### PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of the Company whose principal executive offices are located at Two NorthShore Center, Pittsburgh, Pennsylvania 15212. This Proxy Statement and the accompanying proxy were first released to shareholders on January 14, 2002.

Execution of the proxy will not affect a shareholder's right to attend the meeting and vote in person. Any shareholder giving a proxy has the right to revoke it at any time before it is voted by giving notice to the Corporate Secretary or by attending the meeting and voting in person.

Matters to be considered at the Annual Meeting are those set forth in the accompanying notice. Shares represented by proxy will be voted in accordance with instructions. In the absence of instructions to the contrary, the proxy solicited will be voted for the proposals set forth.

Management does not intend to bring before the meeting any business other than that set forth in the Notice of Annual Meeting of Shareholders. If any other business should properly come before the meeting, it is the intention of Management that the persons named in the proxy will vote in accordance with their best judgment.

### OUTSTANDING STOCK AND VOTING RIGHTS

The Company has one class of stock outstanding: Class A Common Stock, par value \$1.00 per share, referred to as the "Common Stock."

Each outstanding share of Common Stock of the Company entitles the holder to one vote upon any business properly presented at the shareholders' meeting.

## Edgar Filing: MATTHEWS INTERNATIONAL CORP - Form DEF 14A

Cumulative voting is not applicable to the election of directors.

The Board of Directors of the Company has established December 31, 2001 as the record date for shareholders entitled to vote at the Annual Meeting. The transfer books of the Company will not be closed. A total of 30,281,500 shares of Common Stock are outstanding and entitled to vote at the meeting.

Abstentions and broker non-votes have no effect on any proposal to be voted upon. Broker non-votes as to any matter are shares held by brokers and other nominees which are voted at the meeting on matters as to which the nominee has discretionary authority, but which are not voted on the matter in question because the nominee does not have discretionary voting authority as to such matter.

### GENERAL INFORMATION REGARDING CORPORATE GOVERNANCE

#### Board of Directors

The Board of Directors is the ultimate governing body of the Company. As such, it functions within a framework of duties and requirements established by statute, government regulations and court decisions. Generally, the Board of Directors reviews and confirms the basic objectives and broad policies of the Company, approves various important transactions, appoints the officers of the Company and monitors Company performance in key results areas.

#### Board Composition

The Restated Articles of Incorporation of the Company provide that the Board of Directors has the power to set the number of Directors constituting the full Board, provided that such number shall not be less than five nor more than fifteen. Until further action, the Board of Directors has fixed the number of directors constituting the full Board at seven, divided into three classes. The terms of office of the three classes of Directors end in successive years.

During fiscal year 2001, there were five regularly scheduled meetings and three special meetings of the Board of Directors.

#### Board Committees

There are three standing committees appointed by the Board of Directors -- the Executive, Audit and Compensation Committees.

Management has the same responsibility to each committee as it does to the Board of Directors with respect to providing adequate staff services and information. Furthermore, each committee has the same power as the Board of Directors to employ the services of outside consultants and to have discussions and interviews with personnel of the Company and others.

The principal functions of the three standing committees are summarized as follows:

## Edgar Filing: MATTHEWS INTERNATIONAL CORP - Form DEF 14A

### Executive Committee

The Executive Committee is appointed by the Board of Directors to have and exercise during periods between Board meetings all of the powers of the Board of Directors, except that the Executive Committee may not elect directors, change the membership of or fill vacancies in the Executive Committee, change the By-laws of the Company or exercise any authority specifically reserved by the Board of Directors. Among the functions customarily performed by the Executive Committee during periods between Board meetings are the approval, within limitations previously established by the Board of Directors, of the principal terms involved in sales of securities of the Company, and such reviews as may be necessary of significant developments in major events and litigation involving the Company. In addition, the Executive Committee is called upon periodically to provide advice and counsel in the formulation of corporate policy changes and, where it deems advisable, make recommendations to the Board of Directors.

6

The Executive Committee holds meetings at such times as are required. During fiscal year 2001, the Executive Committee met a total of four times. The members of the Committee are David M. Kelly (Chairman), David J. DeCarlo and Thomas N. Kennedy.

### Audit Committee

The principal function of the Audit Committee is to serve as an independent and objective party to monitor the Company's financial reporting and internal control systems. The Committee periodically reviews and appraises the Company's outside auditors and the Company's internal audit department and serves as a vehicle to provide an open avenue of communication between the Company's Board of Directors and financial management, the internal audit department, and independent accountants.

The Committee members are John P. O'Leary, Jr. (Chairman), William J. Stallkamp and Robert J. Kavanaugh. During fiscal year 2001, the Audit Committee met twice.

### Compensation Committee

The principal function of the Compensation Committee, the members of which are William J. Stallkamp (Chairman), Robert J. Kavanaugh and John D. Turner, is to review periodically the suitability of the remuneration arrangements (including benefits), other than stock remuneration, for the principal executives of the Company. A subcommittee of the Compensation Committee, the Stock Compensation Committee, the members of which are Messrs. Stallkamp (Chairman), Kavanaugh and Turner, consider and grant stock remuneration and administer the Company's 1992 Stock Incentive Plan. The Compensation Committee met two times during fiscal year 2001.

### Meeting Attendance

Under the applicable rules of the Securities and Exchange Commission, the Company's Proxy Statement is required to name those directors who during the preceding year attended fewer than 75% of the total number of meetings held by the Board and by the Committees of which they are members. During fiscal year 2001, all directors attended more than 75% of such meetings for which they

## Edgar Filing: MATTHEWS INTERNATIONAL CORP - Form DEF 14A

were eligible.

### Compensation of Directors

Pursuant to the Director Fee Plan, directors who are not also officers of the Company each receive as an annual retainer fee shares of the Company's Class A Common Stock equivalent to approximately \$16,000. In addition, each such director is paid \$1,000 for every meeting of the Board of Directors attended and (other than a Chairman) \$500 for every committee meeting attended. The Chairman of a committee of the Board of Directors is paid \$700 for every committee meeting attended. Directors may also elect to receive the common stock equivalent of meeting fees. Each director may elect to be paid these shares on a current basis or have such shares credited to a deferred stock account as phantom stock. No other remuneration is otherwise paid by the Company to any director for services as a director.
