Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 20, 2014, the Board of Directors (the “Board”) of CSG Systems International, Inc. (the “Company”) approved an amendment to Section 2.8 of the Company’s Revised Bylaws (the “Bylaw Amendment”). The Bylaw Amendment was effective immediately upon adoption by the Board.

The Bylaw Amendment provides for a majority voting standard in the election of directors. Under the Bylaw Amendment, in any “uncontested election” of directors (i.e., an election where the number of nominees does not exceed the number of directors to be elected), each nominee to the Board will be elected by the vote of a “majority of the votes cast,” meaning that the number of votes cast “for” a director’s election must exceed the number of votes cast “against” that director’s election. Abstentions and broker non-votes will not count as votes cast for purposes of this provision. If any incumbent director does not receive a majority of votes cast in favor of his or her re-election to the Board, that director will be required to submit his or her resignation to the full Board, with a presumption that the resignation will be accepted unless the Board determines that there is a compelling reason for the director to remain on the Board. In the case of a contested election, directors will continue to be elected by a plurality vote.

A copy of the Amended and Restated Bylaws reflecting the Bylaw Amendment is attached hereto as Exhibit 3.02 and is hereby incorporated by reference.
