Item 1.01 Entry into a Material Definitive Agreement.

Unit Purchase Agreement

Legacy Reserves LP (the “Partnership”) entered into a Unit Purchase Agreement (the “Purchase Agreement”), dated effective as of November 7, 2007, with Legacy Reserves GP, LLC and certain institutional investors (the “Purchasers”) to sell an aggregate of 3,642,369 units representing limited partner interests in the Partnership (the “Units”) in a private placement (the “Private Placement”). The negotiated purchase price for the Units in the Purchase Agreement was \$20.50 per unit, or approximately \$75 million in the aggregate.

The Private Placement closed, and 3,642,369 Units were issued, on November 8, 2007. The Partnership will use the net proceeds from the Private Placement primarily to reduce debt currently outstanding under the Credit Agreement dated as of March 15, 2006, as amended, with BNP Paribas, as administrative agent, and other financial institutions party thereto. The borrowings were used to finance the acquisition of properties in the Texas Panhandle and Permian Basin which closed during October 2007 for approximately \$74 million. The Private Placement pursuant to the Purchase Agreement is being made in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(2) thereof.

Pursuant to the Purchase Agreement, the Partnership also agreed to indemnify the Purchasers, and their respective affiliates, officers, directors, employees and other representatives against certain losses resulting from any breach of the Partnership’s representations, warranties or covenants contained therein.

The foregoing descriptions of the Purchase Agreement is not complete and is qualified in its entirety by reference to the full and complete terms of the Purchase Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1 and is incorporated by reference into this Item 1.01.

Registration Rights Agreement

In connection with the Purchase Agreement, the Partnership also entered into a Registration Rights Agreement dated November 8, 2007 (the “Registration Rights Agreement”) with the Purchasers. The Registration Rights Agreement requires the Partnership to file a shelf registration statement with the Securities and Exchange Commission (“SEC”) to register the Units as soon as practicable after the closing date of the Private Placement, but in any event within 90 days after the closing, which occurred on November 8, 2007. In addition, the Registration Rights Agreement requires the Partnership to use its commercially reasonable efforts to cause the shelf registration statement to become effective no later than 180 days after the closing date of the Private Placement (the “Target Effective Date”). If the registration statement covering the Units is not declared effective by the SEC within 180 days after the closing date of the Private Placement (the “Target Effective Date”), then the Partnership will be liable to each Purchaser for liquidated damages, and not as a penalty, of 0.25% of the product of \$20.50 (the purchase price) times the number of Units purchased by the Purchaser (the “Liquidated Damages Amount”) per the 30-day period for the first 30 days following the Target Effective Date, increasing by an additional 0.25% of the Liquidated Damages Amount per each non-overlapping 30-day period for each subsequent 30-day period subsequent to the 30 days following the Target Effective Date, up to a maximum of 1.00% of the Liquidated Damages Amount per each non-overlapping 30-day period (i.e., 0.25% for 1-30 days; 0.5% for 31-60 days; 0.75% for 61-90 days; and 1.0% thereafter); *provided*, that the aggregate amount of liquidated damages payable by the Partnership under the Registration Rights Agreement to each Purchaser shall not exceed 10.0% of the Liquidated Damages Amount with respect to such Purchaser. The Registration Rights Agreement also provides for the payment of liquidated damages in the event the Partnership suspends the use of the shelf registration statement in excess of permitted periods.

The Registration Rights Agreement also gives certain Purchasers piggyback registration rights with other shelf registration statements under certain circumstances.

The foregoing description of the Registration Rights Agreement is not complete and is qualified in its entirety by reference to the full and complete terms of the Registration Rights Agreement, which is attached to this Current Report on Form 8-K as Exhibit 4.1 and is incorporated by reference into this Item 1.01.
