Sonde Resources Corp. Announces Further Extension of Farm-Out of Joint Oil Block

CALGARY, ALBERTA- (Marketwire – June 7, 2013) - Sonde Resources Corp. ("Sonde" or the "Company") (TSX:SOQ) (NYSE MKT:SOQ) announced today that the original Farm-Out Agreement with Viking Energy North Africa Limited ("Viking") has been extended by mutual agreement until July 31, 2013. An extension of the closing date for the Farm-Out Agreement was obtained to allow the parties to complete the negotiation of the documentation reflecting the amendments required by the Joint Oil Board of Directors and set forth in the Company's press release of May 6, 2013, to negotiate the form of assignment agreement and related documentation with Joint Oil to effect the terms of the Farm-Out and to fund the US\$50.995 million bank guarantee (of which the Company is obligated to contribute US\$10.995 million). Recent developments relating to the proposed acquisition of a majority interest in the Zarat license (located to the south of the Joint Oil Block) have resulted in a re-evaluation by Viking and its lenders of the proposed unitization and unit plan of development for the Zarat license and Joint Oil Block, and an assessment of the potential implications thereof on the Farm-Out Agreement with Sonde. The Company is working diligently to advance the Farm-Out with Viking; however, there can be no assurance that the Farm-Out Agreement will be completed.
