A list of stockholders entitled to vote at the Annual Meeting will be available for inspection at our principal executive offices and at the Annual Meeting.

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials via the Internet. Accordingly, we have sent our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our 2013 proxy statement and our annual report on Form 10-K for 2012 online. Stockholders who have received the Notice will not be sent a printed copy of our proxy materials in the mail unless they request to receive a printed copy.

Please note: If you hold your shares in the name of a broker, bank or other nominee, your nominee may determine to vote your shares at its own discretion, absent instructions from you. However, due to voting rules that may prevent your bank or broker from voting your uninstructed shares on a discretionary basis in the election of directors and other non-routine matters, it is important that you cast your vote. Accordingly, please provide appropriate voting instructions to your broker or bank to ensure your vote will count.

VOTING AND RELATED MATTERS

Voting Procedures

As a stockholder of BioLife Solutions, you have a right to vote on certain business matters affecting us. The proposals that will be presented at the Annual Meeting and upon which you are being asked to vote are discussed below in the “Proposals” section. Each share of BioLife Solutions common stock you owned as of the Record Date entitles you to one vote on each proposal presented at the Annual Meeting.

Methods of Voting

You may vote over the Internet, by telephone, by mail or in person at the Annual Meeting. Please be aware that if you vote over the Internet, you may incur costs such as Internet access charges for which you will be responsible.

Voting over the Internet. You can vote via the Internet. The website address for Internet voting is provided on the Notice of Internet Availability of Proxy Materials and on the proxy card. You will need to use the control number appearing on our proxy card to vote via the Internet. You can use the Internet to transmit your voting instructions up until 11:59 p.m. Eastern Daylight Time on June 19, 2013. Internet voting is available 24 hours a day. If you vote via the Internet, you do not need to return a proxy card.

Voting by Telephone. You can vote using any touch-tone telephone to transmit your voting instructions up until 11:59 P.M. Eastern Time June 19, 2013. You will need to use the control number appearing on our proxy card to vote via telephone. Telephone voting is available 24 hours a day. If you vote via telephone, you do not need to return a proxy card.

Voting by Mail. If you received a printed proxy card, you can vote by marking, dating and signing it, and returning it in the postage-paid envelope provided. Please promptly mail your proxy card to ensure that it is received prior to the closing of the polls at the Annual Meeting.

Voting in Person at the Meeting. If you attend the Annual Meeting and plan to vote in person, we will provide you with a ballot at the Annual Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the Annual Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. As a beneficial owner, if you wish to vote at the Annual Meeting, you will need to bring to the Annual Meeting a legal proxy from your broker or other nominee authorizing you to vote those shares.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the Annual Meeting. To do this, you must:

- enter a new vote over the Internet, or by signing and returning a replacement proxy card;
- provide written notice of the revocation to our Corporate Secretary at our principal executive office, 3303 Monte Villa Parkway, Suite 310, Bothell, Washington 98021; or
- attend the Annual Meeting and vote in person.

Quorum and Voting Requirements

Stockholders of record at the close of business on April 26, 2013, are entitled to receive notice and vote at the meeting. On the Record Date, there were 70,035,710 issued and outstanding shares of our Common Stock. Each holder of Common Stock voting at the meeting, either in person or by proxy, may cast one vote per share of Common Stock held on the Record Date on all matters to be voted on at the meeting. Stockholders may not cumulate votes in the election of directors.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock entitled to vote constitutes a quorum for the transaction of business at the meeting. Assuming that a quorum is present:

- (1) a plurality of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors will be required to elect Board nominees;
- (2) the compensation of our named executive officers will be approved on a non-binding, advisory basis, if a majority of the votes are properly cast on this proposal;

- (3) a plurality of the votes cast on the proposal is required to select, by non-binding, advisory vote, the frequency of conducting future stockholder advisory votes on named executive officer compensation;
- (4) the 2013 Performance Incentive Plan will be approved if approved by a majority of the votes properly cast at the meeting on this proposal; and
- (5) the ratification of the appointment of Peterson Sullivan LLP as our independent registered public accounting firm for 2013 will be approved if approved by a majority of the votes cast at the meeting on this proposal.

Votes cast by proxy or in person at the meeting will be tabulated by the election inspectors appointed for the meeting and who will determine whether a quorum is present. The election inspectors will treat abstentions and broker non-votes (i.e., shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not instructed to vote on a particular proposal and does not have discretionary voting power) as shares that are present for purposes of determining the presence of a quorum. With regard to Proposal One, broker non-votes and votes marked “withheld” will not be counted towards the tabulations of votes cast on such proposal presented to the stockholders, will not have the effect of negative votes and will not affect the outcome of the election of the directors. With regard to Proposals Two, Three, Four and Five, abstentions will be counted towards the tabulations of votes cast on such proposal presented to the stockholders and will have the same effect as negative votes, whereas broker non-votes will not be counted for purposes of determining whether such proposal has been approved and will not have the effect of negative votes.

If your shares are held by a bank or broker in street name, it is important that you cast your vote if you want it to count in the election of directors and other non-routine matters as determined by the New York Stock Exchange (the “NYSE”). The ability of brokers to vote your shares for you without instructions from you is governed by Rule 452 of the New York Stock Exchange, which regulates the behavior of brokers who are “member organizations” of the NYSE (without regard to what exchange the shares are traded on). Voting rules may prevent your bank or broker from voting your uninstructed shares on a discretionary basis in the election of directors and other non-routine matters. Accordingly, if your shares are held by a bank or broker in street name and you do not instruct your bank or broker how to vote in the election of directors or any other non-routine matters, no votes will be cast on your behalf.

Voting of Proxies

When a proxy is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specification is indicated, the shares will be voted:

- (1) “for” the election of each Board nominee set forth in this proxy statement unless the authority to vote for such directors is withheld;
- (2) “for” the approval of the compensation of our named executive officers as disclosed in this proxy statement;
- (3) “for” conducting future stockholder advisory votes on the compensation of named executive officers every three years;
- (4) “for” the approval of 2013 Performance Incentive Plan;
- (5) “for” the ratification of the Audit Committee's appointment of Peterson Sullivan LLP as our independent registered public accounting firm for 2013; and
- (6) at the discretion of your proxies on any other matter that may be properly brought before the meeting.

Voting Results

Voting results will be announced at the Annual Meeting and published in a Current Report on Form 8-K that will be filed with the Securities and Exchange Commission within four business days after the Annual Meeting.

Householding of Proxy Materials

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy materials and annual reports. This means that only one copy of the proxy materials may have been sent to multiple stockholders in your household. This practice is designed to reduce our printing and postage costs. However, if you are residing at such an address and wish to receive a separate annual report on Form 10-K or proxy statement in the future, you may telephone our Secretary at (425) 402-1400 or write to her at BioLife Solutions, Inc., 3303 Monte Villa Parkway, Suite 310, Bothell, Washington 98021. If you are receiving multiple copies of our annual report on Form 10-K and proxy statement, you may request householding by contacting our Secretary in the same manner.

Proxy Solicitation

We will bear the cost of this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for reasonable expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by our directors, officers or employees, personally, by telephone, facsimile, Internet or other means, without additional compensation. We may retain a proxy solicitor to assist in the distribution of proxies and proxy solicitation materials, and in the solicitation of proxies. Generally, the fee for such services is approximately \$15,000 plus expenses. If we do elect to retain a proxy solicitor, we will pay the proxy solicitor reasonable and customary fees. Except as described above, we do not presently intend to solicit proxies other than by mail.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on June 20, 2013: The notice of annual meeting of stockholders, this proxy statement, and our annual report on Form 10-K for 2012 are available at www.proxyvote.com.

BOARD OF DIRECTORS

Overview

Our Bylaws provide that the size of our Board is to be determined from time to time by resolution of the Board but shall consist of at least three members. Our Board has fixed the exact number of directors at six. Our Board currently consists of six members, four of whom – Messrs. de Greef, Cohen, Hinson and Stewart – our Board has determined to be independent under the rules of the NASDAQ Stock Market, after taking into consideration, among other things, those transactions described under “Certain Transaction”. Mr. Rice serves as Chairman of the Board. The Board does not have a lead director; however, recognizing that the Board is composed almost entirely of outside directors, in addition to the Board’s strong committee system (as described more fully below), we believe this leadership structure is appropriate for the Company and allows the Board to maintain effective oversight of management.

At each annual meeting of stockholders, members of our Board are elected to serve until the next annual meeting and until their successors are duly elected and qualified. If the nominees named in this proxy statement are elected, the Board will consist of six persons.

The Board has nominated Michael Rice, Roderick de Greef, Thomas Girschweiler, Raymond Cohen, Andrew Hinson and Rick Stewart for election at the annual meeting based on the recommendation of our Nominating and Corporate Governance Committee. The nominees have agreed to serve if elected, and management has no reason to believe that the nominees will be unavailable for service. If any nominee is unable or declines to serve as a director at the time of the Annual Meeting or any adjournment or postponement thereof, the proxies will be voted for such other nominees as may be designated by the present Board.

Committees of the Board of Directors

The Board has established an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Each committee operates pursuant to a written charter that may be viewed on our website at www.biolifesolutions.com. The inclusion of our web site address in this proxy statement does not include or incorporate by reference the information on our web site into this proxy statement.

The following table sets forth the current composition of the three standing committees of our Board:

Mr. Rice	Chair			
Mr. de Greef (financial expert)	X	X	Chair	X

The Audit Committee oversees the appointment, compensation, engagement, retention, termination and services of our independent registered public accounting firm, including conducting a review of its

independence; reviewing and approving the planned scope of our annual audit; overseeing our independent registered public accounting firm's audit work; reviewing and pre-approving any audit and non-audit services that may be performed by our independent registered public accounting firm; reviewing with management and our independent registered public accounting firm the adequacy of our internal financial and disclosure controls; reviewing our critical accounting policies and the application of accounting principles; and monitoring the rotation of partners of our independent registered public accounting firm on our audit engagement team as required by regulation.

In addition, the Audit Committee's role includes meeting to review our annual audited financial statements and quarterly financial statements with management and our independent registered public accounting firm. The Audit Committee has the authority to obtain independent advice and assistance from internal or external legal, accounting and other advisors, at the Company's expense.

The Board has determined that all members of our Audit Committee except for Mr. Girschweiler are independent under the listing standards of the NASDAQ Stock Market. The Board of Directors has determined that Mr. de Greef is an “audit committee financial expert” as defined by the rules of the Securities and Exchange Commission.

Compensation Committee. Our Compensation Committee sets and administers the policies governing all compensation of our executive officers, including cash and non-cash compensation and equity compensation programs, and is responsible for making recommendations to the Board concerning Board and committee compensation. Also, the Compensation Committee reviews and approves equity-based compensation grants to our non-executive officer employees. In addition, the Compensation Committee is responsible for oversight of our overall compensation plans and benefit programs, as well as the approval of all employment, severance and change of control agreements and plans applicable to our executive officers. Furthermore, the Compensation Committee has the authority to obtain independent advice and assistance from internal or external legal, accounting and other advisors, at the Company’s expense.

The members of the Compensation Committee are independent directors within the meaning of listing standards of the NASDAQ Stock Market.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee’s primary purpose is to evaluate candidates for membership on our Board and make recommendations to our Board regarding candidates; make recommendations with respect to the composition of our Board and its committees; review and make recommendations regarding the functioning of our Board as an entity; recommend corporate governance principles applicable to the Company; manage periodic review, discussion and evaluation of the performance of our Board, its committees and its members; assess the independence of our directors; review the board memberships of other entities held by members of the Board and review and approve such memberships for our executive officers. Also, the Nominating and Corporate Governance Committee assists our Board in reviewing and assessing succession planning for our executive officers. The Nominating and Corporate Governance Committee has the authority to obtain independent advice and assistance from internal or external legal, accounting and other advisors, at the Company’s expense.

All members of our Nominating and Corporate Governance Committee are independent under the listing standards of the NASDAQ Stock Market.

The Nominating and Corporate Governance Committee will consider candidates recommended by stockholders. Pursuant to the Nominating and Corporate Governance Committee Charter, there is no difference in the manner in which a nominee recommended by a stockholder or otherwise is evaluated. To recommend director candidates, stockholders should submit their suggestions in writing to the Secretary, providing the proposed nominee’s name, biographical data and other information about the proposed nominee and the nominating stockholder(s) as required by our Bylaws, together with a consent from the proposed nominee to serve on the Board if nominated and elected. In addition, the stockholder giving such notice must provide their name, address, and the class and number of shares of capital stock of the corporation beneficially owned by such stockholder.

In carrying out its function to nominate candidates for election to our Board, the Nominating and Corporate Governance Committee considers the Board’s mix of skills, experience, character, commitment and diversity—diversity being broadly construed to mean a variety of opinions, perspectives and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements and needs of our Board at that point in time. In reviewing potential candidates, the Committee will also consider all relationships between any proposed nominee and any of our stockholders, competitors, customers, suppliers or other persons with a relationship to the Company. The Nominating and Corporate Governance Committee believes that each candidate should be an individual who has demonstrated integrity and ethics in such candidate’s personal and professional life,

has an understanding of elements relevant to the success of a publicly traded company and has established a record of professional accomplishment in such candidate's chosen field.

The Nominating and Corporate Governance Committee's methods for identifying candidates for election to our Board include the solicitation of ideas for possible candidates from a number of sources, including from members of our Board, our executive officers, individuals who our executive officers or Board members believe would be aware of candidates who would add value to our Board and through other research. The Nominating and Corporate Governance Committee may, from time to time, retain, for a fee, one or more third-party search firms to identify suitable candidates. The Nominating and Corporate Governance Committee will consider all candidates identified through the processes described above, and will evaluate each candidate, including incumbents, based on the same criteria.

The Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating and Corporate Governance Committee believe that it is essential that the Board members represent diverse viewpoints.

The Nominating and Corporate Governance Committee has the following policy with regard to the consideration of any director candidates recommended by security holders for the 2014 annual meeting of stockholders (subject to legal rights, if any, of third parties to nominate or appoint directors):

- A stockholder wishing to nominate a candidate for election to the Board at the next annual meeting is required to give written notice addressed to BioLife Solutions, Inc., 3303 Monte Villa Parkway, Suite 310, Bothell, Washington 98021, Attn: Corporate Secretary, of his or her intention to make such a nomination. The notice of nomination must be received by the Corporate Secretary at this address not less than 45 days nor earlier than 90 days prior to the date of the next annual meeting, in accordance with our Bylaws, in order to be considered for nomination at the next annual meeting; provided, however, that in the event that less than 55 days' notice or prior public disclosure of the date of the next annual meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the date on which such notice of the date of the next annual meeting is mailed or such public disclosure is made.
- The notice of nomination must include the nominee's name, age, business address, residence address, principal occupation or employment, and any other information required by Section 3.3 of our Bylaws or by applicable laws or regulations. A nomination that does not comply with these requirements will not be considered.

Number of Meetings

The Board held a total of four meetings during 2012. Our Audit Committee and Compensation Committee held four and three meetings, respectively, during 2012. Our Nominating and Corporate Governance Committee did not meet during 2012. Each incumbent director attended 75% or more of the aggregate of (i) the total number Board meetings (during the period that he served) and (ii) the total number of Board committee meetings (during the periods that he served).

Board Member Attendance at Annual Stockholder Meetings

Although we do not have a formal policy regarding director attendance at annual stockholder meetings, directors are encouraged to attend these annual meetings absent extenuating circumstances. We did not hold an annual meeting of stockholders in 2012.

Director Compensation

Non-employee directors were compensated with a quarterly retainer fee of \$1,500. The Audit Committee Chairman was compensated an additional quarterly retainer fee of \$2,000. All non-employee directors receive \$1,000 per meeting for attending board meetings in person and \$500 per meeting for attending board meetings telephonically. Non-employee Directors who attend audit committee and the compensation committee meetings in person or telephonically receive \$500 per meeting. We believe in sound corporate governance practices and have always encouraged our employees, including officers and directors to conduct business in an honest and ethical manner. Additionally, it has always been our policy to comply with all applicable laws and provide accurate and timely disclosure.

Accordingly, the Board has adopted a formal written code of ethics for all employees. The Board has adopted an additional corporate code of ethics for its Chief Executive Officer, Chief Financial Officer and other senior financial officers, which is intended to be a “code of ethics” as defined by applicable SEC rules. The Code of Ethics is publicly available on our website at <http://biolifesolutions.com/biopreservation-media/CODE-OF-ETHICS-FOR-CEO-AND-SENIOR-FINANCIAL-OFFICERS1>. The code of ethics is designed to deter wrongdoing and promote honest and ethical conduct and compliance with applicable laws and regulations. These codes also incorporate what we expect from our executives so as to enable us to provide accurate and timely disclosure in our filings with the Securities and Exchange Commission and other public communications. The Board intends to review the code of ethics this year to ensure compliance with applicable laws and regulations. Any amendments made to the Code of Ethics will be available on our website.

Facility Agreement

On January 11, 2008, we entered into a Secured Convertible Multi-Draw Term Loan Facility Agreement (the “Facility Agreement”) with each of Thomas Girschweiler, a director and stockholder of the Company, and Walter Villiger, an affiliate of the Company (the “Investors”), pursuant to which each Investor extended to the Company a secured convertible multi-draw term loan facility of \$2,500,000, which Facility (a) incorporated (i) a refinancing of then existing indebtedness of the Company to the Investor, and accrued interest thereon, in the aggregate amount of \$1,431,563.30, (ii) a then current advance of \$300,000, and (iii) a commitment to advance to the Company, from time to time, additional amounts up to a maximum of \$768,436.70, (b) bears interest at the rate of 7% per annum on the principal balance outstanding from time to time, (c) is evidenced by a secured convertible multi-draw term loan note (the “Multi-Draw Term Loan Note”), which was due and payable, together with accrued interest thereon, the earlier of (i) January 11, 2010, or (ii) an Event of Default (as defined in the Multi-Draw Term Loan Note), (d) if outstanding at the time of any bona fide equity financing of the Company of at least Two Million Dollars (\$2,000,000) (a “Financing”), at the option of the Investor, could be converted into that number of fully paid and non-assessable shares or units of the equity security(ies) of the Company sold in the Financing (“New Equity Securities”) as is equal to the quotient obtained by dividing the principal amount of the Facility outstanding at the time of the conversion plus accrued interest thereon by 85% of the per share or per unit purchase price of the New Equity Securities, and (e) is secured by all of the Company’s assets. In 2009, the conversion feature was eliminated from the Facility.

In May and July 2008, we received \$1,000,000 in total from the Investors pursuant to the Multi-Draw Term Loan Facility. On October 20, 2008, each Facility was increased by \$2,000,000 to \$4,500,000 (an aggregate of \$9,000,000), and, on October 24, 2008, we received \$600,000 in total from the Investors pursuant to the amended Multi-Draw Loan Facilities. In 2009, we received an additional \$2,825,000 in total from the Investors pursuant to the amended

Facilities. In December 2009, the Investors extended the repayment date to January 11, 2011. On November 16, 2010, each Facility was increased by \$250,000 to \$4,750,000 (an aggregate of \$9,500,000) and the Investors granted an extension of the repayment date to January 11, 2013. In 2010, we received \$1,145,000 in total from the Investors pursuant to the amended Facilities. In 2011, we received \$1,095,000 in total from the Investors pursuant to the amended Facilities. In August 2011 the Company entered into an Amendment to its Facility Agreement with each of the Investors, pursuant to which the amount of each of the Investor's Facility was increased to \$5,250,000. The Note previously delivered to each of the Investors also was amended to reflect the changes to the Facility Agreement. In consideration of such amendments, the Company issued to each of the Investors a five-year warrant to purchase 1,000,000 shares of the Company's Common Stock, par value \$0.001 per share, at a price of \$0.063 per share. On May 30, 2012, each Facility was increased to \$5,750,000 (an aggregate of \$11,500,000) and Investors granted an extension of the repayment date to January 11, 2016. The Note previously delivered to each of the Investors also was amended to reflect the changes to the Facility Agreement. In consideration of such amendments, the Company issued to each of the Investors a five-year warrant to purchase 1,000,000 shares of the Company's Common Stock, par value \$0.001 per share, at a price of \$0.08 per share.

PROPOSALS

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Overview

There are currently six members of our Board, all of whom have been nominated for election.

Nominees

Upon the recommendation of our Nominating and Corporate Governance Committee, the Board has nominated the following individuals to serve until his successor is duly elected and qualified, unless he resigns, is removed or otherwise is disqualified from serving as a director of the Company:

Michael Rice
Roderick de Greef
Thomas Girschweiler
Raymond Cohen
Andrew Hinson
Rick Stewart

Vote Required

A plurality of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors will be required to elect Board nominees. The six nominees receiving the highest number of affirmative votes cast at the Annual Meeting will be the elected as our directors. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Recommendation

The Board recommends that stockholders vote FOR the election of each of the above-listed nominees.

Unless marked otherwise, proxies received will be voted FOR the election of each of these director nominees.

PROPOSAL NO. 2 – APPROVAL OF THE COMPENSATION OF NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enables our stockholders to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with applicable SEC rules.

Our goal for our executive compensation program is to attract, motivate and retain a talented team of executives who will provide leadership for our success, and thereby increase stockholder value. We believe that our executive compensation program satisfies this goal and is strongly aligned with the long-term interests of our stockholders. We urge stockholders to read the section titled “Executive Compensation” elsewhere in this proxy statement for additional details about our executive compensation programs, including information about the compensation of our named executive officers in 2012.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers described in this proxy statement. Accordingly, we will ask our stockholders to vote FOR the following resolution at the Annual Meeting:

“RESOLVED, that the stockholders of BioLife Solutions, Inc. approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the BioLife Solutions proxy statement for the 2013 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC.”

This say-on-pay vote is advisory, and therefore, is not binding on us, our Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our stockholders, and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we may review and consider the results of this advisory vote in future compensation deliberations.

Vote Required

The approval, on an advisory basis, of the stockholders by a majority of the votes properly cast at the meeting is being sought to approve the compensation of our named executive officers as disclosed in this proxy statement.

Recommendation

Our Board recommends that stockholders vote FOR the approval of the compensation of our named executive officers as disclosed in this proxy statement.

Unless marked otherwise, proxies received will be voted FOR the approval of the compensation of our named executive officers as disclosed in this proxy statement.

PROPOSAL NO. 3 – APPROVAL OF THE FREQUENCY OF FUTURE ADVISORY VOTES ON NAMED EXECUTIVE OFFICER COMPENSATION

Under the Dodd-Frank Act, public companies are generally required to include in their proxy solicitations at least once every six years an advisory vote on whether an advisory vote on named executive officer compensation (such as the say-on-pay proposal that is included in this proxy statement) should occur every one, two or three years. It is management's belief, and the recommendation of our Board, that this non-binding advisory vote should occur every three years.

We believe we have effective executive compensation practices. Our Board believes that providing our stockholders with an advisory vote on named executive officer compensation every three years will encourage a long-term approach to evaluating our executive compensation policies and practices. In contrast, focusing on executive compensation over an annual or biennial period would focus on short-term results rather than long-term value creation, which is inconsistent with our compensation philosophy, and could be detrimental to us, our employees and our financial results.

Moreover, our Board does not believe that a short review cycle will allow for a meaningful evaluation of our performance against our compensation practices, as any adjustment in pay practices would take time to implement and to be reflected in our financial performance and in the price of our Common Stock. As a result, an advisory vote on executive compensation more frequently than every three years would not, in our judgment, allow stockholders to compare executive compensation to our performance.

Lastly, we believe that conducting an advisory vote on executive compensation every three years would allow us adequate time to compile meaningful input from stockholders on our pay practices and respond appropriately. This would be more difficult to do on an annual or biennial basis, and we believe that both we and our stockholders would benefit from having more time for a thoughtful and constructive analysis and review of our compensation policies.

For the above reasons, our Board recommends that stockholders approve holding an advisory vote on named executive officer compensation every three years.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years, or you may abstain from voting when you vote in response to the resolution set forth below.

“RESOLVED, that the option of once every year, two years, or three years, that receives the highest number of votes cast for this resolution will be determined to be the stockholders' preferred frequency with which BioLife Solutions, Inc. is to hold a stockholder advisory vote regarding the executive compensation of its named executive officers, as disclosed pursuant to the SEC's compensation disclosure rules.”

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on the compensation of our named executive officers that has been selected by stockholders. However, because the vote on this Proposal is only advisory in nature and is not binding on us or our Board, our Board will review and consider the results of the vote, but may decide that it is in our best interests and the best interests of our stockholders to hold an advisory vote on the compensation of our named executive officers more or less frequently than the option approved by our stockholders.

Vote Required

The approval, on an advisory basis, of the holders of the shares of Common Stock present or represented and entitled to vote at the meeting is being sought on the frequency of conducting stockholder advisory votes on the compensation

of named executive officers. The four voting options are 1 year, 2 years, 3 years and abstain. The stockholder advisory vote will be determined by which option, 1, 2 or 3 years, garners the most votes.

Recommendation of Our Board

Our Board recommends that stockholders vote FOR conducting future stockholder advisory votes on the compensation of named executive officers EVERY THREE YEARS.

Unless marked otherwise, proxies received will be voted FOR conducting future stockholder advisory votes on the compensation of named executive officers EVERY THREE YEARS.

PROPOSAL NO. 4 – APPROVAL OF THE 2013 PERFORMANCE INCENTIVE PLAN

Overview

We are seeking stockholder approval of our 2013 Performance Incentive Plan (the “2013 Plan”). We intend for the 2013 Plan to be our primary plan for providing equity incentive compensation to our eligible employees, directors and consultants. If the 2013 Plan is approved by our stockholders at the Annual Meeting, we will not make any additional awards under any of our other equity compensation plans. On April 25, 2013, the Board of Directors adopted the 2013 Plan, subject to stockholder approval.

Description of the 2013 Plan

The following is a summary of the principal features of the 2013 Plan. This summary is qualified in its entirety by reference to the full text of the 2013 Plan, which is attached as Appendix A to this Proxy Statement.

Purposes of the 2013 Plan. The purposes of the 2013 Plan are to enhance the ability of the Company and any parent or subsidiary corporation of the Company whether now existing or hereafter created or acquired (an “Affiliated Company”) to attract and retain the services of officers, qualified employees, directors and outside consultants and service providers to the Company, upon whose judgment, initiative and efforts the successful conduct and development of the Company’s businesses largely depends, and to provide additional incentives to such persons to devote their utmost effort and skill to the advancement and betterment of the Company, by providing them an opportunity to participate in the ownership of the Company and thereby have an interest in the success and increased value of the Company that coincides with the financial interests of the Company’s stockholders.

Shares Reserved for Issuance. Stockholder approval of the 2013 Plan will authorize us to issue up to an aggregate of 2,000,000 shares of common stock pursuant to options or restricted share awards granted under the 2013 Plan. In addition, the 2013 Plan provides that if an option granted under any of our other equity compensation plans is outstanding on the date of stockholder approval of the 2013 Plan and such option subsequently terminates or expires in accordance with its terms, the shares underlying such option which remain unexercised and unissued at the time of termination or expiration will become available for grant or issuance under the 2013 Plan; provided that not more than 450,000 shares of common stock may be issued pursuant to options that are designated “incentive stock options.”

In the event that all or any portion of any shares issued upon exercise of an option granted or offered under the 2013 Plan can no longer under any circumstances be exercised or purchased due to the forfeiture or cancellation of all or any portion of such option, the shares of common stock allocable to the unexercised portion of such option, will become available for grant or issuance under the 2013 Plan.

In the event that restricted shares offered under the 2013 Plan are reacquired by the Company, for any reason, the shares so reacquired will become available for grant or issuance under the 2013 Plan.

In the event that all or any portion of any shares issued upon exercise of an option granted or offered under the 2013 Plan are reacquired by the Company for any reason other than the cancellation or forfeiture of all or any portion of such option, the shares of common stock allocable to the reacquired portion of such option, will not become available for grant or issuance under the 2013 Plan.

Additionally, the number of shares available for issuance under the 2013 Plan will be subject to adjustment in the event of a recapitalization, stock split, combination of shares, reclassification, stock dividend, or other similar change in the capital structure of the Company.

Administration. The 2013 Plan is to be administered by an “Administrator,” which, under the 2013 Plan, shall be either the Board of Directors or a committee appointed by the Board of Directors, or the Chief Executive Officer of the Company in the circumstances described below. Subject to the provisions of the 2013 Plan, the Administrator has full authority to implement, administer and make all determinations necessary under the 2013 Plan.

The Board of Directors or a committee appointed by the Board of Directors may delegate to the Chief Executive Officer of the Company the authority to (i) designate new employees of the Company or an Affiliated Company who are not officers of the Company to be the recipient of options or restricted share awards, and (ii) determine the number of shares of common stock to be subject to such options or restricted share awards; provided, however, that the resolutions of Board of Directors regarding such delegation of authority or an employee compensation program approved by the Board of Directors or committee appointed by the Board of Directors shall specify the maximum number of shares of common stock that may be subject to any option or restricted share award granted by the Chief Executive Officer depending upon the employee group of such new employee. The Chief Executive Officer, however, may not grant options to himself, or any other officer of the Company.

Subject to applicable law, the Board of Directors may from time to time alter, amend, suspend or terminate the 2013 Plan in such respects as the Board of Directors may deem advisable; provided, however, that no such alteration, amendment, suspension or termination shall be made that would substantially affect or impair the rights of any person under any outstanding option or restricted share award without his or her consent. Unless previously terminated by the Board of Directors, the 2013 Plan will terminate on April 25, 2023.

Eligibility. The 2013 Plan provides that awards may be granted to employees, officers, directors, consultants, independent contractors and advisors of the Company or an Affiliated Company, as may be determined by the Administrator. In no event may any individual be granted options under the 2013 Plan for more than 450,000 shares of our common stock in any one calendar year. However, in connection with his or her initial service to the Company, an individual may be eligible to be granted options for up to 450,000 shares of our common stock during the calendar year which includes such individual's initial service to the Company.

The actual number of individuals who will receive awards under the 2013 Plan cannot be determined in advance because the Administrator has discretion to select the participants. Nevertheless, as of April 30, 2013, 12 officers and directors of the Company and approximately 20 other employees of the Company would be eligible to participate in the 2013 Plan.

Terms of Options. As discussed above, the Administrator determines many of the terms and conditions of awards granted under the 2013 Plan, including whether an option will be an "incentive stock option" (ISO) or a "non-qualified stock option" (NQSO). Each option is evidenced by an agreement in such form as the Administrator approves and is subject to the following conditions (as described in further detail in the 2013 Plan):

- **Vesting and Exercisability:** Options become vested and exercisable within such periods and subject to such conditions as determined by the Administrator and as set forth in the related stock option agreement, provided that options must expire no later than ten years from the date of grant (five years with respect to an ISO granted to an optionee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or an Affiliated Company (a "10% Stockholder")).
- **Exercise Price:** The exercise price of options shall not be less than the fair market value of a share of common stock at the time the option is granted. The exercise price of any ISO granted to a 10% Stockholder shall not be less than 110% of the fair market value of a share of common stock at the time of grant, subject to limited exception.
- **Method of Exercise:** Payment of the exercise price may be made, in the discretion of the Administrator and subject to any legal restrictions, in cash, by check, by delivery of shares of our common stock, by waiver of compensation due or accrued to the optionee for services rendered, or any combination of the foregoing methods of payment or any other consideration or method of payment as shall be permitted by the Administrator and applicable law.
-

Termination of Service: Options cease vesting on the date of termination of service or the death or disability of the optionee, unless specified as otherwise in individual employment agreements. Options granted under the 2013 Plan generally expire three months after the termination of the optionee's service, except in the case of death or disability, in which case the awards generally may be exercised up to 12 months following the date of death or termination of service due to disability. However, if the optionee is terminated for cause (e.g., for committing an alleged criminal act or intentional tort against the Company), the Administrator may cause the optionee's options to expire upon termination. In addition, if a blackout applies to the optionee on the last trading day during the three-month post-termination exercise period, the option will generally be exercisable until the tenth day following the expiration of the blackout.

- **Cancellation and Rescission:** Any unexpired, unpaid or deferred options may be cancelled, rescinded, suspended, withheld or otherwise limited or restricted by the Administrator at any time, unless otherwise specified in the related stock option agreement, if the optionee is not in compliance with all applicable provisions of the related stock option agreement and the 2013 Plan, or if the optionee engages in any: (i) unauthorized disclosure to anyone outside the Company, or unauthorized use in other than the Company's business, of any confidential information or material relating to the Company's business, acquired by the optionee either during or after employment with the Company; (ii) failure or refusal to promptly disclose and assign to the Company all right, title and interest in any invention or idea made or conceived by the optionee during employment with the Company that relates in any manner to the actual or anticipated business, research or development work of the Company; or (iii) activity that results in termination of the optionee's employment for cause.
- **Change in Control:** In the event of a change in control of the Company (as defined in the 2013 Plan), vesting of options will accelerate automatically unless the options are to be assumed by the acquiring or successor entity (or parent thereof) or replaced by such entity with new options or other incentives with such terms and provisions as the Administrator in its discretion may consider equitable. In addition, the Administrator may at its discretion provide for other vesting arrangements in option agreements, including arrangements which provide for full acceleration of vesting upon a change in control whether or not the acquiring entity agrees to assume or substitute for existing options in such change in control.
- **Additional Restrictions.** No ISOs may be granted to an optionee under the 2013 Plan if the aggregate fair market value (determined at the time of grant) of the common stock, with respect to which ISOs first become exercisable by such optionee in any calendar year under any equity compensation plan of the Company or an Affiliated Company, exceeds \$100,000. Options are nontransferable, other than by will or the laws of descent and distribution or in any manner permitted by the Administrator that is not prohibited by applicable law; provided, however, that no option shall be assignable or transferable in exchange for consideration.

Terms of Restricted Stock Awards. Each restricted share award is evidenced by a restricted stock purchase agreement in such form as the Administrator approves and is subject to the following conditions (as described in further detail in the 2013 Plan):

- **Vesting.** Shares subject to a restricted share award may become vested over time or upon completion of performance goals set out in advance.
- **Purchase Price.** Each restricted stock purchase agreement states the purchase price, which may not be less than the minimum lawful amount under applicable state law. Payment of the purchase price, if any, may be made, in the discretion of the Administrator and subject to any legal restrictions, in cash, by check, by delivery of shares of our common stock, by waiver of compensation due or accrued to the participant for services rendered, or any combination of the foregoing methods of payment or any other consideration or method of payment as shall be permitted by the Administrator and applicable corporate law. Without limiting the generality of the foregoing, the Administrator may determine to issue restricted shares as consideration for continued employment or the achievement of specified performance goals or objectives.
- **Termination of Service.** Restricted share awards shall cease to vest immediately if a participant is terminated for any reason, unless otherwise provided in the applicable restricted stock purchase agreement or unless otherwise determined by the Administrator, and we will generally have the right to repurchase any unvested shares subject thereto for the original purchase price paid by the participant.
- **Change of Control.** In the event of a change in control of the Company (as defined in the 2013 Plan), restricted share awards will generally be treated in the same manner as options under the 2013 Plan, as described under "Terms

of Options”, “Change in Control” above.

- **Additional Restrictions.** Restricted shares are nontransferable except as specifically provided in the restricted stock purchase agreement and in certain limited circumstances provided in the 2013 Plan.

New Plan Benefits

Future awards to our executive officers and other employees are discretionary. At this time, therefore, the benefits that may be received by our executive officers and other employees if our stockholders approve the 2013 Plan cannot be determined. Because the value of common stock issuable to our non-executive directors under the 2013 Plan will depend on the fair market value of our common stock at future dates, it is not possible to determine exactly the benefits that might be received by our non-executive directors under the 2013 Plan.

Summary of Federal Income Tax Consequences of the 2013 Plan

The following is a brief summary of certain federal income tax consequences of participation in the 2013 Plan. The summary should not be relied upon as being a complete statement of all possible federal income tax consequences. Federal tax laws are complex and subject to change. Participation in the 2013 Plan may also have consequences under state and local tax laws which vary from the federal tax consequences described below. For such reasons, we recommend that each participant consult his or her personal tax advisor to determine the specific tax consequences applicable to him or her.

Incentive Stock Options. No taxable income will be recognized by an optionee under the 2013 Plan upon either the grant or the exercise of an ISO. Instead, a taxable event will occur upon the sale or other disposition of the shares acquired upon exercise of an ISO, and the tax treatment of the gain or loss realized will depend upon how long the shares were held before their sale or disposition. If a sale or other disposition of the shares received upon the exercise of an ISO occurs more than (i) one year after the date of exercise of the option and (ii) two years after the date of grant of the option, the holder will recognize long-term capital gain or loss at the time of sale equal to the full amount of the difference between the proceeds realized and the exercise price paid. However, a sale, exchange, gift or other transfer of legal title of such stock (other than certain transfers upon the optionee's death) before the expiration of either of the one-year or two-year periods described above will constitute a "disqualifying disposition." A disqualifying disposition involving a sale or exchange will result in ordinary income to the optionee in an amount equal to the lesser of (i) the fair market value of the stock on the date of exercise minus the exercise price or (ii) the amount realized on disposition minus the exercise price. If the amount realized in a disqualifying disposition exceeds the fair market value of the stock on the date of exercise, the gain realized in excess of the amount taxed as ordinary income as indicated above will be taxed as capital gain. A disqualifying disposition as a result of a gift will result in ordinary income to the optionee in an amount equal to the difference between the exercise price and the fair market value of the stock on the date of exercise. Any loss realized upon a disqualifying disposition will be treated as a capital loss. Capital gains and losses resulting from disqualifying dispositions will be treated as long-term or short-term depending upon whether the shares were held for more or less than the applicable statutory holding period (which currently is more than one year for long-term capital gains). We will be entitled to a tax deduction in an amount equal to the ordinary income recognized by the optionee as a result of a disposition of the shares received upon exercise of an ISO.

The exercise of an ISO may result in an "adjustment" for purposes of the "alternative minimum tax." Alternative minimum tax is imposed on an individual's income only if the amount of the alternative minimum tax exceeds the individual's regular tax for the year. For purposes of computing alternative minimum tax, the excess of the fair market value on the date of exercise of the shares received on exercise of an ISO over the exercise price paid is included in alternative minimum taxable income in the year the option is exercised. An optionee who is subject to alternative minimum tax in the year of exercise of an ISO may claim as a credit against the optionee's regular tax liability in future years the amount of alternative minimum tax paid which is attributable to the exercise of the ISO. This credit is available in the first year following the year of exercise in which the optionee has regular tax liability.

Non-qualified Stock Options. No taxable income is recognized by an optionee upon the grant of a NQSO. Upon exercise, however, the optionee will recognize ordinary income in the amount by which the fair market value of the shares purchased, on the date of exercise, exceeds the exercise price paid for such shares. The income recognized by the optionee who is an employee will be subject to income tax withholding by the Company out of the optionee's current compensation. If such compensation is insufficient to pay the taxes due, the optionee will be required to make a direct payment to us for the balance of the tax withholding obligation. We will be entitled to a tax deduction equal to the amount of ordinary income recognized by the optionee, provided that certain reporting requirements are satisfied. If the exercise price of a NQSO is paid by the optionee in cash, the tax basis of the shares acquired will be equal to the cash paid plus the amount of income recognized by the optionee as a result of such exercise. If the exercise price is paid by delivering shares of our common stock already owned by the optionee or by a combination of cash and

already-owned shares, there will be no current taxable gain or loss recognized by the optionee on the already-owned shares exchanged (however, the optionee will nevertheless recognize ordinary income to the extent that the fair market value of the shares purchased on the date of exercise exceeds the price paid, as described above). The new shares received by the optionee, up to the number of the old shares exchanged, will have the same tax basis and holding period as the optionee's basis and holding period in the old shares. The balance of the new shares received will have a tax basis equal to any cash paid by the optionee plus the amount of income recognized by the optionee as a result of such exercise, and will have a holding period commencing with the date of exercise. Upon the sale or disposition of shares acquired pursuant to the exercise of a NQSO, the difference between the proceeds realized and the optionee's basis in the shares will be a capital gain or loss and will be treated as long-term capital gain or loss if the shares have been held for more than the applicable statutory holding period (which is currently more than one year for long-term capital gains).

Restricted Shares. If no Section 83(b) election is made and repurchase rights are retained by the Company, a taxable event will occur on each date the participant's ownership rights vest (e.g., when our repurchase rights expire) as to the number of shares that vest on that date, and the holding period for capital gain purposes will not commence until the date the shares vest. The participant will recognize ordinary income on each date shares vest in an amount equal to the excess of the fair market value of such shares on that date over the amount paid for such shares. Any income recognized by a participant who is an employee will be subject to income tax withholding by us out of the participant's current compensation. If such compensation is insufficient to cover the amount to be withheld, the participant will be required to make a direct payment to us for the balance of the tax withholding obligation. We are entitled to a tax deduction in an amount equal to the ordinary income recognized by the participant. The participant's basis in the shares will be equal to the purchase price, if any, increased by the amount of ordinary income recognized.

If a Section 83(b) election is made within 30 days after the date of transfer, or if no repurchase rights are retained by us, then the participant will recognize ordinary income on the date of purchase in an amount equal to the excess of the fair market value of such shares on the date of purchase over the purchase price paid for such shares.

Tax Withholding. Under the 2013 Plan, we have the power to withhold, or require a participant to remit to us, an amount sufficient to satisfy federal, state, local or foreign withholding tax requirements with respect to any options exercised or restricted shares granted under the 2013 Plan. To the extent permissible under applicable tax, securities, and other laws, the Administrator may, in its sole discretion, permit a participant to satisfy an obligation to pay any tax to any governmental entity in respect of any option or restricted shares up to an amount determined on the basis of the lowest marginal tax rate applicable to such participant, in whole or in part, by (i) directing us to apply shares of common stock to which the participant is entitled as a result of the exercise of an option or as a result of the lapse of restrictions on restricted shares, or (ii) delivering to us shares of common stock owned by the participant.
