Item 5.02 – Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Effective August 16, 2016 the Compensation Committee (the “**Committee**”) of the Board of Directors of LSI Industries Inc. (“**LSI**” or the “**Company**”) adopted the Fiscal Year 2018 LSI Industries Inc. Long Term Incentive Plan (LTIP) for Named Executive Officers (the “**2018 LTIP**”). The 2018 LTIP provides for the issuance of share-based awards to named executive officers of the Company pursuant to the LSI Industries Inc. Amended and Restated 2012 Stock Incentive Plan, as of November 17, 2016 (the “**2012 Stock Incentive Plan**”). Pursuant to the 2018 LTIP effective August 17, 2017 the Committee awarded to executive officers service-based stock options, service-based restricted stock units (“**RSUs**”) and performance-based stock options as follows:

<u>Named Executive Officer</u>	<u>Service-Based Stock Options</u>	<u>Service-Based RSUs</u>	<u>Performance-Based Stock Options</u>
Dennis W. Wells	60,477	25,490	123,560

Howard E. Japlon	38,000	8,500	45,000
Andrew J. Foerster	30,000	6,500	34,000

The service-based stock options and RSUs vest ratably over a three year time period. The performance-based stock options vest based upon the attainment of the Company’s operating income goal as a percentage of planned net sales established for the 2018 fiscal year in 33.33% increments. Assuming the Company’s adjusted operating income goal for fiscal 2018 is achieved, the first 33.33% will vest after the end of the 2018 fiscal year; the second 33.33% will vest after the end of the 2019 fiscal year; and the third 33.33% will vest after the end of the 2020 fiscal year. The service-based stock options and performance-based stock options each have a ten year exercise term. The above summary description of the 2018 LTIP is qualified in its entirety by the full 2018 LTIP filed as an exhibit herewith and incorporated herein by reference.

Also effective August 16, 2017, the Committee adopted the Fiscal Year 2018 LSI Industries Inc. Short Term Incentive Plan (STIP) for Named Executive Officers (the “**2018 STIP**”). The 2018 STIP provides for the payment of cash bonuses to named executive officers of the Company if certain sales and operating income goals are met. A graduated scale of bonus potential stated as a percentage of base salary is identified at indicated levels of achievement of key performance indicators. The above summary description of the 2018 STIP is qualified in its entirety by the full 2018 STIP filed as an exhibit herewith and incorporated herein by reference.

The Committee also established annual salaries and determined cash bonuses for the Company's executive officers as follows:
