FORWARD-LOOKING STATEMENTS

This prospectus includes, and any accompanying prospectus supplement may include, various statements relating to future financial performance and results, including certain projections, business trends and other statements that are not historical facts. These statements constitute “Forward-Looking Statements” as defined in the Securities Act and the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally are identified by the words “believe,” “project,” “expect,” “anticipate,” “estimate,” “budget,” “intend,” “strategy,” “plan,” “guidance,” “may,” “should,” “would,” “will be,” “will continue,” “will likely result” and similar expressions, although not all forward-looking statements contain these identifying words.

Forward-looking statements reflect our beliefs and expectations based on current estimates and projections. While we believe these expectations, and the estimates and projections on which they are based, are reasonable and were made in good faith, these statements are subject to numerous risks and uncertainties. Accordingly, our actual outcomes and results may differ materially from what we have expressed or forecasted in the forward-looking statements.

Furthermore, from time to time, we update the various factors we consider in making our forward-looking statements and the assumptions we use in those statements. However, we undertake no obligation to correct, update or revise any forward-looking statement, whether as a result of new information, future events or otherwise, except to the extent required under federal securities laws. The following sets forth various assumptions we use in our forward-looking statements, as well as risks and uncertainties relating to those statements. Certain of the risks and uncertainties may cause actual results to be materially different from projected results contained in forward-looking statements in this prospectus and in our other disclosures. These risks and uncertainties include, but are not limited to, those described below under “Risk Factors” and the following:

global political, economic and market conditions, political disturbances, war, or terrorist attacks, changes in global trade policies, and international currency fluctuations;

our inability to realize expected revenues and profitability levels from current and future contracts;

our ability to manage our workforce, supply chain and business processes, information technology systems, and technological innovation and commercialization;

increases in the prices and availability of our raw materials;

nonrealization of expected reductions in our effective tax rate;

nonrealization of expected benefits from our acquisitions or business dispositions;

downturns in our industry which could affect the carrying value of our goodwill;

member country quota compliance within Organization of Petroleum Exporting Countries;

adverse weather conditions in certain regions of our operations;

failure to ensure on-going compliance with current and future laws and government regulations, including but not limited to environmental and tax and accounting laws, rules and regulations; and

limited access to capital or significantly higher cost of capital related to liquidity or uncertainty in the domestic or international financial markets.

Finally, our future results will depend upon various other risks and uncertainties, including, but not limited to, those detailed in our other filings with the SEC under the Exchange Act, and the Securities Act. For additional information regarding risks and uncertainties, see “Where You Can Find More Information.”

RISK FACTORS

Investing in our securities involves risk. There are important factors that could cause our actual results, level of activity or performance to differ materially from our past results of operations or from the results, level of activity or performance implied by the forward-looking statements contained in this prospectus or in any prospectus supplement. In particular, you should carefully consider the risk factors described under the caption “Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2013, which is incorporated by reference into this prospectus. Other sections of this prospectus, any prospectus supplement and the documents incorporated by reference may include additional factors which could adversely impact our business and financial performance. Moreover, we operate in a very competitive and rapidly changing environment. New risk factors emerge from time to time, and it is not possible for us to predict all risk factors, nor can we assess the impact of all risk factors on our business or the extent to which any factor or combination of factors may cause actual results to differ materially from those contained in any forward-looking statements. These risks could materially and adversely affect our business, financial condition or operating results and could result in a partial or complete loss of your investment.

USE OF PROCEEDS

Unless otherwise specified in a prospectus supplement, we will use the net proceeds received by us from the sale of the securities offered by this prospectus and the accompanying prospectus supplement for general corporate purposes. We may invest funds not required immediately for such purposes in marketable securities and short-term investments. We will not receive any of the proceeds from the sale of our securities by selling securityholders offered by this prospectus.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of earnings to fixed charges for the periods indicated.

	2013	2012	2011	2010	2009	
Ratio of earnings to fixed charges	—	(1)	(1)	2.30x	1.34x	1.51x

(1) For the years ended December 31, 2013 and 2012, earnings before fixed charges were inadequate to cover fixed charges by \$211 million and \$349 million, respectively.

For purposes of computing the ratio of earnings to fixed charges, earnings are divided by fixed charges. “Earnings” represent the aggregate of (a) our earnings (loss) before income taxes, minority interest, discontinued operations and equity in earnings of unconsolidated investees and (b) fixed charges, net of interest capitalized plus (c) distributed income from equity investments. “Fixed charges” represent interest (whether expensed or capitalized), the amortization of capitalized debt costs and original issue discount and that portion of rental expense on operating leases deemed to be the equivalent of interest.

DESCRIPTION OF SECURITIES

We will set forth in the applicable prospectus supplement a description of the registered shares, debt securities and guarantees that may be offered under this prospectus.

SELLING SECURITYHOLDERS

Item 15. Indemnification of Directors and Officers.

Weatherford Switzerland

Weatherford International Ltd. (“Weatherford Switzerland”) is a Swiss joint-stock corporation. Weatherford Switzerland believes, based on the interpretation of leading Swiss legal scholars, which is a persuasive authority in Switzerland, that under Swiss law Weatherford Switzerland may indemnify its directors and officers unless the indemnification results from a breach of their duties that constitutes gross negligence or intentional breach of duty of the director or officer concerned. Weatherford Switzerland’s articles of association make indemnification of directors and officers and advancement of expenses to defend claims against directors and officers mandatory on the part of Weatherford Switzerland to the fullest extent allowed by law. Under Weatherford Switzerland’s articles of association, a director or officer may not be indemnified if such person is found, in a final judgment or decree not subject to appeal, to have committed an intentional or grossly negligent breach of his or her statutory duties as a director or officer.

Swiss law permits Weatherford Switzerland, or each director or officer individually, to purchase and maintain insurance on behalf of such directors and officers. Weatherford Switzerland may obtain, and has purchased and maintains, directors’ and officers’ liability insurance from one or more third party insurers or captive insurance companies. Weatherford Switzerland has also entered into indemnification agreements with certain of its directors and executive officers that provide for indemnification and expense advancement and include related provisions meant to facilitate the indemnitee’s receipt of such benefits. The agreements provide that Weatherford Switzerland will indemnify each such director and executive officer, except in case of gross negligence, willful intent, fraud or dishonesty. The agreements provide that expense advancement is provided subject to an undertaking by the indemnitee to repay amounts advanced if it is ultimately determined that he is not entitled to indemnification. The disinterested members of the board of directors of Weatherford Switzerland or an independent counsel or a majority of shareholders will determine whether indemnification payment should be made in any particular instance. In making such determination, the board or the independent counsel, as the case may be, must presume that the indemnitee is entitled to such indemnification, and Weatherford Switzerland has the burden of proof in seeking to overcome such presumption. If the board or the independent counsel determines that the director or executive officer is not entitled to indemnification, the agreements provide that such person is entitled to seek an award in arbitration or before the competent court with respect to his right to indemnification under his agreement.

II-1

Weatherford Bermuda

Weatherford International Ltd. (“Weatherford Bermuda”) is a Bermuda exempted company. Section 98 of the Companies Act 1981 of Bermuda, as amended (the “Companies Act”), provides generally that a Bermuda company may indemnify its directors, officers and auditors against any liability which by virtue of any rule of law otherwise would be imposed on them in respect to any negligence, default, breach of duty or breach of trust, except in cases where such liability arises from fraud or dishonesty of which such director, officer or auditor may be guilty in relation to the company. Section 98 further provides that a Bermuda company may indemnify its directors, officers and auditors against any liability incurred by them in defending any proceedings, whether civil or criminal, in which judgment is awarded in their favor or in which they are acquitted or granted relief by the Supreme Court of Bermuda pursuant to Section 281 of the Companies Act. A company may advance monies to a director, officer or auditor for the costs, charges and expenses incurred by them in defending any civil or criminal proceedings against them, on condition that the director, officer or auditor shall repay the advance if any allegation of fraud or dishonesty is proved against them.

Weatherford Bermuda has adopted provisions in its bye-laws that provide that Weatherford Bermuda shall indemnify its officers and directors in respect of their actions and omissions, except in respect of their fraud or dishonesty. Weatherford Bermuda’s bye-laws provide that the shareholders waive all claims or rights of action that they might have, individually or in right of the company, against any of the company’s directors or officers for any act or failure to act in the performance of such director’s or officer’s duties, except in respect of any fraud or dishonesty of such director or officer.

Furthermore, Weatherford Bermuda has entered into indemnification agreements with certain of its directors and executive officers. The indemnification agreements require Weatherford Bermuda to indemnify its officers and directors, except for liability in respect of their fraud or dishonesty, against expenses (including attorneys’ fees and disbursements), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred in connection with any action, suit, arbitration, alternate dispute resolution mechanism, investigation, administrative hearing or any other proceeding whether civil, criminal, administrative or investigative and whether formal or informal. The indemnification agreements also provide that Weatherford Bermuda must pay all reasonable expenses incurred in advance of a final disposition.

Section 98A of the Companies Act permits Weatherford Bermuda to purchase and maintain insurance for the benefit of any of its officers or directors in respect of any loss or liability attaching to him in respect of any negligence, default, breach of duty, or breach of trust, whether or not Weatherford Bermuda may otherwise indemnify such officer or director. Weatherford Switzerland’s directors’ and officers’ liability insurance covers the directors and officers of Weatherford Bermuda for such purposes.

Weatherford Delaware

Weatherford International, LLC (“Weatherford Delaware”) is a Delaware limited liability company. Section 18-108 of the Delaware Limited Liability Company Act provides that, subject to such standards and restrictions, if any, as are set forth in its limited liability company agreement, a Delaware limited liability company may, and shall have the power to, indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever. Weatherford Delaware’s limited liability company agreement provides for indemnification of each member, manager (if any), officer and director (if any) of Weatherford Delaware, as well as, upon approval of the member, other employees or an affiliate of Weatherford Delaware, to the fullest extent permitted by Delaware law.

Furthermore, Weatherford Delaware has entered into indemnification agreements with certain of its officers. The indemnification agreements require Weatherford Delaware to indemnify its officers to the fullest extent permitted by applicable law against expenses (including attorneys’ fees and disbursements), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred in connection with any action, suit or proceeding, whether civil,

criminal, administrative or investigative in nature if they acted in good faith or in a manner they reasonably believed to be in or not opposed to the best interests of Weatherford Delaware and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. In an action brought by or in the right of Weatherford Delaware, as opposed to an action brought by a third party, no such indemnification shall be made in respect of any claim, issue or matter as to which applicable law expressly prohibits such indemnification by reason of an adjudication of liability of indemnitee to the Company (unless a court of competent jurisdiction determines otherwise). The indemnification agreements also provide that Weatherford Delaware must pay all reasonable expenses incurred in advance of a final disposition.

II-2

In addition, Weatherford Switzerland's directors' and officers' liability insurance covers those persons who are or were an officer of Weatherford Delaware against liability asserted against or incurred by them in any such capacity, whether or not Weatherford Delaware would have the power to indemnify such persons against such liability under the provisions of Weatherford Delaware's limited liability company agreement.

Item 17. Undertakings.

(a) The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by any registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of

contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

II-6

(5) That, for the purpose of determining liability of a registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, each undersigned registrant undertakes that in a primary offering of securities of an undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of an undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrants or used or referred to by an undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned registrant or its securities provided by or on behalf of an undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned registrant to the purchaser.

(b) The undersigned registrants hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of a registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions or otherwise, the registrants have been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(d) The undersigned registrants hereby undertake to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.
