Explanatory Note

Targa Resources Corp. (the “Company”) is filing this Amendment No. 1 on Form 8-K/A to its Current Report on Form 8-K dated May 25, 2011 (filed with the Securities and Exchange Commission on May 27, 2011) solely for the purpose of disclosing under Item 5.07 of Form 8-K its decision, following its Annual Meeting of Stockholders, as to the frequency with which it expects to request a stockholder vote on the compensation of executives in future annual meeting proxy materials until the next required vote on the frequency of stockholder votes on the compensation of executives. This Amendment No.1 does not otherwise revise the May 25, 2011 Form 8-K.

Item 5.07 Submission of Matters to a Vote of Security Holders

At the Company’s Annual Meeting of Stockholders held on May 25, 2011, the Company’s stockholders voted on, among other things, a non-binding advisory proposal concerning the frequency of future non-binding advisory votes on executive compensation. As reported in the Company's Current Report on Form 8-K dated May 25, 2011, at the meeting, consistent with the Company's Board of Directors' recommendation, stockholders cast the highest number of votes for a triennial (every three years) frequency instead of a biennial (every two years) or annual frequency. In light of this vote and other factors, the Company's Board of Directors has determined that the Company will hold a triennial non-binding advisory vote on executive compensation. Accordingly, the Company will request an advisory vote on executive compensation every three years in its future proxy materials until the next stockholder vote on the frequency of such votes. The Company will re-evaluate this determination in connection with its next stockholder non-binding advisory vote regarding the frequency of future non-binding advisory votes on executive compensation.
