UNAUDITED PRO FORMA COMBINED CONDENSED FINANCIAL STATEMENTS

The unaudited pro forma combined condensed balance sheet as of December 31, 2003 gives pro forma effect to the acquisition by Ionics, Incorporated of Ecolochem, Inc., Ecolochem International, Inc., Moson Holdings, LLC and Ecolochem S.A.R.L. which was consummated on February 13, 2004 (the "Acquisition") and the consummation of certain financing transactions relating to the Acquisition as if the Acquisition and financing transactions had occurred on December 31, 2003. The Acquisition was accounted for by the purchase method of accounting pursuant to which the purchase price is allocated among the acquired tangible and intangible assets and assumed liabilities in accordance with estimates of their fair values on the date of acquisition. The unaudited pro forma combined condensed balance sheet as of December 31, 2003 was prepared by combining Ionics' historical consolidated balance sheet as of December 31, 2003 with the Ecolochem Group's historical combined balance sheet as of September 30, 2003. The amounts reflected in the unaudited pro forma combined condensed balance sheet as of December 31, 2003 presented below are preliminary and subject to change and, therefore, the final values may differ substantially from these amounts.

The unaudited pro forma combined condensed statement of operations for the fiscal year ended December 31, 2003 gives pro forma effect to the Acquisition and the consummation of certain financing transactions relating to the Acquisition as if the transactions had occurred on January 1, 2003. The unaudited pro forma combined condensed statement of operations for the fiscal year ended December 31, 2003 was prepared by combining Ionics' historical statement of operations for the fiscal year ended December 31, 2003 with the Ecolochem Group's historical combined statement of operations for the fiscal year ended September 30, 2003.

The pro forma adjustments represent Ionics' preliminary determination of purchase accounting adjustments and are based upon available information and certain assumptions that Ionics believes to be reasonable under the circumstances. The pro forma adjustments and certain assumptions are described in the accompanying notes. The allocation of the purchase price is preliminary and will be revised upon the completion of the fixed asset and intangible asset appraisals, which are in progress. The final allocation of purchase price could differ materially from estimated allocated amounts included in these pro forma financial statements. The unaudited pro forma combined condensed financial information presented below does not purport to be indicative of the financial position or results of operations of Ionics had such transactions actually been completed as of the assumed dates and for the periods presented, and should not be taken as representative of the future consolidated results of operations or financial condition of Ionics.
