a majority of votes cast is required for the election of each director. The number of votes cast “for” a director-nominee must exceed the number of votes cast “against” that nominee. Abstentions and broker non-votes are not counted as votes “for” or “against” a director-nominee and, therefore, will have no effect.

If an incumbent director does not receive a majority of the votes cast, that director must promptly tender his or her resignation as a director. The Nominating and Corporate Governance Committee will promptly consider any such resignation and will make a recommendation to the full Board as to whether to accept or reject the resignation or take other action. A director whose resignation is being considered may not participate in the deliberations or vote concerning the resignation. The Nominating and Corporate Governance Committee and the Board may consider any factors they deem relevant in deciding whether to accept, reject or take other action with respect to any such tendered resignation. Within 90 days after the date on which certification of the stockholder vote on the election of directors is made, the Board of Directors will publicly disclose its decision and rationale regarding whether to accept, reject or take other action with respect to the tendered resignation in a press release, a periodic or current report filed with the Securities and Exchange Commission or by other public announcement.

Below is certain biographical and other information concerning the persons nominated for election as directors, which is based upon statements made or confirmed to us by or on behalf of these nominees, except to the extent certain information appears in our records. Ages shown for all nominees are as of the date of the Annual Meeting. Following each nominee’s biographical information, we have provided information concerning the particular experience, qualifications, attributes and skills that led the Nominating and Corporate Governance Committee and the Board to determine that such nominee should serve as a director. In addition, a substantial majority of the nominees serve or have served on boards and board committees (including, in many cases, as board or committee chairs) of other public

companies, which we believe provides them with essential leadership experience, exposure to corporate governance best practices and substantial knowledge and skills that enhance the functioning of our Board.

A - 9

We do not have a staggered Board. Each director elected at the Annual Meeting will hold office until the next succeeding annual meeting of stockholders and until his or her successor is duly elected and qualifies, or until his or her earlier death, resignation or removal. Each nominee listed below has consented to be named in this Proxy Statement and has agreed to serve as a director if elected, and we expect each nominee to be able to serve if elected. If any nominee is unable or unwilling to accept his or her election or is unavailable to serve for any reason, the persons named as proxies will have authority, according to their judgment, to vote or refrain from voting for such alternate nominee as may be designated by the Board.

PROPOSAL 2

RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2018

Ernst & Young LLP audited our financial statements for the year ended December 31, 2017 and has been our independent registered public accounting firm since 2003. An affirmative vote of a majority of the votes cast at the Annual Meeting on the matter is required to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm. The Board recommends that you vote “FOR” the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2018.

The Audit Committee of the Board has selected Ernst & Young LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2018 and has further directed that management submit the selection of Ernst & Young LLP for ratification by the stockholders at the Annual Meeting. A representative of Ernst & Young LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm is not required by our bylaws or otherwise. However, the Board is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the selection, the Audit Committee may reconsider whether or not to retain Ernst & Young LLP in the future. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company.

Fees Paid to Independent Registered Public Accounting Firm: The following table reflects the fees paid to Ernst & Young LLP for the fiscal years ended December 31, 2017 and 2016 (in thousands):

	Fiscal Year

All Other Fees	—	—
Total Fees	4,202*	\$2,615

* Amounts include fees related to the planned spin off (and corresponding Form 10 filing) of our interests in our properties leased to Shopko, assets that collateralize Master Trust 2014 and certain other assets into an independent, publicly-traded REIT, Spirit SMTA REIT in 2018.

Audit Fees: Includes audit of our annual financial statements, including the integrated audit of internal control over financial reporting, review of our quarterly reports on Form 10-Q, and issuance of consents and issuance of comfort letters for due diligence in conjunction with certain market offerings.

Tax Fees: Includes tax preparation services and domestic tax planning and advice.

All Other Fees: Includes access to online accounting research tools.

All of the services performed by Ernst & Young LLP for the Company during 2017 were either expressly pre-approved by the Audit Committee or were pre-approved in accordance with the Audit Committee Pre-Approval Policy, and the Audit Committee was provided with regular updates as to the nature of such services and fees paid for such services.

Audit Committee Pre-Approval Policy: The Audit Committee’s policy is to pre-approve all significant audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Our independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. PROPOSAL 3

ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") added provisions to Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act") that enable our stockholders to vote to approve, on a non-binding advisory basis, the compensation of our Named Executive Officers as disclosed in this Proxy Statement.

Approval of the advisory resolution to approve our executive compensation requires that the number of votes cast "FOR" the proposal represents a majority of the total votes cast on the proposal. Our Board recommends that you vote "FOR" the adoption of this resolution approving, on a non-binding advisory basis, the compensation of our Named Executive Officers, as disclosed in this Proxy Statement, including the "Compensation Discussion and Analysis" section, in accordance with SEC rules. Abstentions and broker non-votes are not counted as votes "for" or "against" and therefore, will have no effect.

Our executive compensation programs are designed to achieve certain key objectives of the Company, including: (i) enabling us to attract, motivate and retain executive talent critical to our success; (ii) linking the compensation of our executives to the achievement of operational and strategic goals of the Company; (iii) providing balanced incentives to our executives that do not promote excessive risk-taking; and (iv) encouraging our executives to become long-term stockholders of the Company. These programs reward corporate and individual performance that achieves pre-established goals, and provide long-term incentive compensation that focuses our executives' efforts on building stockholder value by aligning their interests with those of our stockholders.

The "2017 Compensation Practices at a Glance" section provides a summary of some of the key elements of our executive compensation program and practices. We urge our stockholders to review the "Compensation Discussion and Analysis" section herein as well as tabular and other disclosures in this Proxy Statement for more information. Although this advisory "say-on-pay" resolution is non-binding on the Board, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding our executive compensation program. Our Board has determined that a non-binding, advisory vote to approve our executive compensation program will be submitted to our stockholders on an annual basis. Thus, unless the Board modifies its policy on the frequency of future "say-on-pay" advisory votes, our next vote is expected to be held at our annual meeting of stockholders in 2019.

CORPORATE GOVERNANCE AND OUR BOARD OF DIRECTORS

Spirit is committed to good corporate governance practices, which we believe serve the long-term interests of our stockholders by promoting effective risk oversight and management accountability and by helping us compete more effectively. We are governed by an eight-member Board (seven-member Board immediately following the Annual Meeting), which provides guidance and oversight with respect to our financial and operating performance, strategic plans, key corporate policies and decisions, and enterprise risk management. Our Board considers and approves significant acquisitions, dispositions, capital raises as well as other significant transactions and advises and counsels senior management on key financial and business objectives. Members of the Board monitor our progress with respect to these matters on a regular basis with the assistance of our senior management team.

DIRECTOR INDEPENDENCE

NYSE listing standards require NYSE-listed companies to have a majority of independent board members and an audit committee, compensation committee and nominating and corporate governance committee, each composed solely of independent directors. Under the NYSE listing standards, no director of a company qualifies as "independent" unless the board of directors of such company affirmatively determines that the director has no material relationship with such company (either directly, or indirectly as a partner, stockholder or officer of an organization that has a relationship with such company).

In addition, the NYSE listing standards provide that a director is not independent if:

- (i) the director is, or has been within the last three years, an employee of the listed company, or an immediate family member is, or has been within the last three years, an executive officer of the listed company;
- (ii) the director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the listed company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- (iii)(A) the director is a current partner or employee of a firm that is the company's internal or external auditor; (B) the director has an immediate family member who is a current partner of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and personally works on the listed company's audit; or (D) the director or an immediate family member was within the last three years a partner or employee of such a firm and personally worked on the listed company's audit within that time;
- (iv) the director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the listed company's present executive officers at the same time serves or served on that company's compensation committee; or
- (v) the director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the listed company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Not less than annually, the Board evaluates the independence of each director on a case-by-case basis by considering any matters that could affect his or her ability to exercise independent judgment in carrying out the responsibilities of a director, including all transactions and relationships between such director, members of his or her family and organizations with which such director or family members have an affiliation, on the one hand, and us, our subsidiaries and our management, on the other hand. Any such matters are evaluated from the standpoint of the director and the persons or organizations with which the director has an affiliation. Each director abstains from participating in the determination of his or her independence.

Based on its most recent review, the Board has affirmatively determined that, based on the standards set forth in the NYSE rules and our corporate governance documents, each of the following directors has no direct or indirect material relationship with us and qualifies as "independent" under the NYSE listing standards: Kevin M. Charlton, Todd A. Dunn, Richard I. Gilchrist, Diane M. Morefield, Sheli Z. Rosenberg, Thomas D. Senkbeil and Nicholas P. Shepherd. Mr. Hsieh is not considered independent under the NYSE listing standards due to his employment as our Chief Executive Officer and President.

BOARD OF DIRECTORS LEADERSHIP STRUCTURE

Pursuant to our Bylaws, the Board has discretion to determine whether to separate or combine the roles of Chief Executive Officer and Chairman of the Board. At the current time, the Board believes that our existing leadership structure - under which

A - 19

our Lead Independent Director is the Chairman of the Board - effectively allocates authority, responsibility and oversight between management and the independent members of our Board, and achieves the optimal governance model for us and for our stockholders.

The roles of Chairman of the Board and Chief Executive Officer have been separate since May 2017. This leadership structure gives primary responsibility for the operational leadership and strategic direction of the Company to our Chief Executive Officer, while the Chairman of the Board facilitates our Board's independent oversight of management and promotes communication between management and our Board.

Richard I. Gilchrist serves as Lead Independent Director and Chairman of the Board. As Chairman, Mr. Gilchrist leads the activities of the Board, including:

- Calling meetings of the Board and independent directors;
- Setting the agendas and schedules of Board meetings in consultation with the Chief Executive Officer and Secretary;
- Chairing executive sessions of the independent directors;
- Conducting annual performance reviews of the Chief Executive Officer;
- Engaging with stockholders; and
- Performing such other duties as may be assigned from time to time by the Board.

BOARD GOVERNANCE DOCUMENTS

The Board maintains charters for all committees. Our independent directors regularly meet in executive sessions, outside the presence of management – generally, at each regularly scheduled quarterly Board meeting and at other times as necessary or desirable. The Lead Independent Director chairs all regularly scheduled executive sessions of the Board and all other meetings of the independent directors. Members of our Audit, Compensation and Nominating and Corporate Governance Committees also regularly meet in executive session, outside the presence of management, at committee meetings and at other times as necessary or desirable.

We strongly encourage, but do not require, directors to attend our annual meetings of stockholders. A meeting of the Board immediately followed the conclusion of the 2017 Annual Meeting of Stockholders where all directors were in attendance. We have scheduled the Annual Meeting at a time and date to permit attendance by directors, and intend to make every effort to do so for future annual meetings of the stockholders, taking into account the directors' schedules and the timing requirements of applicable law.

AUDIT COMMITTEE

The Audit Committee consists of three directors – Ms. Morefield (Chairperson) and Messrs. Dunn and Senkbeil. Members of the Audit Committee and the Chairperson are appointed annually by the Board and may be removed from the Committee by the Board in its discretion at any time. Ms. Morefield will not stand for re-election at the Annual Meeting due to time constraints related to her current employment as Executive Vice President and Chief Financial Officer of CyrusOne, Inc. In connection with Ms. Morefield's resignation the Board has commenced a formal search for a new Audit Committee Chair. In the interim, following the Annual Meeting, Nicholas P. Shepherd will be appointed to serve as an interim member of the Audit Committee and Todd A. Dunn will be appointed to serve as interim Chairperson of the Audit Committee. The Board has determined that all members of the Audit Committee, including Nicholas Shepherd are independent and have sufficient accounting and financial experience and ability to enable them to discharge their responsibilities pursuant to NYSE listing standards. Furthermore, the Board has determined that Todd A. Dunn is an audit committee financial expert as defined by the SEC.

The Audit Committee assists the Board in fulfilling its responsibilities relating to our accounting and financial reporting practices, including oversight of the quality and integrity of our financial statements, our compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications, independence and performance, and the performance of our internal control over financial reporting and disclosure controls and procedures. The Company's management is responsible for establishing and maintaining accounting policies and procedures in accordance with U.S. generally accepted accounting principles ("GAAP") and other applicable reporting and disclosure standards and for preparing the Company's financial statements. The Company's independent registered public accounting firm is responsible for performing audits of the Company's annual consolidated financial statements and internal controls over financial reporting, and for issuing reports and expressing opinions thereon. The Audit Committee is responsible for the pre-approval of audit and non-audit services performed by the Company's independent registered public accounting firm.

The Audit Committee maintains free and open communication with the Board, our independent registered public accounting firm, our internal auditor and our financial and accounting management. The Audit Committee regularly meets separately in executive session, outside the presence of management, with our independent registered public accounting firm and our internal auditor – generally, at each regularly scheduled meeting and at other times as necessary or desirable. Our Board has adopted procedures for reporting concerns under our Code of Business Conduct and Ethics and other Company policies, including complaints regarding accounting and auditing matters in accordance with Rule 10A-3 under the Exchange Act. The Code of Business Conduct and Ethics, Whistleblower Policy, and the Audit Committee Charter are available on our corporate website at www.spiritrealty.com. A copy of our Code of Business Conduct and Ethics, our Whistleblower Policy, or Audit Committee Charter is also available, free of charge, upon request directed to Investor Relations, Attention: Investor Relations, Spirit Realty Capital, Inc., 2727 North Harwood Street, Suite 300, Dallas, TX 75201, or by submitting an email to InvestorRelations@spiritrealty.com.

COMPENSATION COMMITTEE

The Compensation Committee consists of three directors – Messrs. Charlton (Chairperson) and Gilchrist and Ms. Rosenberg. Members of the Compensation Committee and the Chairperson are appointed annually by the Board and may be removed from the Compensation Committee by the Board at any time in its discretion. The Board has determined that all members of the Compensation Committee are independent pursuant to NYSE listing standards and qualify as “outside” directors under Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, and as “non-employee” directors under Rule 16b-3 of the Exchange Act.

The purpose of the Compensation Committee is to carry out the Board’s responsibilities related to compensation plans, policies and programs for the Company’s senior managers and non-employee directors, as well as any compensation program that delivers Company equity to participants as further described in the Compensation Committee charter. The Compensation Committee meets during the first quarter of each year to review the achievement of pre-established performance metrics for the prior year, to determine the appropriate annual and long-term incentive awards for our senior executive officers based on that prior-year performance and to approve grants of equity awards to our executive officers and, upon management’s recommendation, other employees. Furthermore, the Compensation Committee has primary responsibility for the design, review, approval and administration of all aspects of our executive compensation program. The Compensation Committee reviews the performance of, and makes all compensation decisions for, each of our Named Executive Officers other than our Chief Executive Officer. The Compensation Committee also reviews the performance of, and makes recommendations to the Board, regarding the compensation of our Chief Executive Officer. Final decisions regarding compensation for our Chief Executive Officer are made by the independent members of the Board, taking into consideration the Compensation Committee’s recommendations. For 2017, the Compensation Committee retained the services of Willis Towers Watson, a consulting firm, to assist the Compensation Committee in the review and evaluation of our executive compensation program to ensure its continued close alignment with our compensation philosophy and business strategy. Willis Towers Watson also provided assistance to the Compensation Committee in reviewing market data on compensation, understanding industry executive compensation trends, and determining and managing risks associated with elements of our executive compensation program. The Committee reviewed Willis Towers Watson’s independence under Rule 10C-1 of the Exchange Act and NYSE listing standards and determined that there is no conflict of interest resulting from retaining Willis Towers Watson.

Our senior management team provides support to the Compensation Committee by coordinating meeting logistics, preparing and disseminating relevant financial and non-financial Company information and relevant data concerning our peer competitors as a supplement to the comparative market data prepared by the independent compensation consultant, and making recommendations with respect to performance metrics and related goals. Our Chief Executive Officer attends meetings at the Compensation Committee’s request and recommends to the Compensation Committee compensation changes affecting the other members of our senior management team. However, our Chief Executive Officer plays no role in setting his own compensation. The Compensation Committee regularly meets separately in executive session, outside the presence of management – generally, at each regularly scheduled meeting and at other times as necessary or desirable.

Our Compensation Committee Charter is located on the Investor Relations page of our website at www.spiritrealty.com and is available in print to any stockholder who requests it by writing to Investor Relations, Attention: Investor Relations, Spirit Realty Capital, Inc., 2727 North Harwood Street, Suite 300, Dallas, TX 75201, or by submitting an email to InvestorRelations@spiritrealty.com.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the year ended December 31, 2017, Messrs. Charlton and Gilchrist and Ms. Rosenberg served on the Compensation Committee, as well as David J. Gilbert, who resigned from the Board on May 12, 2017. No member of the Compensation Committee is, or has been, employed by us or our subsidiaries or is an employee of any entity for which any of our Named Executive Officers serves on the board of directors.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Nominating and Corporate Governance Committee consists of three directors - Messrs. Shepherd (Chairperson) and Dunn and Ms. Rosenberg. Members of the Nominating and Corporate Governance Committee and the Chairperson are appointed annually by the Board and may be removed from the Committee by the Board at any time in its discretion. The Board has determined that all members of the Nominating and Corporate Governance Committee are independent pursuant to NYSE listing standards.

The Nominating and Corporate Governance Committee is responsible for matters of corporate governance and matters relating to the practices, policies and procedures of the Board, such as: identifying individuals qualified for election and re-election as Board members and recommending to the Board director nominees for election by the stockholders or appointment by the Board, as the case may be; making recommendations to the Board regarding committee structure and composition; overseeing evaluation of the Board and Board committees; assisting the Lead Independent Director with the annual review of the Chief Executive Officer; developing and recommending to the Board a set of corporate governance guidelines and the corporate code of ethics; reviewing and approving or ratifying any transaction between the Company and a related person which is required to be disclosed under the rules of the SEC; and generally advising the Board on corporate governance and related matters. The Nominating and Corporate Governance Committee regularly meets separately in executive session, outside the presence of management – generally at each regularly scheduled meeting and at other times as necessary or desirable.

Our Nominating and Corporate Governance Committee Charter is located in the Corporate Governance section on the Investor Relations page of our website at www.spiritrealty.com and is available in print to any stockholder who requests it by writing to Investor Relations, Attention: Investor Relations, Spirit Realty Capital, Inc., 2727 North Harwood Street, Suite 300, Dallas, TX 75201, or by submitting an email to InvestorRelations@spiritrealty.com.

PROCESS FOR CONSIDERING DIRECTOR NOMINEES

The Nominating and Corporate Governance Committee meets annually, at a minimum, to evaluate the Board and Committee self-assessments, as well as the performance of each current director. The Nominating and Corporate Governance Committee considers the results of such assessments and evaluations, as well as the collective mix of skills and experience necessary to properly oversee the interests of the Company for the following year, when determining whether to recommend the nomination of each director for an additional term.

We did not receive any stockholder recommendations for director candidates for election at the 2018 Annual Meeting in compliance with the procedures set forth below. However, if we do receive stockholder recommendations for director election, the Nominating and Corporate Governance Committee's current process is to review and consider any candidate who has been recommended by stockholders in compliance with the procedures established from time to time by the committee.

At an appropriate time prior to each annual meeting at which directors are to be elected or re-elected, the Nominating and Corporate Governance Committee recommends to the Board for nomination by the Board, such candidates as the Nominating and Corporate Governance Committee, in its judgment, has found to be well qualified and willing and available to serve. At an appropriate time after a vacancy arises on the Board or a director advises the Board of his or her intention to resign, the Nominating and Corporate Governance Committee shall recommend to the Board for election by the Board to fill such vacancy, such prospective member of the Board as the Nominating and Corporate Governance Committee, in the exercise of its judgment, has found to be well qualified, willing and available to serve, and possessing the skills and experience desirable to complement the other Board members to effectively oversee the interests of the Company and its stockholders. In determining whether a prospective member is qualified to serve and appropriate for Board membership, the Nominating and Corporate Governance Committee will consider the information listed under "Nominees' Skills, Experience and Qualifications."

All stockholder recommendations for director candidates must be submitted on or before December 26, 2018 to Investor Relations, Attention: Secretary, Spirit Realty Capital, Inc., 2727 North Harwood Street, Suite 300, Dallas, TX 75201, who will forward all recommendations to the Nominating and Corporate Governance Committee, and must include the following information: (a) the name and address of record of the stockholder; (b) representation that the stockholder is a record holder of our common stock or, if not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) under the Securities Exchange Act of 1934; (c) name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the

preceding five (5) full fiscal years of the proposed director candidate; (d) description of the qualifications and background of the proposed director candidate which addresses the items under "Nominees' Skills, Experience and Qualifications," as well as any minimum qualifications and other criteria for Board membership as may be approved by the Board from time to time; (e) description of all arrangements or understandings between the stockholder and the proposed director candidate; (f) consent of the proposed director candidate (1) to be named in the proxy statement

relating to our annual meeting of stockholders and (2) to serve as a director if elected at such annual meeting; and (g) any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

ADDITIONAL CORPORATE GOVERNANCE MATTERS

TRANSACTIONS WITH RELATED PERSONS

Our Board has a written policy requiring that any transaction between us and any of our officers, directors or their affiliates be approved by the Nominating and Corporate Governance Committee or the disinterested members of the Board. Our Code of Business Conduct and Ethics requires our officers and directors to disclose in writing to our General Counsel any existing or proposed transaction in which he or she has a personal interest, or in which there is or might appear to be a conflict of interest by reason of his or her connection to another business organization. Our General Counsel reviews these matters with the Chairperson of the Nominating and Corporate Governance Committee and the Lead Independent Director to determine whether the transaction raises a conflict of interest that warrants review and approval by the Nominating and Corporate Governance Committee or the disinterested members of the Board.

AMENDMENT TO BYLAWS OF THE COMPANY

In 2017, due to feedback received from our stockholders, our Board amended the Bylaws of the Company to reduce the stockholder vote required to alter or repeal the Bylaws or to adopt new bylaws from the affirmative vote of two-thirds of all votes entitled to be cast to the affirmative vote of a simple majority of all votes entitled to be cast.

RISK MANAGEMENT

While management has primary responsibility for identifying and managing our exposure to risk, our Board plays an active role in overseeing the processes we establish to assess, monitor and mitigate that exposure. The Board, directly and indirectly through its committees, routinely discusses with management our significant enterprise risks and reviews the guidelines, policies and procedures we have in place to address those risks, such as our approval process for acquisitions, dispositions and other investments. In 2017 Management conducted a formal enterprise risk assessment with the assistance of the Company's internal auditor. At Board and committee meetings, directors receive information and presentations from management and third-party experts regarding specific areas of risk identified in the process, from which they engage in further analyses and dialogue. This process enables the Board to focus on the strategic, financial, operational, legal, regulatory and other risks that are most significant to us and our business in terms of potential impact, and ensures that our enterprise risks are well understood, mitigated (to the extent reasonable), and consistent with the Board's view of our risk profile and tolerance.

PUBLIC POLICY MATTERS

We are committed to ethical business conduct and expect our directors, officers and employees to act with integrity and conduct themselves, and our business, in a way that protects our reputation for fairness and honesty. Consistent with these principles and our Code of Business Conduct and Ethics, we have established the policies and practices described below with respect to political contributions and other public policy matters.

PUBLIC POLICY ADVOCACY

We do not have a political action committee, however, we may advocate a position, express a view, or take other appropriate action with respect to legislative or political matters affecting the Company and our interests. We may also ask our employees to make personal contact with governmental officials or write letters to present our position on specific issues. Any such advocacy must receive prior approval by the Chief Executive Officer and is done in compliance with applicable laws and regulations and subject to the review of the Nominating and Corporate Governance Committee.

INDIVIDUAL POLITICAL ACTIVITY

We believe that our directors, officers and employees have rights and responsibilities to participate in political activities as citizens, including voting in elections, keeping informed on political matters, serving on civic bodies and contributing financially to, and participating in, the campaigns of the political candidates of their choice. Accordingly, our directors, officers and employees are not constrained from engaging in political activities including: making political contributions, expressing political views or taking action on any political or legislative matter, so long as they are acting in their individual capacity, and on their own time and expense. Directors, officers and employees acting in their individual capacity must not give the impression that they are speaking on our behalf or representing Spirit in

such activities.

2017 COMPENSATION PRACTICES AT A GLANCE

- ü DO provide executive officers with the opportunity to earn market-competitive compensation through a mix of cash and equity compensation with a strong emphasis on performance-based incentive awards.
 - ü DO align pay and performance by linking a substantial portion of compensation to the achievement of pre-established performance metrics that drive stockholder value.
 - ü DO evaluate TSR when determining performance under incentive awards to enhance stockholder alignment.
 - ü DO cap payouts for awards under our annual and long-term incentive plans.
 - ü DO require executive officers to own and retain shares of our common stock that have significant value to further align interests with our stockholders.
 - ü DO enhance executive officer retention with time-based vesting schedules for equity incentive awards.
 - ü DO enable the Board to “claw back” incentive compensation in the event of a financial restatement pursuant to a recoupment policy.
 - ü DO maintain a Compensation Committee comprised solely of independent directors.
 - ü DO engage an independent compensation consultant to advise the Compensation Committee on executive compensation matters.
- DO NOT base incentive awards on a single performance metric, thereby discouraging unnecessary or excessive risk-taking.
 - DO NOT provide uncapped award opportunities.
 - DO NOT have employment agreements with executive officers that provide single-trigger change of control benefits.
 - DO NOT permit executive officers or directors to engage in derivative or other hedging transactions in our securities.
 - DO NOT provide executive officers with excessive perquisites or other personal benefits.
 - DO NOT permit executive officers or directors to hold our securities in margin accounts or pledge our securities to secure loans without pre-approval by the Audit and Compensation Committees (no executive officer or director pledged or held our securities in margin accounts at any time during 2017).
 - DO NOT provide for tax gross-up payments for compensation or benefits paid in connection with a change in control.

We emphasize pay-for-performance based incentive compensation over fixed cash compensation to:

- achieve greater alignment with the interests of our stockholders;
- focus decision-makers on the creation of long-term value; and
- encourage prudent evaluation of risks.

We have a well-designed compensation program intended to incentivize above-average achievements on both short-term execution and long-term performance metrics that drive stockholder value. Our executive compensation program consists primarily of:

- base salary,
- annual cash incentive bonuses,
- equity based long-term incentive awards,
- severance and change in control payments and benefits, and
- retirement benefits and health/welfare benefits.

Our annual cash bonus program is designed to reward short-term performance based on achievement of pre-established Company performance goals as well as an executive’s individual performance. As explained in more detail under “Executive Compensation – Compensation Discussion and Analysis” in this Proxy Statement, below are our results in 2017 relative to the financial and operating performance targets set by our Compensation Committee.

• **AFFO Per Share Growth:** Our 2017 AFFO, excluding non-cash items, was \$0.85 per diluted share, which fell below our target range of \$0.89 - \$0.91 per diluted share.

Debt to EBITDA: Our debt to EBITDA ratio was 6.3x at December 31, 2017, which fell within our target range of 6.5x - 6.1x.

Occupancy: Our weighted average portfolio occupancy rate for 2017 was 98.5%, which fell within our target range of 97.5% to 99.0%.

Acquisitions: Our acquisition volume in 2017 totaled \$323 million, which fell below our target range of \$550 million to \$850 million.

A - 26

Our long-term incentive plan employs a combination of restricted stock grants and performance shares which vest over time to motivate and reward long-term, multi-year performance and facilitate retention of our executives. Our executives' performance share awards vest at the end of a multi-year period based on the TSR we deliver relative to our peers, strongly aligning our executives' interests with those of our stockholders.

We maintain strong corporate governance standards and seek to employ best practices for our compensation programs. Our Compensation Committee meets frequently to address compensation matters in a timely manner and regularly reviews our executive compensation program to ensure that it provides competitive pay opportunities to help attract and retain highly-qualified and dedicated executive talent that is critical to our business.

As part of its commitment to strong corporate governance and best practices, our Compensation Committee engaged and received advice on the compensation program from Willis Towers Watson, an independent, third-party compensation consultant, which provided no other services to us in 2017 other than those provided directly to or on behalf of the Compensation Committee.

In addition, we have adopted an insider trading policy and a compensation recoupment policy, as well as stock ownership guidelines for our senior executives and our Board members.

EXECUTIVE COMPENSATION COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with management the following Compensation Discussion and Analysis and, based on such review and discussions, recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

COMPENSATION COMMITTEE

Kevin M. Charlton, Chairperson

Richard I. Gilchrist

Sheli Z. Rosenberg

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Discussion and Analysis describes our 2017 compensation program for our principal executive officers in 2017, our principal financial officer, and our other most highly compensated executive officers during 2017 (collectively, our "Named Executive Officers").

In particular, this discussion and analysis provides an overview of our executive compensation philosophy, the overall objectives of our executive compensation program, how each element of our executive compensation program is designed to satisfy those objectives, and the policies underlying our 2017 executive compensation program and the compensation awarded to our Named Executive Officers for 2017. The following discussion and analysis of compensation arrangements of our Named Executive Officers should be read together with the compensation tables and related disclosures.

Our executive compensation program is designed to provide a total compensation package intended to align our executives' compensation with the Company's performance and stockholders' interests, and to attract, motivate and retain talented and experienced executive officers through competitive compensation arrangements relative to our peer group.

To serve the foregoing objectives, our overall compensation program is generally designed to be flexible and complementary rather than purely formulaic. In alignment with the objectives set forth above, the Compensation Committee of our Board has generally determined the overall compensation of our Named Executive Officers and its allocation among the elements described below, relying on the analysis and advice provided by its independent compensation consultant.

Our compensation decisions for the Named Executive Officers in 2017, including each of the key elements of our executive compensation program, are discussed in more detail below.

2017 Business Overview: In response to challenges faced by the Company in 2016 and the beginning of 2017 and in order to continue our focus on improving Spirit's operating capabilities, our Board appointed Jackson Hsieh as our new Chief Executive Officer on May 8, 2017. From Mr. Hsieh's appointment as CEO in May, 2017 to December 31, 2017, our TSR increased by approximately 22%. In addition, since Mr. Hsieh's appointment:

• Spirit completed a public offering in October 2017 of 6,900,000 shares of 6.000% Series A Cumulative Redeemable Preferred Stock for aggregate net proceeds of \$166.2 million after deducting underwriter discounts and offering costs.

• Spirit extinguished \$238.5 million of mortgage debt that had a weighted average interest rate of 5.5%.

• Spirit repurchased 35.8 million shares of outstanding common stock, at a weighted average purchase price of \$7.88 per share.

Spirit significantly increased occupancy throughout 2017, reducing 46 vacant properties to 19 (99.2% occupied as of December 31, 2017) and refined its acquisition strategy with a higher focus on technological disruption and competitive positioning along with a property ranking system to quantify real estate rankings across the portfolio.

Mr. Hsieh has also brought creative ideas for Spirit's path forward. Specifically, in August 2017 we announced a plan to leverage and spin-off our interests in our properties leased to Shopko and assets that collateralize Master Trust 2014 and certain other assets into an independent, publicly traded REIT, Spirit MTA REIT. The spin-off is expected to be completed in the first half of 2018. The targeted benefits of the spin-off are to align our portfolio to more closely target our investment strategy and reduce overall and secured leverage to place Spirit in a position for growth.

In conjunction with Spirit's strategic goals and path forward, we have formulated a compensation program that will support the balance between increased shareholder value and recruiting and retaining talented executives to devise and realize this goal.

Chief Executive Officer Transition in 2017: The Board determined Mr. Hsieh had the precise skillset and professional background that was necessary to respond to the challenges facing the Company in 2016 and early 2017. The Board considered not only Mr. Hsieh's experience as a successful operating executive, expertise in the real estate investment industry and knowledge of public real estate investment trusts prior to joining the Company, but also his time as President and COO of the Company, during which he demonstrated a unique ability to identify specific issues facing the Company and suggest creative solutions to such issues.

The Board appointed Mr. Hsieh (the then Chief Operating Officer) as CEO of the Company on May 8, 2017.

However, due to the expedited timing of this transition, Mr. Hsieh and the Board agreed to postpone discussion of his new compensation package. Mr. Hsieh's new employment agreement was entered into on July 25, 2017.

In connection with his promotion, the Board approved the following changes to Mr. Hsieh's compensation for 2017: Increased Mr. Hsieh's annual base salary from \$550,000 to \$875,000.

Increased Mr. Hsieh's target annual cash bonus opportunity (starting with his bonus for 2017) from 150% of base salary to 175% of his base salary (with a maximum opportunity equal to 350% of his base salary, increased from 250%).

Increased Mr. Hsieh's target annual long-term incentive award from 400% to 550% of his base salary to be granted in equal portions of time-vesting restricted stock, vesting ratably over three (3) years, and performance shares, cliff vesting after three years from the beginning of the performance period.

Entered into an amended and restated employment agreement with Mr. Hsieh that incorporates severance payments and benefits, as further described under "Potential Payments upon Termination or Change of Control" on page A-53.

One-time promotion awards:

Granted to Mr. Hsieh a one-time promotion equity award of restricted stock and performance shares. The restricted stock award covers 500,000 shares and vests over a three (3) year period following his promotion date; the performance share award covers a target number of 500,000 shares and will vest based on the achievement of performance goals over a three (3) year performance period ending in May 2020.

Due to the gap in time between Mr. Hsieh's promotion to CEO and the execution date of his new employment agreement, Mr. Hsieh did not receive dividend payments that would have been otherwise paid on the restricted shares had they been granted on his promotion date. To account for the forgone dividends the Board paid Mr. Hsieh a one-time cash award of \$90,000, which represented the amount of dividends he would have received had his promotion award been granted on his May 2017 promotion date rather than in July 2017.

In determining Mr. Hsieh's compensation package the Board considered Mr. Hsieh's skillset, professional background and proven strategic thinking in conjunction with the difficult circumstances the Company was facing. The Compensation Committee determined the compensation was appropriate and warranted in order to induce Mr. Hsieh to be CEO of the Company. Specifically, the Compensation Committee considered the fact that Mr. Hsieh was uniquely qualified to lead the Company in light of his long history as an adviser of the Company since 2011, during which time Mr. Hsieh, in his capacity as an investment banker, advised the Company on its IPO, the Cole II Merger, and all of the Company's major financings. Furthermore, the Compensation Committee considered the need to provide a strong incentive for Mr. Hsieh to formulate and execute creative strategies to improve the Company's performance. From Mr. Hsieh's appointment as CEO to December 31, 2017, our TSR increased by approximately 22%. In addition, we announced a plan to leverage and spin-off our interests in properties leased to Shopko, assets that collateralize Master Trust 2014, and certain other assets into an independent, publicly traded REIT, Spirit MTA REIT.

Normalized CEO Compensation. Mr. Hsieh was appointed as CEO in May 2017 and in connection with his promotion was awarded certain one-time grants or payments, including (i) \$3,965,000 of restricted stock based on market close on the grant date, (ii) \$2,357,066 of performance shares based on market close on the grant date, and (iii) \$90,000 which represented the dividends that would have been granted on the date of Mr. Hsieh's promotion but were delayed as described above. As each of these one-time grants or payments were made to induce Mr. Hsieh to accept his promotion to CEO, they are not indicative of Mr. Hsieh's normal annual compensation. The following chart reflects Mr. Hsieh's 2017 "normalized" compensation, excluding these one-time promotional payments.

Named Executive Officers/Transitions: Our Named Executive Officers include our principal executive officers in 2017 (Mr. Thomas H. Nolan, Jr., whose employment as Chief Executive Officer terminated on May 8, 2017, and Mr. Jackson Hsieh, who became our Chief Executive Officer and President effective May 8, 2017), our principal financial officer (Mr. Phillip D. Joseph, Jr., whose employment as Chief Financial Officer terminated April 20, 2018), our other most highly compensated executive officers during 2017 (Mr. Boyd Messmann, whose employment as Chief Acquisition Officer terminated on February 22, 2018, Mr. Jay Young, our Executive Vice President, General Counsel and Secretary, and Ms. Michelle Greenstreet, who served as Chief Administrative Officer until she departed the Company on October 27, 2017 but whose 2017 compensation qualifies her as a named executive officer for purposes of Securities and Exchange Commission ("SEC") rules).

Executive Compensation Philosophy and Objectives: Our executive compensation philosophy recognizes that, given that the market for experienced management is highly competitive in our industry, the core of our success is our ability to attract and retain the most highly-qualified executives to manage each of our business functions.

Fundamentally, we believe executive officer compensation should be structured to provide competitive base salaries and benefits, which attract and retain superior employees. Additionally, we use annual performance-based cash compensation to motivate executive officers to attain (and reward them for attaining) financial, operational, individual and other goals that are consistent with increasing stockholder value. Our long-term incentive plan employs a combination of restricted stock grants and performance shares which vest over time to motivate and reward long-term, multi-year performance and facilitate retention of our executives. Our executives' performance share awards vest at the end of a multi-year period based on the TSR we deliver relative to our peers, strongly aligning our executives' interests with those of our stockholders.

We view the components of our executive compensation program as related but distinct, and we regularly reassess the total compensation of our Named Executive Officers to ensure that our overall compensation objectives are met. We have considered, among other factors, the following in determining the appropriate level for each compensation component: our understanding of the competitive market based on the input of our Compensation Committee's independent compensation consultant, Willis Towers Watson; the collective experience of members of our Compensation Committee and their review of compensation surveys and studies by our independent compensation consultant (including a study of the compensation practices of our peer group described below); our recruiting and retention goals; our view of internal equity and consistency; the length of service of our executive officers; our overall performance; and other considerations our Board and Compensation Committee determine are relevant. In determining the companies to include in the peer group, Willis Towers Watson and our Compensation Committee selected only real estate investment trusts, and specifically those that invest in asset classes they believed are comparable to the net-leased class in which we invest. The companies in the study were also selected based on market capitalization and enterprise value, as well as portfolio value. Our Compensation Committee used the results of the study of the peer group's compensation practices and levels as one of many factors to formulate our 2017 executive compensation.

Each of the primary elements of our executive compensation program is discussed in more detail below. While we have identified particular compensation objectives that each element of executive compensation serves, our compensation programs are designed to be flexible and complementary, and to collectively serve all of the executive compensation objectives described above. Accordingly, whether or not specifically mentioned below, we believe that as a part of our overall executive compensation policy, each individual element, to a greater or lesser extent, serves each of our compensation objectives and that collectively, they are effective in achieving our overall objectives.

Compensation Elements: Each of the following elements of our compensation program taken separately, and as a whole, are necessary to support the Company’s overall compensation objectives. The following table sets forth the key elements of our Named Executive Officers’ compensation, along with the primary objective associated with each element of compensation:

Compensation Element	Primary Objective
Base salary	To compensate ongoing performance of job responsibilities and provide a fixed and knowable minimum income level as a necessary tool in attracting and retaining executives.
Annual performance-based cash compensation	To incentivize and reward the attainment of short-term corporate objectives and individual contributions to the achievement of those objectives.
Long-term equity incentive compensation (restricted stock and performance share awards)	To emphasize long-term performance objectives, align the interests of our executives with stockholder interests, encourage the maximization of stockholder value and retain executives.
Severance and change in control benefits	To encourage the continued attention and dedication of our executives and provide reasonable individual security to enable our executives to focus on stockholders' best interests.
Retirement savings – 401(k) plan	To provide retirement savings in a tax-efficient manner.
Health and welfare benefits	To provide typical protections from health, dental, death and disability risks.

The Compensation Committee believes that the executive compensation program should reflect the value created for our stockholders, while supporting our business strategies, operational goals and long-range plans. In addition, the Compensation Committee believes that such compensation should assist the Company in attracting and retaining key executives critical to our long-term success.

A - 33

We Emphasize a Balanced Mix of Compensation, Weighted Towards Variable Pay Elements: The Compensation Committee believes that a balanced mix of compensation elements, significantly weighted towards variable at-risk pay elements, provide the intended alignment of executive compensation with the Company's performance and stockholder interests, while also providing the necessary fixed and knowable minimum and short and long-term incentive opportunities necessary to attract, motivate and retain talented and experienced executive officers. The following graphs show the emphasis we place on variable at-risk pay elements, such as performance-based cash bonuses (Non-Equity Incentive Plan Compensation) and equity awards.

*For the Chief Executive Officer 2017 Target Pay Mix we used Mr. Hsieh's annualized salary for 2017 and excluded his one-time equity awards granted in connection with his promotion to CEO.

We Emphasize Pay for Performance: The Company's compensation program is designed to align Company-wide financial and operational achievements through the use of annual cash bonuses and performance-based long-term equity awards granted to its Named Executive Officers.

Annual cash bonuses are focused primarily on short-term Company financial performance, as well as individual performance metrics linked to important strategic initiatives. They are earned based upon achievement of Company-wide performance goals and the Compensation Committee's assessment of individual performance for the applicable year.

Under the 2017 bonus program, each of our executive officers other than Ms. Greenstreet, was eligible to earn cash bonuses based on the Company's achievement in 2017 of performance goals relating to (i) Adjusted Funds From Operations ("AFFO," a supplemental non-GAAP financial measure defined in the Annual Report on Form 10-K of Spirit Realty Capital, Inc. filed with the SEC on February 23, 2017 see Annex A: Non-GAAP Financial Measures Reconciliation); (ii) debt to EBITDA ratio (a supplemental non-GAAP financial measure meaning earnings of the Company before interest, taxes, depreciation and amortization); (iii) weighted average occupancy levels of Company real estate assets; and (iv) acquisition volume.

The following table reflects the Company performance goals in the 2017 bonus program. The Compensation Committee believes these annual operational and financial goals align with our strategy to attain long-term financial stability that will support sustained cash flows beneficial to our stockholders:

2017 Key Performance Measures	Threshold	Target	Maximum
AFFO Per Share	\$0.890	\$0.900	\$0.910
Debt to EBITDA	6.5x	6.2x	6.1x
Occupancy	97.50%	98.25%	99.00%
Acquisitions (millions)	\$550	\$700	\$850

In order for acquisitions to be considered under the bonus program, a transaction must meet the pricing and quality criteria established in the approved business plan unless prior Board approval is obtained.

Individual performance is not evaluated solely upon the satisfaction of pre-determined performance goals, but evaluated subjectively by (a) the Compensation Committee with input from our Chief Executive Officer with respect to the other Named Executive Officers and (b) the Board with respect to our Chief Executive Officer.

Depending on the actual operational results, Messrs. Hsieh, Young, Joseph, Messmann, and Nolan were eligible to earn a target cash incentive of 175%, 75%, 125%, 125%, and 175% of their annual base salaries, respectively, under the program if the target objectives were achieved. In determining each Named Executive Officer's actual cash bonus under the 2017 bonus program, the incentive opportunity is weighted based on the officer's core responsibilities within the organization. In connection with his promotion to CEO in 2017, Mr. Hsieh's target bonus opportunity was increased from 150% to 175% of his base salary without proration.

In determining the executive's actual bonus under the 2017 bonus program, the goals were weighted as follows for the applicable executive:

Named Executive Officer	AFFO	Debt/EBITDA	Occupancy	Acquisitions	Individual Performance
Jackson Hsieh	17.50%	17.50 %	17.50 %	17.50 %	30%
Jay Young	17.50%	17.50 %	17.50 %	17.50 %	30%
Phillip D. Joseph, Jr.	17.50%	26.25 %	13.125 %	13.125 %	30%
Boyd Messmann	17.50%	8.75 %	8.75 %	35.00 %	30%
Thomas H. Nolan, Jr.	17.50%	17.50 %	17.50 %	17.50 %	30%

Ms. Greenstreet was eligible to earn a discretionary bonus, targeted at 75% of her base salary, based on her performance for the year. As described in more detail immediately below, we also grant long-term, multi-year performance share awards that are earned based on the achievement of the Company's TSR achieved during a three-year performance period.

We Align Executive Compensation with Value Creation for Our Stockholders: Our long-term incentive plan employs a combination of restricted stock and performance share awards, which vest over time to motivate and reward long-term, multi-year performance and facilitate retention of our executives.

Restricted stock awards, which generally vest over a three-year period, create a balanced focus on the achievement of short-term and long-term financial and operational goals and stock price performance.

Performance share awards are earned based on performance over a three-year performance cycle. Pursuant to the performance share awards, each participant is eligible to vest in and receive shares of the Company's common stock based on an initial target number of shares granted multiplied by a percentage range between 0% and 250% depending on the Company's TSR during the performance period. The percentage range is based on the Company's TSR compared to that of specified peer groups of companies during the performance period, which for the awards made in 2017 is from January 1, 2017 through December 31, 2019 (and with respect to the award granted in connection with Mr. Hsieh's promotion, May 7, 2017 to May 7, 2020). For each performance share that ultimately vests, its holder is entitled to a cash payment equal to the aggregate dividends that would have been paid on the total number of performance shares as if such shares had been outstanding on each dividend record date over the period from the grant date through the issuance of the share. In the event of a non-qualifying termination of a participant prior to the performance period end date, all of the rights to performance shares will be automatically forfeited along with the participants' rights to the cash payment of any dividend equivalent.

In setting long-term incentive plan award levels, our Compensation Committee considers resulting total compensation to our executives, including all elements of compensation described above, our Company's performance and the market for compensation of executives of competitors and other comparable market participants.

2017 Say-on-Pay Voting Results: Our Board has determined that an advisory vote to approve our executive compensation program will be submitted to our stockholders on an annual basis. At our 2017 Annual Meeting of Stockholders, 88.67% of shares represented at the meeting, and eligible to vote, casted votes FOR our executive compensation program. The Compensation Committee believes the strong level of support for our compensation program in 2017 reflects the strong alignment between our executive pay and performance, both (a) qualitatively in performance metrics selected and instruments of compensation employed, and (b) quantitatively in the amounts of compensation received by our executives relative to the Company's and their respective performances. The Compensation Committee and the Board value the opinions of our stockholders and will continue to consider those opinions when making future executive compensation decisions.

DETERMINATION OF COMPENSATION

Roles of our Compensation Committee and Chief Executive Officer in Compensation Decisions: The Compensation Committee of our Board oversees our compensation program for all Named Executive Officers, subject, in the case of our Chief Executive Officer, to the Board's approval.

Our Chief Executive Officer evaluates the individual performance and contributions of each other Named Executive Officer and reports to the Compensation Committee his recommendations regarding their compensation. Our Chief Executive Officer does not participate in any formal discussion with the Compensation Committee or the Board regarding decisions on his own compensation and recuses himself from meetings when his compensation is discussed. We do not solely rely on formulaic guidelines to determine the mix or levels of cash and equity-based compensation, but rather maintain a flexible compensation program that allows us to adapt components and levels of compensation to motivate, reward and retain individual Named Executive Officers within the context of our desire to attain financial and operational objectives consistent with our strategic goals and stockholder interests. Subjective factors considered in compensation determinations include a Named Executive Officer's responsibilities, leadership abilities, skills, contributions as a member of the executive management team and to our overall performance, and whether the total compensation potential and structure is sufficient to ensure the retention of a Named Executive Officer when considering the compensation potential that may be available elsewhere.

Engagement of Compensation Consultants: For 2017, the Compensation Committee retained the services of Willis Towers Watson to provide assistance to the Compensation Committee in reviewing market data on compensation, understanding industry executive compensation trends, and determining and managing risks associated with elements of our executive compensation program.

Peer Group Development: With the assistance of Willis Towers Watson, we have established a peer group of REITs which we use to evaluate our executive and director compensation programs and practices, and which serves as the performance benchmark for our performance stock awards (discussed in more detail below). The Committee generally reviews the peer group annually, and when appropriate makes changes to the peer group. Our goal is to establish a group of REITs that include our direct net lease competitors, as well as REITs representing our labor market for executive talent. When selecting peers we consider factors including asset class, total and equity capitalization, number of employees, and other financial and operational characteristics.

The peer group used for evaluating our 2017 executive pay was established and approved by the Compensation Committee in 2016. As a part of their annual process, the Compensation Committee reviewed the peer group and determined that certain members of the peer group had been acquired, and there was an over concentration of healthcare REITs in the peer group. Based on their review, the Compensation Committee approved the peer group as detailed below. The additions to the peer group represent net lease peers, or REITs of comparable size to us, operating in asset classes in which we invest.

2017 EXECUTIVE COMPENSATION

The following describes the primary components of our 2017 executive compensation program for each of our Named Executive Officers, the rationale for each component and how compensation amounts were determined.

Base Salary: We provide our Named Executive Officers with a base salary to compensate them for services rendered to our Company during the fiscal year. The base salary payable to each Named Executive Officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities. Generally, initial base salary amounts are established based on consideration of, among other factors, the scope of the Named Executive Officer's responsibilities, years of service, and general knowledge of our Compensation Committee or Chief Executive Officer of the competitive market based on, among other things, experience with other companies and our industry. The base salaries of our Named Executive Officers are reviewed periodically by our Compensation Committee or Chief Executive Officer and merit salary increases have been made as deemed appropriate based on such factors including the scope of an executive officer's responsibilities, individual contribution, prior experience and sustained performance.

In its review of base salaries for 2017, the Compensation Committee considered the Company's operating results and the positioning of the Company's salaries for the Named Executive Officers as compared to similarly situated executives in the Company's peer group. Based on that review, the Compensation Committee approved the base salary increases set forth in the table below. The base salary for Mr. Hsieh represents his salary following his promotion to CEO:

Named Executive Officer	2016 Base Salary (\$) ⁽¹⁾	2017 Base Salary (\$) ⁽¹⁾
Jackson Hsieh	550,000	875,000 ⁽²⁾
Jay Young	325,000	340,000
Phillip D. Joseph, Jr.	415,000	415,000
Boyd Messmann	350,000	375,000
Thomas H. Nolan, Jr.	775,000	775,000
Michelle Greenstreet	275,000	290,000

⁽¹⁾ Represents annualized base salaries.

⁽²⁾ Represents Mr. Hsieh's annualized base salary following his promotion to CEO. Mr. Hsieh's salary prior to his promotion to CEO was \$550,000.

Annual Performance-Based Compensation: We use cash bonuses to motivate our Named Executive Officers to achieve our short-term financial and strategic objectives while making progress towards our longer-term growth and other goals. In February 2017, our Compensation Committee approved the 2017 Bonus Program, which ties our executives' annual cash incentive awards closely to our financial performance, thereby aligning their interests of management with the interests of our stockholders. All of our Named Executive Officers, other than Ms. Greenstreet, were eligible to participate in the 2017 Bonus Program.

Our Compensation Committee approved threshold, target and maximum bonus opportunities for each executive, taking into consideration the degree of difficulty to achieve the targets, which are set forth below expressed as a percentage of each executive's annual base salary:

Named Executive Officer	Threshold Bonus	Target Bonus	Maximum Bonus
Jackson Hsieh ⁽¹⁾	87.5%	175 %	350 %
Jay Young	37.5%	75 %	133 %
Phillip D. Joseph, Jr.	62.5%	125 %	200 %
Boyd Messmann	62.5%	125 %	200 %
Thomas H. Nolan, Jr.	87.5%	175 %	300 %

⁽¹⁾ In connection with Mr. Hsieh's promotion to CEO in July 2017, his target bonus was increased from 150% to 175% of his base salary on a non-pro-rated basis.

The Company's performance goals and actual results under the 2017 Bonus Program were as follows:

Edgar Filing: SPIRIT REALTY CAPITAL, INC. - Form DEF 14A

2017 Key Performance Measures	Threshold	Target	Maximum	Actual
AFFO Per Share	\$0.890	\$0.900	\$0.910	\$0.850
Debt to EBITDA	6.5x	6.2x	6.1x	6.3x
Occupancy	97.50	% 98.25	% 99.00	% 98.50
Acquisitions (millions)	\$ 550	\$ 700	\$ 850	\$ 323

A - 37

In order for acquisitions to be considered under the 2017 Bonus Program, a transaction must meet the pricing and quality criteria established in the approved business plan unless prior Board approval is obtained.

The weighting of each performance goal for each Named Executive Officer eligible to participate in the 2017 Bonus Program was:

Named Executive Officer	AFFO	Debt / EBITDA	Occupancy	Acquisitions	Individual Performance
Jackson Hsieh	17.50%	17.50 %	17.50 %	17.50 %	30.00 %
Jay Young	17.50%	17.50 %	17.50 %	17.50 %	30.00 %
Phillip D. Joseph, Jr.	17.50%	26.25 %	13.13 %	13.13 %	30.00 %
Boyd Messmann	17.50%	8.75 %	8.75 %	35.00 %	30.00 %
Thomas H. Nolan, Jr.	17.50%	17.50 %	17.50 %	17.50 %	30.00 %

The total annual cash bonus compensation payments approved by our Compensation Committee are set forth in the table below, allocated between (a) amounts paid pursuant to achievement of objective pre-approved performance criteria (AFFO per share; Debt to EBITDA; Occupancy and Acquisitions) (“2017 Non-Equity Performance Incentive Bonus”), and (b) amounts paid pursuant to the Compensation Committee’s subjective evaluation of the executive’s performance in accordance with the criteria of the 2017 Bonus Plan (“2017 Individual Discretionary Bonus.”) The annual cash bonus has a pay mix split of 70% based on company financial performance metrics and 30% individual performance.

For 2017, the Compensation Committee decided not to award Mr. Nolan a discretionary bonus for 2017 with respect to individual performance due to the fact that Mr. Nolan was not employed for the entire year and did not contribute to Spirit's full year performance. In determining the individual discretionary bonuses (i.e. the 30% individual performance) for Messrs. Hsieh, Young, Joseph and Messmann, the Compensation Committee took into consideration the efforts related to the planned spin-off transaction that reflected additional contribution to shareholder value that was not sufficiently captured by the objective pre-approved performance criteria set forth above due to the strategic plan being set after the establishment of the 2017 Bonus Plan performance criteria. Mr. Hsieh received an annual cash bonus that was below his target bonus and did not receive any additional cash bonus compensation beyond the parameters approved by the Compensation Committee in February 2017. Additionally, Messrs. Joseph, Messmann and Nolan received an annual cash bonus that was below their target bonus for 2017.

The table below shows the total target cash bonus, the actual bonus received and the actual cash bonus compared to the target cash bonus, expressed as a percentage, for each Named Executive Officer under the 2017 Bonus Program:

Named Executive Officer	2017 Target Cash Bonus (\$) ⁽¹⁾	Total 2017 Annual Cash Bonus Actually Received (\$)	% of Total Cash Bonus Actually Received to Target (%)
Jackson Hsieh	1,531,250	1,249,620	81.6
Jay Young	255,000	297,316	116.5
Phillip D. Joseph, Jr.	518,750	244,019	47
Boyd Messmann	468,750	223,367	47.6
Thomas H. Nolan, Jr.	1,356,250	171,534	12.6

⁽¹⁾ The 2017 Bonus Program consists of two separate measurements/categories. The first category is discretionary and based on individual performance. The second category is objective and is based upon achievement of pre-approved performance criteria of the Company (AFFO per share; Debt to EBITDA; Occupancy and Acquisitions). The annual cash bonus has a pay mix split of 30% individual performance and 70% based on company financial performance metrics. The chart above shows the total of the two categories.

Ms. Greenstreet was eligible to receive a discretionary bonus based on her performance for 2017. Her bonus opportunity was targeted at 75% of her base salary, and her maximum bonus opportunity was 100% of her base salary. In connection with her separation from the Company in October 2017, Ms. Greenstreet received a payment of \$263,542.

For 2018, the Compensation Committee has approved substantially similar Company performance criteria as approved under the 2017 Bonus Program.

Long-Term Equity-Based Incentives: The goals corresponding to our long-term equity-based awards are intended to reward and encourage long-term corporate performance based on the value of our stock and, thereby, align our Named Executive Officers' interests with those of our stockholders.

A - 38

In 2017, consistent with previous years, we granted a mix of restricted stock and performance share awards to our Named Executive Officers. The target value of equity incentive awards for our Named Executive Officers is generally allocated equally between restricted stock and performance share awards, with the exception of Ms. Greenstreet who only received restricted stock.

The table below reflects the target annual long-term incentive award (“LTIP”) values, and actual allocation of awards, granted to Messrs. Hsieh, Young, Joseph, Messmann, Nolan, and Ms. Greenstreet.

Named Executive Officer	% of		Actual LTIP Value	Actual LTIP Value	% of Actual LTIP Value	Actual LTIP Value	% of Actual LTIP Value
	Target LTIP Value	Actual LTIP Value					
	(% of Base Salary)	(% of Base Salary)	Awarded in Restricted Stock	Awarded in Performance Shares			
Jackson Hsieh ⁽¹⁾	550 %	400 %	50 %	50 %	50 %		
Jay Young	75 %	100 %	50 %	50 %	50 %		
Phillip D. Joseph, Jr.	250 %	240 %	50 %	50 %	50 %		
Boyd Messmann	200 %	200 %	50 %	50 %	50 %		
Thomas H. Nolan, Jr.	450 %	450 %	50 %	50 %	50 %		
Michelle Greenstreet	75 %	75 %	100 %	0 %	0 %		

⁽¹⁾ Excludes value associated with Mr. Hsieh's restricted stock and performance share awards granted in connection with his promotion to CEO. Mr. Hsieh's Actual LTIP Value is based on his salary in place at the time the Compensation Committee granted these awards.

Restricted Stock Awards: In 2017, we made the following grants of restricted stock to certain of our Named Executive Officers. For Mr. Hsieh, the number below includes an additional one-time restricted stock award of 500,000 shares granted on July 25, 2017 in connection with his promotion to CEO.

Named Executive Officer	Number of Restricted Shares
Jackson Hsieh	601,383 ⁽¹⁾
Jay Young	15,668
Phillip D. Joseph, Jr.	45,899
Boyd Messmann	34,562
Thomas H. Nolan, Jr.	160,714
Michelle Greenstreet	20,046

⁽¹⁾ This number includes an additional one-time restricted stock award granted on July 25, 2017 to Mr. Hsieh in connection with his promotion to CEO of 500,000 shares vesting as follows: 33.3% on May 7, 2018, 33.3% on May 7, 2019 and 33.4% on May 7, 2020.

These awards were granted to incentivize and retain our Named Executive Officers and to further incentivize the executives to achieve performance expectations that we believe will correlate to increases in long-term stockholder value, which further aligns our Named Executive Officers' interests with those of our stockholders. In addition, our Named Executive Officers are entitled to receive dividends on unvested shares of restricted stock subject to these awards. These awards generally are subject to vesting over a period of three years from the grant date, and are subject to the executive's continued employment with us.

The award granted to Mr. Hsieh in connection with his promotion to Chief Executive Officer vests from his promotion (rather than the grant) date. In determining the size of each Named Executive Officer's restricted stock award, the Compensation Committee decided to grant to Mr. Young long-term incentive awards with an aggregate value equal to 100% of his base salary, which was increased from his target aggregate value of 75% of his base salary based on competitive market data and desire to reward Mr. Young for his individual performance and contributions during 2017. Accordingly, the restricted stock award granted to Mr. Young for 2017 had a value equal to 50% of his base

salary at the time of grant. In addition, in connection with granting Mr. Hsieh a one-time restricted stock award in connection with his promotion, the Compensation Committee determined to pay to Mr. Hsieh a cash award valued at \$90,000, which represented the cash value of dividends that he would have received had his promotion award been granted on the date of his promotion (in May 2017) rather than in July 2017.

If Mr. Hsieh, or any of our Named Executive Officers, voluntarily terminate their employment with the Company without "good reason" prior to the vesting of any restricted stock, all unvested restricted stock will be forfeited in its entirety.

A - 39

For additional information regarding the vesting terms and conditions applicable to all outstanding restricted stock awards held by our Named Executive Officers, refer to "Potential Payments Upon Termination or Change of Control" below.

Performance Share Awards: In 2017, our Compensation Committee approved the grant of performance share awards in tandem with dividend equivalent rights to our Named Executive Officers, other than Ms. Greenstreet. Pursuant to the performance share awards, each Named Executive Officer who received a performance share award is eligible to vest in and receive a number of shares of our common stock ranging from 0% - 250% of the target number of performance shares granted and set forth in the table below based on the attainment of TSR goals during the performance period running from January 1, 2017 through December 31, 2019, (and with respect to the award granted in connection with Mr. Hsieh's promotion, May 7, 2017 to May 7, 2020), relative to the specified Peer Group and Primary Net Lease Peer Group (the "Peer Groups") of companies defined below, and subject to the Named Executive Officer's continued employment.

For 2017, the Peer Group and Primary Net Lease Peer Group (designated below) of companies under our performance share awards, each adopted by our Compensation Committee based on recommendations and assistance from Willis Towers Watson, consisted of the following companies:

•DDR Corp;
•Duke Realty Corporation;
•Equity One, Inc.;
•EPR Properties;
•Federal Realty Investment Trust;
•Gramercy Property Trust, Inc.;
•Healthcare Trust of America, Inc.;
•Lexington Realty Trust;
•National Retail Properties, Inc.;*
•Omega Healthcare Investors, Inc.;
•Realty Income Corporation;*
•STORE Capital Corporation;*
•VEREIT, Inc.;* and
•W. P. Carey, Inc.

*The Primary Net Lease Peer Group consisted of: National Retail Properties, Inc., Realty Income Corporation, STORE Capital Corporation, and VEREIT, Inc.

In determining the companies to include in the Peer Groups, Willis Towers Watson and our Compensation Committee selected only real estate investment trusts, and specifically those that invest in asset classes they believed most comparable to the net-leased class in which we invest. The companies in the study were also selected based on market capitalization and enterprise value, as well as portfolio value. In determining the companies to include, Willis Towers Watson and our Compensation Committee selected those companies in the Peer Group that they believed to be our closest competitors.

For 2018, the Compensation Committee reassessed the Peer Groups of companies under our performance share awards, each adopted by our Compensation Committee based on recommendations and assistance from Willis Towers Watson, and determined no change was warranted.

For 2017 the target performance shares granted to each Named Executive Officer, other than Ms. Greenstreet, are below. Mr. Hsieh's amount includes an additional one-time performance share award in connection with his promotion to CEO of 297,234 "target" performance shares with a one-time cliff vest on May 7, 2020 and based on the achievement of performance goals:

Named Executive Officer	Target Number of Performance Shares Granted
Jackson Hsieh ⁽¹⁾	398,617
Jay Young	15,668
Phillip D. Joseph, Jr.	45,899
Boyd Messmann	34,562
Thomas H. Nolan, Jr.	160,714

⁽¹⁾ This amount includes an additional one-time performance share award grant on July 25, 2017 to Mr. Hsieh in connection with his promotion to CEO of 297,234 "target" performance shares with a one time cliff vest on May 7, 2020 (and based on the achievement of performance goals). In connection with Mr. Hsieh's promotion to CEO he was granted 500,000 Performance Shares, 297,234 were granted on July 25, 2017 and 202,766 were granted on January 1, 2018 and thus are not included in the number above for 2017 awards.

These awards were granted to incentivize and retain our participating Named Executive Officers while imposing performance expectations intended to reward increases in long-term stockholder value, which further aligns our Named Executive Officers' interests with those of our stockholders. As described above, the Compensation Committee decided to grant to Mr. Young long-term incentive awards with an aggregate value equal to 100% of his base salary, which was increased from his target aggregate value of 75% of his base salary. Accordingly, the performance share award granted to Mr. Young for 2017 had a value equal to 50% of his base salary at the time of grant.

The number of performance shares that vest is dependent on our TSR achieved during the performance period relative to the TSR achieved by the specified Peer Groups. Between 0% and 200% of the target performance shares will be eligible to vest based on the achievement of minimum, target and maximum TSR goals relative to the TSR achieved by the Peer Groups. The minimum, target and maximum TSR goals are the achievement of a TSR during the performance period that places the Company in the 25th, 50th or 80th percentile, respectively, of the TSRs achieved during the performance period by the companies in the Peer Groups.

The number of performance shares that vest will be further adjusted upward by (1) 0.05% for each 1 basis point (up to 300 basis points) by which the TSR exceeds the TSR of the highest performing member of the Primary Net Lease Peer Group, and (2) by 0.1% for each 1 basis point (up to 100 basis points) by which the TSR exceeds the TSR of the highest performing member of the Primary Net Lease Peer Group by 300 basis points, subject to an aggregate cap on such increase of 25%. In addition, the number of performance shares that vest will be further adjusted downward by (1) 0.05% for each 1 basis point (up to 300 basis points) by which the TSR is less than the TSR of the lowest performing member of the Primary Net Lease Peer Group, and (2) by 0.1% for each 1 basis point (up to 100 basis points) by which the TSR is less than the TSR of the lowest performing member of the Primary Net Lease Peer Group by 300 basis points, subject to a cap on such decrease of 25%. However, if our TSR is negative, in no event will more than 100% of the target number of performance shares fully vest and be earned.

If Mr. Hsieh, or any of our Named Executive Officers, voluntarily terminate their employment with the Company without "good reason" prior to the vesting of any performance share, all unvested performance share will be forfeited in its entirety.

If an executive experiences a termination of employment without "cause" or for "good reason" during the performance period, then 100% of the target performance shares will vest immediately prior to such termination; therefore, in connection with Messrs. Nolan, Joseph and Messmann's terminations in 2017 and 2018, their outstanding performance share awards vested at target. In addition, upon a change in control of our Company, the performance shares will vest based on the Company's achievement of TSR goals as of the change in control.

Each performance share award also entitles its holder to a cash payment equal to the aggregate dividends that would have been paid on the total number of performance shares that vest, had such shares been outstanding on the record date(s) that occur over the period from the applicable grant date through the issuance of the shares, if any.

2015 Performance Share Awards Earned Based on Performance through 2017. In 2015, we granted performance share awards that were eligible to vest at the end of 2017 based on our TSR performance relative to the TSR achieved by

two set peer groups during the 2015—2017 performance period. Because we did not achieve threshold performance, the full number of outstanding performance shares expired without vesting.

STOCK OWNERSHIP AND RETENTION GUIDELINES

The Company has adopted stock ownership guidelines for our Named Executive Officers. We believe that linking a significant portion of an officer's current and potential future net worth to the Company's success, as reflected in our stock price, helps to ensure that officers have a stake similar to that of our stockholders. Stock ownership guidelines also encourage long-term management of the Company for the benefit of its stockholders. The guidelines require the Named Executive Officers to own the lesser of a minimum number of shares of stock or value as a percentage of base salary. Each officer is expected to satisfy the applicable ownership requirement within five (5) years after first becoming subject to the guidelines. The table below reflects the current stock ownership guidelines:

Position	Percentage of Base Salary	Minimum Number of Shares
Chief Executive Officer	500%	240,000
Chief Financial Officer	300%	72,500
Chief Operations Officer	300%	92,500
Executive Vice President	200%	34,500

The types of ownership arrangements counted towards the guidelines are: common stock, whether held individually, jointly, or in trust with or for the benefit of an immediate family member and unvested restricted stock and performance share awards to the extent they will result in the issuance of common stock to the officer at the time of determination.

All of the Named Executive Officers currently employed by us are in compliance with the stock ownership guidelines due to the outstanding time available under the five (5) year ownership requirement guidelines.

RETIREMENT SAVINGS

We have established a 401(k) retirement savings plan for our employees, including our Named Executive Officers, who satisfy certain eligibility requirements. Our Named Executive Officers are eligible to participate in the 401(k) plan on the same terms as other employees. The Code allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan. Currently, we provide a safe harbor matching contribution equal to 100% of elected contributions up to 3% plus 50% of elective contributions between 3% and 5% of eligible compensation. Additionally, these matching contributions are 100% vested as of the date on which the contribution is made. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making fully vested matching contributions, adds to the overall desirability of our executive compensation package and further incents our employees, including our Named Executive Officers, in accordance with our compensation policies. The plan also allows employees to contribute on an after-tax basis through Roth 401(k) contributions.

EMPLOYEE BENEFITS AND PERQUISITES

All of our full-time employees, including our Named Executive Officers, are eligible to participate in our health and welfare plans, including:

- Medical and dental benefits, as well as vision discounts;
- Medical and dependent care flexible spending accounts;
- Short-term and long-term disability insurance;
- Accidental death and dismemberment insurance; and
- Life insurance.

We paid each of our Named Executive Officers' medical and dental premiums in full for 2017, under a plan which is also made available to all of our employees. We design our employee benefits programs to be affordable and competitive in relation to the market, and we modify our employee benefits programs as needed based upon regular monitoring of applicable laws and practices in the competitive market.

These benefits are provided to our Named Executive Officers on the same general terms as they are provided to all of our full-time employees, with the exception of certain additional supplemental long-term disability insurance, which covers participating executives (including our Named Executive Officers). We may also reimburse certain of our Named Executive Officers for reasonable legal fees and expenses incurred in connection with the negotiation of an employment agreement, individual life

insurance policies, annual physical exams, and/or for costs associated with relocating and/or temporary living expenses. We believe that providing these benefits is a relatively inexpensive way to enhance the competitiveness of the executives' compensation packages.

We may provide perquisites or other personal benefits in limited circumstances, where we believe it is appropriate to assist an individual Named Executive Officer in the performance of his duties, to make our Named Executive Officers more efficient and effective, and for recruitment, motivation and/or retention purposes. Future practices with respect to perquisites or other personal benefits for our Named Executive Officers will be approved and subject to periodic review by our Compensation Committee. We do not expect these perquisites to be a material component of our compensation program.

SEVERANCE AND CHANGE OF CONTROL-BASED COMPENSATION

As more fully described below under the caption "Potential Payments Upon Termination or Change of Control," the employment agreements with our Named Executive Officers that were in effect during 2017 provided for certain payments and/or benefits upon a qualifying termination of employment or in connection with a change of control. We believe that job security and terminations of employment, both within and outside of the change of control context, are causes of significant concern and uncertainty for senior executives and that providing protections to our Named Executive Officers in these contexts is therefore appropriate in order to alleviate these concerns and allow the executives to remain focused on their duties and responsibilities to our Company in all situations. Mr. Nolan and Ms. Greenstreet terminated their employment in 2017 and Messrs. Joseph and Messmann terminated their employment in 2018, and in connection with their terminations each received the severance payments and benefits provided in their respective employment agreements upon a termination without cause, as well as accelerated vesting of performance share awards (pursuant to the terms of their respective award agreements). These are described and quantified below under "Potential Payments Upon Termination or Change in Control."

TAX AND ACCOUNTING CONSIDERATIONS

Code Section 162(m): Section 162(m) of the Code, disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1.0 million in any taxable year for "covered employees". Prior to the Tax Cuts and Jobs Act of 2017, covered employees generally consisted of our Chief Executive Officer and each of the next three highest compensated officers serving at the end of the taxable year other than our Chief Financial Officer, and compensation that qualified as "performance-based" under Section 162(m) was exempt from this \$1 million deduction limitation. As part of the Tax Cuts and Jobs Act of 2017, the ability to rely on this exemption was, with certain limited exceptions, eliminated; in addition, the determination of the covered employees was generally expanded.

We believe that we qualify as a REIT under the Code and generally are not subject to federal income taxes, provided we distribute to our stockholders at least 90% of our taxable income each year. As a result of our tax status as a REIT, the loss of a deduction under Section 162(m) of the Code may not affect the amount of federal income tax payable by us. However, if any portion of an executive's compensation is subject to limitation under Section 162(m), the loss of this deduction will increase our earnings and profits for 2017 and, accordingly, increase the amount of distributions paid in 2017 that would be characterized as dividends. In approving the amount and form of compensation for our Named Executive Officers in the future, the Compensation Committee will consider all elements of the cost to us of providing such compensation, including the potential impact of Section 162(m) of the Code. In light of the repeal of the performance-based compensation exception to Section 162(m) of the Code, we may not be able to take a deduction for any compensation in excess of \$1 million that is paid to covered employees.

Code Section 409A: Section 409A of the Code, or Section 409A, requires that "nonqualified deferred compensation" be deferred and paid under plans or arrangements that satisfy the requirements of the statute with respect to the timing of deferral elections, timing of payments and certain other matters. Failure to satisfy these requirements can expose employees and other service providers to accelerated income tax liabilities, penalty taxes and interest on their vested compensation under such plans. Accordingly, as a general matter, it is our intention to design and administer our compensation and benefits plans and arrangements for all of our employees and other service providers, including our Named Executive Officers, so that they are either exempt from, or satisfy the requirements of, Section 409A.

Code Section 280G: Section 280G of the Code, or Section 280G, disallows a tax deduction with respect to excess parachute payments to certain executives of companies which undergo a change of control. In addition, Section 4999 of the Code, or Section 4999, imposes a 20% excise tax on the individual with respect to the excess parachute

payment. Parachute payments are compensation linked to or triggered by a change of control and may include, but are not limited to, bonus payments, severance payments, certain fringe benefits, and payments and acceleration of vesting from long-term incentive plans including stock options, restricted stock and other equity-based compensation. Excess parachute payments are parachute payments that exceed a threshold determined under Section 280G based on the executive's prior compensation. In approving the

A - 43

compensation arrangements for our Named Executive Officers, our Compensation Committee considers all elements of the cost to the Company of providing such compensation, including the potential impact of Section 280G. However, the Compensation Committee may, in its judgment, authorize compensation arrangements that could give rise to loss of deductibility under Section 280G and the imposition of excise taxes under Section 4999 when it believes that such arrangements are appropriate to attract and retain executive talent. The Board has adopted a policy that the Company will not enter into in the future, any new plan, program, policy, agreement or arrangement that provides for the payment or the reimbursement of any excise tax imposed under Section 4999 of the Code by operation of Section 280G of the Code.

Accounting for Stock-Based Compensation: We follow the Financial Accounting Standards Board's Accounting Standards Codification Topic 718, or ASC Topic 718, for our stock-based compensation awards. ASC Topic 718 requires companies to calculate the grant date "fair value" of their stock-based awards using a variety of assumptions. ASC Topic 718 also requires companies to recognize the compensation cost of their stock-based awards in their income statements over the period that an employee is required to render service in exchange for the award. Grants of stock options, restricted stock, performance share awards and other equity-based awards under our equity incentive award plans are accounted for under ASC Topic 718. Our Compensation Committee will regularly consider the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our equity incentive award plans and programs. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives.

⁽¹⁾ The 2017 Bonus Program consists of two separate categories. The first category is discretionary and based on individual performance. The second category is objective and based on achievement of pre-approved performance criteria of the Company. The annual cash bonus has a pay mix split of 30% individual performance and 70% company financial performance metrics. The amounts under this category represent annual cash bonuses determined by the Compensation Committee, or in the case of the CEO, by the Board, based on a subjective performance review of the Named Executive Officers' individual performance (i.e. the first category). This category represents the amounts payable with respect to the 30% individual performance. Ms. Greenstreet's bonus is included under the "All Other

Compensation" column. See "Compensation Discussion and Analysis - 2017 Executive Compensation - Annual Performance-Based Compensation" for a detailed discussion of the 2017 Bonus Program.

(2) Amount represents the grant date fair value of restricted stock awards and performance share awards granted during the applicable year. Grants remain subject to vesting and/or forfeiture pursuant to their terms. Amounts were calculated in accordance with ASC Topic 718. For a discussion of the assumptions used to calculate the value of all restricted stock awards and performance share awards made to Named Executive Officers, refer to Note 14 to our Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2017. The grant date fair value of the performance share awards is based on the probable outcome of achieving the performance conditions. The maximum potential value of the performance share awards granted to Messrs. Hsieh, Young, Joseph and Messmann are \$2,750,014, \$294,116, \$1,244,739, and \$937,494 assuming the Company achieves the maximum TSR during the performance period. Information with respect to vesting of these awards is disclosed in the Grants of Plan Based Awards table and the accompanying notes. Mr. Hsieh's 2017 value includes a one-time restricted stock award with a value equal to \$3,965,000

A - 44

(based on market close on the grant date) and a one-time performance share award with a value of \$2,357,066 (based on market close price on the grant date) for the period of May 7, 2017 to May 7, 2020. Mr. Hsieh's 2016 value includes a one-time restricted stock award grant with a value equal to \$4,750,000 based on market close on September 7, 2016 awarded in connection with his new hire as President and COO of the Company and to account for equity Mr. Hsieh forfeited upon his departure from his previous employer, Morgan Stanley. In addition, with respect to Mr. Nolan and Ms. Greenstreet, amounts reflect \$6,874,639 and \$224,698, which is the incremental fair value associated with the acceleration of their restricted stock awards and performance share awards in connection with their terminations of employment in 2017.

(3) The 2017 Bonus Program consists of two separate categories. The first category is discretionary and based on individual performance. The second category is objective and based on achievement of pre-approved performance criteria of the Company. The annual cash bonus has a pay mix split of 30% individual performance and 70% company financial performance metrics. The amounts under this category represent amounts awarded in connection with the achievement of pre-approved performance criteria of the Company (AFFO per share, Debt to EBITDA, Occupancy, and Acquisitions) (i.e. the second category). This category represents the amounts payable with respect to the 70% objective company performance. See "Compensation Discussion and Analysis - 2017 Executive Compensation - Annual Performance-Based Compensation" for a detailed discussion of the 2017 Bonus Program.

(4) Includes compensation and perquisites paid to, or on behalf of, our Named Executive Officers during 2017 as described under "All Other Compensation" below. The amounts reported for 2016 revise the amounts previously disclosed in our Summary Compensation Table contained in our proxy statement filed with the Securities and Exchange Commission in 2016.

(5) Represents actual salary paid in 2017 through the executive's termination.

(6) Represents salary received in 2017, Mr. Hsieh's salary increased to \$875,000 in connection with his promotion to CEO.

The amounts shown represent the potential value of Company performance based cash bonus awards that could have been earned for 2017 (and paid in 2018) under the 2017 Bonus Program. Under the 2017 Bonus Program, (1) each executive was eligible to earn a cash bonus based on our achievement in 2017 of Company performance goals relating to (i) AFFO per share, (ii) debt to EBITDA ratio, (iii) weighted average occupancy levels of our owned real estate assets, (iv) acquisition volume and (v) individual performance. Each executive's bonus opportunity was weighted among these performance goals as set forth above.

At the threshold, target and maximum levels of achievement of the performance goals, Mr. Nolan could have earned a bonus equal to 87.5%, 175% and 300%, respectively, of his annual base salary, Mr. Hsieh could have earned a bonus equal to 87.5%, 175% and 350%, respectively, of his annual base salary and Mr. Young could have earned a bonus equal to 37.5%, 75% and 133%, respectively, of his annual base salary. For Messrs. Joseph and Messmann, at the threshold, target and maximum levels of achievement, they could have each earned a bonus equal to 62.5%, 125% and 200%, respectively, of their respective annual base salaries, Ms. Greenstreet participated in a 100% discretionary program based on her performance for the year. Please also see "Compensation Discussion and Analysis - 2017 Executive Compensation - Annual Performance-Based Compensation" for a detailed discussion of the 2017 Bonus Program.

(2) The performance share awards were awarded in 2017 for the performance period running from January 1, 2017 through December 31, 2019 (and with respect to the one-time performance award granted in connection with Mr. Hsieh's promotion, May 7, 2017 to May 7, 2020). The target number of shares was granted to each Named Executive Officer. The "threshold" number of shares represents approximately 50% of the performance shares granted, which is the number of shares that would vest based on achieving the minimum TSR goal during the performance period relative to that of the Peer Group, as adjusted downward by a factor of 25% of such shares based on the Company's TSR during the performance period relative to that of the Primary Net Lease Peer Group. The "target" number of shares represents 100% of the performance shares granted, which is the number of shares that

would vest based on achieving the target TSR goal during the performance period relative to that of the applicable Peer Group, and not adjusted based on the Company's TSR during the performance period relative to that of the Primary Net Lease Peer Group. The "maximum" number of shares shown is 250% of the performance shares granted, which is the number of shares that would vest based on achieving the maximum TSR goal during the performance period relative to that of the applicable Peer Group, as adjusted upward by a factor of 25% of such shares based on the Company's TSR during the performance period relative to that of the Primary Net Lease Peer Group. Please see the section "Compensation Discussion and Analysis-2017 Executive Compensation-Performance Share Awards" for a detailed discussion of the performance share awards.

Amounts represent the grant date fair value of restricted common stock awards granted during 2017, calculated in accordance with ASC Topic 718. For a discussion of the assumptions used to calculate the value of all restricted (3) common stock awards and performance share awards made to Named Executive Officers, refer to Note 14 to our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2017.

Nolan, Joseph, Hsieh, Messmann, Young and Ms. Greenstreet, in the event that the executive is terminated by reason of his or her death or disability, the executive would be entitled to receive, in addition to payment of accrued compensation and benefits through the date of termination, an amount equal to any earned but unpaid prior year's bonus and also an amount equal to the annual bonus each for the year in which the termination occurs, pro-rated for the portion of the year of termination during which the executive was employed with the Company and accelerated vesting of all equity awards. In addition, in the event that Mr. Hsieh was terminated by reason of his death or disability prior to January 1, 2018, he would have been entitled to receive the Stock Bonus.

If an executive is terminated by the Company without "cause" or voluntarily terminates his or her employment with the Company for "good reason" during the performance period for the performance shares, then 100% of the target performance shares will vest immediately prior to such termination. In addition, upon a change in control of the Company, the performance shares will vest based on the Company's achievement of the performance goals as of the change in control.

If an executive voluntarily terminates his or her employment with the Company without "good reason" prior to the vesting of any restricted stock or performance shares, the unvested restricted stock and/or performance shares will be forfeited in their entirety.

Thomas Nolan: In connection with the termination of his employment in May 2017, we paid Mr. Nolan the severance payments and benefits for which he was eligible under his employment agreement and equity award agreements, including the following, subject in certain cases to continued compliance with restrictive covenants contained in his employment agreement and Mr. Nolan's timely execution and non-revocation of a general release of claims against the

Company:

continuation payments totaling approximately \$2.325 million, which equal three times Mr. Nolan's annual base salary in effect at the time of his termination, payable over the 36-month period following the termination of employment;

a lump-sum payment equal to the annual bonus paid to Mr. Nolan in 2016, or \$1,561,850, plus continued eligibility to receive a pro-rata portion of Mr. Nolan's bonus for 2017 (based on the actual achievement of applicable performance goals);

- accelerated vesting of 308,651 restricted shares;

• accelerated vesting of 466,667 performance shares (i.e., accelerated vesting of his outstanding performance share awards at "target");

• a payment of approximately \$402,051, payable with respect to dividend equivalents granted in tandem with the performance shares that vested in connection with his termination; and

• up to 36 months of continued health care premiums for Mr. Nolan and his eligible dependents.

Michelle Greenstreet: In connection with the termination of her employment in October 2017, we paid Ms.

Greenstreet the following severance payments and benefits, including the following (for which Ms. Greenstreet was required to execute a general release of claims against the Company in order to receive);

• An amount equal to \$263,542 for the pro rata annual bonus for 2017; and

• Accelerated vesting of 31,826 shares of her outstanding restricted stock awards.

Boyd Messmann: In connection with the termination of his employment in February 2018, we paid Mr. Messmann the severance payments and benefits for which he was eligible under his employment agreement and equity award agreements, including the following, subject in certain cases to continued compliance with restrictive covenants contained in his employment agreement and Mr. Messmann's timely execution and non-revocation of a general release of claims against the Company:

• An amount equal to one and a half times his base salary, or \$562,500;

• An amount equal to the prior year cash bonus, or \$223,367;

• An amount equal to his pro-rata bonus for 2018, in an amount to be determined;

• Accelerated vesting of 42,437 restricted stock awards and 34,562 of performance share awards;

• a payment of approximately \$24,884 payable with respect to dividend equivalents granted in tandem with the performance shares that vested in connection with his termination; and

• Up to 24 months of continued healthcare premiums for Mr. Messmann and his eligible dependents.

Phillip D. Joseph, Jr.: In connection with the termination of his employment in April 2018, we expect to pay Mr.

Joseph the severance payments and benefits for which he is eligible under his employment agreement and equity award agreements, including the following, subject in certain cases to continued compliance with restrictive covenants contained in his employment agreement and Mr. Joseph's timely execution and non-revocation of a general release of claims against the Company:

• An amount equal to two times his base salary, or \$830,000;

• An amount equal to his target bonus, or \$518,750;

• An amount equal to his pro-rata bonus for 2018, in an amount to be determined;

• Accelerated vesting of 74,815 shares of restricted stock and 144,142 performance shares;

• a payment with respect to dividend equivalents granted in tandem with the performance shares that vested in connection with his termination; and

• Up to 24 months of continued healthcare premiums for Mr. Joseph and his eligible dependents.

Equity Awards: The restricted stock award agreements covering the restricted stock awards granted to each of our Named Executive Officers provide for accelerated vesting of these awards upon a termination by the Company without "cause" or by the employee for "good reason", or as a result of the Company's non-extension of the employment term under the executive's employment agreement.

Summary of Potential Payments: In accordance with SEC rules, the following table summarizes the payments that would be made to certain of our Named Executive Officers upon the occurrence of certain qualifying terminations of employment, assuming such Named Executive Officer's termination of employment with the Company occurred on December 31, 2017 and, where relevant, that a change of control of the Company occurred on December 31, 2017. With respect to Mr. Nolan, Mr. Messmann and Ms. Greenstreet, however, amounts shown in the table below reflect the actual amounts he or she received upon termination. Pursuant to SEC rules, due to the fact that Mr. Joseph was

our principal financial officer at the time of his termination, the table below reflects all the potential payments he would have been entitled to receive, rather than what he actually received upon his termination in 2018. Amounts shown in the table below do not include (1) accrued but unpaid salary and (2) other benefits earned or accrued by the Named Executive Officer during his employment that are available to all salaried employees, such as accrued vacation.

- (1) Represents cash severance payments provided under the Named Executive Officer's employment agreement. Amount assumes that the executive has already received any earned prior year's bonus.
- (2) Represents the aggregate value of the Named Executive Officer's restricted common stock that would have vested on an accelerated basis, determined by multiplying the number of shares of restricted stock that would have been accelerated by the fair market value of our common stock on December 29, 2017 (\$8.58).
- (3) Represents the aggregate value of the Named Executive Officer's performance shares that would have vested on an accelerated basis, determined by multiplying the target number of performance shares, including dividends, that would have been accelerated by the fair market value of our common stock on December 29, 2017 (\$8.58). In the event of a change in control of our Company, the number of performance shares that would vest is based on the Company's achievement of the performance goals as of the change in control (which, for purposes of this table, is presumed to occur on December 31, 2017).
- (4) As mentioned above, the amounts in this table show what Mr. Nolan, Ms. Greenstreet and Mr. Messmann actually received in connection with their departures from the Company.
- (5) This amount reflects payment for 36 months of premiums in connection with termination.
- (6) If Mr. Hsieh's termination of employment is due to non-renewal of his employment agreement, \$1,739,732 of the amount reflected above (which is attributed to his Stock Bonus) will not be paid.
- (7) If Mr. Young's termination of employment is due to non-renewal of his employment agreement, \$255,000 of the amount reflected above (which is attributed to his pro-rata bonus for the year of termination) will not be paid.

NON-EMPLOYEE DIRECTOR COMPENSATION

Our Board believes that the compensation paid to our non-employee directors should be competitive with public companies in our industry with similar enterprise value, market capitalization and total assets, and should enable us to attract and retain individuals of the highest quality to serve as our directors. In addition, the Board believes that a significant portion of non-employee director compensation should align director interests with the long-term interests of our stockholders. Accordingly, pursuant to the amended Director Compensation Program effective May 28, 2015, non-employee directors receive a combination of cash and equity-based compensation for their services. Each of these components is described below. We also reimburse each non-employee director for travel and other expenses associated with attending Board and committee meetings, director education programs and other Board-related activities. Mr. Hsieh, the only member of the Board employed by us, does not receive compensation for his service as a director.

CASH COMPENSATION

The cash compensation paid to, or earned by, our non-employee directors in 2017 was comprised of the following three components:

• Quarterly Board retainer: Each non-employee director received a retainer of \$17,500 for each calendar quarter in which he or she served as a director.

• Quarterly committee chair retainers: The chairs of the Audit, Compensation and Nominating and Corporate Governance Committees each received a retainer of \$5,000, \$5,000 and \$3,750, respectively, for each calendar quarter of service as the chair of such committee. The Lead Independent Director received a retainer of \$7,500 for each calendar quarter of service.

• Quarterly committee retainers: Each non-employee director serving as a non-chair member of the Audit, Compensation and Nominating and Corporate Governance Committees received a retainer of \$2,500, \$1,875 and \$1,562.50, respectively, for each calendar quarter of service as a member of such committee.

• Board fees: Each non-employee director received \$1,500 or \$750 for each Board and/or Committee meeting he or she attended in-person or telephonically, respectively. Starting in 2018, each non-employee director will receive payment for Board meetings only.

Each non-employee director had the option to receive all or a portion of the aggregate payments to which such non-employee director was entitled in shares of our common stock.

EQUITY-BASED COMPENSATION

The equity-based compensation paid to our non-employee directors in 2017 consisted of restricted stock awards granted pursuant to our Director Compensation Program. Each non-employee director who was serving on the Board as of the date of the 2017 Annual Stockholders' meeting received restricted shares of our common stock with a grant date fair value of \$85,006, or 11,185 restricted shares at \$7.60 value per share on June 28, 2017. Additionally, Mr. Gilchrist was granted a one-time restricted stock award with a grant value of \$75,000 in connection with his appointment of Chairman of the Board, and Messrs. Shepherd and Charlton received one-time restricted stock awards with a grant value of \$50,000 and \$30,000, respectively, in connection with their appointment as members to the Operating Committee*.

The Director Compensation Program also provides for the grant of restricted stock covering a number of shares having a value equal to \$85,000 on the date of the director's initial election or appointment. Restricted stock, which has been granted, will fully vest on the first anniversary of the initial election or appointment. In addition, in connection with approving our Amended and Restated 2012 Incentive Award Plan last year, our stockholders approved a \$500,000 limit on the total aggregate value of equity-based awards granted to any non-employee director during any calendar year.

On May 12, 2017, David J. Gilbert resigned from the Board due to restrictions in his current employment regarding service on the board of directors of public companies. Consequently, the Board voted to decrease the size of the Board from nine to eight directors, effective May 12, 2017. Additionally, Diane Morefield will not be standing for re-election at the Annual Meeting due to time constraints related to her current employment as Executive Vice President and Chief Financial Officer of CyrusOne, Inc.

*The Operating Committee was created in 2017 to allow certain Board members to have increased insight and contribution in the day-to-day operations of the Company.

2017 Non-Employee Director Compensation Table: The following table sets forth the compensation awarded or paid to our non-employee directors during 2017. This table excludes Mr. Jackson Hsieh, our President and Chief Executive Officer, and Mr. Thomas H. Nolan, Jr., our former Chief Executive Officer and Chairman of the Board in 2017, both of whom did not receive compensation for their services as a director. All compensation paid to Mr. Hsieh and Mr. Nolan in 2017 is provided in the Summary Compensation Table.

(1) Amount reflects (a) annual retainers and, if applicable, committee and committee chair retainers earned in 2017 and (b) Board and committee meeting fees.

Amounts reflect the grant date fair value of restricted stock awards granted in 2017 computed in accordance with ASC Topic 718, rather than the amounts paid to or realized by the named individual. We provide information

(2) regarding the assumptions used to calculate the value of all restricted stock awards made to directors in Note 14 to our consolidated financial statements included in our Annual Report on Form 10-K for the period ended December 31, 2017.

(3) David J. Gilbert resigned from the Board on May 12, 2017 due to restrictions in his current employment regarding service on the board of directors of public companies.

(4) Mr. Gilchrist received a one-time restricted stock award of \$75,000 in connection with his appointment to Chairman of the Board.

(5) Messrs. Shepherd and Charlton received one-time restricted stock awards of \$50,000 and \$30,000, respectively, in connection with their appointment as members to the Operating Committee.

(6) Ms. Morefield will not stand for re-election at the Annual Meeting due to time constraints related to her current employment as Executive Vice President and Chief Financial Officer of CyrusOne, Inc.

As of December 31, 2017, each non-employee director held 11,185 shares of (unvested) restricted shares of our common stock, except for Mr. Charlton who held 15,133, Mr. Gilchrist who held 21,054, and Mr. Shepherd who held 17,764.

STOCK OWNERSHIP GUIDELINES

In connection with the amendment to the Director Compensation Program effective May 28, 2015, the Board adopted stock ownership guidelines for our non-employee directors. The purpose of the stock ownership guidelines is to align the interests of non-employee directors with the long-term interests of stockholders, and further promote our commitment to sound corporate governance. The guidelines require each non-employee director to hold an investment position in our common stock equal in value to four times the annual retainer paid to such non-employee director. Each non-employee director is expected to satisfy the applicable ownership requirement within five years after first becoming subject to the guidelines, which is January 1, 2020.

The types of ownership arrangements counted towards the guidelines are: common stock, whether held individually, jointly with a spouse, or shares owned separately by a spouse and/or children that share the same household, and unvested restricted stock awards.

PAY RATIO DISCLOSURE

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, we are providing the following information regarding the relationship of the annual total compensation of our CEO to the annual total compensation of our median compensated employee. During 2017, Mr. Nolan served as our CEO until May 8, 2017, at which time Mr. Hsieh assumed the role of CEO. As permitted by SEC rules, we chose to use the annual total compensation of Mr. Hsieh, who was serving as our CEO on December 31, 2017, to calculate our pay ratio. We consider the pay ratio specified below to be a reasonable estimate, calculated in a manner that is intended to be consistent with the requirements of Item 402(u) of Regulation S-K.

For 2017, our last completed fiscal year:

the annual total compensation of the employee who represents our median compensated employee (other than our CEO) was \$94,760; and

the annual total compensation of our CEO was \$10,783,397. This amount includes his annualized salary at the rate in effect following his promotion to CEO as well as one-time payments in connection with Mr. Hsieh's promotion to CEO, including (i) \$3,965,000 of restricted stock based on market close on the grant date, (ii) \$2,357,066 of performance shares based on market close on the grant date, and (iii) \$90,000 to account for the dividends that would have been granted on the date of Mr. Hsieh's promotion but were delayed due to time lapsed between promotion date and grant date.

Based on this information, for 2017, our CEO's annual total compensation was 113.79 times that of the median compensated employee (other than the CEO).

Determining the Median Employee:

Employee Population

We used our employee population data as of December 31, 2017, as the reference date for identifying our median employee. As of such date, our employee population consisted of approximately 87 individuals, all of which were full-time employees.

Methodology for Determining Our Median Employee

To identify the median employee from our employee population, we selected compensation as reported to the IRS on Form W-2 as the most appropriate measure of compensation. In identifying the median employee, we annualized the compensation of all permanent employees who were new-hires in 2017 and on leave of absence in 2017.

Annual Total Compensation of Median Compensated Employee

With respect to the annual total compensation of the employee who represents our median compensated employee, we calculated the elements of such employee's compensation for 2017 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$94,760.

Annual Total Compensation of CEO

For purposes of determining our pay ratio, we determined Mr. Hsieh's annual total compensation for 2017 was \$10,693,397, which, as required by SEC rules, includes his annualized base salary for 2017 at the rate in effect following his promotion to CEO as well as the other compensation granted to and earned by him during 2017 for his services and reflected in the Summary Compensation Table above.

Supplemental Disclosure:

As stated above, Mr. Hsieh was appointed as CEO in May 2017 and in connection with his promotion was awarded one-time payments, including (i) \$3,965,000 of restricted stock based on market close on the grant date, (ii) \$2,357,066 of performance shares based on market close on the grant date, and (iii) \$90,000 to account for the dividends that would have been granted on the date of Mr. Hsieh's promotion but were delayed due to time lapsed between promotion date and grant date. Due to the nature of these payments being one-time payments made to induce Mr. Hsieh to accept his promotion to CEO, we believe they are not indicative of our CEO's normal annual compensation. Therefore, we are providing the following supplemental disclosure excluding such one-time payments.

For 2017, our last completed fiscal year:

the annual total compensation of the employee who represents our median compensated employee (other than our CEO) was \$94,760; and

the annual total compensation of our CEO, excluding the one-time payments made in connection with his promotion to CEO, was \$6,983,830. This amount includes his annualized salary at the rate in effect following his promotion to CEO, his target long-term incentive amount equal to 550% of his annual base salary, his actual bonus received under the 2017 Bonus Program and "All Other Compensation" as reported in the Summary Compensation Table.

Based on this information, for 2017, our CEO's annual total compensation, excluding the one-time payments made in connection with his promotion to CEO, was 73.7 times that of the median compensated employee (other than the CEO).

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's Named Executive Officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities ("Reporting Persons"), to file reports of ownership and changes in ownership with the SEC. Reporting Persons are required by SEC regulations to furnish us with copies of all forms they file pursuant to Section 16(a). Based solely on our review of the copies of such reports received by us, and written representations from certain Reporting Persons that no other reports were required for those persons, we believe that, during the year ended December 31, 2017, the Reporting Persons met all applicable Section 16(a) filing requirements, with the exception of the following: one late Form 4 filing for each Mr. Joseph, Mr. Nolan and Ms. Greenstreet, each of which covered one transaction.

RELATED PARTY TRANSACTIONS

INDEMNIFICATION OF DIRECTORS AND OFFICERS

We have entered into indemnification agreements with each of our directors and Named Executive Officers.

Director Independence: A majority of our directors meet the criteria for independence set forth under applicable securities laws, including the Exchange Act, applicable rules and regulations of the SEC and applicable rules and regulations of the NYSE.

The NYSE Listed Company Manual and corresponding listing standards provide that, in order to be considered independent, the Board must determine that a director has no material relationship with the Company other than as a director. The Board has reviewed the relationships between the Company, including its subsidiaries or affiliates, and each member of the Board (and each director's immediate family members).

Based on its review, the Board determined Messrs. Charlton, Dunn, Gilchrist, Senkbeil, Shepherd and Mmes. Morefield and Rosenberg do not currently have any material relationship with Spirit other than as a director and each is "independent" within the foregoing independence standards.

The Board has also determined that each member of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, respectively, is "independent" under the applicable listing standards of the NYSE and, with respect to members of the Audit Committee, the audit committee requirements of the SEC. None of the members of these committees is an officer, employee or former employee of the Company or any of the Company's subsidiaries.

Transactions with The Irvine Company: From time to time during 2017, the Company has conducted meetings and Company-sponsored social gatherings at properties owned by The Irvine Company, and employees and directors of the Company have stayed at such properties for business and personal travel. Mr. Gilchrist served as Senior Advisor to The Irvine Company. The aggregate value of these transactions did not exceed 2% of the gross revenues of either company, and the Board, on the recommendation of the Nominating and Corporate Governance Committee, determined Mr. Gilchrist to be independent after considering these transactions.

Transactions with the National Association of Real Estate Investment Trusts (NAREIT): Jackson Hsieh serves on NAREIT's Advisory Board of Governors and Diane Morefield serves as NAREIT's Dividends Through Diversity Initiative Chair. The Company utilized the services of NAREIT during 2017 and paid NAREIT a total of \$107,183 from January 1, 2017 through December 31, 2017. The Board determined Ms. Morefield to be independent after considering these transactions.

Transactions with Sidley Austin LLP: Our former Chief Executive Officer, Mr. Nolan, is married to a partner in the law firm of Sidley Austin LLP, which served as outside legal counsel to the Company on certain matters during 2017. We paid Sidley Austin LLP legal fees of \$23,275.36 during the year ended December 31, 2017 for legal services rendered to us. Sidley Austin LLP was retained by our General Counsel in accordance with the procedures set forth in our written related-party transaction policy.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The following table sets forth certain information regarding the beneficial ownership of shares of our common stock for (1) each person who is a beneficial owner of 5% or more of our outstanding common stock, (2) each of our directors, director nominees and executive officers, and (3) all of our directors, director nominees and executive officers as a group, each as of April 18, 2018, unless otherwise indicated in the table below.

The SEC has defined "beneficial ownership" of a security to mean the possession, directly or indirectly, of voting power and/or investment power over such security. A stockholder is also deemed to be, as of any date, the beneficial owner of all securities that such stockholder has the right to acquire within 60 days after that date through (1) the exercise of any option, warrant or right, (2) the conversion of a security, (3) the power to revoke a trust, discretionary account or similar arrangement or (4) the automatic termination of a trust, discretionary account or similar arrangement. Each person named in the following table has sole voting and investment power with respect to all of the shares of our common stock shown as beneficially owned by such person, except as otherwise set forth in the notes to the table. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of our common stock subject to options or other rights (as set forth above) held by that person that are exercisable as of April 18, 2018 or will become exercisable within 60 days thereafter, are deemed outstanding, while such shares are

not deemed outstanding for purposes of computing percentage ownership of any other person.

Adjusted Debt represents interest bearing debt (reported in accordance with GAAP) adjusted to exclude unamortized debt discount/premium and deferred financing costs, as further reduced by cash and cash equivalents and cash reserves on deposit with lenders as additional security. By excluding unamortized debt discount/premium

(1) and deferred financing costs, cash and cash equivalents, and cash reserves on deposit with lenders as additional security, the result provides an estimate of the contractual amount of borrowed capital to be repaid, net of cash available to repay it. We believe this calculation constitutes a beneficial supplemental non-GAAP financial disclosure to investors in understanding our financial condition.

(2) Adjustments include all amounts charged to continuing and discontinued operations.

- Adjusted EBITDA represents EBITDA modified to include other adjustments to GAAP net income (loss) attributable to common stockholders for restructuring charges, real estate acquisition costs, impairment losses, gains/losses from the sale of real estate and debt transactions and other items that we do not consider to be indicative of our on-going operating performance. We focus our business plans to enable us to sustain increasing shareholder value. Accordingly, we believe that excluding these items, which are not key drivers of our investment decisions and may cause short-term fluctuations in net income, provides a useful supplemental measure to investors and analysts in assessing the net earnings contribution of our real estate portfolio. Because these measures do not represent net income (loss) that is computed in accordance with GAAP, they should not be considered alternatives to net income (loss) or as an indicator of financial performance. A reconciliation of net income (loss) attributable to common stockholders (computed in accordance with GAAP) to EBITDA and Adjusted EBITDA is included in the financial information in the above table.
- (3) Adjusted EBITDA for the quarter multiplied by 4.
- Adjusted Debt to Annualized Adjusted EBITDA is a supplemental non-GAAP financial measure we use to evaluate the level of borrowed capital being used to increase the potential return of our real estate investments, and a proxy for a measure we believe is used by many lenders and ratings agencies to evaluate our ability to repay and service our debt obligations over time. We believe the ratio is a beneficial disclosure to investors as a supplemental means of evaluating our ability to meet obligations senior to those of our equity holders. Our computation of this ratio may differ from the methodology used by other equity REITs, and therefore, may not be comparable to such other REITs
