PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MONDAY, MAY 8, 2017

Information About the Annual Meeting and Voting

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the “board of directors” or the “board”) of ConforMIS, Inc. (“ConforMIS,” “we” or “us”) for use at the 2017 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Monday, May 8, 2017, beginning at 4:30 p.m., Eastern time, at the offices of the Company, 600 Technology Drive, Billerica, Massachusetts 01821, United States, and at any adjournment or postponement thereof. On March 14, 2017, the record date for the determination of stockholders entitled to vote at the Annual Meeting, there were outstanding and entitled to vote an aggregate of 43,820,140 shares of our common stock, par value \$0.00001 per share (“common stock”). Each share of common stock entitles the record holder thereof to one vote on each of the matters to be voted on at the Annual Meeting.

Your vote is important no matter how many shares you own. Please take the time to vote. Take a moment to read the instructions below. Choose the way to vote that is easiest and most convenient for you, and cast your vote as soon as possible.

If you are the “record holder” of your shares, meaning that you own your shares in your own name and not through a bank, broker or other nominee, you may vote in one of four ways:

You may vote over the internet. You may vote your shares by following the “Vote by Internet” instructions on the (1) accompanying proxy card. If you vote over the internet, you do not need to vote by telephone or complete and mail your proxy card.

(2) You may vote by telephone. You may vote your shares by following the “Vote by Phone” instructions on the accompanying proxy card. If you vote by telephone, you do not need to vote over the internet or complete and

mail your proxy card.

You may vote by mail. If you requested a proxy card by mail, you may vote by completing, dating and signing the (3) proxy card delivered and promptly mailing it in the postage-paid envelope provided. If you vote by mail, you do not need to vote over the internet or by telephone.

You may vote in person. If you attend the Annual Meeting, you may vote by delivering your completed proxy card (4) in person or you may vote by completing a ballot at the Annual Meeting. Ballots will be available at the Annual Meeting.

All proxies that are executed or are otherwise submitted over the internet or by telephone will be voted on the matters set forth in the accompanying Notice of Annual Meeting of Stockholders in accordance with the instructions set forth herein. However, if no choice is specified on a proxy as to one or more of the proposals, the proxy will be voted in accordance with the board of directors' recommendations on such proposals as set forth in this proxy statement.

After you have submitted a proxy, you may still change your vote and revoke your proxy prior to the Annual Meeting by doing any one of the following things:

submitting a new proxy by following the "Vote by Internet" or "Vote by Phone" instructions on the accompanying proxy card by 11:59 p.m., Eastern time, the day before the Annual Meeting;

if you requested a proxy card by mail, by signing such proxy card and either arranging for delivery of that proxy card by mail prior to the start of the Annual Meeting, or by delivering that signed proxy card in person at the Annual Meeting;

giving our General Counsel a written notice before or at the Annual Meeting that you want to revoke your proxy; or

voting in person at the Annual Meeting.

Your attendance at the Annual Meeting alone will not revoke your proxy.

If the shares you own are held in “street name” by a bank, broker or other nominee record holder, which we collectively refer to in this proxy statement as “brokerage firms,” your brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your brokerage firm provides you. Many brokerage firms also offer the option of voting over the internet or by telephone, instructions for which, if available, would be provided by your brokerage firm on the voting instruction form that it delivers to you. Because most brokerage firms are member organizations of the New York Stock Exchange, or NYSE, the rules of the NYSE will likely govern how your brokerage firm would be permitted to vote your shares in the absence of instruction from you. Under the current rules of the NYSE, if you do not give instructions to your brokerage firm, it will still be able to vote your shares with respect to certain “discretionary” items, but will not be allowed to vote your shares with respect to certain “non-discretionary” items. The ratification of Grant Thornton LLP as our independent registered public accounting firm (Proposal 2) is considered to be a discretionary item under the NYSE rules, and your brokerage firm will be able to vote your shares with respect to that proposal even if it does not receive instructions from you, so long as it holds your shares in its name. The election of class II directors (Proposal 1) is a “non-discretionary” item, meaning that if you do not instruct your brokerage firm on how to vote with respect to Proposal 1, your brokerage firm will not vote your shares with respect to that proposal and your shares will be counted as “broker non-votes.” “Broker non-votes” are shares that are held in “street name” by a brokerage firm that indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter.

If your shares are held in street name and you plan to attend the Annual Meeting in person, you must bring an account statement from your brokerage firm showing that you are the beneficial owner of the shares as of the record date (March 14, 2017) in order to be admitted to the Annual Meeting. To be able to vote your shares held in street name at the Annual Meeting, you will need to obtain a proxy card from the holder of record.

Votes Required

The holders of a majority of the shares of our common stock issued and outstanding and entitled to vote at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. Shares of common stock represented in person or by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum is present at the Annual Meeting. If a quorum is not present, the meeting may be adjourned until a quorum is obtained. The

following votes are required for approval of the proposals being presented at the Annual Meeting:

Proposal 1: To Elect Two Class II Directors. The two nominees for director receiving the highest number of votes “FOR” election will be elected as directors. This is called a plurality.

Proposal 2: To Ratify the Selection of Grant Thornton LLP as ConforMIS’s Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2017. The affirmative vote of the holders of shares of common stock representing a majority of the votes cast on the matter is required for the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for the current fiscal year.

Shares that abstain from voting as to a particular matter and shares held in “street name” by brokerage firms who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions and “broker non-votes” will have no effect on the voting on the proposals referenced above.

This proxy statement, the accompanying proxy card and our 2016 annual report to stockholders were first made available to stockholders on or about March 29, 2017.

Board Composition

Our board of directors currently consists of eight members. In November 2016, our board of directors determined, upon the recommendation of our nominating and corporate governance committee, to nominate Mark Augusti as a class I director of the Company with a term expiring at the 2019 Annual Meeting of Stockholders. In accordance with our restated certificate of incorporation and amended and restated by-laws, which provide that the authorized number of directors may be changed only by resolution of the board of directors, our board of directors also increased the size of our board of directors to eight members in connection with Mr. Augusti's appointment to the board. In March 2017, our nominating and corporate governance committee decided not to nominate two existing class II directors, Messrs. Lanigan and Puri, for re-election to the Board following the expiration of their terms at the Annual Meeting. The decision not to nominate Messrs. Lanigan and Puri was not a result of any disagreement with the Company on any matter relating to the Company's operations, policies or practices. Also in March 2017, in accordance with our certificate of incorporation and amended and restated bylaws, our board of directors set the size of our board of directors at seven members effective as of the Annual Meeting.

In accordance with the terms of our restated certificate of incorporation and amended and restated by-laws, our board of directors is divided into three classes, class I, class II and class III, with members of each class serving staggered three-year terms. Upon the expiration of the term of a class of directors, directors in that class will be eligible to be elected for a new three-year term at the annual meeting of stockholders in the year in which their term expires.

The board of directors, upon the recommendation of the nominating and corporate governance committee, has nominated Philip Johnston and Michael Milligan for election to the board as class II directors, each to hold office until the 2020 Annual Meeting of Stockholders and until his successor has been duly elected and qualified or until his earlier death, resignation or removal. Mr. Milligan is currently a class II director whose term will expire at the Annual Meeting. Messrs. Lanigan and Puri are currently class II directors who will not stand for re-election at the Annual Meeting. Mr. Johnston was elected by our board of directors as a class II director effective as of the Annual Meeting, and he is standing for election by the stockholders at the Annual Meeting as a class II director.

Prior to the Annual Meeting, the members of the classes are follows:

the class I directors are Mark Augusti, Kenneth Fallon III and Richard Meelia, and their terms will expire at the 2019 Annual Meeting of Stockholders;

the class II directors are Colm Lanigan, Michael Milligan, and Aditya Puri, and their terms will expire at the 2017 Annual Meeting of Stockholders; and

the class III directors are Philipp Lang and Bradley Langdale, and their terms will expire at the 2018 Annual Meeting of Stockholders.

Mr. Fallon serves as the Chairperson of the board of directors.

The board of directors knows of no reason why any of the nominees for director at the Annual Meeting would be unable or unwilling to serve, but if any nominee should for any reason be unable or unwilling to serve, the proxies will be voted for the election of such other person for the office of director as the board of directors may recommend in the place of such nominee.

We have entered into a Sponsor Designee Recommendation Agreement with Procific, or the Procific Agreement, which became effective upon the closing of our initial public offering in July 2015. The Procific Agreement provides that, in the event that Colm Lanigan should cease to serve as a member of our board of directors prior to the expiration of his term upon the commencement of our Annual Meeting, then, prior to filling such vacancy, Procific will have the opportunity to recommend to our nominating and corporate governance committee an individual to fill such vacancy and to serve for the balance of Mr. Lanigan's term. Procific will no longer have rights under the Procific Agreement at such time as Procific and its affiliates no longer beneficially own at least 5% of the outstanding shares of our common stock. In addition, the Procific Agreement will terminate upon the earlier to occur of (a) a change of control, as defined in the Procific Agreement, (b) Procific's delivery of written notice to us requesting termination and (c) the commencement of our Annual Meeting. Mr. Lanigan's term as a director expires at the Annual Meeting and he is not standing for re-election.

Our directors hold office until their successors have been elected and qualified or until their earlier resignation or removal. Our restated certificate of incorporation and amended and restated by-laws provide that our directors may be removed only for cause by the affirmative vote of the holders of at least 75% of the votes that all our stockholders would be entitled to cast in an annual election of directors, and that any vacancy on our board of directors, including a vacancy resulting from an enlargement of our board of directors, may be filled only by vote of a majority of our directors then in office.

Board Leadership Structure

Our corporate governance guidelines provide that the nominating and corporate governance committee shall periodically assess the board of director's leadership structure, including whether the offices of chief executive officer and chairman of the board of directors should be separate. Our guidelines provide the board of directors with flexibility to determine whether the two roles should be combined or separated based upon our needs and the board of directors' assessment of its leadership from time to time. We currently separate the roles of chief executive officer and chairman of the board of directors. Our president and chief executive officer is responsible for setting the strategic direction for our company and the day-to-day leadership and performance of our company, while our chairman of the board of directors presides over meetings of the board of directors, including executive sessions of the board of directors, and performs oversight responsibilities. The board of directors has not appointed a lead independent director. Our board of directors has three standing committees that currently consist of, and are chaired by, independent directors. In December 2016, the board of directors eliminated the Asia strategy committee determining that full board would manage matters associated with that committee. Our board of directors delegates certain responsibilities to the committees, which then report their activities and actions back to the full board of directors. We believe that the independent committees of our board of directors and their chairpersons promote effective independent governance. We believe this structure represents an appropriate allocation of roles and responsibilities for our company at this time because it strikes an effective balance between management and independent leadership participation in our board of directors' proceedings.

Board Determination of Independence

Rule 5605 of the NASDAQ Listing Rules requires a majority of a listed company's board of directors to be composed of independent directors within one year of listing. In addition, the NASDAQ Listing Rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and corporate governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

Under Rule 5605(a)(2) of the NASDAQ Listing Rules, a director will only qualify as an "independent director" if, in the opinion of our board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: (1) accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries; or (2) be an affiliated person of the listed company or any of its subsidiaries. In addition, in affirmatively determining the independence of any director who will serve on a company's compensation committee, Rule 10C-1 under the Exchange Act requires that a company's board of directors consider all factors specifically relevant to determining whether a director has a relationship to such company which is material to that director's ability to be independent from management in connection with the duties of a compensation committee member, including, but not limited to: (1) the source of compensation of the director, including any consulting, advisory or other compensatory fee paid by such company to the director; and (2) whether the director is affiliated with the company or any of its subsidiaries or affiliates.

In 2017, our board of directors undertook a review of the composition of our board of directors and its committees and the independence of each director. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our board of directors has determined that each of our current directors, with the exceptions of Mr. Augusti and Dr. Lang, is an “independent director” as defined under Rule 5605(a)(2) of the NASDAQ Listing Rules. Our board of directors also determined that Bradley Langdale, Richard Meelia and Michael Milligan, who currently constitute our audit committee, and Bradley Langdale, Colm Lanigan, Richard Meelia and Aditya Puri, who constitute our compensation committee, satisfy the independence standards for such committees established by the SEC and the NASDAQ Listing Rules, as applicable. In making such determinations, our board of directors considered the relationships that each such non-employee director has with our company and all other facts and circumstances our board of directors deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director.

There are no family relationships among any of our directors or executive officers.

Board Committees

Our board of directors has established an audit committee, a compensation committee and a nominating and corporate governance committee, each of which operates under a charter that has been approved by our board. Copies of the charters of each of these committees are posted under the heading “Corporate Governance” on the Investor Relations section of our website, which is located at www.ir.conformis.com.

Audit Committee

Prior to the Annual Meeting, the members of our audit committee are Bradley Langdale, Richard Meelia and Michael Milligan. Laurent Souviron served as a member of the Audit Committee through May 2016. Contingent upon his re-election as a class II director at the Annual Meeting, Mr. Milligan will remain a member of the audit committee. Mr. Langdale is the chair of the audit committee.

Our audit committee’s responsibilities include:

appointing, approving the compensation of, and assessing the independence of our registered public accounting firm;

overseeing the work of our independent registered public accounting firm, including through the receipt and consideration of reports from such firm;

preparing the audit committee report required by SEC rules.

All audit services to be provided to us and all non-audit services, other than de minimis non-audit services, to be provided to us by our registered public accounting firm must be approved in advance by our audit committee.

Our board of directors has determined that Mr. Langdale is an “audit committee financial expert” as defined in applicable SEC rules. We believe that the composition of our audit committee meets the requirements for independence under current NASDAQ and SEC rules and regulations.

The audit committee met four times during 2016.

Compensation Committee

The members of our compensation committee are Bradley Langdale, Colm Lanigan, Richard Meelia and Aditya Puri. Mr. Langdale is the chair of the compensation committee. Mr. Lanigan and Mr. Puri will no longer serve as members of the board or the compensation committee following the Annual Meeting. Effective as of the Annual Meeting, Kenneth Fallon III will join the compensation committee, and the members of our compensation committee will be Bradley Langdale, Kenneth Fallon III, and Richard Meelia. Our compensation committee’s responsibilities include:

reviewing and approving, or recommending for approval by our board of directors, our Chief Executive Officer’s compensation as well as the compensation of our other executive officers;

overseeing the evaluation of our Chief Executive Officer;

reviewing and making recommendations to our board of directors with respect to our incentive-compensation and equity-based compensation plans;

overseeing and administering our equity-based plans;

reviewing and making recommendations to our board with respect to director compensation;

reviewing and discussing with management our “Compensation Discussion and Analysis;”

reviewing and approving disclosure to the extent such disclosure is required by SEC rules; and

preparing the compensation committee report if and to the extent required by SEC rules.

The compensation committee met six times during 2016.

Nominating and Corporate Governance Committee

Prior to the Annual Meeting, the members of our nominating and corporate governance committee are Kenneth Fallon III, Richard Meelia and Michael Milligan. Frank Muhlenbeck served as a member of the Nominating and Corporate Governance Committee through May 2016. Mr. Fallon is the chair of the nominating and corporate governance committee. Contingent upon his re-election as a class II director at the Annual Meeting, Mr. Milligan will remain a member of the nominating and corporate governance committee.

Our nominating and corporate governance committee's responsibilities include:

identifying individuals qualified to become members of our board;

recommending to our board the persons to be nominated for election as directors and to each of our board's committees;

reviewing and making recommendations to our board of directors with respect to management succession planning;

developing and recommending to our board corporate governance principles; and

overseeing a periodic evaluation of our board.

The nominating and corporate governance committee met twice during 2016.

Compensation Committee Interlocks and Insider Participation

The current members of our compensation committee are Bradley Langdale, Colm Lanigan, Richard Meelia and Aditya Puri. None of our directors who sat on our compensation committee in 2016 is an officer or employee of ConforMIS, Inc., nor have they ever been an officer or employee of ConforMIS, Inc. None of our executive officers serves, or in the past has served, as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who serve or served as members of our board of directors or our compensation committee in 2016. Messrs. Lanigan and Puri will no longer serve as members of the compensation committee following the Annual Meeting. Effective as of the Annual Meeting, Kenneth Fallon III will join the compensation committee, and the members of our compensation committee will be Bradley Langdale, Kenneth Fallon III, and Richard Meelia.

Board Meetings and Attendance

Our board of directors met twelve times during 2016 and took action by written consent one time. During 2016, each director attended at least 75% of the aggregate of the number of board meetings and the number of meetings held by all committees of the board on which he then served. Mark Augusti attended 100% of the aggregate number of board

meetings since his election to the board of directors in November 2016.

Our directors are expected to attend our annual meetings of stockholders. In 2016, Mr. Fallon and Dr. Lang attended the Annual Meeting of Stockholders.

Board Processes

Oversight of Risk

Our board oversees our risk management processes directly and through its committees. Our management is responsible for risk management on a day-to-day basis. The role of our board and its committees is to oversee the risk management activities of management. They fulfill this duty by discussing with management the policies and practices utilized by management in assessing and managing risks and providing input on those policies and practices. In general, our board oversees risk management activities relating to business strategy, acquisitions, capital raising and allocation, organizational structure and certain operational risks; our audit committee oversees risk management activities related to financial controls and legal and compliance risks; our nominating and corporate governance committee oversees risk management activities relating to board composition and management succession planning; and our compensation committee oversees risk management activities relating to our compensation policies and practices. Each committee reports to the full board on a regular basis, including reports with respect to the committee's risk oversight activities as appropriate. In addition, since risk issues often overlap, committees from time to time request that the full board discuss particular risks.

Director Nomination Process

The process followed by our nominating and corporate governance committee to identify and evaluate director candidates includes the use of a search firm to assist us in identifying qualified directors, and may also include requests to board members and others for recommendations, evaluation of the performance on our board and its committees of any existing directors being considered for nomination, consideration of biographical information and background material relating to potential candidates and, particularly in the case of potential candidates who are not then serving on our board, interviews of selected candidates by members of the committee and our board.

In considering whether to recommend any particular candidate for inclusion in our board's slate of recommended director nominees, our nominating and corporate governance committee applies the criteria set forth in our corporate governance guidelines described below under "—Corporate Governance Guidelines." Our priority in selection of board members is identification of members who will further the interests of our stockholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, knowledge of our business and understanding of the competitive landscape.

Our nominating and corporate governance committee does not have a policy (formal or informal) with respect to diversity, but believes that our board, taken as a whole, should embody a diverse set of skills, experiences and backgrounds. In this regard, the nominating and corporate governance committee also takes into consideration the diversity (with respect to gender, race and national origin) of our board members. The nominating and corporate governance committee does not make any particular weighting of diversity or any other characteristic in evaluating nominees and directors.

The nominee biographies under "—Board of Directors—Members of Our Board of Directors" indicate the experience, qualifications, attributes and skills of each of our director nominees that led our nominating and corporate governance committee and our board to conclude each of the nominees should serve as a director of ConforMIS. Our nominating and corporate governance committee and our board believe that each of the nominees has the individual attributes and characteristics required of each of our directors, and that the nominees as a group possess the skill sets and specific experience desired of our board as a whole.

Stockholders may recommend individuals for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials, and information with respect to the stockholder or group of stockholders making the recommendation, including the number of shares of common stock owned by such stockholder or group of stockholders, to our General Counsel at ConforMIS, Inc., 28 Crosby Drive, Bedford, MA 01730, Attention: David Cerveny, Chief Legal Officer and General Counsel, if on or before April 16, 2017, or 600 Technology Drive, Billerica, MA 01821, Attention: David Cerveny, Chief Legal Officer and General Counsel, if after April 16, 2017. The specific requirements for the information that is required to be provided for such

recommendations to be considered are specified in our by-laws and must be received by us no later than the date referenced below in “Other Matters—Deadline for Submission of Stockholder Proposals for 2018 Annual Meeting of Stockholders.” Assuming that appropriate biographical and background material has been provided on a timely basis, the nominating and corporate governance committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Communications with Stockholders

Our management will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Stockholders may communicate with our management by writing to our General Counsel at ConforMIS, Inc., 28 Crosby Drive, Bedford, MA 01730, Attention: David Cervený, Chief Legal Officer and General Counsel, if on or before April 16, 2017, or 600 Technology Drive, Billerica, MA 01821, Attention: David Cervený, Chief Legal Officer and General Counsel, if after April 16, 2017 or by calling (781) 345-9001. Additional information about contacting ConforMIS is posted under the heading “IR Contacts” on the Investor Relations section of our website, which is located at www.ir.conformis.com.

In addition, stockholders who wish to communicate with our entire board may do so by writing to Kenneth Fallon III, Chairman of the Board, c/o ConforMIS, Inc., 28 Crosby Drive, Bedford, MA 01730, if on or before April 16, 2017, or 600 Technology Drive, Billerica, MA 01821, Attention: David Cervený, Chief Legal Officer and General Counsel, if after April 16, 2017. Communications will be forwarded to other directors if they relate to substantive matters that the Chairman of the Board considers appropriate for attention by the other directors. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances or matters as to which we tend to receive repetitive or duplicative communications.

Corporate Governance Guidelines

Our board of directors has adopted corporate governance guidelines to assist in the exercise of its duties and responsibilities and to serve the best interests of our Company and our stockholders. The guidelines provide that:

our board's principal responsibility is to oversee the management of our Company;

except as may otherwise be permitted by the NASDAQ Marketplace Rules, a majority of the members of our board must be independent directors;

the independent directors meet in executive session at least twice a year;

directors have full and free access to management and, as necessary, independent advisors;

new officers and directors may participate in an orientation program and all directors are expected to participate in continuing director education on an ongoing basis; and

our nominating and corporate governance committee will oversee a periodic self-evaluation of the board to determine whether the board and its committees are functioning effectively.

A copy of the corporate governance guidelines is posted under the heading "Corporate Governance" on the Investor Relations section of our website, which is located at www.ir.conformis.com.

Board Policies

Related-Person Transactions

Our board of directors has adopted written policies and procedures for the review of any transaction, arrangement or relationship in which we are a participant, the amount involved exceeds \$120,000 and one of our executive officers, directors, director nominees or 5% stockholders (or their immediate family members), each of whom we refer to as a "related person," has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a “related-person transaction,” the related person must report the proposed related-person transaction to our Chief Financial Officer or General Counsel. The policy calls for the proposed related-person transaction to be reviewed and, if deemed appropriate, approved by the audit committee of our board of directors. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the audit committee will review and, in its discretion, may ratify the related-person transaction. The policy also permits the chairman of the audit committee to review and, if deemed appropriate, approve proposed related-person transactions that arise between audit committee meetings, subject to ratification by the committee at its next meeting. Any related-person transactions that are ongoing in nature will be reviewed annually.

A related-person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the audit committee after full disclosure of the related person’s interest in the transaction. As appropriate for the circumstances, the audit committee will review and consider:

the related person’s interest in the related-person transaction;

the approximate dollar value of the amount involved in the related-person transaction;

the approximate dollar value of the amount of the related person’s interest in the transaction without regard to the amount of any profit or loss;

whether the transaction was undertaken in the ordinary course of our business;

whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party;

the purpose of, and the potential benefits to us of, the related-person transaction; and

any other information regarding the related-person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

The audit committee may approve or ratify the transaction only if the audit committee determines that, under all of the circumstances, the transaction is not inconsistent with our best interests. The audit committee may impose any conditions on the related-person transaction that it deems appropriate.

In addition to the transactions that are excluded by the instructions to the SEC's related-person transaction disclosure rule, the board of directors has determined that the following transactions do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related-person transactions for purposes of this policy:

interests arising solely from the related person's position as an executive officer of another entity (whether or not the person is also a director of such entity) that is a participant in the transaction, where (a) the related person and all other related persons own in the aggregate less than a 10% equity interest in such entity; (b) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction and do not receive any special benefits as a result of the transaction; (c) the amount involved in the transaction equals less than the greater of \$1 million dollars or 2% of the annual gross revenues of the other entity that is a party to the transaction; and (d) the amount involved in the transaction equals less than 2% of our annual gross revenues; and

a transaction that is specifically contemplated by provisions of our charter or by-laws.

The policy provides that transactions involving compensation of executive officers shall be reviewed and approved by the compensation committee in the manner specified in its charter.

Other than the compensation arrangements for our named executive officers and directors, which are described elsewhere in the "Executive Compensation" and "Director Compensation" sections of this proxy statement, set forth below is a description of transactions since January 1, 2016 to which we were or will be a party, and in which

the amounts involved exceeded or will exceed \$120,000; and

any of our directors, executive officers, nominees for director or holders of more than 5% of our capital stock, or any member of the immediate family of, or person sharing the household with, the foregoing persons, had or will have a direct or indirect material interest.

We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, from unrelated third parties.

Registration Rights Agreement with Certain Stockholders

In June 2015, we entered into an amended and restated information and registration rights agreement, which we refer to as the Registration Rights Agreement, with holders of our preferred stock prior to the conversion of our preferred stock into common stock immediately following the closing of our initial public offering in July 2015, including some of our 5% stockholders and their affiliates and entities affiliated with our directors. The Registration Rights Agreement provides these holders the right, subject to certain limitations, to demand that we file a registration statement or request that their shares be covered by a registration statement that we are otherwise filing.

Subject to specified limitations set forth in the Registration Rights Agreement, the holders of at least 25% of the then outstanding registrable shares may at any time demand in writing that we register all or a portion of the registrable shares under the Securities Act on Form S-3 for an offering of at least 25% of the then outstanding registrable shares having an anticipated aggregate offering price to the public, net of selling expenses, of at least \$5 million, which we refer to as a Resale Registration Statement. We are not obligated to effect a registration pursuant to a Resale Registration Statement on more than one occasion.

If we propose to file a registration statement to register any of our common stock under the Securities Act in connection with a public offering of such common stock, other than pursuant to certain specified registrations, the holders of our registrable shares are entitled to notice of registration and, subject to specified exceptions, including market conditions, we will be required, upon the holder's request, to register their then held registrable shares. In the event that any registration in which the holders of registrable shares participate pursuant to our Registration Rights Agreement is an underwritten public offering, we agree to enter into an underwriting agreement for such offering.

Other than these registration rights described above, the rights granted to holders of our preferred stock under the Registration Rights Agreement terminated upon the closing of our initial public offering.

Revenue Sharing Agreement with Dr. Lang

In September 2011, we entered into an amended and restated revenue sharing agreement with Philipp Lang, M.D., our former Chief Executive Officer, which amended and restated a similar agreement entered into in 2008 when Dr. Lang stepped down as chair of our scientific advisory board and became our Chief Executive Officer. This agreement provides that we will pay Dr. Lang on an annual basis 1.33% of our net revenues up to and including \$125 million and 1.1667% of our net revenues in excess of \$125 million with respect to our iTotal CR, iTotal PS and iTotal Hip products, as well as other hip and shoulder replacement products we may develop in the future and patient-specific, revision-implant instrumentation we may develop in the future. This agreement also provides that we will pay Dr. Lang on an annual basis 1.0% of our net revenues up to and including \$125 million and 0.875% of our net revenues in excess of \$125 million with respect to our iUni and iDuo products, as well as certain other knee replacement or resurfacing products, modifications to any of our knee, hip or shoulder products made by us with Dr. Lang's assistance in the future and patient-specific, non-revision-implant instrumentation we may develop in the future. Our obligation to pay Dr. Lang applies to those of our products that are covered by a valid claim of a patent assigned to us in the country in which we sell those products and on which Dr. Lang is a named inventor. Our payment obligations expire on a product-by-product basis on the last to expire of patents owned by us on which Dr. Lang is a named inventor that claim the applicable product. These payment obligations survived termination of Dr. Lang's employment with us. Under this agreement, we incurred obligations to pay Dr. Lang \$1.0 million for the year ended December 31, 2016.

Code of Business Conduct and Ethics

Our board of directors has adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the code of business conduct and ethics is posted under the heading “Corporate Governance” on the Investor Relations section of our website, which is located at <http://ir.conformis.com>. In addition, we intend to post on our website all disclosures that are required by law or the NASDAQ Marketplace Rules concerning any amendments to, or waivers from, any provision of our code of business conduct and ethics.

Narrative Disclosure to Summary Compensation Table

We review compensation annually for all employees, including our executives. In setting executive base salaries and bonuses and granting equity incentive awards, we consider compensation for comparable positions in the market, the historical compensation levels of our executives, individual performance as compared to our expectations and objectives, our desire to motivate our employees to achieve short- and long-term results that are in the best interests of our stockholders, and a long-term commitment to our company. We do not target a specific competitive position or a specific mix of compensation among base salary, bonus or long-term incentives.

Our board of directors has historically determined our executives' compensation. Our compensation committee typically reviews and discusses management's proposed compensation with our Chief Executive Officer for all executives other than our Chief Executive Officer. Based on those discussions and its discretion, the compensation committee then recommends to our board of directors the compensation for each executive officer and our Chief Executive Officer, including equity-based awards. The compensation committee has the authority to approve the cash compensation of our executive officers, but has historically made recommendations to our board of directors regarding such compensation. Our board of directors, without members of management present, discusses the compensation committee's recommendations and ultimately approves the compensation of our executive officers, including our Chief Executive Officer. We engaged Frederic W. Cook & Co. as our independent compensation consultant to review our executive compensation peer group and program design and assess our executives' compensation relative to comparable companies.

We use base salaries to recognize the experience, skills, knowledge and responsibilities required of all our employees, including our named executive officers. None of our named executive officers is currently party to an employment agreement or other agreement or arrangement that provides for automatic or scheduled increases in base salary.

In 2016, we paid base salaries of \$69,001 to Mr. Augusti, \$350,479 to Dr. Lang, \$336,600 to Mr. Weiner and \$299,971 to Dr. Steines. Mr. Augusti's employment began on November 14, 2016 and, as a result, the amount shown in the "Salary" column of the Summary Compensation Table for 2016 reflects payments made to him from the period between November 14, 2016 and December 31, 2016. For 2016, Mr. Augusti's annualized base salary was \$520,000. In 2015, we paid base salaries of \$387,500 to Dr. Lang, \$322,500 to Mr. Weiner and \$275,438 to Dr. Steines. In 2014, we paid base salaries of \$365,000 to Dr. Lang, \$231,923 to Mr. Weiner and \$230,063 to Dr. Steines. Mr. Weiner's employment began on March 24, 2014 and, as a result, the amount shown in the "Salary" column of the Summary Compensation Table for 2014 reflects payments made to him from the period between March 24, 2014 and December 31, 2014. For 2014, Mr. Weiner's annualized base salary was \$300,000.

Our board of directors has, in its discretion, awarded cash bonuses and granted equity awards in the form of restricted stock or stock options as bonuses to our executive officers from time to time in the past, and may award cash bonuses

and grant equity awards as bonuses to our executive officers in the future. In February 2016, our compensation committee recommended, and our board of directors approved, a 2016 employee bonus and stock incentive plan. Pursuant to this plan, in February 2016 we awarded shares of restricted common stock to our named executive officers as follows: Dr. Lang: 38,888 shares of common stock; Mr. Weiner: 27,777 shares of common stock; and Dr. Steines: 37,777 shares of common stock. See “—Stock Option and Other Compensation Plans—2016 Employee Bonus and Stock Incentive Plan” for a description of our cash and equity bonus plan for 2016. No annual bonus payments were made under our 2016 cash bonus award program.

As part of our annual compensation-setting process, in February 2017, our compensation committee recommended, and our board of directors approved, an employee bonus and stock incentive plan for the 2017 calendar year, or the 2017 Bonus Plan. Under the 2017 Bonus Plan, certain employees, including our named executive officers, are eligible to earn a cash bonus and to receive awards of equity. The cash bonus is based a combination of financial and individual performance in 2017 and, subject to performance under the 2017 plan, any cash bonus will be paid in 2018. See “—Stock Option and Other Compensation Plans—2017 Employee Bonus and Stock Incentive Plan” for a description of our cash and equity bonus plan for 2017.

Agreements with Named Executive Officers

We entered into an employment agreement, dated October 19, 2016, with Mark Augusti and, on December 2, 2016, the board of directors approved an amendment and restatement of that agreement (as amended and restated, the “Employment Agreement”) which sets forth certain terms of Mr. Augusti’s employment. Pursuant to the terms of the Employment Agreement, Mr. Augusti will receive an annual base salary of \$520,000. In addition, he will receive a one-time signing bonus of \$200,000 and will be eligible to receive an annual target performance bonus of 75% of Mr. Augusti’s annual base salary. The actual performance bonus percentage is discretionary and will be subject to the board of director’s assessment of Mr. Augusti’s performance as well as general business conditions at the Company. Mr. Augusti did not receive an annual performance bonus for fiscal year 2016. In connection with his Employment Agreement, the board granted to Mr. Augusti an incentive stock option to purchase shares of our common stock having a Black Scholes value of \$800,000 (the “Option Grant”) under our stock incentive plan (the “Plan”). The Option Grant will vest and become exercisable with respect to 25% of the total number of shares after one year and thereafter in equal monthly installments over a three-year period following December 2, 2017. Mr. Augusti also received a restricted stock award for 44,750 shares of our common stock (the “RSA Grant”) under the Plan. The RSA Grant will vest in four equal installments on each anniversary of the grant. In February 2017, Mr. Augusti became eligible to receive initial annual long-term incentive equity awards with an aggregate target value of up to \$800,000 under the Company’s long-term incentive program. Mr. Augusti will be also eligible to participate in all of our customary employee benefit plans or programs generally available to our full-time employees and/or executive officers. In the event Mr. Augusti’s employment is terminated without cause, Mr. Augusti will be eligible to receive severance pay in the form of salary continuation on our standard payroll dates following the termination date. Mr. Augusti will also receive a continuation of group health insurance coverage through COBRA with the cost of such benefits to be shared in the same relative proportion by the Company and Mr. Augusti as in effect on the date of termination. In the event of a change in control of the Company, Mr. Augusti will be entitled to accelerated vesting of his then unvested equity grants.

In May 2015, we entered into amended and restated employment agreements with Mr. Weiner and Dr. Steines. Each of these agreements provides that the named executive officer’s employment will continue until either we or the executive provides written notice of termination in accordance with the terms of the agreement. In addition, we have agreements with each of our named executive officers that prohibit the executive from disclosing confidential information and from competing with us during the term of his employment and for a specified time thereafter, where permitted under applicable law, and that provides for the assignment of intellectual property rights to us. In June 2016, we entered into retention agreements with Mr. Weiner and Mr. Steines that provide for certain retention benefits from the effective date of those agreements until the one-year anniversary of the hiring of our President and Chief Executive Officer, Mark Augusti. The retention agreements provide, among other things, a grant of stock having an aggregate value equal to one-year of the Executive’s base salary as of the date of grant on August 15, 2016, using the average of the closing trading price of the Company’s common stock during the period from and including May 18, 2016 to August 15, 2016, which vests in full on November 14, 2017. The retention agreements also provide for payment of base salary and vesting of all outstanding unvested equity awards that would have vested during an extended severance period. The extended severance period is twelve months through the first anniversary of the hiring of Mr. Augusti, or November 14, 2017, and thereafter is reduced by one month at the end of each month following the first anniversary until the severance period reduces to six months.

Pursuant to their respective employment agreements, Mr. Weiner is entitled to receive an annual base salary of \$339,900 and Dr. Steines is entitled to receive an annual base salary of \$313,000. Each of these executives is also eligible, in the sole discretion of the compensation committee of our board of directors, to receive an annual bonus. Each of the executive's target cash bonus for 2016 was calculated as a percentage of his annual base salary as determined by the compensation committee, subject to approval by our board of directors. However, no annual bonus payments were made under our 2016 cash bonus award program. For additional information regarding annual cash bonuses and annual equity grants, see “—Stock Option and Other Compensation Plans—2016 Employee Bonus and Stock Incentive Plan.”

Termination of the Employment of our Former President & Chief Executive Officer

On November 14, 2016, Dr. Lang's employment with the Company terminated. Effective upon his termination from the Company, Dr. Lang received severance benefits consistent with the provisions of his employment agreement with the Company, including continuation on our standard payroll dates of his base salary in effect at the time of termination and continuation of coverage under the Company's group health insurance plans at the same cost as active employees for a period of 12 months. Dr. Lang was entitled to receive an annual base salary of \$455,000 at the time of his termination. Dr. Lang's equity grants will continue to vest pursuant to their terms with the continuation of Dr. Lang's service as a member of the board of directors. Dr. Lang agreed to certain non-competition obligations under his existing amended and restated employee confidential information, inventions and non-competition agreement which remain in effect, as well as to cooperate with Company as needed. Dr. Lang also will continue to receive payments pursuant to his Amended and Restated Revenue Sharing Agreement with the Company dated September 2, 2011.

Potential Payments upon Termination or Change in Control Transaction

Each of our named executive officers will be entitled to severance payments if his employment is terminated under specified circumstances.

Termination During Change of Control Period. If we terminate the executive's employment other than for cause, or if the executive terminates his employment with us for good reason, during a change of control period, as described below, we are obligated to:

continue to pay the executive's base salary, in the case of Mr. Augusti, for a period of eighteen months, and, in the cases of Mr. Weiner and Mr. Steines, for a period of twelve months;

in the case of a termination of Mr. Augusti, pay an amount equal to 1.5 times his target bonus, and, in the cases of Mr. Weiner and Mr. Steines, pay to the executive any bonus that has been approved by the board prior to the date of termination but not yet paid;

to the extent allowed by applicable law and the terms of the applicable policies, continue to provide such executive and certain of his dependents with group health insurance in the case of Mr. Augusti, for a period of up to eighteen months and in the cases of Mr. Weiner and Mr. Steines, for a period of up to twelve months; and

provide that any outstanding unvested equity awards held by the executive will become fully vested and exercisable or free from forfeiture or transfer restrictions.

A change of control period is, in the case of Mr. Augusti, the period of twenty-four months following a change in control, and, in the cases of Mr. Weiner and Mr. Steines, the period beginning three months immediately preceding and ending twelve months immediately following a change of control. The terms “termination for cause,” “termination for good reason” and “change of control” are defined in each executive’s employment agreement.

Termination Outside of Change of Control Period. If we terminate the named executive officer’s employment other than for cause or if the executive terminates his employment with us for good reason other than during a change of control period, we are obligated to:

continue to pay the executive’s base salary, in the case of Mr. Augusti, for a period of eighteen months if the termination is on or prior to November 14, 2018, and otherwise for a period of twelve months, and in the case of our other executives, for a period of twelve months until November 14, 2017, with the severance period being reduced by one month for each month thereafter for the period between November 14, 2017 and May 14, 2018, and then for a period of six months thereafter;

pay to the executive any bonus that has been approved by the board prior to the date of termination but not yet paid, and in the case of a termination of Mr. Augusti on or before November 14, 2018, an amount equal to 1.5 time his target bonus, and otherwise an amount equal to his target bonus;

to the extent allowed by applicable law and the terms of the applicable policies, continue to provide the executive and certain of his dependents with group health insurance, in the case of Mr. Augusti, for a period of eighteen months if the termination is on or prior to November 14, 2018, and otherwise for a period of twelve months, and in the case of our other executives, for a period of twelve months until November 14, 2017, with the severance period being reduced by one month for each month thereafter for the period between November 14, 2017 and May 14, 2018, and then for a period of six months thereafter; and

to the extent we previously paid such executive, other than Mr. Augusti, any bonus in the form of a stock option that has not fully vested as of the date of termination of employment, accelerate the vesting of such award with respect to such number of shares that would have vested had such executive continued to be employed by us.

Each of our executives is required to execute a release of claims as a condition precedent to receipt of the severance payments described above.

Termination Resulting from Death or Disability. In the event that Mr. Augusti's employment terminates as a result of his death or disability, as defined in his employment agreement, between the end of a calendar year and the bonus payment date, we are obligated to,

pay to Mr. Augusti (or his estate) any bonus that he would have received for the prior calendar year had he remained employed by us.

In the event that Mr. Weiner's or Mr. Steines' employment terminates as a result of his death or disability, as defined in his employment agreement, we are obligated to:

pay to the executive (or his estate) an amount equal to such executive's base salary for a period of twelve months until November 14, 2017, for a period reduced thereafter by one month for each month for the period between November 14, 2017 and May 14, 2018, and then for a period of six months thereafter;

pay to the executive (or his estate) any bonus that has been approved by the board prior to the date of his death or termination for disability but not yet paid; and

to the extent we previously paid the executive any bonus in the form of a stock option that has not fully vested as of the date of his death or termination for disability, accelerate the vesting of such award with respect to such number of shares that would have vested had the executive continued to be employed by us for a period of twelve months until November 14, 2017, for a period reduced thereafter by one month for each month for the period between November 14, 2017 and May 14, 2018, and then for a period of six months thereafter.

Stock Option and Other Compensation Plans

The three equity compensation plans described in this section are our 2004 Stock Option Plan, or 2004 Plan; our 2011 Stock Option Plan/Stock Issuance Plan, or 2011 Plan; and our 2015 Stock Incentive Plan, or 2015 Plan. Since the close of our initial public offering on July 7, 2015, we have granted equity under our 2015 Plan, and we no longer grant any equity under our 2004 Plan or 2011 Plan.

2004 Stock Option Plan

Our 2004 Stock Option Plan, or 2004 Plan, was adopted by our board of directors and approved by our stockholders in June 2004. Our 2004 Plan was amended in October 2005, August 2007, May 2008 and September 2009. A maximum of 3,792,943 shares of common stock was authorized for issuance under the 2004 Plan.

The 2004 Plan is administered by our board of directors. The 2004 Plan provided for the grant of incentive stock options and nonqualified stock options. Our employees, directors and consultants, and employees, directors and consultants of our parent or subsidiary corporations, were eligible to receive awards under the 2004 Plan. However, incentive stock options could only be granted to employees. The terms of awards are set forth in the applicable award agreements.

Awards under the 2004 Plan are subject to appropriate adjustments in the event of a stock split, reverse stock split, stock dividend, or recapitalization, combination or reclassification with respect to our stock.

Upon a merger of our company with or into another corporation or sale of all or substantially all of our assets, in addition to any rights provided in an applicable award agreement:

all outstanding awards shall be assumed, or substantially equivalent awards shall be substituted, by the successor corporation or a parent or subsidiary thereof; and

if not assumed or substituted, all outstanding awards will become exercisable in full for a period of 15 days following our notice to a participant, and any unexercised options will terminate upon expiration of such 15-day period.

Upon a liquidation or dissolution, we must notify participants at least 30 days prior to such action, and all outstanding awards will terminate immediately prior to the consummation of such liquidation or dissolution, unless previously exercised by the participant.

With participant consent, our board of directors may modify or amend, or defer the exercise date of, any awards under the 2004 Plan. Subject to applicable stockholder approval requirements, our board of directors may amend or alter the 2004 Plan at any time, except that no amendment or alteration may adversely affect outstanding awards without participant consent except as expressly permitted under the 2004 Plan.

Effective upon the adoption of our 2011 stock option/stock issuance plan, or 2011 Plan, we ceased making awards under the 2004 Plan. Following the adoption of our 2011 Plan, any shares of common stock subject to awards originally granted under the 2004 Plan that expired, terminated, or were otherwise surrendered, canceled, forfeited or repurchased without having been fully exercised or resulting in any common stock being issued were available for issuance under the 2011 Plan.

As of December 31, 2016, there were options to purchase an aggregate of 967,944 shares of common stock outstanding under the 2004 Plan at a weighted-average exercise price of \$3.36 per share. Following the adoption of our 2015 Plan any shares of common stock subject to awards originally granted under the 2004 Plan that expire, terminate, or are otherwise surrendered, canceled, forfeited or repurchased without having been fully exercised or resulting in any common stock being issued will be available for issuance under the 2015 Plan, up to a specified number of shares.

2011 Stock Option Plan/Stock Issuance Plan

Our 2011 Plan was adopted by our board of directors in February 2011 and approved by our stockholders in March 2011. Our 2011 Plan was amended in March 2012 and July 2013. A maximum of 6,630,242 shares of our common stock are authorized for issuance under the 2011 Plan.

The 2011 Plan is administered by our board of directors and provides for the grant of incentive stock options within the meaning of Section 422 of the Code, non-statutory stock options and stock awards. Following the closing of initial public offering on July 7, 2015, we ceased granting options under the 2011 Plan. However, incentive stock options may only be granted to our employees. The terms of awards are set forth in the applicable award agreements.

Awards under the 2011 Plan are subject to appropriate adjustments in the event of a stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting our outstanding common stock as a class without our receipt of consideration.

Upon a change of control, as defined in the 2011 Plan:

all outstanding option awards will become exercisable in full immediately prior to the effective date of the change of control, except to the extent such options are (1) assumed, or equivalent options substituted, by the successor corporation, or parent thereof, or otherwise continued in full force and effect pursuant to the terms of the change of control transaction, (2) replaced by a cash incentive program that provides for a subsequent payout of the spread existing on the unvested option shares as of the date of such change of control, to be paid in accordance with the same vesting schedule applicable to those unvested option shares, or (3) our board of directors subjects such acceleration to other limitations; and

all outstanding repurchase rights in favor of us with respect to shares of our common stock issued upon exercise of options or as stock awards shall terminate automatically, and such shares shall become vested, except to the extent (1) those repurchase rights are assigned to a successor corporation, or parent thereof, or otherwise continued in effect pursuant to the terms of the change of control transaction, (2) the property, including cash payments, issued with respect to the unvested shares are placed in escrow and released in accordance with the vesting schedule in effect for such shares, or (3) such accelerated vesting is precluded by other limitations imposed by our board of directors.

Our board of directors has the discretion, exercisable either at the time an award is granted or at any time while an award remains outstanding, to provide that such award will become fully vested upon the occurrence of a change of control or other specified event or the participant's involuntary termination, as defined in the 2011 Plan, within a designated period following a specified event.

Subject to any applicable stockholder approval requirements pursuant to applicable laws and regulations, our board of directors may amend or terminate the 2011 Plan or any awards under the Plan in any or all respects, except that no amendment or termination may adversely affect the rights and obligations with respect to outstanding awards without participant consent. Our board of directors has the authority, with the consent of the affected participants, to cancel any or all outstanding options under the 2011 Plan and grant in substitution therefor new options covering the same or a different number of shares of our common stock.

As of December 31, 2016, there were options to purchase an aggregate of 2,611,669 shares of common stock outstanding under the 2011 Plan at a weighted-average exercise price of \$7.46 per share. Following the adoption of our 2015 Plan, any shares of common stock subject to awards originally granted under the 2011 Plan that expire, terminate, or are otherwise surrendered, canceled, forfeited or repurchased without having been fully exercised or resulting in any common stock being issued will be available for issuance under the 2015 Plan, up to a specified number of shares.

2015 Stock Incentive Plan

Our board of directors adopted, and our stockholders approved, our 2015 Plan, which became effective in June 2015. The 2015 Plan provides for the grant of incentive stock options, non-statutory stock options, stock appreciation rights, restricted stock awards, restricted stock units and other stock-based awards. The number of shares of our common stock that are reserved for issuance under the 2015 Plan are the sum of: (1) 2,000,000; plus (2) 259,403 shares of our common stock reserved for issuance under the 2011 Plan and the number of shares of our common stock subject to outstanding awards under the 2011 Plan or under the 2004 Plan that expire, terminate or are otherwise surrendered, canceled, forfeited or repurchased by us at their original issuance price pursuant to a contractual repurchase right; plus (3) an annual increase, to be added on the first day of each fiscal year, beginning with the fiscal year ending December 31, 2016 and continuing until, and including, the fiscal year ending December 31, 2025, equal to the least of (a) 3,000,000 shares of our common stock, (b) 3% of the number of shares of our common stock outstanding on the first day of such fiscal year and (c) an amount determined by the Board.

Our employees, officers, directors, consultants and advisors are eligible to receive awards under the 2015 Plan. Incentive stock options, however, may only be granted to our employees.

Pursuant to the terms of the 2015 Plan, our board of directors (or a committee delegated by our board of directors) administers the plan and, subject to any limitations in the plan, selects the recipients of awards and determines:

the number of shares of our common stock covered by options and stock appreciation rights and the dates upon which those awards become exercisable;

the type of options to be granted;

the duration of options and stock appreciation rights, which may not be in excess of ten years;

the exercise price of options and measurement price of stock appreciation rights, both of which must be at least equal to the fair market value of our common stock on the date of grant; and

the number of shares of our common stock subject to the terms of any restricted stock awards, restricted stock units or other stock-based awards and the terms and

conditions of such awards, including conditions for repurchase, issue price and repurchase price and performance conditions, if any.

If our board of directors delegates authority to an executive officer to grant awards under the 2015 Plan, the executive officer will have the power to make awards to all of our employees, except executive officers, subject to any limitations under the 2015 Plan. Our board of directors will fix the terms of the awards to be granted by such executive officer, including the exercise price of such awards, which may include a formula by which the exercise price will be determined, and the maximum number of shares subject to awards that such executive officer may make.

Effect of Certain Changes in Capitalization

Upon the occurrence of any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off or other similar change in capitalization or event, or any dividend or distribution to holders of our common stock other than an ordinary cash dividend, our board of directors shall equitably adjust:

the number and class of securities available under the 2015 Plan;

the share counting rules under the 2015 Plan;

the number and class of securities and exercise price per share of each outstanding option;

the share and per-share provisions and the measurement price of each outstanding stock appreciation right;

the number of shares subject to, and the repurchase price per share subject to, each outstanding restricted stock award;
and

the share and per-share related provisions and the purchase price, if any, of each outstanding restricted stock unit award and each other stock-based award.

Effect of Certain Corporate Transactions

Upon a merger or other reorganization event, as defined in our 2015 Plan, our board of directors may, on such terms as our board determines, except to the extent specifically provided otherwise in an applicable award agreement or other agreement between the participant and us, take any one or more of the following actions pursuant to the 2015 Plan as to some or all outstanding awards, other than restricted stock:

provide that all outstanding awards shall be assumed, or substantially equivalent awards shall be substituted, by the acquiring or successor corporation, or an affiliate thereof;

upon written notice to a participant, provide that all of the participant's unvested and/or unexercised awards will terminate immediately prior to the consummation of

such reorganization event unless exercised by the participant, to the extent then exercisable;

provide that outstanding awards shall become exercisable, realizable or deliverable, or restrictions applicable to an award shall lapse, in whole or in part, prior to or upon such reorganization event;

in the event of a reorganization event pursuant to which holders of shares of our common stock will receive a cash payment for each share surrendered in the reorganization event, make or provide for a cash payment to the participants with respect to each award held by a participant equal to (1) the number of shares of our common stock subject to the vested portion of the award, after giving effect to any acceleration of vesting that occurs upon or immediately prior to such reorganization event, multiplied by (2) the excess, if any, of the cash payment for each share surrendered in the reorganization event over the exercise, measurement or purchase price of such award and any applicable tax withholdings, in exchange for the termination of such award; and/or

provide that, in connection with a liquidation or dissolution, awards shall convert into the right to receive liquidation proceeds, if applicable, net of the exercise, measurement or purchase price thereof and any applicable tax withholdings.

Our board of directors does not need to take the same action with respect to all awards, all awards held by a participant or all awards of the same type.

In the case of certain restricted stock units, no assumption or substitution is permitted, and the restricted stock units will instead be settled in accordance with the terms of the applicable restricted stock unit agreement.

Upon the occurrence of a reorganization event other than a liquidation or dissolution, the repurchase and other rights with respect to outstanding awards of restricted stock will continue for the benefit of the successor company and will, unless the board of directors may otherwise determine, apply to the cash, securities or other property into which shares of our common stock are converted or exchanged pursuant to the reorganization event. Upon the occurrence of a reorganization event involving a liquidation or dissolution, all restrictions and conditions on each outstanding award of restricted stock will automatically be deemed terminated or satisfied, unless otherwise provided in the agreement evidencing the restricted stock award or any other agreement between the participant and us.

At any time, our board of directors may, in its sole discretion, provide that any award under the 2015 Plan will become immediately exercisable in full or in part, free of some or all restrictions or conditions, or otherwise realizable

in whole or in part as the case may be.

No award may be granted under the 2015 Plan on or after June 30, 2025. Our board of directors may amend, suspend or terminate the 2015 Plan at any time, except that stockholder approval may be required to comply with applicable law or stock market requirements.

As of December 31, 2016, there were options to purchase an aggregate of 210,427 shares of common stock outstanding under the 2015 Plan at a weighted-average exercise price of \$10.80 per share.

2016 Employee Bonus and Stock Incentive Plan

As part of our annual compensation-setting process, in February 2016, our compensation committee recommended, and our board of directors approved, a 2016 employee bonus and stock incentive plan. Each of the Company's executive officers in 2016, other than Mr. Augusti, was eligible to receive an annual cash bonus and an equity grant award pursuant to the plan. The target annual cash bonus was based on the achievement of individual and corporate performance objectives, including achieving revenue and gross margin performance targets determined by our compensation committee. The target cash bonus for 2016 was a percentage of annual base salary for each of Dr. Lang, Mr. Weiner and Dr. Steines and was determined by our compensation committee in its sole discretion, and approved by our board of directors in the case of Dr. Lang. However, no annual bonus payments were made under our 2016 Employee Bonus and Stock Incentive Plan.

In addition, each of our executive officers in 2016, other than Mr. Augusti, was eligible to receive an annual equity grant pursuant to such plan. The target annual equity grant for 2016 for each of Dr. Lang, Mr. Weiner and Dr. Steines was determined by our compensation committee and approved by our board of directors.

2017 Employee Bonus and Stock Incentive Plan

As part of our annual compensation-setting process, in February 2017, our compensation committee recommended, and our board of directors approved, a 2017 employee bonus and stock incentive plan. Pursuant to this plan, each of our executive officers is eligible to receive an annual cash bonus that is based on a percentage of each such employee's annual base salary. Our board of directors, based on recommendations from our compensation committee, established the metrics for determining such bonuses and the conditions to the payment of such bonuses, which are subject to the approval of our board of directors. The target annual cash bonus is based on the achievement of individual and corporate performance objectives, including achieving revenue and gross margin performance targets determined by our compensation committee. Mr. Augusti is eligible for an annual target bonus of 75% of his annualized base salary, based upon his achievement of both corporate and individual goals, as determined by the board of directors in its sole discretion. The determination of whether a bonus will be granted to Mr. Augusti, and the amount of any such bonus, will also be determined by the board of directors in its sole discretion.

In addition, each of our executive officers is eligible to receive an annual equity grant pursuant to such plan. The target annual equity grant for 2017 for each of Mr. Weiner and Dr. Steines will be determined by our compensation committee and approved by our board of directors (or a committee delegated by our board of directors). Subject to the approval of the board of directors, Mr. Augusti's initial annual long-term incentive award, was comprised of equity awards having a value of \$800,000, allocated as follows: (i) an initial annual long-term incentive award stock option to acquire shares of the Company's common stock having a Black Scholes value of \$533,333, with 25% of the shares underlying the option vesting on the first anniversary of the date of grant and 2.0833% of the shares underlying the option vesting monthly thereafter, subject to his continued employment with the Company on each applicable vesting date, and (ii) an initial annual long-term incentive restricted stock award to receive shares of the Company's common stock having a value of \$266,667, with such shares vesting in equal annual installments over a four (4) year period beginning on the first anniversary of the date of grant of the award subject to his continued employment on each applicable vesting date.

401(k) Plan

We maintain a 401(k) retirement plan that is intended to be a tax-qualified defined contribution plan under Section 401(k) of the Code. In general, all of our employees are eligible to participate, beginning on the first day of the month following commencement of their employment. The 401(k) plan includes a salary deferral arrangement pursuant to which participants may elect to reduce their current compensation by up to the statutorily prescribed limit,

equal to \$18,000, or \$24,000 for participants 50 years of age or older, in 2015 and 2016, and have the amount of the reduction contributed to the 401(k) plan. Currently, we match 50% of employee contributions up to the first 4% of the employee's salary in total, subject to the statutorily prescribed limit. The match vests over a period of five years.

Director Compensation Arrangements

For the period extending from the 2016 Annual Meeting of Stockholders to the 2017 Annual Meeting of Stockholders, our board approved compensation for Kenneth Fallon III, Bradley Langdale and Richard Meelia (each a “Compensated Director”), which excluded our non-employee directors who are not associated with an institutional investor that, singularly or collectively with any affiliates, holds 2% or more of the outstanding common stock of the Company. Our board, based on the recommendations of our compensation committee, evaluates and approves the compensation of our directors annually, and has used the following compensation scheme to compensate our Compensated Directors since our initial public offering in June 2015:

each new Compensated Director receives an initial grant under our 2015 Plan equal to such number of shares of our restricted common stock as is equal to \$220,000 divided by the fair market value of the Common Stock on the date of such grant;

each Compensated Director who has served on our board of directors for at least six months receives an annual grant under our 2015 Plan equal to such number of shares of our restricted common stock as is equal to \$110,000 divided by the fair market value of our common stock on the date of the board meeting after each Annual Meeting of Stockholders;

each Compensated Director receives an annual cash fee of \$50,000, except that the Chairman of our board of directors receives an annual cash fee of \$100,000;

each Compensated Director who is a member of the audit committee receives an additional annual cash fee of \$10,000 for service on such committee, except that the chair of such committee receives an annual cash fee of \$20,000 for serving in such capacity;

each Compensated Director who is a member of the compensation committee receives an additional annual cash fee of \$5,000 for service on such committee, except that the chair of such committee receives an annual cash fee of \$11,000 for serving in such capacity;

each Compensated Director who is a member of the nominating and corporate governance committee receives an additional annual cash fee of \$5,000 for service on such committee, except that the chair of such committee receives an annual cash fee of \$10,000 for serving in such capacity; and

each Compensated Director who is a member of any other committee of our board of directors that may be established from time to time by our board of directors receives an additional cash fee of \$5,000 for serving on such committee.

Unless otherwise provided at the time of grant, subject to the Compensated Director's continued service as a director, the initial grant of our restricted common stock referred to in the first bullet above vests with respect to 100% of the shares upon the two year anniversary of the grant date, and each annual grant of our restricted common stock referred to in the second bullet point above vests with respect to 100% of the shares upon the earlier of the first anniversary of the grant date or the date of the first annual meeting of stockholders after the grant date. In the case of each of such initial grants and such annual grants, in the event of a change in control, the vesting schedule of the shares subject to each grant will accelerate in full.

Each annual cash fee is payable in arrears in twelve equal monthly installments. The amount of each payment is prorated for any portion of a month that a director is not serving on our board or committee, as applicable.

Each non-employee director is entitled to reimbursement for reasonable travel and other expenses incurred in connection with attending meetings of the board of directors and any committee on which he or she serves, subject to our company travel and expense policy.

MATTERS TO BE VOTED ON

Proposal 1: Election of Class II Directors

In accordance with the terms of our restated certificate of incorporation and amended and restated by-laws, our board of directors is divided into three classes, class I, class II and class III, with members of each class serving staggered three-year terms. Upon the expiration of the term of a class of directors, directors in that class will be eligible to be elected for a new three-year term at the Annual Meeting of Stockholders in the year in which their term expires. At each Annual Meeting of Stockholders, directors are elected for a full term of three years to succeed those directors whose terms are expiring.

Colm Lanigan, Michael Milligan and Aditya Puri are current class II directors whose terms expire at the Annual Meeting. Messrs. Lanigan and Puri will not be standing for re-election as class II directors of the Company at the Annual Meeting. In March 2017, based in part on the recommendation of our nominating and corporate governance committee, our board of directors nominated Philip Johnston for election and Michael Milligan for re-election as class II directors of the Company, each with a term ending in 2020.

Unless otherwise instructed in the proxy, all proxies will be voted “FOR” the election of Philip Johnston and Michael Milligan to three-year terms ending in 2020, each such nominee to hold office until his successor has been duly elected and qualified. Stockholders who do not wish their shares to be voted for any or all of the nominees may so indicate by striking out the name of such nominee(s) on the proxy card. Each of the nominees has indicated his willingness to serve on our board, if elected. If any nominee should be unable to serve, the person acting under the proxy may vote the proxy for a substitute nominee designated by our board. We do not contemplate that either of the

nominees will be unable to serve if elected.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* THE ELECTION OF EACH OF THE NOMINEES AS DIRECTORS.

Proposal 2: To Ratify the Selection of Grant Thornton LLP as ConforMIS's Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2017

The audit committee of our board of directors has selected the firm of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. Grant Thornton LLP has served as our independent registered public accounting firm since the fiscal year ended December 31, 2008. Although stockholder approval of the selection of Grant Thornton LLP is not required by law or NASDAQ rules, our audit committee believes that it is advisable and has decided to give our stockholders the opportunity to ratify this selection. If this proposal is not approved at the Annual Meeting, our audit committee may reconsider this selection.

Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions from stockholders.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP AS CONFORMIS' S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017.
