- [] Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

ITEM 1.01. MATERIAL DEFINITIVE AGREEMENTS
2005 Long-Term Incentive Plan Grant

The Executive Compensation Committee (ECC) of the Board of Directors of General Motors Corporation (GM) has approved a Stock Performance Plan for the period 2005 - 2007, pursuant to the provisions of the General Motors 2002 Long-Term Incentive Plan approved by the stockholders in 2002.

- Stock Performance Program awards are normally granted to the Corporation's approximately 425 senior executives, including named executive officers. These grants are made annually, and any payout is determined based on the Total Shareholder Return ("TSR") performance ranking of GM Common Stock ("Common Stock") compared to that of other stocks in the S&P 500 Composite Stock Price Index (the "S&P 500 Index") over a three-year period.
- Executives were granted cash target awards, which were subsequently denominated in phantom shares of the Corporation's Common Stock at the beginning of the 2005 - 2007 performance period. The final award value to be delivered at the end of the three-year performance period, if any, will depend on GM's TSR ranking (based on market price appreciation plus the compounding effect of reinvested dividends) relative to other companies in the S&P 500 Index.
- The awards will be denominated in phantom shares of Common Stock during the performance period but then converted to cash and delivered in one installment if threshold performance is achieved.
