#### Information on the Company

The business of the Bank is substantially the same as the business of Credit Suisse Group, which is described in “Item 4 – Information on the company” in the Group’s 2006 20-F. Substantially all of the Bank’s operations are conducted through the Investment Banking, Private Banking and Asset Management segments.

Certain other assets, liabilities and results of operations that are associated with the three segments are not included in the Bank’s condensed consolidated balance sheets and statements of income. In 2007 these related principally to the activities of Clariden Leu, Neue Aargauer Bank and BANK-now. Prior to 2007, BANK-now was a subsidiary of the Bank and accordingly its results of operations through December 31, 2006 were included in the Bank’s consolidated statements of income. The results of operations of these entities, which are managed, but not legally owned, by the Bank are included in the Bank’s Private Banking segment but not reflected in the Bank’s consolidated statements of

income.

Differences between the Group and the Bank businesses

Entity	Principal business activity
Clariden Leu <sup>1</sup>	Banking and securities
Neue Aargauer Bank	Banking (in the Swiss canton of Aargau)
BANK-now <sup>2</sup>	Private credit and car leasing (in Switzerland)
Financing vehicles of the Group	Special purpose vehicles for various funding activities of the Group, including for purposes of raising consolidated capital

<sup>1</sup> Formed as of January 1, 2007 by the merger of the private banks Clariden Bank, Bank Leu, Bank Hofmann and BGP Banca die Gestione Patrimoniale, and the securities dealer Credit Suisse Fides. <sup>2</sup> Formed as of January 3, 2007 as a subsidiary of Credit Suisse Group. The operations comprising BANK-now were previously recorded in the Bank.

In addition, the Group has certain financing activities that are not in the Bank's consolidated balance sheets and statements of income. All of these activities vary from period to period and give rise to differences between the Bank's aggregate assets, liabilities and results of operations and those of the Group.

Operating and financial review and prospects

The Bank's operating results, cash flows and prospects are substantially the same as the results from continuing operations, cash flows from continuing operations and prospects of the Group. The Bank operates through the same operating segments as the Group and these segment results are included in Core Results. These are described in Core Results in the Group's fourth quarter 2007 Financial Review (Credit Suisse Financial Review 4Q07), which was filed with the SEC on February 12, 2008 on Form 6-K.

Legal proceedings

The Bank is involved in a number of judicial, regulatory and arbitration proceedings concerning matters arising in connection with the conduct of its businesses. Some of these actions have been brought on behalf of various classes of claimants and seek damages of material and/or indeterminate amounts. The Group believes, based on currently available information and advice of counsel, that the results of such proceedings, in the aggregate, will not have a material adverse effect on the Bank's financial condition but might be material to operating results for any particular period, depending, in part, upon the operating results for such period.

Information on the Bank's legal proceedings is set forth in "Note 23 – Litigation" in the Notes to the condensed consolidated financial statements in the Credit Suisse Financial Statements 4Q07.

#### Mortgage-related matters

Credit Suisse Securities (USA) LLC (CSS LLC) and certain of its affiliates have received subpoenas and requests for information from certain regulators regarding the origination, purchase, securitization and servicing of subprime and non-subprime residential mortgages and related issues. CSS LLC and its affiliates are cooperating with such inquiries and requests. CSS LLC and certain of its affiliates have also been named as defendants in various civil litigation matters related to the residential mortgage business, including a purported class action related to CSS LLC's role as an underwriter of certain offerings of mortgage pass-through certificates for a subsidiary of Countrywide Financial Corp., and an action filed by the City of Cleveland against numerous financial institutions, including CSS LLC, alleging that the defendants' activities in connection with securitizations of subprime mortgages created a "public nuisance" in the City of Cleveland.

#### Quantitative disclosure about market risk

Information on market risk and other information relating to the Bank's risk management (including its segments) are included in "Risk management" in the Credit Suisse Financial Review 4Q07.
