The Proxy Statement and 2016 Annual Report to Shareholders are available at <http://www.banksc.com> and at <http://www.proxyvote.com>.

Who is Entitled to Vote?

The Board of Directors of the Company has fixed the close of business on February 23, 2017, as the record date for Shareholders entitled to notice of and to vote at the Annual Meeting of Shareholders. Only holders of record of Bank of South Carolina Corporation's Common Stock on that date are entitled to notice of and to vote at the Annual Meeting. Each Shareholder is entitled to one vote for each share of Bank of South Carolina Corporation Common Stock that the Shareholder owns; provided, however, that the Shareholders have cumulative voting rights for the election of Directors. The right to cumulate votes means that the Shareholders are entitled to multiply the number of votes they are entitled to cast by the number of Directors for whom they are entitled to vote and cast the product for a single candidate or distribute the product among two or more candidates. On February 23, 2017, there were 4,962,189 shares of Bank of South Carolina Corporation's Common Stock outstanding and entitled to vote at the Annual Meeting.

How Do I Vote?

If you are the "record holder" of your shares, meaning that you own your shares in your own name and not through a bank, broker or other nominee, you may vote in one of four ways.

1. ***You may vote over the Internet.*** If you have Internet access, you may vote your shares from any location in the world by following the "Vote by Internet" instructions on the enclosed proxy card.
2. ***You may vote by telephone.*** You may vote your shares by following the "Vote by Telephone" instructions on the enclosed proxy card.
3. ***You may vote by mail.*** You may vote by completing and signing the proxy card enclosed with this proxy statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States.
4. ***You may vote in person.*** If you attend the Annual Meeting, you may vote by delivering your completed proxy card in person.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all Shareholders of record on the voting record date an opportunity to vote on matters scheduled for the Annual Meeting and described in these materials. You are a Shareholder of record if your shares of Bank of South Carolina Corporation Common Stock are held in your name. If you are a beneficial owner of Bank of South Carolina Corporation Common Stock held by a broker, bank or other nominee (i.e., in “street name”), please see the instructions in the following question.

Shares of Bank of South Carolina Corporation Common Stock can only be voted if the Shareholder is present in person or by Proxy at the Annual Meeting. To ensure your representation at the Annual Meeting, the Board recommends that you vote by Proxy even if you plan to attend the Annual Meeting. You can always change your vote at the meeting if you are a Shareholder of record.

Voting instructions are included in this material. Shares of Bank of South Carolina Corporation Common Stock represented by properly executed Proxies will be voted by the individuals named on the Proxy (selected by The Board of Directors) in accordance with the Shareholder’s instructions. Where properly executed Proxies are returned with no specific instructions as how to vote at the Annual Meeting, the persons named in the Proxy will vote the shares “**For**” the proposals as recommended by the Board of Directors. If any other matters are properly presented at the Annual Meeting for action, the persons named in the enclosed Proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment.

As a Shareholder of Bank of South Carolina Corporation Common Stock, you may receive more than one Proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate Proxy cards to vote.

What if My Shares Are Held in Street Name?

If you hold your shares in street name, it is critical that you cast your vote if you want it to count in the election of Director Nominees. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of Directors, your bank or broker was allowed to vote those shares on your behalf as they deemed appropriate. Due to changes in regulations, your bank or broker no longer has the ability to vote your uninstructed shares on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of Directors, no votes will be cast on your behalf.

If your shares are held in street name, you will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or a letter from the record holder of your shares, are examples of proof of ownership. If you want to vote your shares of Common Stock held in street name in person at the Annual Meeting, you will have to get a written Proxy in your name from the broker, bank or other nominee who holds your shares.

The solicitation of Proxies on behalf of the Board of Directors is conducted by Directors, officers and regular employees of the Company and its wholly owned subsidiary, The Bank of South Carolina (the "Bank"), at no additional compensation over regular salaries. The cost of printing and mailing of all Proxy materials has been paid by the Company. Brokers and others involved in handling and forwarding the Proxy materials to their customers having beneficial interests in the stock of the Company registered in the names of Nominees will be reimbursed for their reasonable expenses in doing so.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by Proxy, of at least a majority of the shares of Bank of South Carolina Corporation Common Stock entitled to vote at the Annual Meeting as of the record date shall constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the Shareholders present or represented by Proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the meeting is adjourned for

30 days or more. An adjournment will have no effect on the business that may be conducted at the meeting.

Will Cumulative Voting Apply for the Election of Directors?

The solicitation of Proxies on behalf of the Board of Directors includes a solicitation for discretionary authority to cumulate votes.

How will votes be counted?

With respect to all proposals, shares will not be voted in favor of the matter, and will not be counted as voting on the matter, if they either (1) abstain from voting on a particular matter, or (2) are “broker non-votes.” Banks, brokers and other nominees who do not receive instructions with respect to Proposals 1 or 2 will not be allowed to vote these shares, and all such shares will be “broker non-votes” rather than votes “for” or “against.” Accordingly, abstentions and “broker non-votes” for a particular proposal will not be counted as votes cast to determine the outcome of a particular proposal. With respect to Proposal 1, the election of Directors of the Company, cumulative voting will be allowed and election will be by plurality of votes cast. With respect to Proposal 2, it will be approved if more votes are cast for the proposal than votes cast against.

May I Revoke My Proxy?

Any Shareholder executing a Proxy for the meeting on the Proxy Form provided may revoke the Proxy in writing delivered to the President of the Company prior to the meeting or by attending the meeting and voting in person.

PROPOSAL 1 – ELECTION OF DIRECTORS:

Our by-laws provide for a Board of Directors consisting of not fewer than 15 individuals and not more than 25 individuals. The number of Directors may be increased or decreased from time to time by majority vote of the Board of Directors or the Shareholders.

The Board of Directors proposes that the 17 nominees described below be elected for a new term expiring at the 2018 Annual Meeting of Shareholders or until their respective successors are duly elected and qualified. Each nominee has agreed to serve if elected. If any named nominee is unable to serve, the Board of Directors, upon the recommendation of the Nominating Committee, may select different nominees for election as Directors.

The name of each Nominee designated by the Board of Directors of the Company for election as a Director of the Company and certain information provided by such Nominee to the Company are set forth in the table below. Two of the current Nominees served as initial Directors of the Bank from October 22, 1986, when the Bank's charter was issued until the first Annual Meeting of Shareholders on April 14, 1987, and were elected to serve a one-year term at such Annual Meeting. These two Directors of the Bank were elected to serve one-year terms at subsequent Annual Meetings. Sass, an Executive Officer, and Elizabeth M. Hagood were first elected by the Shareholders on April 9, 2013, and were elected to serve a one-year term at subsequent Annual Meetings.

Karen J. Philips was recommended for nomination by the Nominating Committee of the Board of Directors. This recommendation was approved by the Board of Directors on January 26, 2017 and will be voted on at the 2017 Annual Meeting.

The Board of Directors believes that it is necessary for each of our Directors to possess many qualities and skills. When searching for new candidates, the Nominating Committee considers the evolving needs of the Board of Directors and searches for candidates that fill any current or anticipated future gap. The Board of Directors also believes that all Directors must possess a considerable amount of business management (such as experience as a Chief Executive Officer or Chief Financial Officer) and educational experience. The Nominating Committee first considers management experience and then considers issues of judgment, background, stature, conflicts of interest, integrity, ethics and commitment to the goal of maximizing Shareholder value when considering Director candidates. The Nominating Committee focuses on issues of diversity, such as diversity in gender, race and national origin, education, professional experience and differences in viewpoints and skills. The Nominating Committee does not have a formal policy with respect to diversity; however, the Board of Directors and the Nominating Committee believe that it is essential that the Board Members represent diverse viewpoints. In considering candidates for the Board of Directors, the Nominating Committee considers the entirety of each candidate's credentials in the context of these standards. With respect to the nomination of continuing Directors for re-election, the individual's contributions to the Board are also considered.

Certain information with respect to each of the nominees is set forth below, including his or her principal occupation, qualifications, and directorships during the past five years. The nominees were each recommended to the Board of Directors by the Nominating Committee whose goal is to assemble a Board that operates cohesively, encourages candid communication and discussion, and focuses on activities that help us maximize Shareholder value. The Nominating Committee also looks at the individual strengths of Directors, their ability to contribute to the Board, and whether their skills and experience complement those of the other Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” EACH OF THE NOMINEES.

**MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS
AND CORPORATE GOVERNANCE MATTERS**

Introduction

Bank of South Carolina Corporation's Board of Directors conducts its business through Board meetings and through its committees. Hugh C. Lane, Jr. presently serves as Chairman of the Board of Directors. The Board of Directors of the Company held 6 meetings (including all regularly scheduled and special meetings) during the year ended December 31, 2016. No Directors attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which they served.

Director Independence: The Board of Directors is comprised of a majority of independent Directors in compliance with SEC and National Association of Securities Dealers Automated Quotations (“NASDAQ”) rules. All members of the Audit and Compliance Committee, the Compensation Committee, and the Nominating Committee are independent pursuant to SEC and NASDAQ rules. The members of these committees do not have any relationship to The Bank of South Carolina or Bank of South Carolina Corporation that may interfere with the exercise of their independence from management. None of the members of these committees are current or former officers or employees of The Bank of South Carolina or Bank of South Carolina Corporation except for William L. Hiott, Jr., who retired from The Bank of South Carolina in April 2010 and Sheryl G. Sharry, who retired from the Bank of South Carolina in April 2016. All members of the Board of Directors are independent except Hugh C. Lane, Jr., Chairman of the Board, Fleetwood S. Hassell, President/Chief Executive Officer, Douglas H. Board of Directors

Our Board of Directors conducts its business through meetings and through its committees. Hugh C. Lane, Jr., presently serves as Chairman of the Board. The Board of Directors held 6 meetings (including all regularly scheduled and special meetings) during the year ended December 31, 2016.

Board Leadership Structure

The Board of Directors believes that Hugh C. Lane, Jr., is best situated to serve as Chairman of the Board because he is the Director most familiar with our business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy.

Independent Directors and management have different perspectives and roles in strategy development. Our independent Directors bring experience, oversight and expertise from outside the company and industry, while Hugh C. Lane, Jr., brings company-specific experience and expertise. The Board of Directors believe that the combined experience as Chairman of the Board and past President/Chief Executive Officer promotes strategy development and executions, and facilitates information flow between management and the Board of Directors, which are essential to effective governance.

One of the key responsibilities of the Board of Directors is to develop strategic direction and hold management accountable for the execution of strategy once it is developed. The Board believes the combined role of the Chairman of the Board and an independent Lead Director, having the duties described below, is in the best interest of Shareholders as it provides the appropriate balance between strategy development and independent oversight of management.

Lead Director

Alan I. Nussbaum, MD, an independent Director was selected by the Board of Directors to serve as the Lead Director of all meetings of the non-management Directors held in executive session. Dr. Nussbaum has held this position since April 12, 2011. Non-management Directors of the Board of Directors are required to meet on a regular scheduled basis without the presence of management (IM-5605-2 NASDAQ Corporate Governance Rules). The Lead Director chairs these sessions.

Risk Management

The Board of Directors has an active role, as a whole and also at the committee level, in overseeing the management of our risks. The Board of Directors regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. The Audit and Compliance Committee oversees the management of financial risks. The Nominating Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks. In addition, Lauren Nilan, CPA, serves as Risk Management Officer/Vice President overseeing our internal controls.

Committees and Committee Charters

The Board of Directors has four committees: the Executive/Long-Range Planning Committee, the Compensation Committee, the Nominating Committee, and the Audit and Compliance Committee. Each committee serves in a dual capacity as a committee of the Company and the Bank.

The Audit and Compliance Committee is to be comprised of not less than four members of the Board or such larger number as approved by the Board of Directors. During 2016, the Audit and Compliance Committee held four meetings. Members are considered to be independent of the Company under applicable rules and regulations, including Rule 4200(a) (15) of the NASDAQ. The Board of Directors has determined that Linda J. Bradley McKee, PhD CPA, Chairman of the Audit and Compliance Committee, qualifies as a financial expert under the applicable guidelines of the Securities and Exchange Act.

The Audit and Compliance Committee operates under a written Charter adopted by the Board of Directors which is renewed and reassessed for adequacy on an annual basis. The Charter outlines the Committee's responsibilities for overseeing the entire audit function and appraising the effectiveness of internal and external audit efforts including: reviewing our financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities, and determining that all examinations required by law are performed. The Charter may be amended by the Board of Directors at any time. The most recent Audit and Compliance Committee charter may be obtained at our Internet website <http://www.banksc.com>.

The Audit and Compliance Committee recommends to the Board of Directors the appointment of the independent auditors for the next fiscal year, reviews and approves the auditors' audit plan, and reviews with the independent auditors the results of the audit and management's response.

Review of the Company's Audited Financial Statements for the Fiscal Year Ended December 31, 2016

Management is responsible for our internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and issuing a report thereon. The Audit and Compliance Committee's responsibility is to monitor and oversee the process.

In this context, the Audit and Compliance Committee has met and held discussions with management and Elliott Davis Decosimo, LLC, our independent auditors, in 2016. In discharging its oversight responsibility as to the audit process, the Audit and Compliance Committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") regarding the independent auditor's communications with the Audit and Compliance Committee concerning independence and has discussed with the independent auditors their independence from the Company and management. The Audit and Compliance Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of our internal controls. The Audit and Compliance Committee reviewed with the independent auditor their audit plans, audit scope and identification of audit risks.

The Audit and Compliance Committee reviewed and discussed with the independent auditors all communications required by generally accepted auditing standards, including those described in the Public Company Accounting Oversight Board's Auditing Standard ("AS") 16, as modified or supplemented, "Communications with Audit Committees," and Rule 2-07 of Regulation S-K, promulgated by the SEC, and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The Audit and Compliance Committee also discussed the results of the internal audit examinations.

The Audit and Compliance Committee reviewed and discussed the audited consolidated financial statements of Bank of South Carolina Corporation as of and for the year ended December 31, 2016, with management and the independent auditors.

Based on the above-mentioned review and discussion with management and the independent auditors, the Audit and Compliance Committee recommended to the Board of Directors that Bank of South Carolina Corporation's audited consolidated financial statements be included in its annual Report on Form 10-K for the year ended December 31, 2016, for the filing with the SEC. During 2016, the Committee appointed Elliott Davis Decosimo, LLC as our independent auditors for the year ending December 31, 2017.

Section 16A Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our Directors, Executive Officers and persons who own beneficially more than 10% of our outstanding common stock to file with the SEC initial reports of ownership and reports of changes in their ownership of our common stock. Directors, Executive Officers and greater than 10% Shareholders are required by SEC regulations to furnish us with copies of the forms they file. To our knowledge, no person beneficially owned more than 10% of our common stock during 2016. Based solely on a review of the copies of such reports furnished to us, during the fiscal year ended December 31, 2016, our Directors and Executive Officers complied with all applicable Section 16(a) filing requirements.

Executive Compensation-Compensation Discussion and Analysis

This section discusses our compensation program, including how it relates to the Executive Officers named in the compensation tables which follow in this section. The Executive Officers of the Company and the Bank consist of:

Fleetwood S. Hassell, President/Chief Executive Officer, Director

Hugh C. Lane, Jr., Chairman of the Board

Douglas H. Sass, Senior Lender/Executive Vice President, Director

Set forth below is an analysis of the objectives of our compensation program, the material compensation policy made under this program and the material factors that the Compensation Committee considers in making those decisions.

Overview of Compensation Program

The Compensation Committee of the Board of Directors, which consists solely of independent Directors, has the responsibility for developing, implementing and monitoring adherence to our compensation philosophies and program. Our compensation program is based upon the following philosophies:

preserve the financial strength, safety and soundness of the Company and the Bank;

reward and retain key personnel by compensating them in the midpoint salary ranges at comparable financial institutions and making them eligible for the Employee Stock Ownership Plan and Trust (“ESOP”) and the Omnibus Stock Incentive Plans; and

focus management on maximizing earnings while managing risk by maintaining high asset quality, managing interest rate risk within Board guidelines, emphasizing cost control, and maintaining appropriate levels of capital.

Our primary forms of compensation for Executive Officers include base salary, the ESOP, and the 1998 and 2010 Omnibus Stock Incentive Plans.

Base Salary

The Compensation Committee sets the base salary for the three Executive Officers. The Committee's objectives are:

to encourage the achievement of our long-range objectives by providing compensation that reflects the performance of the individual and the achievement of our objectives. The level of compensation shall be reasonable based upon our goals and objectives, normal and customary levels of compensation within the banking industry (taking into consideration geographic and competitive factors), our asset quality, capital level, operations and profitability, and the duties performed and responsibilities held by the individual.

to establish compensation guidelines that will attract and retain qualified personnel through an overall level of compensation opportunity that is competitive within the banking industry.

The following table sets forth all remuneration paid during the years ended December 31, 2016, 2015, and 2014 by the Bank to the Chairman of the Board of Directors and the two Executive officers of the Company and the Bank whose cash remuneration from the Bank exceeded \$100,000.00 dollars for their services in all capacities. Such Executive Officers receive no compensation from the Company as Executive Officers or as Directors or in any other capacity.

Employee Stock Ownership Plan and Trust Agreement

Eugene H. Walpole, IV, Fleetwood S. Hassell, Sheryl G. Sharry and Douglas H. Sass currently serve as Plan Administrators and as Trustees for the ESOP. Any employee of the Bank is eligible to become a participant in the ESOP upon reaching 21 years of age and credited with one-year of service (1,000 hours of service). The employee may enter the Plan on the January 1st that occurs nearest the date on which the employee first satisfies the age and service requirements described above. No contributions by employees are permitted. The amount and time of contributions to the Plan are at the sole discretion of the Board of Directors. The contribution for all participants is based solely on each participant’s respective regular or base salary and wages paid by the Bank including commissions, bonuses and overtime, if any.

The Board of Directors approved the contribution of \$345,000 to the ESOP for the fiscal year ended December 31, 2016. The contribution was made during 2016.

A participant becomes vested in the ESOP based upon the employee’s credited years of service. The vesting schedule is as follows;

1 Year of Service	0% Vested
2 Years of Service	25% Vested
3 Years of Service	50% Vested
4 Years of Service	75% Vested
5 Years of Service	100% Vested

The Plan became effective as of January 1, 1989, was amended effective January 1, 2007, and approved by the Board of Directors on January 18, 2007. This amendment was made to comply with the Pension Protection Act of 2006. Periodically the Internal Revenue Service (“IRS”) requires a restatement of a qualified retirement plan to ensure that the plan document includes provisions required by legislative and regulatory changes made since the last restatement. There have been no substantive changes to the plan. The Board of Directors approved a restated plan, on January 26, 2012 (incorporated as Exhibit 10.5 in the 2011 10-K). The Plan was submitted to the IRS for approval and a determination letter was issued September 26, 2013, stating that the plan satisfies the requirements of Code Section 4975 (e) (7). On January 26, 2017, the Board of Directors approved a restated plan (incorporated as Exhibit 10.6 in the 2016 10-K).

The Plan currently owns 335,604 shares or 6.763% of our common stock outstanding.

Omnibus Stock Incentive Plan

On April 14, 1998, the Shareholders approved the 1998 Omnibus Stock Incentive Plan. The plan was established to assist us in recruiting and retaining employees with ability and initiative by enabling employees to participate in its future success and to associate their interests with those of the Company and the Shareholders. This plan expired on April 14, 2008. The remaining outstanding options granted under this plan can still be exercised in accordance with the plan.

The Shareholders approved the 2010 Omnibus Stock Incentive Plan on April 13, 2010. Like the 1998 Plan, under the 2010 Plan any employee of the Company or the Bank is eligible to participate in the Plan if the Executive Committee, in its sole discretion, determines that such a person has contributed or can be expected to contribute to the profits or growth of the Company or the Bank. No member of the Committee may participate in this Plan during the time that their participation would prevent the Committee from being “disinterested” for purposes of the Securities and Exchange Commission Rule 16b-3.

In the event of a prospective reorganization, consolidation or sale of substantially all of the assets or any other form of corporate reorganization in which the Company would not be the surviving entity or in the event of the acquisition, directly or indirectly, of the beneficial ownership of 24% of our common stock or the making, orally or in writing, of a tender offer for, or any request or invitation for tender of, or any advertisement making or inviting tenders of our stock by any person, all options in effect at that time would accelerate so that all options would become immediately exercisable and could be exercised within one-year immediately following the date of acceleration but not thereafter.

In the case of termination of employment of an option holder other than involuntary termination without just cause, retirement, death or legal disability, the option holder may exercise the option only with respect to those shares of common stock as to which he or she has become vested. In the event the option holder remains in the continuous employ of the Company or a subsidiary from the date of the grant until his or her death, the option shall become fully vested and fully exercisable as of the date of death without regard to the five year vesting schedule. The person or persons entitled to exercise the option following the option holder's death may exercise the option until the expiration date.

In the event the option holder remains in the continuous employ of the Company or any subsidiary from the date of the grant until the date of his or her legal disability, the option shall become fully vested and fully exercisable as of the date of his or her termination of employment on account of his or her legal disability without regard to the five year vesting schedule. The option holder may exercise the option following such termination of employment until the expiration date.

The 1998 and 2010 Omnibus Stock Incentive Plan provides for adjustment in the number of shares of common stock authorized under the Plan or granted to an employee to protect against dilution in the event of changes in the Company's capitalization, including stock splits and dividends.

We do not have an employment agreement with any officer or employee. We currently believe that the named Executive Officers receive sufficient compensation that employment agreements are not necessary to induce them to remain with the Company. In addition, we do not have any agreement with the Company's Executive Officers that provide for cash severance payments upon termination of employment or in connection with a change in control.

Although there is inherent risk in the business of banking, we do not believe that any of our compensation policies and practices provide incentives to our employees to take risks that are reasonably likely to have a material adverse effect on us. We believe that our compensation policies and practices are consistent with those of similar bank holding companies and their banking subsidiaries and are intended to encourage and reward performance that is consistent with sound practice in the industry.
