Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Departure of Hans Olav Kvalvaag as Director

As further discussed in Item 8.01 below, the TFG Radiant Transaction (as defined below) closed on March 30, 2012. As a result, Norsk Hydro Produksjon AS (“Norsk Hydro”) no longer holds any of the Company's common stock and TFG Radiant Investment Group Ltd. (“TFG Radiant”) now holds approximately 39% of the Company's outstanding common stock.

Following the closing of the TFG Radiant Transaction, Hans Olav Kvalvaag, a designated representative of Norsk Hydro, resigned from the Company's Board. Mr. Kvalvaag did not leave the Company because of any disagreement with the Company. Under the Stockholders' Agreement dated March 13, 2007 between the Company and Norsk Hydro, Norsk Hydro no longer has any rights to designate a representative of Norsk Hydro to the Company's Board.

Following the closing of the TFG Radiant Transaction, pursuant to the Amended and Restated Stockholders' Agreement between the Company and TFG Radiant, TFG Radiant now has the right to designate a second representative for election to the Company's Board. TFG Radiant has not yet designated a second representative for such election.

Item 8.01. Other Events.

Closing of Share Purchase between TFG Radiant and Norsk Hydro

On January 4, 2012, the Company issued a press release announcing that TFG Radiant had agreed to purchase 8,067,390 shares of the Company's common stock then owned by Norsk Hydro for \$4 million, or approximately \$0.50 per share (the “TFG Radiant Transaction”). The TFG Radiant Transaction closed on March 30, 2012. As a result, Norsk Hydro no longer holds any of the Company's common stock and TFG Radiant holds approximately 39% of the Company's common stock.

Amended and Restated Stockholders Agreement

The Company previously entered into a Stockholders Agreement with TFG Radiant (the “Prior Stockholders Agreement”) dated August 12, 2011 in connection with TFG Radiant's prior investment in the Company. In connection with the TFG Radiant Transaction, on December 30, 2011, the Company entered into an Amended and Restated Stockholders Agreement with TFG Radiant (the “Amended and Restated Stockholders Agreement”). The Amended and Restated Stockholders Agreement became effective upon the closing of the TFG Radiant Transaction and has replaced and superseded the Prior Stockholders Agreement.

Among other things, the Amended and Restated Stockholders Agreement provides that:

- (a) TFG Radiant may designate a second representative for election to the Company's Board at any time as TFG Radiant beneficially owns 25% of the Company's outstanding common stock;
- (b) TFG Radiant may designate a third representative for election to the Company's Board at any time as TFG Radiant beneficially owns 45% of the Company's outstanding common stock; and
- (c) Until December 31, 2013, TFG Radiant will not, without prior approval of the Company's Board (x) acquire more than 42% of the Company's issued and outstanding shares of common stock prior to any exercise of the “Tranche 2” option held by TFG Radiant, or (y) 53% of the issued and outstanding shares of Common Stock of the Company

following any exercise of the Tranche 2 option. These restrictions will terminate in certain circumstances specified in the agreement.

Amended and Restated Registration Rights Agreement

The Company previously entered into a Registration Rights Agreement (the "Prior Registration Rights Agreement") with TFG Radiant dated August 12, 2011 in connection with TFG Radiant's prior investment in the Company. The registration rights granted under the Prior Registration Rights Agreement lapsed in October 2011 upon the approval by the Company's stockholders of the Tranche 2 option granted to TFG Radiant in August 2011.

In connection with the TFG Radiant Transaction, on December 30, 2011, the Company entered into an Amended and Restated Registration Rights Agreement with TFG Radiant (the "Amended and Restated Registration Rights Agreement"). The Amended and Restated Stockholders Agreement became effective upon the closing of the TFG Radiant Transaction, at which time it replaced and superseded the Prior Registration Rights Agreement.

Under the terms of the Amended and Restated Registration Rights Agreement, TFG Radiant now has certain demand and piggy-back registration rights with respect to shares of the Company's common stock owned by TFG Radiant.
