(b) ACP Common Stock. Each share of ACP Common Stock, issued and outstanding immediately prior to the Effective Time of the Merger (other than shares of Dissenters' Shares and Treasury Shares, as defined below) shall be converted into the right to receive Planet

Edgar Filing: Dawson Jonathan T - Form SC 13D

Common Stock as provided in Section 3.02(a).

3.02. Conversion of ACP Common Stock.

(a) Subject to the other provisions of this Article 3, each share of the 2,000 ACP Common Stock issued and outstanding immediately prior to the Effective Time of the Merger (other than Dissenters' Shares and Treasury Shares) shall, by virtue of the Merger, be converted into the right to receive 300 shares of Planet Common Stock (the "Exchange Ratio").

If, between the date hereof and the Effective Time, Planet shall merge, be acquired or consolidate with, by or into any other corporation (a "Business Combination") and the terms thereof shall provide that Planet Common Stock shall be converted into or exchanged for the shares of any other corporation or entity, then provision shall be made as part of the terms of such Business Combination so that shareholders of ACP who would be entitled to receive shares of Planet Common Stock pursuant to this Agreement shall be entitled to receive, in lieu of each share of Planet Common Stock issuable to such shareholders as provided herein, the same kind and amount of securities or assets as shall be distributable upon such Business Combination with respect to one share of Planet Common Stock (provided that nothing herein shall be construed so as to release the acquiring entity in any such Business Combination from its obligations under this Agreement as the successor to Planet).

In the event that this Agreement is terminated or the transactions contemplated by this Agreement shall otherwise fail to be consummated, each party shall promptly cause all copies of documents or extracts thereof containing information and data as to another party hereto to be returned to the party which furnished the same. No investigation by any party of the business and affairs of any other party shall affect or be deemed to modify or waive any representation, warranty, covenant or agreement in this Agreement, or the conditions to any party's obligation to consummate the transactions contemplated by this Agreement.

6.06. Employment of Edward J. Steube. Planet and ACP shall use their best efforts to cause Planet and Edward J. Steube to enter into an employment agreement for the employment of Mr. Steube by Planet as of the Effective Date under terms and conditions substantially similar to those as provided in the form of the employment agreement attached hereto as Exhibit B.

6.07. Acquisition Proposals. ACP agrees that its officers or directors shall not, and that it shall direct and use its reasonable best efforts to cause its employees, agents and representatives not to, directly or indirectly, initiate, solicit, encourage or otherwise facilitate any inquiries or the making of any proposal or offer with respect to a merger, reorganization, share exchange, consolidation or similar transaction involving, or any purchase of all or substantially all of the assets of ACP or more than 10% of the outstanding equity securities, of ACP (any such proposal or offer being hereinafter referred to as "Acquisition Proposal"). Edgar Filing: Dawson Jonathan T - Form SC 13D

financial and regulatory aspects of the proposal and the Person making the proposal and would, if consummated, result in a transaction more favorable to ACP's shareholders from a financial point of view than the Merger, ACP agrees that it will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any parties conducted heretofore with respect to any Acquisition Proposals. ACP agrees that it will notify Planet immediately if any such inquiries, proposals or offers are received by, any such information is requested from, or any such discussions or negotiations are sought to be initiated or continued with, any of its representatives.

Planet shall cause each employee benefit plan, program, policy or arrangement of Planet in which employees of ACP are eligible to participate to take into account for purposes of eligibility and vesting thereunder the service of such employees with ACP to the same extent as such service was credited for such purpose by ACP. Nothing herein shall limit the ability of Planet to amend or terminate any of the Benefit Plans in accordance with their terms at any time.

(b) If employees of ACP become eligible to participate in a medical, dental or health plan of Planet, Planet shall cause each such plan to (i) waive any preexisting condition limitations to the extent such conditions were covered under the applicable medical, health or dental plans of ACP, (ii) honor under such plans any deductible, co-payment and out-of-pocket expenses incurred by the employees and their beneficiaries during the portion of the calendar year prior to such participation and (iii) waive any waiting period limitation or evidence of insurability requirement which would otherwise be applicable to such employee on or after the Effective Time to the extent such employee had satisfied any similar limitation or requirement under an analogous plan prior to the Effective Time.

Each of ACP and Planet shall give prompt notice to the other of any fact, event or circumstance known to it that (i) is reasonably likely, individually or taken together with all other facts, events and circumstances known to it, to result in any Material Adverse Effect with respect to it or (ii) would cause or constitute a material breach of any of its representations, warranties, covenants or agreements contained herein.

6.12. Human Resources Issues. ACP agrees to cooperate with Planet with respect to any formal meetings or interviews with one or more employees called or arranged by ACP and held for the purpose of discussing the transactions contemplated by this Agreement or their effect on such employees, with Planet given the opportunity to participate in such meetings or interviews. Shareholder hereby agrees to vote all of the Shares held by the Shareholder (i) in favor of the Merger, this Agreement and the transactions contemplated by the Agreement; (ii) against any action or agreement that would result in a breach in any material respect of any covenant, representation or warranty or any other obligation or agreement of ACP under the Agreement; and (iii) except with the prior written consent of Planet, against the

(b) Approvals. All approvals required to consummate the transactions contemplated hereby shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired and no such approvals shall contain any conditions, restrictions or requirements which the Planet Board reasonably determines in good faith would (i) following the Effective Time, have a Material Adverse Effect on Planet or (ii) reduce the

Edgar Filing: Dawson Jonathan T - Form SC 13D

benefits of the transactions contemplated hereby to such a degree that Planet would not have entered into this Agreement had such conditions, restrictions or requirements been known at the date hereof.

(c) No Injunction. No Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, judgment, decree, injunction or other order (whether temporary, preliminary or permanent) which is in effect and prohibits consummation of the transactions contemplated by this Agreement.

(a) Representations and Warranties. Except as otherwise provided in this Agreement or the Disclosure Schedule, the representations and warranties of Planet set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Effective Date as though made on and as of the Effective Date (except that representations and warranties that by their terms speak as of the date of this Agreement or some other date shall be true and correct as of such date). For purposes of this paragraph, such representations and warranties shall be deemed to be true and correct in all material respects unless the failure or failures of such representations and warranties to be true and correct in all material respects, either individually or in the aggregate, and without giving effect to any materiality, material adverse effect or similar qualifications set forth in such representations and warranties, will have or would reasonably be expected to have a Material Adverse Effect on Planet. ACP shall have received a certificate, dated the Effective Date, signed on behalf of Planet by the Chief Executive Officer and the Chief Financial Officer of Planet to such effect.

(b) Performance of Obligations of Planet. Planet shall have performed in all material respects all obligations required to be performed by them under this Agreement at or prior to the Effective Time, and ACP shall have received a certificate, dated the Effective Date, signed on behalf of Planet by the Chief Executive Officer and the Chief Financial Officer of Planet to such effect.

(c) No litigation or proceeding shall be pending against Planet brought by any Governmental Authority seeking to prevent consummation of the transactions contemplated thereby.

(a) Representations and Warranties. Except as otherwise provided in this Agreement or the Disclosure Schedule, the representations and warranties of ACP set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Effective Date as though made on and as of the Effective Date (except that representations and warranties that by their terms speak as of the date of this Agreement or some other date shall be true and correct as of such date). For purposes of this paragraph, such representations and warranties shall be deemed to be true and correct in all material respects unless the failure or failures of such representations and warranties to be true and correct in all material respects, either individually or in the aggregate, and without giving effect to any materiality, material adverse effect or similar qualifications set forth in such representations and warranties, will have or would reasonably be expected to have a Material Adverse Effect on ACP. Planet shall have received a certificate, dated the Effective Date, signed on behalf of ACP by the Chief Executive

Edgar Filing: Dawson Jonathan T - Form SC 13D

Officer and the Chief Financial Officer of ACP to such effect.

(b) The Disclosure Schedule shall be updated and made current as of the day prior to the Effective Time of the Merger and a draft of the updated Disclosure Schedule shall have been delivered to Planet no later than 72 hours prior to the Effective Time of the Merger; such update of the Disclosure Schedule shall not in any way affect the representations and warranties set forth in Section 5.03.

(c) Performance of Obligations of ACP. ACP shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Effective Time, and Planet shall have received a certificate, dated the Effective Date, signed on behalf of ACP by the Chief Executive Officer and the Chief Financial Officer of ACP to such effect.

(d) Performance of Obligations of the Shareholder. Shareholder shall have performed in all material respects all obligations required to be performed by him under this Agreement, provided, however, that this condition shall be deemed to be satisfied notwithstanding any failure to perform such obligations unless any such failure or failures, individually or in the aggregate, has had or is reasonably likely to have a Material Adverse Effect on ACP or Planet and, if requested by Planet, Planet shall have received a certificate, dated the Effective Date, signed by each Shareholder to such effect with respect to such Shareholder.

(e) Intentionally left blank.

(f) No Litigation. No litigation or proceeding shall be pending against ACP brought by any Governmental Authority seeking to prevent consummation of the transactions contemplated hereby.

(g) Closing Financial Statements. At least four Business Days prior to the Effective Time of the Merger, ACP shall provide Planet with ACP's financial statements presenting the financial condition of ACP as of the close of business on the last day of the last month ended prior to the Effective Time of the Merger. Such financial statements shall have been prepared in all material respects in accordance with GAAP and other applicable legal and accounting requirements, and reflect all period-end accruals and other adjustments. Such financial statements shall be accompanied by a certificate of ACP's chief financial officer, dated as of a date no earlier than two Business Days prior to the Effective Time of the Merger, to the effect that such financial statements continue to reflect accurately, as of the date of the certificate, the financial condition of Planet in all material respects.

(h) Opinions of Counsel. Planet shall have received the opinion of Blanchard, Krasner & French or other reasonably acceptable counsel, as counsel to Planet and the opinion of Brody, Wilkinson and Ober, P.C., as counsel to ACP, each dated the Effective Time, including opinions in reasonable and customary form and substance on such matters as Planet shall reasonably request, including to the effect that, on the basis of facts, representations and assumptions set forth in such opinion, which are consistent with the state of facts existing at the Effective Time of the Merger, the Merger will be treated for federal income tax purposes as a reorganization under Section 368(a) of the Code. In rendering its opinion, counsel may require and rely upon representations contained in letters from ACP, Planet and/or their officers or principal shareholders as are customary for such opinions.

(i) Non-competition Agreements. Planet shall have received Non-competition Agreements executed and delivered by the Shareholder, and each of the non-officer directors and executive officers of ACP in the form of Exhibit A, each of which shall remain in full force and effect.

(j) Consents. Planet shall have obtained each of the consents required to consummate the Merger.

(b) Breach. At any time prior to the Effective Time, by Planet or ACP if its Board of Directors so determines by vote of a majority of the members of its entire Board, in the event of: (i) a breach by Planet or ACP, as the case may be, of any representation or warranty contained herein (subject to the standard set forth in Section 5.02), which breach cannot be or has not been cured within 30 days after the giving of written notice to the breaching party or parties of such breach; (ii) a breach by Planet or ACP, as the case may be, of any of the covenants or agreements contained herein, which breach cannot be or has not been cured within 30 days after the giving of written notice to the breaching party or parties of such breach or (iii) in the case of a termination by Planet, a breach by a Shareholder or Shareholders of any of the covenants or agreements contained in the Shareholder Agreements, which breach cannot be or has not been cured within 30 days after the giving of written notice to the breaching party or parties of such breach, provided that such breach (whether under (i), (ii) or (iii)) would be reasonably likely, individually or in the aggregate with other breaches, to result in a Material Adverse Effect with respect to Planet or ACP, as the case may be.

(c) Delay. At any time prior to the Effective Time, by Planet or ACP if its Board of Directors so determines by vote of a majority of the members of its entire Board, in the event that the Merger is not consummated by September 30, 2005, except to the extent that the failure of the Merger then to be consummated arises out of or results from the knowing action or inaction of (i) the party seeking to terminate pursuant to this Section 8.01(c) or (ii) any of the Shareholders (if ACP is the party seeking to terminate), which action or inaction is in violation of its obligations under this Agreement or, in the case of the Shareholders, his, her or its obligations under the relevant Shareholder Agreement.

(d) Acquisition Proposal. By Planet, if ACP shall have exercised a right specified in the provision set forth in Section 6.07 with respect to any Acquisition Proposal and shall, directly or through agents or representatives, continue discussion with any third party concerning such Acquisition Proposal for more than 15 Business Days after the date of receipt of such Acquisition Proposal.

8.02. Effect of Termination and Abandonment. (b) If this Agreement is terminated by ACP pursuant to Section 8.01, paragraph (b) upon such termination Planet shall pay to ACP a termination fee of \$150,000 (the "Termination Fee").

(c) If this Agreement is terminated (i) by ACP pursuant to Section 6.07 after a bona fide Acquisition Proposal for ACP shall have been publicly disclosed, or any person or entity shall have publicly disclosed a bona fide intention (whether or not conditional) to make an Acquisition Proposal or (ii) by Planet pursuant to

(e) ACP and Planet agree that the agreements contained in paragraphs (b), (c) and (d) above are an integral part of the transactions contemplated by this Agreement, that without such agreements ACP and Planet would not have entered into this Agreement, and that such amounts do not constitute a penalty. If ACP or Planet fails to pay the amounts due under paragraph (b) or (c) above within the time periods specified in paragraph (d) above, the party obligated to pay the Termination Fee shall pay all costs and expenses incurred by the other party in connection with any action, including the filing of any lawsuit, taken to collect payment of such amounts, together with interest on the amount of any such unpaid amounts at the publicly announced prime rate of Bank of America, N.A. from the date such amounts were required to be paid.

NON-COMPETE/NONDISCLOSURE AGREEMENT

THIS NON-COMPETE AGREEMENT (this "Agreement") is effective as of the Effective Date, as defined in that Agreement and Plan of Merger entered into between Planet Technologies Inc. ("Planet") and Allergy Control Products, Inc. ("ACP"), and is entered into by and between the undersigned shareholder, officer or director of ACP (the "Undersigned"), and Planet. The Undersigned and Planet are sometimes individually referred to as a "Party" and collectively as the "Parties." This Agreement is made, in part, with reference to the following relevant facts:

RECITALS

A. Planet and ACP have entered into a certain Agreement and Plan of Merger, dated as of March 7, 2005 (the "Merger Agreement"), which is incorporated herein by this reference

B. As part of the Merger Agreement, the Parties have agreed to certain nondisclosure and noncompete provisions (as defined herein).

NOW, THEREFORE, in consideration of the signing of the Merger Agreement by ACP and as a material inducement therefore, the mutual covenants exchanged herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledge, Undersigned and Planet hereby agree as follows:

1. Noncompete and Nondisclosure.

(a) During the period commencing on _____, 2005 and ending on December 31, 2007, the Undersigned shall not, directly or indirectly, for himself or on behalf of any other Person, (A) disclose to any Person other than Planet or ACP, any information relating to the business of Planet or ACP (including without limitation information relating to accounts, financial dealings, transactions, trade secrets, Intellectual Property, customer lists and pricing lists), whether or not marked or otherwise identified as confidential or secret, except for information generally known in the allergy control products industry, (B) solicit, divert, take away or attempt to take away any business, with respect to the products of either Business as presently conducted, or any of ACP's or Planet's customers or suppliers, or (C) hire any employee or induce or attempt to induce any employee to leave his or her employment with Planet without the prior written consent of Planet.

(b) The Undersigned acknowledges that the restrictions contained in Section 1(a) are reasonably necessary to protect the good will and the legitimate business interests of Planet and ACP and agree that any violation of such restrictions will result in irreparable injury to ACP and the Business acquired by Planet hereunder for which damages will not be an adequate remedy. Planet shall therefore be entitled to preliminary and injunctive relief as well as to any other remedies at law or in equity available to Planet. The parties hereto agree that the duration and area for which the covenants set forth in Section 1(a) are to be effective are reasonable. In the event that any court determines that the time period or the area, or both of them, are unreasonable, the parties hereto agree that the covenants shall remain in full force and effect for the greatest time period and in the greatest area that would not render them unenforceable.

2. Miscellaneous.

Edgar Filing: Dawson Jonathan T - Form SC 13D

(a) If either Party resorts to litigation to enforce its rights under this Agreement, the prevailing Party will be entitled to recover its costs and expenses actually incurred in connection with the action including, but not limited to, court costs and reasonable attorneys' fees.

(b) If the provisions of this Agreement shall be deemed to create a restriction which is unreasonable as to scope, duration or geographical area, the parties agree that the provisions of this Agreement shall be enforceable in such scope, for such duration and in such geographical area as any court of competent jurisdiction may determine to be reasonable.

(c) Failure to exercise any right under this Agreement will not constitute a waiver of such right in the event of a subsequent default.

(d) This Agreement will be governed by the laws of the State of California.

(e) All notices under this Agreement will be in writing and sent to the address set forth in the Merger Agreement for Planet and to the last known address of the Undersigned provided in writing to Planet and will be effective upon receipt thereof.

(f) This Agreement may not be modified or amended, or any term or provision hereof waived or discharged, except by a writing signed by the party against whom such amendment, modification, waiver or discharge is sought to be enforced.

IN WITNESS WHEREOF, the parties have entered into this Agreement as of the date first above written.

FORM OF EMPLOYMENT AGREEMENT

Ed Steube
96 Danbury Road
Ridgefield, CT 06877

Re: Employment Agreement
Dear Ed,
Planet Technologies, Inc. (the "Company") is pleased to offer you the

Edgar Filing: Dawson Jonathan T - Form SC 13D

position of President/CEO of the Allergy Control Products ("ACP") subsidiary, pursuant to the terms of this letter agreement ("Agreement"). This Agreement is made and contingent upon the acquisition of ACP by Planet Technologies, Inc. and effective on the closing date of such Agreement (the "Effective Date") and will last for a period of four years from the Effective Date and will automatically renew on an annual basis unless terminated by either party in writing. You and the Company hereby agree as follows:

1. Duties

You will be expected to do and perform all services, acts or things necessary or advisable to manage and conduct the business of the ACP and the Company, including those duties normally associated with the position of President. You will report to the Company's Chairman and Chief Executive Officer, unless otherwise assigned by the Company. You will work at the facility located in Ridgefield, Connecticut. In addition, the company will take all appropriate steps to insure that upon closing you will be elected to the Board of Directors of the Company.

2. Base Salary and Benefits

Your base salary will be \$200,000 per annum, less payroll deductions and all required withholdings payable weekly on the ACP payroll. You will be eligible for annual salary increases in line with performance and the company's guidelines for each year.

You will continue to be reimbursed for your premiums on your healthcare plan, use of car, cell phone, and other pertinent business expenses and be eligible for ACP's standard benefits. The Company may modify its benefits from time to time, as it deems necessary

Discretionary Bonus

In addition to your base salary, you will be eligible to earn a discretionary annual performance bonus ("Bonus") at the discretion of the Company's Board. The performance Bonus will be for superior performance for exceeding sales, gross profits and net profit plans for the year. You must be employed by the Company throughout the year to be eligible for the Bonus. The Bonus will be pro-rated in the event you are terminated without Cause, but you will not be eligible if you resign or your employment is terminated with Cause (as defined below) prior to the date on which the Bonus is awarded.

3. Stock Options

Subject to approval of the Board, you will be granted a stock option under the terms of the Company's 2000 Stock Incentive Plan (the "Plan") to purchase an amount of Common Stock equal to 3% of then outstanding shares of Common Stock of the Company, but not less than 100,000 shares (the "Option"). To the maximum extent possible, the Option shall be an Incentive Stock Option as such term is defined in Section 422 of the Internal Revenue Code of 1986, as amended. The Option will be governed by and granted pursuant to a separate Stock Option Agreement and the Plan. The exercise price per share of the Option will be equal to the fair market value of the Common Stock established on the date of grant. The Option will be subject to vesting over four (4) years so long as you provide continuous service to the Company in accordance with the Plan, according to the following schedule: 1/4 of the shares subject to the Option will vest upon your 12 month anniversary and 1/48th of the shares subject to the Option will vest at the end of each monthly period thereafter for a period of three (3) years. If your employment is terminated without Cause during the first four year period of this Agreement, then this Option grant will become fully vested.

If you have questions regarding the tax implications of the Stock Option or any part of your compensation package, please consult with your own tax advisor.

4. Loyal and Conscientious Performance; Noncompetition.

Edgar Filing: Dawson Jonathan T - Form SC 13D

During your employment by the Company, you shall devote your full business energies, interest, abilities and productive time to the proper and efficient performance of your duties under this Agreement; provided that, you shall not be precluded from engaging in civic, charitable or religious activities which do not present any conflict of interest with the Company or affect your performance of duties for the Company.

Except with the prior written consent of the Board, you will not, during the term of this Agreement, and any period during which you are receiving compensation or any other consideration from the Company, including, but not limited to, severance pay pursuant to Section 6 herein, engage in competition with the Company, either directly or indirectly, in any manner or capacity, as adviser, principal, agent, affiliate, promoter, partner, officer, director, employee, stockholder, owner, co-owner, consultant, or member of any association or otherwise, in any phase of the business of developing, manufacturing and marketing of products or services which are in the same field of use or which otherwise compete with the products or services or proposed products or services of the Company. During the term of this Agreement, you agree not to acquire, assume or participate in, directly or indirectly, any position, investment or interest known by you to be adverse or antagonistic to the Company, its business or prospects, financial or otherwise or in any company, person or entity that is, directly or indirectly, in competition with the business of the Company. Ownership by you, as a passive investment, of less than two percent (2%) of the outstanding shares of capital stock of any corporation with one or more classes of its capital stock listed on a national securities exchange or publicly traded on the Nasdaq Stock Market or in the over-the-counter market shall not constitute a breach of this paragraph.

5. Termination

The Company may terminate your employment at any time and for any or no reason, with or without Cause (as defined herein) or advance notice by giving written notice of such termination, subject to the provisions stated herein. Similarly, you may terminate your employment with the Company at any time at your election, in your sole discretion, for any or no reason. The "at will" nature of your employment relationship may not be modified except by a written agreement signed by the Chairman of the Board.

If the Company terminates your employment without Cause (as defined herein) at any time during the term of your employment, then upon your furnishing to the Company and effective release and waiver of claims and continued compliance with Section 4 herein and your Proprietary Information and Inventions Agreement with the Company, you shall be entitled to receive severance payments in the form of continuation of your base salary in effect at the time of your termination, subject to standard deductions and withholdings, for the period of 36 months minus the number of months you were employed after the Effective Date, but not less than a period of twelve (12) months.

6. Definitions.

For purposes of this Agreement, "Cause" for the Company to terminate your employment hereunder shall mean the occurrence of any of the following events:

- (a) your repeated failure to satisfactorily perform your reasonably assigned job duties on behalf of the Company;
- (b) your commission of an act that materially injures the business of the Company;
- (c) your refusal or failure to follow lawful and reasonable directions of the Board or the appropriate individual to whom you report;
- (d) your conviction of a felony involving moral turpitude that is

Edgar Filing: Dawson Jonathan T - Form SC 13D

(e) your engagement or in any manner participating in any activity which is directly competitive with or intentionally injurious to the Company or which violates any material provisions of Section 5 hereof or your Proprietary Information and Inventions Agreement with the Company; or

(f) your commission of any fraud against the Company, employees, agents or customers or use or intentional appropriation for his personal use or benefit of any funds or properties of the Company not authorized by the Board to be so used or appropriated.

7. Company Policy

As a Company employee, you will be expected to abide by Company rules and policies. The Company's policies may be modified from time to time at the sole discretion of the Company, with the exception of the Company's "at will" employment policy, which may only be modified by a signed agreement with Company's Chief Executive Officer.

Normal working hours are 40 hours a week, Monday through Friday. As an exempt salaried employee, you will be expected to work additional hours as required by the nature of your work assignments.

8. Proprietary Information and Inventions Agreement

As a condition of employment, you will be required to sign and comply with the Proprietary Information and Inventions Agreement, attached hereto as Exhibit A, which prohibits unauthorized use or disclosure of the Company's proprietary information, among other things.

In your work for the Company, you will be expected not to use or disclose any confidential information, including trade secrets, of any former employer or other person to whom you have an obligation of confidentiality. Rather, you will be expected to use only that information which is generally known and used by persons with training and experience comparable to your own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided or developed by the Company. During our discussions about your proposed job duties, you assured us that you would be able to perform those duties within the guidelines just described.

You agree that you will not bring onto Company premises any unpublished documents or property belonging to any former employer or other person to whom you have an obligation of confidentiality.

9. Entire Agreement

This Agreement, together with your Proprietary Information and Inventions Agreement and the stock documents referred to herein, forms the complete and exclusive statement of the terms of your employment with the Company. The employment terms in this Agreement supersede any other agreements or promises made to you by anyone, whether oral or written.

10. Governing Law

This Agreement will be governed by and construed according to the laws of the State of California. You hereby expressly consent to the personal jurisdiction of the state and federal courts located in San Diego, California for any lawsuit filed there against you by the Company arising from or related to this Agreement.

11. Successors and Assigns.

This Agreement will be binding upon your heirs, executors, administrators and other legal representatives and will be binding upon and shall inure to the benefit of the Company, its successors, and its assigns. The term "Company" as used herein shall include such successors and assigns to the extent applicable.

As required by law, this offer is subject to satisfactory proof of your right to work in the United States.

Please sign and date this Agreement, and return it to me as soon as possible, if you wish to accept employment with the Company under

Edgar Filing: Dawson Jonathan T - Form SC 13D

the terms described above.

We look forward to your favorable reply and to a productive and enjoyable work relationship.

Sincerely,

EXHIBIT A TO
FORM OF EMPLOYMENT AGREEMENT
EMPLOYEE'S PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT

In consideration of my employment or continued employment by PLANET TECHNOLOGIES, INC. (the "Company"), and the compensation received by me from the Company from time to time, I hereby agree as follows:

12. Proprietary Information.

(a) Recognition of Company's Rights. All Proprietary Information shall be the sole property of the Company and its assignees. I hereby assign to the Company any rights I may have or acquire in all Proprietary Information. At all times during my employment by the Company and at all times after termination of such employment, I will keep in confidence and trust all Proprietary Information, and I will not disclose, sell, use, lecture upon or publish any Proprietary Information or anything relating to it without the written consent of the Company, except as may be necessary in the ordinary course of performing my duties as an employee of the Company, or unless an officer of the Company expressly authorizes such in writing.

(b) Proprietary Information. The term "Proprietary Information" shall mean any and all confidential and/or proprietary knowledge, data or information of the Company, whether in oral, written, graphic or electronic form. By way of illustration, but not limitation, "Proprietary Information" includes (a) trade secrets, know-how, inventions, ideas, tangible and intangible information relating to antibodies and other biological materials, cell lines, samples of assay components, media and/or cell lines and procedures and formulations for producing any such assay components, media and/or cell lines, formulations, compounds, products, processes, designs, formulas, methods, techniques, programs, software models, algorithms, developmental or experimental work, clinical or other data, compilations of data, other works of authorship, improvements and discoveries (hereinafter collectively referred to as "Inventions");

(b) information regarding plans for research and development, new products, marketing and selling, business plans, budgets and unpublished financial statements, licenses, prices and costs, suppliers, customers, licensees and strategic partners, and the

Edgar Filing: Dawson Jonathan T - Form SC 13D

existence and terms of any business discussions, negotiations or agreements to which the Company is a party; and (c) information regarding the skills and compensation of other employees or consultants of the Company.

(c) No Improper Use of Information of Prior Employers and Others.

I represent that I have not brought and will not bring with me to the Company or use in the performance of my responsibilities at the Company any equipment, supplies, facility or trade secret information of any former employer or any other person to whom I have an obligation of confidentiality which is not generally available to the public, unless I have obtained written authorization for its possession and use.

13. Assignment of Inventions.

(a) The term "Proprietary Rights" shall mean all trade secrets, patents, copyrights, trademarks, mask works, moral rights and other intellectual property rights throughout the world.

(b) Assignment of Inventions. Subject to Sections 2(f) and 2(g), I agree that all Inventions (and all Proprietary Rights with respect thereto) shall be the sole property of the Company and its assigns. I hereby assign to the Company any right, title and interest I may have or acquire in and to all Inventions (and all Proprietary Rights with respect thereto). If I have any rights to the Inventions (or Proprietary Rights with respect thereto) that cannot be assigned to the Company, I unconditionally and irrevocably waive the enforcement of such rights and all claims and causes of action of any kind against the Company with respect to such rights. I agree, at the Company's request and expense, to consent to and join in any action to enforce such rights. If I have any right to the Inventions (or Proprietary Rights with respect thereto) that cannot be assigned to the Company or waived by me, I unconditionally and irrevocably grant to the Company during the term of such rights, an exclusive, irrevocable, perpetual, worldwide, fully paid and royalty-free license, with rights to sublicense through multiple levels of sublicensees, to make, have made, use, offer for sale, sell, import, reproduce, create derivative works of, distribute, publicly perform and publicly display by all means now known or later developed, such rights.

(c) Assistance. I further agree to assist the Company in every proper way (but at the Company's expense) to obtain, and from time to time enforce, the Proprietary Rights in any and all Inventions, including, but not limited to applying for and obtaining such patents thereon and enforcing same, as the Company may desire, together with any assignments thereof to the Company or persons designated by it. My obligation to assist the Company in obtaining and enforcing Proprietary Rights in the Inventions in any and all countries shall continue beyond the termination of my employment, but the Company shall compensate me at a reasonable rate after such termination for time actually spent by me at the Company's request on such assistance. In the event that the Company is unable for any reason whatsoever to secure my signature to any lawful and necessary document required to obtain or enforce any Proprietary Rights with respect to any Invention (including renewals, extension, continuations, divisions or continuations in part thereof), I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents, as my agents and attorneys-in-fact to act for and in my behalf and instead of me, to execute and file any such documents and to do all other lawfully permitted acts to further execution or enforcement of Proprietary Rights with the same legal force and effect as if executed by me.

(d) Prior Inventions. As a matter of record I have attached hereto as Exhibit A a complete list of all inventions or improvements which have been made or conceived or first reduced to practice by me, alone

Edgar Filing: Dawson Jonathan T - Form SC 13D

or jointly with others, prior to the commencement of my employment by the Company which I desire to remove from the operation of this Agreement (collectively referred to as "Prior Inventions"); and I covenant that such list is complete. If disclosure of any such Prior Inventions would cause me to violate any prior confidentiality agreement, I understand that I should not list such Prior Invention in Exhibit A but will disclose a cursory name for each such invention, a listing of the party(ies) to whom it belongs, and the fact that full disclosure as to such Prior Invention has not been made for that reason. If no such disclosure is attached to this Agreement, I represent that I have made no such inventions and improvements at the time of signing this Agreement. If, in the course of my employment with the Company, I incorporate a Prior Invention into an Invention or a Company product or process, the Company is hereby granted and shall have a nonexclusive, royalty-free, irrevocable, perpetual, worldwide license (with rights to sublicense through multiple tiers of sublicensees) to make, have made, use, offer for sale, sell, import, reproduce, create derivative works of, distribute, publicly perform and publicly display by all means now known or later developed such Prior Invention. Notwithstanding the foregoing, I agree that I will not incorporate, or permit to be incorporated, Prior Inventions in any Invention or Company product or process without the Company's prior written consent.

(e) Obligation to Keep Company Informed. I will promptly and fully in writing disclose to the Company all Inventions authored, conceived or reduced to practice or learned by me, either alone or jointly with others, during the period of my employment and for one (1) year after termination of this Agreement, including any that may be covered by Section 2870 of the California Labor Code.

(f) Government or Third Party. I also agree to assign all my right, title and interest in and to any particular Invention to a third party, including without limitation the United States, as directed by the Company.

(g) Nonassignable Inventions. This Agreement does not apply to inventions which qualify fully for protection under Section 2870 of the California Labor Code, which are ideas or inventions for which no equipment, supplies, facility or trade secret information of the Company was used and which were developed entirely on my own time, and (1) which do not relate (a) directly to the business of the Company, or (b) to the Company's actual or demonstrably anticipated research or development, or (2) which do not result from any work performed by me for the Company. Notwithstanding the foregoing, I shall disclose in confidence to the Company any invention in order to permit the Company to make a determination as to compliance by me with the terms and conditions of this Agreement.

14. No Conflict of Interest. I agree that during the period of my employment by the Company and any period during which I am receiving compensation or any other consideration from the Company, including, but not limited to, any severance pay, I will not, without the Company's prior written consent, engage in any employment or business activity which is competitive with the business of the Company or any of its affiliates, either directly or indirectly, in any manner or capacity, as adviser, principal, agent, affiliate, promoter, partner, officer, director, employee, stockholder, owner, co-owner, consultant or otherwise, in any phase of the business of developing, manufacturing and marketing of products or services which are in the same field of use or which otherwise compete with the products or services or proposed products or services of the Company or any of its affiliates. My ownership, as a passive investment, of less than two percent (2%) of the outstanding shares of capital stock of any corporation with one or more classes of its capital stock listed on a

Edgar Filing: Dawson Jonathan T - Form SC 13D

national securities exchange or publicly traded on the Nasdaq Stock Market or in the over-the-counter market shall not constitute a breach of this Section 3.

15. Non-Solicitation. I agree that for a period of one (1) year following termination of my employment with the Company, I will not solicit or in any manner encourage any employee, independent contractor or consultant of the Company to leave employment or service with the Company.

16. No Conflicting Obligations. I represent that my performance of all the terms of this Agreement and that my employment by the Company do not and will not breach any agreement to keep in confidence proprietary information acquired by me in confidence or in trust prior to my employment by the Company. I have not entered into, and I agree I will not enter into, any agreement either written or oral in conflict herewith.

17. Return of Company Materials. All drawings, notes, memoranda, specifications, documents, data, devices, records, apparatus, equipment, chemicals, molecules, organisms and other physical property, including any copies thereof, whether or not pertaining to Proprietary Information, furnished to me by the Company or produced by myself or others in connection with my employment shall be and remain the sole property of the Company and shall be returned promptly to the Company upon termination of this Agreement for any reason, or earlier if requested by the Company, and I will not retain or take with me any such property or any reproduction of such property.

18. General Provisions.

(a) Any notices required or permitted hereunder shall be given to the appropriate party at the address specified below or at such other address as the party shall specify in writing. Such notice shall be in writing and shall be deemed given (i) upon personal delivery to the appropriate address, (ii) upon delivery by facsimile transmission with receipt confirmed, (iii) if sent by certified or registered mail, postage prepaid, three (3) days after the date of mailing, or (iv) if sent by overnight courier, the next business day such courier regularly makes deliveries.

(b) This Agreement will be governed by and construed according to the laws of the State of California, as such laws are applied to agreements entered into and to be performed entirely within the State of California between California residents. I hereby expressly consent to the personal jurisdiction of the state and federal courts located in San Diego County, California for any lawsuit filed there against me by Company arising from or related to this Agreement.

(c) Because my services are personal and unique and because I may have access to and become acquainted with the Proprietary Information of the Company, I acknowledge and agree that, if I were to breach this Agreement, the Company would suffer an irreparable injury such that no remedy at law would adequately protect or appropriately compensate the Company for such injury. Accordingly, I agree that the Company shall have the right to enforce this Agreement and any of its provisions by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Company may have for a breach of this Agreement.

(d) This Agreement (including any exhibits hereto) contains the final, complete and exclusive agreement of the parties relative to the subject matter hereof and supersedes all prior and contemporaneous understandings and agreements relating to said subject matter. This Agreement may not be changed, modified, amended or supplemented except by a written instrument signed by both parties.

(e) If any provision of this Agreement shall be declared invalid,

Edgar Filing: Dawson Jonathan T - Form SC 13D

illegal or unenforceable, such provision shall be severed and all remaining provisions shall continue in full force and effect.

(f) This Agreement shall be binding upon my heirs, executors, administrators and other legal representatives and me and shall inure to the benefit of the Company, its successors and assigns.

(g) The waiver from time to time by the Company of any of its rights or the Company's failure to exercise any remedy shall not operate or be construed as a continuing waiver of same or of any other of the Company's rights or remedies provided in this Agreement.

(h) I agree and understand that nothing in this Agreement shall confer any right with respect to continuation of employment by the Company, nor shall it interfere in any way with my right or the Company's right to terminate my employment at any time, with or without cause, nor shall it obligate the Company to make any payment to me based upon termination of my employment.

This Agreement shall be effective as of the first day of my employment by the Company.
