27 October 2016

LLOYDS BANK PLC COMMENCES CASH TENDER OFFERS FOR CERTAIN OF ITS OUTSTANDING NOTES

Lloyds Bank plc (“Lloyds Bank” or the “Offeror”) is today announcing that it is commencing cash tender offers to purchase certain outstanding notes listed in the table below (the “Offers”).

The Offers are being made on the terms and subject to the conditions set out in the Offer to Purchase relating to the Offers dated 27 October 2016 (the “Offer to Purchase”) and the related Notice of Guaranteed Delivery (together, the “Offer Documents”). Capitalised terms not otherwise defined in this announcement have the same meaning as in the Offer to Purchase.

Purpose of the Offers

The Offeror has undertaken the Offers in order to provide the holders of the Notes with an opportunity to have their Notes repurchased while maintaining a prudent approach to funding and liquidity as part of the Group’s ongoing liability management.

The Offers

The Offeror is offering to purchase for cash, on the terms and conditions described in the Offer to Purchase:

1. any and all of the outstanding Notes indicated in the table below as being subject to the Any and All Tender Offer (collectively, the “Any and All Notes”) (the “Any and All Tender Offer”); and
2. up to the Maximum Tender Cap (as defined below) of the outstanding Notes indicated in the table below as being subject to the Maximum Tender Offer (collectively, the “Maximum Tender Notes”) (the “Maximum Tender Offer”).

The “Maximum Tender Cap” is a combined aggregate purchase price (exclusive of Accrued Interest (as defined herein)) of up to \$2,000,000,000, subject to the Offeror’s right to increase or decrease the Maximum Tender Cap in its sole discretion, subject to applicable law.

(1)

Per \$1,000 in principal amount of Maximum Tender Notes (as defined herein) tendered prior to the Early Tender Deadline (as defined herein) and accepted for purchase.

(2)

“Total Consideration” refers to the Any and All Total Consideration per \$1,000 in principal amount of the Any and All Notes validly tendered and accepted for purchase in the Any and All Tender Offer or the Maximum Tender Total Consideration per \$1,000 in principal amount of the Maximum Tender Notes validly tendered at or before the Early Tender Deadline and accepted for purchase in the Maximum Tender Offer, as applicable. The Maximum Tender Total Consideration includes the Early Tender Payment.

Offer Period

The Any and All Tender Offer will expire at 5.00 p.m., New York City time, on 3 November 2016, unless extended (such date and time, as the same may be extended, the ‘Any and All Expiration Deadline’) or earlier terminated.

The Maximum Tender Offer will expire at 11.59 p.m., New York City time, on 25 November 2016, unless extended (such date and time, as the same may be extended, the “Maximum Tender Expiration Deadline”) or earlier terminated.

Holders must validly tender Maximum Tender Notes at or prior to 5.00 p.m., New York City time, on 9 November 2016 (such date and time, as the same may be extended, the “Early Tender Deadline”) to be eligible to receive the Maximum Tender Total Consideration.

Consideration; Accrued Interest

Any and All Tender Offer

The “Any and All Consideration” for each \$1,000 principal amount of each Series of Any and All Notes validly tendered and not validly withdrawn at or prior to the Any and All Expiration Deadline and accepted for purchase by the Offeror will be equal to an amount (rounded to the nearest cent) that would reflect, as of the Any and All Settlement Date, a yield to the maturity date of such Series of Any and All Notes equal to the sum of (i) the Reference Yield for such Series of Any and All Notes, plus (ii) the Fixed Spread set forth in the table above.

Maximum Tender Offer

The ‘Maximum Tender Total Consideration’ for each \$1,000 principal amount of each Series of Maximum Tender Fixed Rate Notes validly tendered and not validly withdrawn at or prior to the Early Tender Deadline and accepted for purchase by the Offeror pursuant to the Maximum Tender Offer will be equal to an amount (rounded to the nearest cent) that would reflect, as of the Maximum Tender Early Settlement Date, a yield to the maturity date of such Series of Maximum Tender Fixed Rate Notes equal to the sum of: (i) the Reference Yield for such Series of Maximum Tender Notes, plus (ii) the Fixed Spread set forth in the table above.

The “Maximum Tender Total Consideration” for each \$1,000 principal amount of each Series of Maximum Tender Floating Rate Notes validly tendered and not validly withdrawn at or prior to the Early Tender Deadline is set forth in the table above.

The Maximum Tender Total Consideration with respect to each Series of the Maximum Tender Notes includes the Early Tender Payment.

The “Maximum Tender Offer Consideration” for each \$1,000 principal amount of each Series of Maximum Tender Fixed Rate Notes validly tendered after the Early Tender Deadline but at or prior to the Maximum Tender Expiration Deadline and accepted for purchase by the Offeror is equal to the Maximum Tender Total Consideration for such Series minus the Early Tender Payment.

Accrued Interest

In addition to the Any and All Consideration, the Maximum Tender Total Consideration or the Maximum Tender Offer Consideration, as the case may be, all Holders of Notes accepted for purchase pursuant to the Offers will also receive, on the applicable Settlement Date (as defined below), accrued and unpaid interest on such Notes from the last interest payment date up to, but not including the applicable Settlement Date (the “Accrued Interest”).

Acceptance Priority Levels; Proration

The amount of each Series of Maximum Tender Notes that is purchased in the Maximum Tender Offer will be based on the Maximum Tender Cap and the Acceptance Priority Level for such Series, as set forth in the table above, with Acceptance Priority Level 1 being the highest and Acceptance Priority Level 8 being the lowest, provided that any Maximum Tender Notes tendered at or prior to the Early Tender Deadline will be accepted for purchase in priority to any Maximum Tender Notes tendered after the Early Tender Deadline, even if such Maximum Tender Notes tendered following the Early Tender Deadline have a higher Acceptance Priority Level than Maximum Tender Notes tendered on or prior to the Early Tender Deadline. Among any Maximum Tender Notes validly tendered after the Early Tender Deadline but on or prior to the Maximum Tender Expiration Deadline, Maximum Tender Notes having a higher Acceptance Priority Level will be accepted before any Maximum Tender Notes tendered following the Early Tender Deadline having a lower Acceptance Priority Level.

Maximum Tender Notes of a Series may be subject to proration if the aggregate principal amount of the Maximum Tender Notes of such Series validly tendered and not validly withdrawn would cause the Maximum Tender Cap to be exceeded. Furthermore, absent an amendment of the Maximum Tender Offer, if the Maximum Tender Offer is fully subscribed as of the Early Tender Deadline, holders who validly tender Maximum Tender Notes after the Early Tender Deadline but on or prior to the Maximum Tender Expiration Deadline will not have any of their Maximum Tender Notes accepted for purchase.

Settlement

Unless offers are extended, reopened or earlier terminated, payment of the consideration to holders of Notes that are accepted for purchase is expected to be made on 8 November 2016 in the case of the Any and All Notes (the “Any and All Settlement Date”), on 15 November 2016 in the case of the Maximum Tender Notes validly tendered and not validly withdrawn at or before the Early Tender Deadline (the “Maximum Tender Early Settlement Date”) and on 30 November 2016 in the case of the Maximum Tender Notes validly tendered and not validly withdrawn after the Early Tender Deadline but at or prior to the Maximum Tender Expiration Deadline (the “Maximum Tender Final Settlement Date”; each of the Any and All Settlement Date, the Maximum Tender Early Settlement Date and the Maximum Tender Final Settlement Date, a “Settlement Date”).

Offer Conditions

The Offers are not conditional upon any minimum amount of Notes being tendered. However, the Offers are conditional upon the satisfaction or waiver of certain conditions described in the Offer to Purchase.

Withdrawal Rights

Any and All Notes tendered pursuant to the Any and All Tender Offer may be withdrawn at any time before the earlier of (i) the Any and All Withdrawal Deadline and (ii) if the Any and All Tender Offer is extended, the 10th Business Day after the commencement of the Any and All Tender Offer. Any and All Notes tendered pursuant to the Any and All Tender Offer may also be withdrawn at any time after the 60th Business Day after commencement of the Any and All Tender Offer if, for any reason, the Any and All Tender Offer has not been consummated within 60 Business Days of commencement.

Maximum Tender Notes may be validly withdrawn at any time before the Maximum Tender Withdrawal Deadline, but not thereafter.

The relevant deadline set by the relevant Clearing System or any intermediary for the submission of Tender Instructions may be earlier than the deadlines set out herein.

Concurrent Non-U.S. Offer

Concurrently with the Offers, the Group is launching an exchange offer (the “Non-U.S. Offer”) in respect of certain of Lloyds Bank’s outstanding euro denominated debt securities. The Non-U.S. Offer is not open to any holder of such securities that is a U.S. resident and is not being made pursuant to the Offer to Purchase. FORWARD-LOOKING STATEMENTS

Certain statements included in this announcement are forward-looking statements. We and the Group may make forward-looking statements in other documents filed with the SEC that are incorporated by reference into the Offer to Purchase. Forward-looking statements can be identified by the use of forward-looking terminology such as words “expect”, “estimate”, “project”, “anticipate”, “believes”, “should”, “could”, “intend”, “plan”, “probability”, “risk”, “target”, “goal”, “endeavour”, “outlook”, “optimistic”, “prospects” or by the use of similar expressions or variations on such expressions, or by the discussion of strategy or objectives. Forward-looking statements are based on current plans, estimates and projections, and are subject to inherent risks, uncertainties and other factors which could cause actual results to differ materially from the future results expressed or implied by such forward-looking statements.

In particular, this announcement and certain documents incorporated by reference into the Offer to Purchase include forward-looking statements relating, but not limited to, projections or expectations of LBG’s future financial position including profit attributable to shareholders, provisions, economic profit, dividends, capital structure, portfolios, net interest margin, capital ratios, liquidity, risk-weighted assets (RWAs), expenditures or any other financial items or ratios; litigation, regulatory and governmental investigations; LBG’s future financial performance; the level and extent of future impairments and write-downs; statements of plans, objectives or goals of LBG or its management including in respect of statements about the future business and economic environments in the U.K. and elsewhere including, but not limited to, future trends in interest rates, foreign exchange rates, credit and equity market levels and demographic developments; statements about competition, regulation, disposals and consolidation or technological developments in the financial services industry; and statements of assumptions underlying such statements.
