Item 8.01 Other Events

During its August 20, 2009 public meeting, the TVA Board of Directors approved a nine percent increase to the base rate charges in TVA's firm wholesale electric rates, effective October 1, 2009. The base rate action amounts to an approximately 8 percent increase in the total average firm wholesale rate. The total average firm wholesale rate includes the base rate and the fuel cost adjustment. In addition, the TVA Board of Directors approved during the same meeting a contribution of \$1 billion to the Tennessee Valley Authority Retirement System ("TVARS") for fiscal year 2010 and as an advance on contributions for fiscal year 2011 through fiscal year 2013. The TVA Board approved this contribution after the TVARS Board of Directors approved changes to the TVARS's rules to reduce the liabilities of TVARS by approximately \$300 million. These changes in the TVARS's rules will also be approved by TVA's Chief Executive Officer.
