Item 6. Indemnification of Directors and Officers.

Under the Nevada Revised Statutes, director immunity from liability to a company or its shareholders for monetary liabilities applies automatically unless it is specifically limited by a company's Articles of Incorporation.

The Company's Restated Articles of Incorporation state that no director or officer shall be personally liable to the Company or its stockholders for monetary damages for any breach of fiduciary duty by such person as a director or officer. Notwithstanding the foregoing sentence, a director or officer shall be liable to the extent provided by applicable law (i) for acts or omissions which involve intentional misconduct, fraud or a knowing violation of the law or (ii) for the payment of dividends in violation of Nevada Revised Statutes Section 78.300.

The Company's Bylaws state that each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, ("proceeding"), by reason of the fact that he or she is or was a director or officer of the Company or is or was serving at the request of the Company as a director or officer of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (hereinafter an "indemnitee"), whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving as a director or officer shall be indemnified and held harmless by the Company to the fullest extent authorized by the Nevada Revised Statutes, as the same exists or may hereafter be amended, (but, in the case of any such amendment, only to the extent that such amendment permits the Company to provide broader indemnification rights than permitted prior thereto), against all expense, liability and loss reasonably incurred or suffered by such indemnitee in connection therewith.

The Bylaws further provide that, subject to statutory limitations, the right to indemnification shall include the right to be paid by the Company the expenses incurred in defending any proceeding for which such right to indemnification is applicable in advance of its final disposition.

The Bylaws also state that the Company may, to the extent authorized from time to time by the board of directors, grant rights to indemnification, and to the advancement of expenses to any employee or agent of the Company to the fullest extent of the provisions of the Bylaws with respect to the indemnification and advancement of expenses of

directors and officers of the Company.

The Company has also entered into agreements with our directors and officers that will require us, among other things, to indemnify them against certain liabilities that may arise by reason of their status or service as our directors or officers to the fullest extent not prohibited by law. The indemnification agreements also set forth certain procedures that will apply in the event of a claim for indemnification thereunder. We also maintain liability insurance for our officers and directors.

At present, no litigation or proceeding is pending that involves any of our directors or officers for which indemnification is sought, nor is the Company aware of any threatened litigation that may result in claims for indemnification.

The above discussion of our corporate documents and agreements is not intended to be exhaustive and is respectively qualified in its entirety by our corporate documents and agreements.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a)

The undersigned registrant hereby undertakes:

(1)

To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to:

(i)

include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii)

reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price

represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii)

include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2)

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3)

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b)

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c)

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Newark, State of Delaware, on the 12th day of July 2013.
