Item 8.01. Other Events.

On September 7, 2011, Dean Hatton, the Chief Executive Officer of Higher One Holdings, Inc. (the “Registrant” or the “Company”), terminated his 10b5-1 stock trading plan entered into on March 7, 2011 and adopted a new 10b5-1 stock trading plan. Mr. Hatton adopted the new stock trading plan in order to reduce the number of shares subject to sale from the amount specified in the previous plan. Like his previous plan, the new plan provides for the sale of shares of the Registrant’s common stock, issuable upon exercise of options granted on March 26, 2002. Mr. Hatton wishes to exercise these options prior to their expiration on March 26, 2012, and his decision to sell the shares acquired in the options exercise is primarily driven by the need to satisfy the substantial tax obligation that will arise upon exercise. Under the plan, beginning on October 7, 2011, a brokerage firm may periodically exercise Mr. Hatton’s stock options and sell the issued shares prior to the expiration of the plan and options on March 26, 2012. The maximum number of options that can be exercised and sold over the duration of the plan is 426,340.
