RATIO OF EARNINGS TO FIXED CHARGES OF OLD ENTERGY LOUISIANA

We have calculated ratios of earnings to fixed charges pursuant to Item 503 of Regulation S-K of the SEC as follows:

Nine Months Ended September 30,		Twelve Months Ended December 31,				
2015	2014	2014	2013	2012	2011	2010
3.41	3.37	3.23	3.13	2.08	1.86	3.41

“Earnings” represent the aggregate of (1) income before the cumulative effect of an accounting change, (2) taxes based on income, (3) investment tax credit adjustments-net and (4) fixed charges. “Fixed Charges” include interest (whether expensed or capitalized), related amortization and estimated interest applicable to rentals charged to operating expenses. We accrue interest expense related to unrecognized tax benefits in income tax expense and do not include it in fixed charges.

USE OF PROCEEDS

Except as otherwise described in a prospectus supplement, the net proceeds from the offering of the New Bonds will be used either (a) to repurchase or redeem one or more series of our outstanding securities on their stated due dates or in some cases prior to their stated due dates or (b) for other general corporate purposes. The specific purposes for the proceeds of a particular series of New Bonds or the specific securities, if any, to be acquired or redeemed with the proceeds of a particular series of New Bonds will be described in the prospectus supplement relating to that series.

DESCRIPTION OF THE NEW BONDS

The following description sets forth the general terms and provisions of the New Bonds that we may offer by this prospectus. We will describe the particular terms of the New Bonds, and provisions that vary from those described below, in one or more prospectus supplements.

We may issue the New Bonds from time to time in the future, in one or more series, under a Mortgage and Deed of Trust dated as of November 1, 2015, as it may be amended or supplemented from time to time (the “Mortgage”), between us and The Bank of New York Mellon, as trustee (the “Trustee”). The Mortgage and forms of a supplemental indenture and officer’s certificate establishing a series of New Bonds are each filed as exhibits to the registration statement of which this prospectus forms a part. All bonds issued or to be issued under the Mortgage, including the New Bonds offered by this prospectus, are referred to herein as “Collateral Trust Mortgage Bonds.” As summarized below, the Collateral Trust Mortgage Bonds will have the benefit of the lien of two mortgage indentures (the “Class A Mortgages”) to the extent of the aggregate principal amount of first mortgage bonds (the “Class A Bonds”) issued under the Class A Mortgages held by the Trustee and the lien of the Mortgage on our Mortgaged Property (as described below). The Class A Mortgages have been filed as exhibits to the registration statement of which this prospectus forms a part.

This section of the prospectus contains a summary of all material provisions of the Mortgage and the Class A Mortgages. The Mortgage and the Class A Mortgages contain the full legal text of the matters described in this section. Because this section is a summary, it does not describe every aspect of the New Bonds, the Mortgage or the Class A Mortgages. This summary is subject to and qualified in its entirety by reference to all the provisions of the Mortgage and the Class A Mortgages, including the definitions of some of the terms used in the Mortgage and the Class A Mortgages. We also include references in parentheses to some of the sections of the Mortgage. Whenever we refer to particular sections or defined terms of the Mortgage in this prospectus or in a prospectus supplement, these sections or defined terms are incorporated by reference into this prospectus or into the prospectus supplement. This summary is also subject to and qualified by reference to the description of the particular terms of each series of New Bonds described in the applicable prospectus supplement or supplements. The Mortgage has been qualified under the Trust Indenture Act of 1939, and you should also refer to the Trust Indenture Act of 1939 for provisions that apply to the New Bonds.

General

The Mortgage permits us to issue Collateral Trust Mortgage Bonds from time to time subject to the limitations described under “-Issuance of Additional Collateral Trust Mortgage Bonds.” All Collateral Trust Mortgage Bonds of any one series need not be issued at the same time, and a series may be reopened for issuances of additional Collateral Trust Mortgage Bonds of that series. This means that we may from time to time, without the consent of the existing holders of the Collateral Trust Mortgage Bonds of any series, including the New Bonds, create and issue additional Collateral Trust Mortgage Bonds of a series

having the same terms and conditions as the previously issued Collateral Trust Mortgage Bonds of that series in all respects, except for issue date, issue price, and, if applicable, the initial interest payment on those additional Collateral Trust Mortgage Bonds. Additional Collateral Trust Mortgage Bonds issued in this manner will be consolidated with and will form a single series with, the previously issued Collateral Trust Mortgage Bonds of that series. For more information, see the discussion below under “-Issuance of Additional Collateral Trust Mortgage Bonds.”

Terms of Specific Series of the New Bonds

A prospectus supplement and any supplemental indenture, board resolution or officer’s certificate relating to any series of New Bonds being offered by this prospectus will include specific terms relating to that offering. These terms will include some or all of the following terms that apply to that series:

- the title of the New Bonds;
- any limit upon the total principal amount of the New Bonds;
- the date on which the New Bonds will mature;
- the dates, or the method to determine the dates, on which the principal of the New Bonds will be payable and how it will be paid;
- the interest rate or rates which the New Bonds will bear, or how the rate or rates will be determined, the interest payment dates for the New Bonds and the regular record dates for interest payments;
- any right to extend the interest payments for, or the maturity of, the New Bonds and the duration of any such extension;
- the percentage, if less than 100%, of the principal amount of the New Bonds that will be payable if the maturity of the New Bonds is accelerated;
- any date or dates on which the New Bonds may be redeemed at our option and the terms, conditions and any restrictions on those redemptions;
- any sinking fund or other provisions that would obligate us to repurchase or otherwise redeem the New Bonds;
- any additions or exceptions to the events of default or our covenants under the Mortgage;
- any denominations in which the New Bonds will be issued if other than multiples of \$1,000;
- if payments on the New Bonds may be made in a currency or currencies other than United States dollars; and, if so, the means through which the equivalent principal amount of any payment in United States dollars is to be determined for any purpose;
- any terms pursuant to which the New Bonds may be converted into or exchanged for other securities of ours or of another entity;
- any additional collateral security for the New Bonds that is not part of the Mortgaged Property; and
- any other terms of the New Bonds not inconsistent with the terms of the Mortgage.

(Mortgage, Section 301.)

As of November 23, 2015, we did not have any Collateral Trust Mortgage Bonds outstanding. We may sell New Bonds at a discount below their principal amount. United States federal income tax considerations applicable to New Bonds sold at an original issue discount will be described in the applicable prospectus supplement if we sell New Bonds at an original issue discount. In addition, important United States federal income tax or other tax considerations applicable to any New Bonds denominated or payable in a currency or currency unit other than United States dollars will be described in the applicable prospectus supplement if we sell New Bonds denominated or payable in a currency or currency unit other than United States dollars.

Except as may otherwise be described in the applicable prospectus supplement, the covenants contained in the Mortgage will not afford holders of New Bonds protection in the event of a highly-leveraged or a change of control transaction involving us.

Redemption

We will set forth any terms for the redemption of New Bonds of any series in the applicable prospectus supplement. Unless we indicate differently in a prospectus supplement, and except with respect to New Bonds redeemable at the option of the holder of those New Bonds, New Bonds will be redeemable upon notice to holders by mail at least 30 days prior to the redemption date. (Mortgage, Section 504.) Unless the New Bonds are held in book-entry only form through the facilities of The Depository Trust Company (“DTC”), in which case DTC’s procedures for selection shall apply (see “-Book-Entry Only Securities”), if less than all of the New Bonds of any series or any tranche thereof are to be redeemed, the Trustee will select the New Bonds to be redeemed. In the absence of any provision for selection, the Trustee will select such New Bonds by lot. (Mortgage, Section 503.)

Unless we default in the payment of the redemption price and accrued interest, if any, in the case of an unconditional notice of redemption, New Bonds will cease to bear interest on the redemption date. (Mortgage, Section 505.) Unless otherwise specified in the applicable prospectus supplement, we will pay the redemption price and any accrued interest to the redemption date upon surrender of any New Bond for redemption. (Mortgage, Section 505.) If only part of a New Bond is redeemed, the Trustee will deliver to the holder of the New Bond a new New Bond of the same series for the remaining portion at our expense. (Mortgage, Section 506.)

Unless otherwise specified in the applicable prospectus supplement, we may make any redemption at our option conditional upon the receipt by the paying agent, on or prior to the date fixed for such redemption, of money sufficient to pay the redemption price and accrued interest, if any. If the paying agent has not received the money by the date fixed for redemption, we will not be required to redeem the New Bonds. (Mortgage, Section 504.)

Payment and Paying Agents

Except as may be provided in the applicable prospectus supplement, interest, if any, on each New Bond payable on any interest payment date will be paid to the person in whose name that New Bond is registered at the close of business on the regular record date for that interest payment date. However, interest payable at maturity will be paid to the person to whom the principal is paid. If there has been a default in the payment of interest on any New Bond, the defaulted interest may be paid to the holder of that New Bond as of the close of business on a date between 10 and 15 days before the date proposed by us for payment of the defaulted interest (and not less than 10 days after the Trustee receives notice of our proposal) or in any other manner permitted by any securities exchange on which that New Bond may be listed, if the Trustee finds it practicable. (Mortgage, Section 307.)

Unless otherwise specified in the applicable prospectus supplement, principal, premium, if any, and interest on the New Bonds at maturity will be payable upon presentation of the New Bonds at the corporate trust office of The Bank of New York Mellon in The City of New York, as our paying agent. However, we may choose to make payment of interest by check mailed to the address of the persons entitled to payment as they may appear or have appeared in the security register for the New Bonds. We may change the place of payment on the New Bonds, appoint one or more additional paying agents (including us) and remove any paying agent, all at our discretion. (Mortgage, Section 702.) As long as the New Bonds are registered in the name of DTC, or its nominee, as described under “-Book-Entry Only Securities,” payments of principal, premium, if any, and interest will be made to DTC for subsequent disbursement to beneficial owners of the New Bonds.

Registration and Transfer

Unless otherwise specified in the applicable prospectus supplement, and subject to restrictions related to the issuance of New Bonds through DTC's book-entry system as described under "-Book-Entry Only Securities," the transfer of New Bonds may be registered, and New Bonds may be exchanged for other New Bonds of the same series or tranche, of authorized denominations and with the same terms and principal amount, at the corporate trust office of the Trustee in The City of New York. (Mortgage, Section 305.) We may, upon prompt written notice to the Trustee and the holders of the New Bonds, designate one or more additional places, or change the place or places previously designated, for registration of transfer and exchange of the New Bonds. (Mortgage, Section 702.) No service charge will be made for any registration of transfer or exchange of the New Bonds. However, we may require payment to cover any tax or other governmental charge that may be imposed in connection with a registration of transfer or exchange of the New Bonds. We will not be required to execute or to provide for the registration, transfer or exchange of any New Bond

- during the 15 days before an interest payment date;
- during the 15 days before giving any notice of redemption; or
- selected for redemption except the unredeemed portion of any New Bond being redeemed in part.

(Mortgage, Section 305.)

Security

The Mortgage imposes a lien on all of our tangible electric and gas utility property located in Louisiana, whether real, personal or mixed, together with our franchises, permits and licenses that are transferable and necessary for the operation of such property and our recorded easements and rights of way, other than Excepted Property (as defined below) and subject to Permitted Liens (as defined below). These properties are sometimes referred to as our "Mortgaged Property."

The New Bonds will have the benefit of: (1) the first mortgage lien of each Class A Mortgage on the part of the Mortgaged Property covered thereby, as described below, to the extent of the aggregate principal amount of Class A Bonds issued under such Class A Mortgage held by the Trustee, subject to liens permitted under such Class A Mortgage, and (2) the first mortgage lien of the Mortgage on any of our Mortgaged Property that is not subject to the lien of any Class A Mortgage, subject to Permitted Liens. In addition, the New Bonds will have the benefit of a second mortgage lien on all of our Mortgaged Property that is subject to the lien of a Class A Mortgage, subject to Permitted Liens. At the date of this prospectus, all of the Mortgaged Property is subject to the lien of one or the other of the Class A Mortgages. To the extent that any Class A Bonds do not bear interest, which is permissible under the Mortgage, holders of the Collateral Trust Mortgage Bonds will not have the benefit of the lien of the related Class A Mortgage in respect of an amount equal to the accrued interest, if any, on the related Collateral Trust Mortgage Bonds (but would have the benefit of the first mortgage lien of the related Class A Mortgage in respect of an amount equal to the principal of the related Collateral Trust Mortgage Bonds and the benefit of the second mortgage lien of the Mortgage in respect of an amount equal to the principal of, and any accrued interest or premium on, the related Collateral Trust Mortgage Bonds).

Class A Bonds

Class A Bonds are first mortgage bonds issued and outstanding under either of our Class A Mortgages. We currently have two Class A Mortgages: our Indenture of Mortgage dated September 1, 1926 (as restated, amended and supplemented, the "EGSL Mortgage") and our Mortgage and Deed of Trust dated as of April 1, 1944 (as amended and supplemented, the "ELL Mortgage"). The Class A Bonds issued under the ELL Mortgage are and will be secured by a first mortgage lien (subject to liens permitted by the

ELL Mortgage) on substantially all of our Mortgaged Property that was owned by us just before the merger of Entergy Gulf States Power, LLC (“EGSP LLC”) into us on October 1, 2015, together with replacements, additions and extensions of or to such property acquired by us. The Class A Bonds issued under the EGSL Mortgage are and will be secured by a first mortgage lien (subject to liens permitted by the EGSL Mortgage) on substantially all of our Mortgaged Property that was owned by EGSP LLC just before its merger into us, together with substitutions, replacements, additions and extensions of or to such property acquired by us. Neither Class A Mortgage will cover additional property acquired by us after the date of the aforesaid merger except property that constitutes a replacement, addition or extension of the property covered by such Class A Mortgage. If we merge or consolidate with an entity that has a first mortgage indenture on its property, we may designate that mortgage indenture as an additional Class A Mortgage.

If the Trustee holds all of the Class A Bonds outstanding under a particular Class A Mortgage, we may discharge that Class A Mortgage, and the lien of the Mortgage will become a first mortgage lien on the Mortgaged Property that was subject to that Class A Mortgage, subject only to Permitted Liens. As of October 31, 2015, we had approximately \$3,447 million principal amount of Class A Bonds outstanding under the ELL Mortgage and approximately \$1,479 million principal amount of Class A Bonds outstanding under the EGSL Mortgage.

Permitted Liens

The lien of the Mortgage is subject to permitted liens described in the Mortgage (the “Permitted Liens”). These Permitted Liens include, among others,

- liens existing at November 1, 2015 (the “Execution Date”) that have not been discharged, including the liens of the Class A Mortgages;
- as to property acquired by us after the Execution Date, liens existing or placed on such property at the time we acquire such property, including the liens of any Class A Mortgages and any purchase money liens;
- tax liens, assessments and other governmental charges or requirements which are not delinquent or which are being contested in good faith and by appropriate proceedings or of which at least ten business days notice has not been given to our general counsel or to such other person designated by us to receive such notices;
- Mechanics’, workmen’s, repairmen’s, materialmen’s, warehousemen’s and carriers’ liens, other liens incident to construction, liens or privileges of any of our employees for salary or wages earned, but not yet payable, and other liens, including liens for worker’s compensation awards, arising in the ordinary course of business for charges or requirements which are not delinquent or which are being contested in good faith and by appropriate proceedings or of which at least ten business days notice has not been given to our general counsel or to such other person designated by us to receive such notices;
- specified judgment liens and prepaid liens;
- easements, leases, reservations or other rights of others (including governmental entities) in, and defects of title in, our property;
- liens securing indebtedness or other obligations relating to real property we acquired for specified transmission, distribution or communication purposes or for the purpose of obtaining rights-of-way;
- specified leases and leasehold, license, franchise and permit interests;
- liens resulting from law, rules, regulations, orders or rights of Governmental Authorities and specified liens required by law or governmental regulations;
- liens to secure public or statutory obligations;
- rights of others to take minerals, timber, electric energy or capacity, gas, water, steam or other products produced by us or by others on our property;
- rights and interests of persons other than us arising out of agreements relating to the common ownership or joint use of property, and liens on the interests of those Persons in the property;
- restrictions on assignment and/or requirements of any assignee to qualify as a permitted assignee and/or public utility or public services corporation; and
- liens which have been bonded for the full amount in dispute or for the payment of which other adequate security arrangements have been made.

(Mortgage, Granting Clauses and Section 101.)

The Mortgage provides that the Trustee will have a lien, prior to the lien on the Mortgaged Property securing the New Bonds, for the payment of its reasonable compensation and expenses and for indemnity against specified liabilities.

(Mortgage, Section 1007.) This lien would be a Permitted Lien under the Mortgage.

The first mortgage liens of the Class A Mortgages are subject to similar, although not identical, permitted liens.

Excepted Property

The lien of the Mortgage does not cover, among other things, the following types of property:

- all cash, deposit accounts, securities and all policies of insurance on the lives of our officers not paid or delivered to or deposited with or held by the Trustee or required so to be;
- all contracts, leases, operating agreements and other agreements of all kinds and rights thereunder (other than our franchises, permits and licenses that are transferable and necessary for the operation of the Mortgaged Property), bills, notes and other instruments, revenues, income and earnings, all accounts, accounts receivable, rights to payment, payment intangibles and unbilled revenues, rights created by statute or governmental action to bill and collect revenues or other amounts from customers or others, credits, claims, demands and judgments;
- all governmental and other licenses, permits, franchises, consents and allowances (other than our franchises, permits and licenses that are transferable and necessary for the operation of Mortgaged Property);
- all unrecorded easements and rights of way;
- all intellectual property rights and other general intangibles;
- all vehicles, movable equipment, aircraft and vessels and all parts, accessories and supplies used in connection with any of the foregoing;
- all personal property of such character that the perfection of a security interest therein or other lien thereon is not governed by the Uniform Commercial Code in effect where we are organized;
- all merchandise and appliances acquired for the purpose of resale in the ordinary course and conduct of our business, any nuclear fuel and all fuel, materials and supplies held for consumption in use or operation of any of our properties or held in advance of use thereof for fixed capital purposes;
- all electric energy and capacity, gas, steam and other materials and products generated, manufactured, produced or purchased by us for sale, distribution or use in the ordinary course and conduct of our business;
- all property that is the subject of a lease agreement designating us as lessee, and all our right, title and interest in and to the property and in, to and under the lease agreement, whether or not the lease agreement is intended as security; and the last day of the term of any lease or leasehold which may become subject to the lien of the Mortgage;
- all property, real, personal and mixed, that has been released from the lien of any Class A Mortgage, whether before or after the Execution Date, and any improvements, extensions and additions to such property and renewals, replacements, substitutions of or for any parts thereof;
- all timber, minerals, mineral rights and royalties;
- all natural gas wells, natural gas leases, natural gas lines or other property used in the production of natural gas or in the transmission of natural gas up to the point of connection with any gas distribution system owned by us (other than any transmission system or systems used for the transmission of natural gas between any gas distribution systems owned by us); and
- all property, real, personal and mixed, that, after the Execution Date, has been released from the lien of the Mortgage, and any improvements, extensions and additions to such property and renewals, replacements, substitutions of or for any parts thereof.

We sometimes refer to property of ours not covered by the lien of the Mortgage as “Excepted Property.” (Mortgage, Granting Clauses.)

The Class A Mortgages have similar, although not identical, exceptions to the property subject thereto.

Funded Property

The Mortgaged Property that is owned by us at any particular time is sometimes referred to as “Property Additions.” Property Additions will be or become funded property:

- when designated by us to be funded in connection with the discharge of a Class A Mortgage; or
- when used under the Mortgage for the issuance of Collateral Trust Mortgage Bonds, the release or retirement of funded property, or the withdrawal of funded cash deposited with the Trustee.

(Mortgage, Section 102.)

Issuance of Additional Bonds

Issuance of Additional Collateral Trust Mortgage Bonds

Collateral Trust Mortgage Bonds of any series may be issued from time to time on the basis of:

- the aggregate principal amount of Class A Bonds (which need not bear interest) issued to the Trustee; 70% of the cost or fair value to us (whichever is less) of Property Additions that do not constitute
- Funded Property after specified deductions and additions, primarily including adjustments to offset property retirements;
- the aggregate principal amount of Retired Securities, as defined below; or
- an amount of cash deposited with the Trustee.

(Mortgage, Sections 102, 1601, 1602, 1603, 1604 and 1605.)

Since all of our Mortgaged Property is currently subject to the lien of a Class A Mortgage, we expect to issue the New Bonds on the basis of an equal aggregate principal amount of Class A Bonds issued to the Trustee under one or both of the Class A Mortgages bearing the same interest rate as the corresponding New Bonds.

“Retired Securities” mean any Collateral Trust Mortgage Bonds authenticated and delivered under the Mortgage which:

- no longer remain outstanding;
- have not been made the basis of the authentication and delivery of Collateral Trust Mortgage Bonds, the release of Mortgaged Property or the withdrawal of funded cash; and
- have not been paid, redeemed, purchased or otherwise retired by the application thereto of funded cash.

(Mortgage, Section 101.)

Issuance of Additional Class A Bonds

The maximum principal amount of bonds that may be issued under the ELL Mortgage is limited to \$100 billion at any time outstanding under the ELL Mortgage, subject to property additions, earnings and other limitations of the ELL Mortgage. Class A Bonds may be issued from time to time under the ELL Mortgage on the basis of:

- 80% of the cost or fair value, whichever is less, of unfunded property additions after adjustments to offset retirements;
- retirements of bonds issued under the ELL Mortgage or qualified lien bonds; or
- deposit of cash with the trustee under the ELL Mortgage.

Property additions under the ELL Mortgage generally include the Mortgaged Property that was acquired by us after December 31, 1943 and was owned by us just before the merger of EGSP LLC into us, together with replacements, additions and extensions of or to such property acquired by us. Unfunded property additions are generally those that have not been used under the ELL Mortgage to issue bonds, release property, withdraw cash or replace retired property that has been used for such purposes.

Class A Bonds may be issued from time to time under the EGSL Mortgage, subject to the limitation that the aggregate principal amount of bonds issued under the EGSL Mortgage at any one time outstanding shall not exceed \$100 billion, on the basis of:

- an amount not exceeding 60% of available net additions;
- available debt retirements of bonds and/or refundable indebtedness under the EGSL Mortgage; or
- the deposit of cash with the trustee under the EGSL Mortgage.

Net additions under the EGSL Mortgage generally include the Mortgaged Property that was owned by EGSP LLC just before its merger into us, together with substitutions, replacements, additions and extensions of or to such property acquired by us. Available net additions are generally net additions that have not been used under the EGSL Mortgage to issue bonds, release property, withdraw cash or replace retired property that has been used for such purposes.

As a condition to the authentication and delivery of bonds under each Class A Mortgage on the basis of property additions and (with certain exceptions) on the basis of retired bonds, qualified lien bonds and/or refundable indebtedness, the Company's net earnings (as defined in the particular Class A Mortgage) for a recent period of twelve consecutive calendar months must have been at least twice the annual interest requirements on all bonds outstanding under that Class A Mortgage including the new bonds.

As of September 30, 2015, we could have issued approximately \$759 million principal amount of Class A Bonds under the ELL Mortgage on the basis of retired bonds, and we had approximately \$2,200 million of unfunded property additions, entitling us to issue approximately \$1,776 million principal amount of additional Class A Bonds under the ELL Mortgage on the basis of property additions (in each case, assuming such additional Class A Bonds do not bear interest). As of September 30, 2015, we could have issued approximately \$712 million in principal amount of Class A Bonds under the EGSL Mortgage on the basis of available debt retirements, and we had approximately \$2,358 million of available net additions, entitling us to issue approximately \$1,415 million in principal amount of Class A Bonds under the EGSL Mortgage on the basis of available net additions (in each case, assuming such additional Class A Bonds do not bear interest). If the Mortgage had been in effect as of September 30, 2015, we could have issued approximately \$4,662 million in principal amount of Collateral Trust Mortgage Bonds on the basis of Class A Bonds. We have reserved the right to amend the ELL Mortgage without any consent or other action by the holders of any bonds issued under the ELL Mortgage created on or after May 31, 2013 to remove the net earnings test contained therein. In addition, each initial and future holder of Class A Bonds issued under the ELL Mortgage (including the Trustee under the Mortgage), by its acquisition of an interest in such Class A Bonds, will irrevocably (a) consent to the amendment to the ELL Mortgage to remove the net earnings test without any further action and (b) designate the trustee under the ELL Mortgage as its proxy with irrevocable instructions to vote in favor of such amendment or to deliver a written consent thereto.

We have reserved the right to amend the EGSL Mortgage without any consent or other action by the holders of any bonds issued under the EGSL Mortgage created on or after July 1, 2014 to remove the earnings coverage test contained therein. In addition, each initial and future holder of Class A Bonds issued under the EGSL Mortgage (including the Trustee under the Mortgage), by its acquisition of an interest in such Class A Bonds, will irrevocably (a) consent to the amendment to the EGSL Mortgage to remove the net earnings test without any further action and (b) designate the trustee under the EGSL Mortgage as its proxy with irrevocable instructions to vote in favor of such amendment or to deliver a written consent thereto.

Release of Property

Special Release Provision - While Class A Mortgage is in Effect

Unless an event of default under the Mortgage has occurred and is continuing, we may obtain the release from the lien of the Mortgage of any Mortgaged Property that is subject to a Class A Mortgage by obtaining the release of that property from the applicable Class A Mortgage. (Mortgage, Section 1808.)

Release of Property from Class A Mortgages

Properties subject to the lien of the ELL Mortgage may be released on the bases of:

- the deposit of cash or purchase money mortgages;
- property additions, after adjustments in certain cases to offset retirements and after making adjustments for qualified lien bonds, if any, outstanding against property additions; and
- (i) the aggregate principal amount of bonds that we would be entitled to issue under the ELL Mortgage on the basis of retired qualified lien bonds; or (ii) 10/6ths of the aggregate principal amount of bonds that we would be entitled to issue under the ELL Mortgage on the basis of retired bonds that were issued prior to June 9, 2010; or (iii) 10/8ths of the aggregate principal amount of bonds that we would be entitled to issue under the ELL Mortgage on the basis of retired bonds that were issued after June 9, 2010; in each case with the entitlement being waived by operation of the release.

Properties subject to the lien of the EGSL Mortgage may be released on the bases of:

- the deposit of cash or, within certain limits, purchase money obligations and, in certain cases, governmental or municipal obligations;
- the deposit of the proceeds of such properties with the holder of a prior lien;
- available net additions; and
- available debt retirements of bonds or refundable indebtedness under the EGSL Mortgage.

General Release Provisions

Unless an event of default under the Mortgage has occurred and is continuing, we may obtain the release from the lien of the Mortgage of any Mortgaged Property, except for funded cash, upon delivery to the Trustee of an amount in cash equal to the amount, if any, as calculated by us, by which the lower of the cost or fair value of the property to be released exceeds the aggregate of:

an amount equal to the aggregate principal amount of any obligations secured by purchase money liens upon the property to be released and delivered to the Trustee;

an amount equal to the cost or fair value to us (whichever is less) of Property Additions not constituting Funded Property after specified deductions and additions, primarily including adjustments to offset property retirements (except that these adjustments need not be made if the Property Additions were acquired, made or constructed within the 90-day period preceding the release);

10/7ths of the aggregate principal amount of Collateral Trust Mortgage Bonds that we would be entitled to issue on the basis of Retired Securities or Class A Bonds (with such entitlement being waived by operation of the release);

any amount in cash and/or an amount equal to the aggregate principal amount of any obligations secured by purchase money liens delivered to a holder of a prior lien on Mortgaged Property in consideration for the release of such Mortgaged Property from such prior lien; and

any taxes and expenses incidental to any sale, exchange, dedication or other disposition of the property to be released.

(Mortgage, Section 1803.)

Unless an event of default under the Mortgage has occurred and is continuing, we may obtain the release from the lien of the Mortgage of any part of the Mortgaged Property or any interest therein, which does not constitute funded property or funded cash held by the Trustee, without depositing any cash or property with the Trustee as long as (a) the aggregate amount of cost or fair value to us (whichever is less) of all Property Additions which do not constitute funded property (excluding the property to be released) after specified deductions and additions, primarily including adjustments to offset property retirements, is not less than zero or (b) the cost or fair value (whichever is less) of property to be released does not exceed the aggregate amount of the cost or fair value to us (whichever is less) of Property Additions acquired, made or constructed within the 90-day period preceding the release. (Mortgage, Section 1804.)

The Mortgage provides simplified procedures for the release of Mortgaged Property with an aggregate cost or fair value (whichever is less) of up to the greater of \$10 million or 3% of the sum of outstanding Collateral Trust Mortgage Bonds and Class A Bonds (other than Class A Bonds held by the Trustee) during a calendar year and for the release of Mortgaged Property taken or sold in connection with the power of eminent domain; the Mortgage also provides for dispositions of certain obsolete or unnecessary Mortgaged Property and for grants or surrender of certain easements, leases or rights of way without any release or consent by the Trustee. (Mortgage Sections 1802, 1805 and 1807.)

If we retain any interest in any property released from the lien of the Mortgage, the Mortgage will not become a lien on that property or the interest in that property or any improvements, extensions or additions to, or any renewals, replacements or substitutions of or for, any part or parts of that property unless we subject that property to the lien of the Mortgage. (Mortgage, Section 1810.)

The Mortgage also provides that we may terminate, abandon, surrender, cancel, release, modify or dispose of any of our franchises, permits or licenses that are Mortgaged Property without any consent of the Trustee or the holders of outstanding Collateral Trust Mortgage Bonds, provided that such action is, in our opinion, necessary, desirable or advisable in the conduct of our business. In addition, the Mortgage provides that, if any of our franchises, permits or licenses that are Mortgaged Property because they are necessary for the operation of other Mortgaged Property cease to be necessary, in our opinion, for the operation of the Mortgaged Property, such franchises, permits or licenses shall automatically cease to be Mortgaged Property without any release or consent, or report to, the Trustee. (Mortgage, Section 1802.)

Withdrawal of Cash

Unless an event of default under the Mortgage has occurred and is continuing, and subject to specified limitations, cash held by the Trustee may generally, (1) be withdrawn by us (a) to the extent of the cost or fair value to us (whichever is less) of Property Additions not constituting Funded Property, after specified deductions and additions, primarily including adjustments to offset retirements (except that these adjustments need not be made if the Property Additions were acquired, made or constructed within the 90-day period preceding the withdrawal) or (b) in an amount equal to the aggregate principal amount of Collateral Trust Mortgage Bonds that we would be entitled to issue on the basis of Retired Securities or Class A Bonds (with the entitlement to the issuance being waived by operation of the withdrawal) or (c) in an amount equal to the aggregate principal amount of any outstanding Collateral Trust Mortgage Bonds delivered to the Trustee (with the Collateral Trust Mortgage Bonds being cancelled by the Trustee), or (2) upon our request, be applied to (a) the purchase of Collateral Trust Mortgage Bonds or (b) the payment (or provision for payment) at stated maturity of any Collateral Trust Mortgage Bonds or the redemption (or provision for payment) prior to stated maturity of any Collateral Trust Mortgage Bonds which are redeemable. (Mortgage, Section 1806.)

Satisfaction and Discharge of New Bonds

The New Bonds, or any portion of the New Bonds, will be deemed paid and no longer outstanding under the Mortgage and we can be discharged from our obligations on such New Bonds, or such portion of the New Bonds, if we irrevocably deposit with the Trustee or any paying agent, other than us, sufficient cash or government securities to pay the principal, any interest, any premium and any other sums when due on such New Bonds, or such portion of the New Bonds, on the stated maturity date or a redemption date of such New Bonds, or such portion of the New Bonds (Mortgage, Section 801) and upon the satisfaction of any additional conditions specified in the supplemental indenture, Board resolution or officer's certificate establishing each series of New Bonds.

Consolidation, Merger and Conveyance of Assets

Under the terms of the Mortgage, we may not consolidate with or merge into any other entity or convey, transfer or lease as, or substantially as, an entirety to any entity the Mortgaged Property, unless:

- the surviving or successor entity, or an entity which acquires by conveyance or transfer or which leases our Mortgaged Property as, or substantially as, an entirety, is organized and validly existing under the laws of any domestic jurisdiction, and it expressly assumes our obligations on all Collateral Trust Mortgage Bonds then outstanding and under the Mortgage and confirms the lien of the Mortgage on the Mortgaged Property (as constituted immediately prior to the time such transaction becomes effective), including subjecting to the lien of the Mortgage all property thereafter acquired by the successor entity that constitutes an improvement, extension or addition to the Mortgaged Property (as so constituted) or a renewal, replacement or substitution of or for any part thereof, but only to the extent that such improvement, extension or addition is so affixed or attached to real property as to be regarded a part of such real property or is an improvement, extension or addition to personal property that is made to maintain, renew, repair or improve the function of such personal property and is physically installed in or affixed to such personal property;
- in the case of a lease, such lease is made expressly subject to termination by us or by the Trustee and by the purchaser of the property so leased at any sale thereof at any time during the continuance of an event of default under the Mortgage;
- we shall have delivered to the Trustee an officer's certificate and an opinion of counsel as provided in the Mortgage; and
- immediately after giving effect to such transaction (and treating any debt that becomes an obligation of the successor entity as a result of such transaction as having been incurred by the successor entity at the time of such transaction), no event of default under the Mortgage, or event which, after notice or lapse of time or both, would become an event of default under the Mortgage, shall have occurred and be continuing.

(Mortgage, Section 1201.) In the case of the conveyance or other transfer of the Mortgaged Property as, or substantially as, an entirety to any other person, upon the satisfaction of all the conditions described

above, we would be released and discharged from all our obligations and covenants under the Mortgage and on the Collateral Trust Mortgage Bonds then outstanding unless we elect to waive such release and discharge. (Mortgage, Section 1204.)

The Mortgage does not prevent or restrict:

any conveyance or other transfer, or lease, of any part of the Mortgaged Property that does not constitute the entirety, or substantially the entirety, of the Mortgaged Property; or (Mortgage, Section 1205.)

any conveyance, transfer or lease of any of our properties where we retain Mortgaged Property with a fair value in excess of 143% of the aggregate principal amount of all outstanding Collateral Trust Mortgage Bonds, and any other outstanding debt secured by a Class A Mortgage or a purchase money lien that ranks equally with, or senior to, the Collateral Trust Mortgage Bonds with respect to the Mortgaged Property (other than Class A Bonds held by the Trustee). This fair value will be determined within 90 days of the conveyance, transfer or lease by an independent expert that we select. (Mortgage, Section 1206.)

Although the successor entity may, in its sole discretion, subject to the lien of the Mortgage property then owned or thereafter acquired by the successor entity, the lien of the Mortgage generally will not cover the property of the successor entity other than the property it acquires from us and improvements, extensions and additions to such property and renewals, replacements and substitutions thereof, within the meaning of the Mortgage, as described above. (Mortgage, Section 1203)

The terms of the Mortgage do not restrict mergers in which we are the surviving entity. (Mortgage, Section 1205.) A statutory merger pursuant to which our assets and liabilities are allocated to one or more entities shall not be considered to be a merger subject to the provisions of the Mortgage described above unless all of our assets and liabilities are allocated to an entity other than us and we do not survive such statutory merger. In all other cases of a statutory merger pursuant to which any Mortgaged Property is allocated to one or more entities other than us, each allocation of any Mortgaged Property to an entity other than us shall be deemed, for purposes of the Mortgage, to be a transfer of such Mortgaged Property to such entity and not a merger. (Mortgage, Section 1207.)

Events of Default

Events of Default under the Mortgage

“Event of default,” when used in the Mortgage with respect to Collateral Trust Mortgage Bonds, means any of the following:

· failure to pay interest on any Collateral Trust Mortgage Bond for 30 days after it is due unless we have made a valid extension of the interest payment period with respect to such Collateral Trust Mortgage Bond as provided in the Mortgage;

· failure to pay the principal of or any premium on any Collateral Trust Mortgage Bond when due unless we have made a valid extension of the maturity of such Collateral Trust Mortgage Bond as provided in the Mortgage;

· failure to perform or breach of any other covenant or warranty in the Mortgage that continues for 90 days after we receive written notice from the Trustee, or we and the Trustee receive written notice from the holders of at least 33% in aggregate principal amount of the outstanding Collateral Trust Mortgage Bonds, unless the Trustee, or the Trustee and the holders of a principal amount of Collateral Trust Mortgage Bonds not less than the principal amount of Collateral Trust Mortgage Bonds the holders of which gave such notice, as the case may be, agree in writing to an extension of such period prior to its expiration; provided, however, that the Trustee, or the Trustee and the holders of such principal amount of Collateral Trust Mortgage Bonds, as the case may be, shall be deemed to have agreed to an extension of such period if corrective action is initiated by us within such period and is being diligently pursued;

· events of our bankruptcy, insolvency or reorganization as specified in the Mortgage;

· so long as the Trustee holds any Class A Bonds under the Mortgage corresponding to outstanding Collateral Trust Mortgage Bonds, any matured event of default under the applicable Class A Mortgage resulting in acceleration of such Class A Bonds; provided that any cure or waiver of such event of default and any rescission or annulment of such acceleration under the applicable Class A Mortgage shall constitute a cure, waiver, rescission or annulment under the Mortgage; or

· any other event of default included in any supplemental indenture, board resolution or officer's certificate establishing a series of Collateral Trust Mortgage Bonds.

(Mortgage, Sections 301, 901 and 1301.)

The Trustee is required to give notice of any default under the Mortgage known to the Trustee in the manner and to the extent required to do so by the Trust Indenture Act of 1939, unless such default shall have been cured or waived. However, in the case of any default of the character specified in the third bullet in the preceding paragraph, no such notice to holders of the Collateral Trust Mortgage Bonds shall be given until at least 60 days after the occurrence thereof. The Trustee shall give to the trustee under each Class A Mortgage a copy of each notice of default given to the holders of Collateral Trust Mortgage Bonds. In addition, the Trustee shall give to the holders of Collateral Trust Mortgage Bonds copies of each notice of default under any Class A Mortgage given to the Trustee in its capacity as owner and holder of Class A Bonds under that Class A Mortgage. (Mortgage, Section 1002.)

So long as the Trustee holds any Class A Bonds under the Mortgage corresponding to outstanding Collateral Trust Mortgage Bonds, such Class A Bonds shall be redeemed by us, in whole at any time, or in part from time to time, at a redemption price equal to the principal amount thereof, upon receipt by the trustee under the related Class A Mortgage of a written notice from the Trustee to us and such trustee stating that an Event of Default under the Mortgage has occurred and is continuing and that, as a result, there is due and payable a specified amount with respect to such Collateral Trust Mortgage Bonds, for the payment of which the Trustee has not received funds and specifying the principal amount of such Class A Bonds to be redeemed.

Events of Default under the Class A Mortgages

Events of default under the existing Class A Mortgages include default in payment of principal or premium, if any, when due; default, for 60 days under the ELL Mortgage and 30 days under the EGSL Mortgage, in the payment of interest; certain events of bankruptcy, insolvency or reorganization; and default in other covenants for 90 days after notice by the trustee or the holders of a specified percentage of bonds outstanding under the applicable Class A Mortgage.

Remedies

If an event of default under the Mortgage occurs and is continuing, then the Trustee, by written notice to us, or the holders of at least 33% in aggregate principal amount of the outstanding Collateral Trust Mortgage Bonds, by written notice to us and the Trustee, may declare the principal amount of all of the Collateral Trust Mortgage Bonds to be due and payable immediately, and upon our receipt of such notice, such principal amount, together with premium, if any, and accrued and unpaid interest will become immediately due and payable.

At any time after such a declaration of acceleration has been made but before any sale of the Mortgaged Property and before a judgment or decree for payment of the money due has been obtained by the Trustee, the event of default under the Mortgage giving rise to such declaration of acceleration will be considered cured, and such declaration and its consequences will be considered rescinded and annulled, if:

- we have paid or deposited with the Trustee a sum sufficient to pay:
 - (1) all overdue interest on all outstanding Collateral Trust Mortgage Bonds;
 - (2) the principal of and premium, if any, on the outstanding Collateral Trust Mortgage Bonds that have become due otherwise than by such declaration of acceleration and overdue interest thereon;
 - (3) interest on overdue interest, if any, to the extent lawful; and
 - (4) all amounts due to the Trustee under the Mortgage; and
- any other event of default under the Mortgage with respect to the Collateral Trust Mortgage Bonds has been cured or waived as provided in the Mortgage.

(Mortgage, Section 902.)

There is no automatic acceleration, even in the event of our bankruptcy, insolvency or reorganization.

Subject to the Mortgage, under specified circumstances and to the extent permitted by law, if an event of default under the Mortgage occurs and is continuing, the Trustee has the power to appoint a receiver for the Mortgaged Property, and is entitled to all other remedies available to mortgagees and secured parties under the Uniform Commercial Code or any other applicable law. (Mortgage, Section 916.) In addition, the Trustee may exercise any right or remedy available to the Trustee as a holder of Class A Bonds which arises as a result of a default or event of default under any Class A Mortgage. (Mortgage, Section 917.)

Other than its duties in case of an event of default under the Mortgage, the Trustee is not obligated to exercise any of its rights or powers under the Mortgage at the request, order or direction of any of the holders, unless the holders offer the Trustee an indemnity satisfactory to it. (Mortgage, Section 1003.) If an event of default under the Mortgage has occurred and is continuing and they provide this indemnity, the holders of a majority in principal amount of the outstanding Collateral Trust Mortgage Bonds will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee. The Trustee is not obligated to comply with directions that conflict with law or other provisions of the Mortgage or that could involve the Trustee in personal liability in circumstances where indemnity would not, in the Trustee's sole discretion, be adequate. (Mortgage, Section 912.)

No holder of Collateral Trust Mortgage Bonds will have any right to institute any proceeding under the Mortgage, or any remedy under the Mortgage, unless:

the holder has previously given to the Trustee written notice of a continuing event of default under the Mortgage;

the holders of a majority in aggregate principal amount of the outstanding Collateral Trust Mortgage Bonds of all series have made a written request to the Trustee and have offered indemnity satisfactory to the Trustee to institute proceedings; and

the Trustee has failed to institute any proceeding for 60 days after notice and has not received during that period any direction from the holders of a majority in aggregate principal amount of the outstanding Collateral Trust Mortgage Bonds inconsistent with the written request of holders referred to above.

(Mortgage, Section 907.) However, these limitations do not apply to the absolute and unconditional right of a holder of a Collateral Trust Mortgage Bond to institute suit for payment of the principal, premium, if any, or interest on the Collateral Trust Mortgage Bond on or after the applicable due date. (Mortgage, Section 908.)

We will provide to the Trustee an annual statement by an appropriate officer as to our compliance with all conditions and covenants under the Mortgage. (Mortgage, Section 705.)

Modification and Waiver

Modification Without Consent

Without the consent of any holder of Collateral Trust Mortgage Bonds, we and the Trustee may enter into one or more supplemental indentures for any of the following purposes:

to evidence the assumption by any permitted successor of our covenants in the Mortgage and in the Collateral Trust Mortgage Bonds;

to add one or more covenants or other provisions for the benefit of the holders of all or any series or tranche of Collateral Trust Mortgage Bonds, or to surrender any right or power conferred upon us;

to add additional events of default under the Mortgage for all or any series of Collateral Trust Mortgage Bonds;

to change or eliminate or add any new provision to the Mortgage; provided, however, if the change, elimination or addition will adversely affect the interests of the holders of Collateral Trust Mortgage Bonds of any series in any material respect, the change, elimination or addition will become effective only:

(1) when the consent of the holders of Collateral Trust Mortgage Bonds of such series has been obtained in accordance with the Mortgage; or

(2) when no Collateral Trust Mortgage Bonds of the affected series remain outstanding under the Mortgage;

to provide additional security for any Collateral Trust Mortgage Bonds;

to establish the form or terms of Collateral Trust Mortgage Bonds of any other series as permitted by the Mortgage;

to provide for the authentication and delivery of bearer securities with or without coupons;

to evidence and provide for the acceptance of appointment by a separate or successor Trustee or co-trustee;

to provide for the procedures required for us to use a noncertificated system of registration for the Collateral Trust Mortgage Bonds of all or any series;

to change any place where principal, premium, if any, and interest shall be payable, Collateral Trust Mortgage Bonds may be surrendered for registration of transfer or exchange, and notices and demands to us may be served;

to amend and restate the Mortgage as originally executed and as amended from time to time, with additions, deletions and other changes that do not adversely affect the interests of the holders of Collateral Trust Mortgage Bonds of any series in any material respect;

to cure any ambiguity or inconsistency or to make any other changes or additions to the provisions of the Mortgage if such changes or additions will not adversely affect the interests of the holders of Collateral Trust Mortgage Bonds of any series in any material respect; or

to increase or decrease the maximum amount of Collateral Trust Mortgage Bonds that may be outstanding at any one time under the Mortgage to an amount that is not less than the aggregate principal amount of Collateral Trust Mortgage Bonds then outstanding.

(Mortgage, Section 1301.)

Modification and Waiver Requiring Consent

Except as provided below, the consent of the holders of a majority in aggregate principal amount of then outstanding Collateral Trust Mortgage Bonds, considered as one class, is required for all other amendments or modifications to the Mortgage. However, if less than all of the series of Collateral Trust Mortgage Bonds outstanding are directly affected by a proposed amendment or modification, then the consent of the holders of only a majority in aggregate principal amount of the outstanding Collateral Trust Mortgage Bonds of all series that are directly affected, considered as one class, will be required. Notwithstanding the foregoing, no amendment or modification may be made without the consent of the holder of each directly affected Collateral Trust Mortgage Bond then outstanding to:

- change the stated maturity of the principal of, or any installment of principal of or interest on, any Collateral Trust Mortgage Bond, or reduce the principal amount of any Collateral Trust Mortgage Bond or its rate of interest or change the method of calculating that interest rate or reduce any premium payable upon redemption, or change the currency in which payments are made, or impair the right to institute suit for the enforcement of any payment on or after the stated maturity of any Collateral Trust Mortgage Bond;
- create any lien ranking prior to or on a parity with the lien of the Mortgage with respect to the Mortgaged Property, terminate the lien of the Mortgage on the Mortgaged Property or deprive any holder of a Collateral Trust Mortgage Bond of the benefits of the security of the lien of the Mortgage;
- reduce the percentage in principal amount of the outstanding Collateral Trust Mortgage Bonds of any series the consent of the holders of which is required for any amendment or modification or any waiver of compliance with a provision of the Mortgage or of any default thereunder and its consequences, or reduce the requirements thereunder for a quorum or voting; or
- modify certain provisions of the Mortgage relating to supplemental indentures, waivers of some covenants and waivers of past defaults with respect to the Collateral Trust Mortgage Bonds of any series.

A supplemental indenture that changes the Mortgage solely for the benefit of one or more particular series of Collateral Trust Mortgage Bonds, or modifies the rights of the holders of Collateral Trust Mortgage Bonds of one or more series, will not affect the rights under the Mortgage of the holders of the Collateral Trust Mortgage Bonds of any other series. (Mortgage, Section 1302.)

The holders of a majority in aggregate principal amount of then outstanding Collateral Trust Mortgage Bonds, considered as one class, may waive compliance by us with some restrictive provisions of the Mortgage. (Mortgage, Section 706.) The holders of a majority in principal amount of then outstanding Collateral Trust Mortgage Bonds may waive any past default under the Mortgage, except a default in the payment of principal, premium, if any, or interest on any outstanding Collateral Trust Mortgage Bonds and certain covenants and provisions of the Mortgage that cannot be modified or amended without the consent of the holder of each outstanding Collateral Trust Mortgage Bond of any affected series. (Mortgage, Section 913.)

The Mortgage provides that Collateral Trust Mortgage Bonds owned by us or anyone else required to make payment on the Collateral Trust Mortgage Bonds shall be disregarded and considered not to be outstanding in determining whether the required holders have given a request or consent. (Mortgage, Section 101.)

We may fix in advance a record date to determine the holders entitled to give any request, demand, authorization, direction, notice, consent, waiver or similar act of the holders, but we have no obligation to do so. If we fix a record date, that request, demand, authorization, direction, notice, consent, waiver or other act of the holders may be given before or after that record date, but only the holders of record at the close of business on that record date will be considered holders for the purposes of determining whether holders of the required percentage of the outstanding Collateral Trust Mortgage Bonds have authorized or agreed or consented to the request, demand, authorization, direction, notice, consent, waiver or other act

of the holders. For that purpose, the outstanding Collateral Trust Mortgage Bonds will be computed as of the record date.

Any request, demand, authorization, direction, notice, consent, election, waiver or other act of a holder of any Collateral Trust Mortgage Bond will bind every future holder of that Collateral Trust Mortgage Bond and the holder of every Collateral Trust Mortgage Bond issued upon the registration of transfer of or in exchange for that Collateral Trust Mortgage Bond. A transferee will also be bound by acts of the Trustee or us in reliance thereon, whether or not notation of that action is made upon the Collateral Trust Mortgage Bond. (Mortgage, Section 106.)

Voting of Class A Bonds

The Mortgage provides that the Trustee will, as holder of Class A Bonds delivered as the basis for the issuance of Collateral Trust Mortgage Bonds, attend meetings of holders of bonds under the related Class A Mortgage, or deliver its proxy in connection with those meetings, that relate to matters with respect to which it, as a holder, is entitled to vote or consent. The Mortgage provides that, so long as no event of default under the Mortgage has occurred and is continuing and except for the rights and remedies of the Trustee in case of a default or matured event of default under a Class A Mortgage, the Trustee will, as holder of the Class A Bonds, vote or consent (without any consent or other action by the holders of the Collateral Trust Mortgage Bonds, except as described in the proviso of clause (2) below) in favor of any amendments or modifications to the applicable Class A Mortgage as follows:

1. to conform any provision of a Class A Mortgage in all material respects to the correlative provision of the Mortgage, to add to a Class A Mortgage any provision not otherwise contained therein which conforms in all material respects to a provision contained in the Mortgage, to delete from a Class A Mortgage any provision to which the Mortgage contains no correlative provision and any combination of the foregoing and/or, without limiting the generality of the foregoing, to effect certain amendments included in supplemental indentures to the ELL Mortgage and the EGSL Mortgage; and/or;
with respect to any amendments or modifications to any Class A Mortgage other than those amendments or modifications referred to in clause (1) above, vote all the Class A Bonds delivered under such Class A Mortgage, or consent with respect thereto, proportionately with the vote or consent of holders of all other Class A Bonds outstanding under such Class A Mortgage the holders of which are eligible to vote or consent,
2. as evidenced by a certificate delivered by the trustee under such Class A Mortgage; provided, however, that the Trustee will not vote in favor of, or consent to, any amendment or modification of a Class A Mortgage which, if it were an amendment or modification of the Mortgage, would require the consent of holders of Collateral Trust Mortgage Bonds as described under "Modification and Waiver," without the prior consent of holders of Collateral Trust Mortgage Bonds which would be required for an amendment or modification of the Mortgage.

(Mortgage, Section 1705.)

We may make amendments to, or eliminate some of the covenants in, the ELL Mortgage with the consent of the holders of a majority of the bonds outstanding under the ELL Mortgage considered as one class, provided that, if less than all series of such bonds are affected, only the consent of holders of a majority of such bonds of each series affected, considered as one class, is required for such modification, but no such modification shall, without the consent of the holder of any such bond affected by such modification, permit:

- the extension of the maturity or reduction of the principal of or interest on such bond or other modification in the terms of payment of such principal or interest;
- the creation of a lien that is prior or equal to the lien of the ELL Mortgage with respect to the mortgaged property under the ELL Mortgage or the deprivation of any non-assenting holder of such bonds of the benefit of a lien on the mortgaged property under the ELL Mortgage (subject only to excepted encumbrances as defined in the ELL Mortgage); or
- the reduction of the percentage required for modification of the ELL Mortgage.

We may make amendments to, or eliminate some of the covenants in, the EGSL Mortgage with the consent of the holders of not less than 75% in aggregate principal amount of the bonds outstanding under the EGSL Mortgage, including not less than 60% of each series affected, but no such modification shall:

- extend the maturity of any such bonds or reduce the rate or extend the time of payment of interest on any such bonds or reduce the amount of principal of any such bonds, or reduce any premium payable on the redemption of any such bonds, without the consent of the holder of such affected bond;
- permit the creation of any lien, not otherwise permitted, prior to or on a parity with the lien of the EGSL Mortgage, without the consent of the holders of all the bonds then outstanding under the EGSL Mortgage; or
- reduce the above-described percentage of holders of bonds under the EGSL Mortgage required to approve any such modification, without the consent of the holders of all such bonds then outstanding.

If we amend a Class A Mortgage to eliminate one or more covenants as described above, a holder of Collateral Trust Mortgage Bonds would no longer benefit from such covenants.

Resignation of a Trustee; Removal

The Trustee may resign at any time by giving written notice to us or may be removed at any time by an act of the holders of a majority in principal amount of Collateral Trust Mortgage Bonds then outstanding delivered to the Trustee and us at least 31 days prior to such removal. No resignation or removal of the Trustee and no appointment of a successor Trustee will be effective until the acceptance of appointment by a successor Trustee. So long as no event of default or event which, after notice or lapse of time, or both, would become an event of default has occurred and is continuing and except with respect to a Trustee appointed by act of the holders, if we have delivered to the Trustee a board resolution appointing a successor Trustee and the successor has accepted the appointment in accordance with the terms of the Mortgage, the Trustee will be deemed to have resigned and the successor will be deemed to have been appointed as Trustee in accordance with the Mortgage. (Mortgage, Section 1010.)

Notices

Notices to holders of New Bonds will be given by mail in writing to the addresses of the holders as they may appear in the security register for the New Bonds. (Mortgage, Section 108.)

Title

We, the Trustee, and any of our or the Trustee's agents, may treat the person in whose name New Bonds are registered as the absolute owner thereof, whether or not the New Bonds may be overdue, for the purpose of making payments and for all other purposes irrespective of notice to the contrary. (Mortgage, Section 308.)

Governing Law

The Mortgage is, and the New Bonds will be, governed by, and construed in accordance with, the laws of the State of New York, without giving effect to its conflicts of laws principles, except where otherwise required by law, including with respect to the creation, perfection, priority or enforcement of the lien of the Mortgage. (Mortgage, Section 114.)

Information about the Trustee

The Trustee will be The Bank of New York Mellon. In addition to acting as Trustee, The Bank of New York Mellon also acts, and may act, as trustee under the ELL Mortgage, the EGSL Mortgage, and various other of our and our affiliates' indentures, trusts and guarantees. We and our affiliates maintain deposit

accounts and credit and liquidity facilities and conduct other banking transactions with the Trustee and its affiliates in the ordinary course of our respective businesses.

Book-Entry Only Securities

Unless otherwise specified in the applicable prospectus supplement, the New Bonds will trade through The Depository Trust Company (“DTC”). Each series of New Bonds will be represented by one or more global certificates and registered in the name of Cede & Co., DTC’s nominee. Upon issuance of the global certificates, DTC or its nominee will credit, on its book-entry registration and transfer system, the principal amount of the New Bonds represented by such global certificates to the accounts of institutions that have an account with DTC or its participants. The accounts to be credited shall be designated by the underwriters. Ownership of beneficial interests in the global certificates will be limited to participants or persons that may hold interests through participants. The global certificates will be deposited with the Trustee as custodian for DTC.

DTC is a New York clearing corporation and a clearing agency registered under Section 17A of the Exchange Act. DTC holds securities for its participants. DTC also facilitates the post-trade settlement of securities transactions among its participants through electronic computerized book-entry transfers and pledges in the participants’ accounts. This eliminates the need for physical movement of securities certificates. The participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Others who maintain a custodial relationship with a participant can use the DTC system. The rules that apply to DTC and those using its systems are on file with the SEC.

Purchases of the New Bonds within the DTC system must be made through participants, who will receive a credit for the New Bonds on DTC’s records. The beneficial ownership interest of each purchaser will be recorded on the appropriate participant’s records. Beneficial owners will not receive written confirmation from DTC of their purchases, but beneficial owners should receive written confirmations of the transactions, as well as periodic statements of their holdings, from the participants through whom they purchased New Bonds. Transfers of ownership in the New Bonds are to be accomplished by entries made on the books of the participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates for their New Bonds of a series, except if use of the book-entry system for the New Bonds of that series is discontinued.

To facilitate subsequent transfers, all New Bonds deposited by participants with DTC are registered in the name of DTC’s nominee, Cede & Co. The deposit of the New Bonds with DTC and their registration in the name of Cede & Co. effects no change in beneficial ownership. DTC has no knowledge of the actual beneficial owners of the New Bonds. DTC’s records reflect only the identity of the participants to whose accounts such New Bonds are credited. These participants may or may not be the beneficial owners. Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to participants, and by participants to beneficial owners, will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial owners of New Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the New Bonds, such as redemptions, tenders, defaults and proposed amendments to the Mortgage. Beneficial

owners of the New Bonds may wish to ascertain that the nominee holding the New Bonds has agreed to obtain and transmit notices to the beneficial owners.

Redemption notices will be sent to Cede & Co., as registered holder of the New Bonds. If less than all of the New Bonds of a series are being redeemed, DTC's practice is to determine by lot the amount of New Bonds of such series held by each participant to be redeemed.

Neither DTC nor Cede & Co. will itself consent or vote with respect to New Bonds, unless authorized by a participant in accordance with DTC's procedures. Under its usual procedures, DTC would mail an omnibus proxy to us as soon as possible after the record date. The omnibus proxy assigns the consenting or voting rights of Cede & Co. to those participants to whose accounts the New Bonds are credited on the record date. We believe that these arrangements will enable the beneficial owners to exercise rights equivalent in substance to the rights that can be directly exercised by a registered holder of the New Bonds.

Payments of redemption proceeds, principal of, and interest on the New Bonds will be made to Cede & Co., or such other nominee as may be requested by DTC. DTC's practice is to credit participants' accounts upon DTC's receipt of funds and corresponding detail information from us or our agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by participants to beneficial owners will be governed by standing instructions and customary practices. Payments will be the responsibility of participants and not of DTC, the Trustee, or us, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal and interest to Cede & Co. (or such other nominee as may be requested by DTC) is our responsibility. Disbursement of payments to participants is the responsibility of DTC, and disbursement of payments to the beneficial owners is the responsibility of participants.

Except as provided in the applicable prospectus supplement, a beneficial owner will not be entitled to receive physical delivery of the New Bonds. Accordingly, each beneficial owner must rely on the procedures of DTC to exercise any rights under the New Bonds.

DTC may discontinue providing its services as securities depository with respect to the New Bonds at any time by giving us reasonable notice. In the event no successor securities depository is obtained, certificates for the New Bonds will be printed and delivered. We may decide to replace DTC or any successor depository. Additionally, subject to the procedures of DTC, we may decide to discontinue use of the system of book-entry transfers through DTC (or a successor depository) with respect to some or all of the New Bonds. In that event or if an event of default with respect to a series of New Bonds has occurred and is continuing, certificates for the New Bonds of such series will be printed and delivered. If certificates for such series of New Bonds are printed and delivered,

- those New Bonds will be issued in fully registered form without coupons;
- a holder of certificated New Bonds would be able to exchange those New Bonds, without charge, for an equal aggregate principal amount of New Bonds of the same series, having the same issue date and with identical terms and provisions; and
- a holder of certificated New Bonds would be able to transfer those New Bonds without cost to another holder, other than for applicable stamp taxes or other governmental charges.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that we believe to be reliable, but we do not take any responsibility for the accuracy of this information.

PLAN OF DISTRIBUTION

Methods and Terms of Sale

We may use a variety of methods to sell the New Bonds including:

1. through one or more underwriters or dealers;
2. directly to one or more purchasers;
3. through one or more agents; or
4. through a combination of any such methods of sale.

The prospectus supplement relating to a particular series of the New Bonds will set forth the terms of the offering of the New Bonds, including:

1. the name or names of any underwriters, dealers or agents and any syndicate of underwriters;
2. the initial public offering price;
3. any underwriting discounts and other items constituting underwriters' compensation;
4. the proceeds we receive from that sale; and
5. any discounts or concessions allowed or reallocated or paid by any underwriters to dealers.

Underwriters

If we sell the New Bonds through underwriters, they will acquire the New Bonds for their own account and may resell them from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The underwriters for a particular underwritten offering of New Bonds will be named in the applicable prospectus supplement and, if an underwriting syndicate is used, the managing underwriter or underwriters will be named on the cover page of the applicable prospectus supplement. In connection with the sale of New Bonds, the underwriters may receive compensation from us or from purchasers in the form of discounts, concessions or commissions. The obligations of the underwriters to purchase New Bonds will be subject to certain conditions. The underwriters will be obligated to purchase all of the New Bonds of a particular series if any are purchased. However, the underwriters may purchase less than all of the New Bonds of a particular series should certain circumstances involving a default of one or more underwriters occur.

The initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers by any underwriters may be changed from time to time.

Stabilizing Transactions

Underwriters may engage in stabilizing transactions and syndicate covering transactions in accordance with Rule 104 under the Exchange Act. Stabilizing transactions permit bids to purchase the underlying New Bonds so long as the stabilizing bids do not exceed a specified maximum. Syndicate covering transactions involve purchases of the New Bonds in the open market after the distribution has been completed in order to cover syndicate short positions. These stabilizing transactions and syndicate covering transactions may cause the price of the New Bonds to be higher than it would otherwise be if such transactions had not occurred.

Agents

If we sell the New Bonds through agents, the applicable prospectus supplement will set forth the name of any agent involved in the offer or sale of the New Bonds as well as any commissions we will pay to them.

Unless otherwise indicated in the applicable prospectus supplement, any agent will be acting on a best efforts basis for the period of its appointment.

Related Transactions

Underwriters, dealers and agents (or their affiliates) may engage in transactions with, or perform services for, us or our affiliates in the ordinary course of business.

Indemnification

We will agree to indemnify any underwriters, dealers, agents or purchasers and their controlling persons against certain civil liabilities, including liabilities under the Securities Act.

Listing

Unless otherwise specified in the applicable prospectus supplement, the New Bonds will not be listed on a national securities exchange. No assurance can be given that any broker-dealer will make a market in any series of the New Bonds and, in any event, no assurance can be given as to the liquidity of the trading market for any of the New Bonds.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

- (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be a part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and Each prospectus required to be filed pursuant to Rule 424 (b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415 (a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the
- (ii) registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the
-

registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
