**DEFINITIONS**

For purposes of this Agreement, capitalized terms used herein have the meanings specified or referred to in Appendix A attached hereto.

**Section 5.3(b), and as a result terminate their accounts with the Company, Buyer shall be entitled to a proportionate reduction in the Purchase Price (including the Deferred Contingent Amount) based on the lost revenues from the accounts that so object and so terminate.**

### **Closing**

### **Post-Closing Adjustment Amount**

If any account receivable existing at the Closing Date which are intended to be identified on Schedule 2.5, is not collected within ninety (90) days after the Closing Date, then Sellers, within 10 days, will pay such amount to Buyer.

If payment by Sellers is not made within such 10 day period, then payments will be made together with interest at a 6.5% annual rate compounded monthly beginning on the Closing Date and ending on the date of payment. In the event any account receivable for which payment was made under this Section 2.5(a) is subsequently collected by the Company or Buyer, either directly or indirectly, the amount of the receivable so received shall be paid to Sellers.

**Deferred Contingent Amount**

If for the twelve months ended on September 30, 2009 (or if the Closing Date is not on or before March 31, 2007, the month end immediately after thirty months after the Closing Date), the gross revenues earned from all accounts under management of the Company is equal to or greater than \$1,360,000 ( Base Year Revenues ), then \$1,000,000 in cash shall be paid by Buyer to Sellers in immediately available funds by wire transfer to accounts designated by Sellers. If for the twelve months ended on September 30, 2009 (or if the Closing Date is not on or before March 31, 2007, the month end immediately after thirty months after the Closing Date), gross revenues earned from all accounts under management of the Company existing for that period is less than Base Year Revenues, then an amount equal to \$1,000,000 multiplied by a fraction, the numerator of which is Revenues for the twelve months ended on September 30, 2009 (or if the Closing Date is not on or before March 31, 2007, the month end immediately after thirty months after the Closing Date) and the denominator of which is Base Year Revenues, shall be paid by Buyer to Sellers in immediately available funds by wire transfer to accounts designated by Sellers.

If for the twelve months ended on March 31, 2011 (or if the Closing Date is not on or before March 31, 2007, the month end immediately after forty-eight months after the Closing Date), the gross revenues earned from all accounts under management of the Company is equal to or greater than Base Year Revenues, then \$800,000 in cash shall be paid by Buyer to Sellers in immediately available funds by wire transfer to accounts designated by Sellers. If for the twelve months ended on March 31, 2011 (or if the Closing Date is not on or before March 31, 2007, the month end immediately after forty-eight months after the Closing Date), gross revenues earned from all accounts under management of the Company existing for that period is less than Base Year Revenues, then an amount equal to \$800,000 multiplied by a fraction, the numerator of which is Revenues for the twelve months ended on March 31, 2011 (or if the Closing Date is not on or before March 31, 2007, the month end immediately after forty-eight months after the Closing Date) and the denominator of which is Base Year Revenues, shall be paid by Buyer to Sellers in immediately available funds by wire transfer to accounts designated by Sellers.

If there is an increase in gross revenues for the twelve month periods ended as of September 30, 2009 (or if the Closing Date is not on or before March 31, 2007, the month end immediately after thirty months after the Closing Date) or March 31, 2011 (or if the Closing Date is not on or before March 31, 2007, the month end immediately after forty-eight months after the Closing Date) in comparison to Base Year Revenues, there shall be no increase in the Deferred Contingent Amount.

Any Deferred Contingent Amount earned shall not bear interest if paid within 30 days of the applicable measurement date. If not paid within 30 days of the applicable measurement date, it shall bear interest at Buyer's prime rate from the applicable measurement date.

Any Deferred Contingent Amount earned shall be paid 90% to the Marras and 10% to McKeon.

No Deferred Contingent Amount shall be due or payable to either the Marras or McKeon if Marra or McKeon, whichever is applicable, is not employed by the Company on a payment date unless such Seller's employment is terminated as a result of the termination of a Seller's employment (other than for cause (as defined in the Seller's employment agreement)) or the disability or death of such Seller. Any Deferred Contingent Amount not due or paid as a result of the foregoing sentence shall be forfeited in whole by such Seller, and the other Seller shall not have any right to the share of any Deferred Contingent Amount; provided that such Seller shall be entitled to his share of the Deferred Contingent Amount if he is so employed as provided in this Section.

Notwithstanding the provisions of Sections 2.6(a) and (b) hereof, if revenues for the applicable twelve month period are less than Base Year Revenues because of a decline in the United States equity markets for reasons that are generally acknowledged to be temporally and reasonably attributable to an act of war or terrorism or

a natural disaster, then the parties shall mutually agree on a methodology to normalize revenues for the applicable measurement period to eliminate as nearly as possible the effect of such extraordinary event on revenues. In no event shall the loss of any customer be deemed attributable to such extraordinary event. Revenues for the applicable measurement period, as so normalized, will then be used in lieu of actual revenues for purposes of Section 2.6(a) or (b), as applicable.

A party seeking to exercise the rights provided in Subsection 9.1(a) shall so notify the other party within fifteen (15) days after obtaining Knowledge of the facts, events or circumstances giving rise to the right to terminate, but no later than the Closing Date. In any other case provided for in this Section 9.1, termination may be effected by written notice to the other parties before or at Closing.

#### **Effect of Termination**

If this Agreement is terminated pursuant to Section 9.1, all further obligations of the parties under this Agreement will terminate, except that the obligations in Sections 10.2, 10.3, 12.1 and 12.3 will survive.

#### **INDEMNIFICATION; REMEDIES**

##### **Indemnification and Payment of Damages by Sellers**

Subject to the limitations of Sections 10.4 and 10.5, if the Closing has occurred, each Seller will indemnify and hold harmless Buyer, the Company, and their respective consolidated corporate parents and subsidiaries (collectively, the Indemnified Persons ) for, and will pay to the Indemnified Persons the amount of, any loss, liability, claim, damage (including incidental and consequential damages), expense (including costs of investigation and defense and reasonable, documented attorneys fees of outside counsel) whether or not involving a third-party claim (collectively, Damages ), arising, directly or indirectly, from or in connection with:

### **Indemnification and Payment of Damages by Buyer**

Subject to the limitations of Sections 10.4 and 10.5, Buyer will indemnify and hold harmless Sellers and their respective successors and assigns, and will pay to Sellers, and their respective successors and assigns, the amount of any Damages arising, directly or indirectly, from or in connection with (a) any Breach of any representation or warranty made by Buyer in this Agreement, the Employment Agreements, or in any certificate delivered by Buyer pursuant to this Agreement, or (b) any claim by any Person for brokerage or finder's fees or commissions or similar payments based upon any agreement or understanding alleged to have been made by such Person with Buyer (or any Person acting on its behalf) in connection with any of the Contemplated Transactions.

### **Limitations**

If the Closing occurs, Sellers will have no liability (for indemnification or otherwise) with respect to any representation or warranty, other than those in Sections 3.3 (a Title Claim ), 3.9 or 3.10, unless on or before the date which is two years from the Closing Date, Buyer notifies Sellers of a claim specifying the factual basis of that claim in reasonable detail to the extent then known by Buyer. A Title Claim or a claim with respect to Section 3.9 or 3.10, shall be made no more than six (6) months after Buyer obtains Knowledge of the same, but in no event after the expiration of the applicable statute of limitations.

### **Limitations on Amount--Sellers**

**Sellers will have no liability (for indemnification or otherwise) with respect to the matters described in Section 10.2 until the total of all Damages with respect to such matters exceeds \$25,000 but then such liability shall include all Damages in excess of zero. However, this Section 10.5(a) will not apply to any Title Claim or any claim against either Seller based on any Seller's representations and warranties if Buyer can prove that the particular Seller had actual Knowledge such representations or warranties were materially false as of the Closing Date. Under no circumstances will (i) Marra have liability for indemnification in an amount exceeding \$900,000, or (ii) McKeown have liability for indemnification in an amount exceeding \$100,000.**

**Sellers' liability hereunder shall be further reduced to the extent (i) the loss, event, liability or matter giving rise thereto is covered by insurance maintained by the Company or Buyer; or (ii) the loss, event, liability or matter giving rise thereto provides Buyer or the Company with any reduction in taxes.**

### **Limitations on Amount--Buyer**

Buyer will have no liability (for indemnification or otherwise) with respect to the matters described in Section 10.3 until the total of all Damages with respect to such matters exceeds \$25,000 but then such liability shall include all Damages in excess of zero. However, this Section 10.6 will not apply to any claim against Buyer based on (i) failure to pay the Purchase Price or (ii) Breach of any of Buyer's representations and warranties if Buyer had actual Knowledge such representations or warranties were materially false as of the Closing Date.

### **Right of Set-Off**

Buyer may set off any claim it may have against any Seller against amounts owing to any Seller under this Agreement or under the Employment Agreements.

### **Procedure for Indemnification Third Party Claims**

Promptly after receipt by a party of notice of the commencement of any Proceeding against it against which that party is entitled to indemnity under Sections 10.2 or 10.3, such indemnified party will, if it intends to make a claim against an indemnifying party under such Section, give notice to the indemnifying party of the commencement of such claim within 30 (thirty) days of receipt of notice, but the failure to notify the indemnifying party will not relieve the indemnifying party of any liability that it may have to any indemnified party, except to the extent that the indemnifying party demonstrates that the defense of such action is prejudiced by the indemnified party's failure to give such notice. The indemnified party shall keep the indemnifying party informed with respect to any significant developments with respect to such Proceeding, answer any questions the indemnifying party or its or their representatives may have from time to time with respect thereto and give all reasonable cooperation to the indemnifying necessary to investigate and defend such Proceeding.

If any Proceeding referred to in Section 10.8(a) is brought against an indemnified party and it gives notice to the indemnifying party of the commencement of such Proceeding, the indemnifying party will be entitled to participate in such Proceeding and, to the extent that it wishes (unless (i) the indemnifying party is also a party to such Proceeding and the indemnified party determines in good faith that joint representation would be inappropriate, or (ii) the indemnifying party fails to provide reasonable assurance to the indemnified party of its financial capacity to defend such Proceeding and provide indemnification with respect to such Proceeding), to assume the defense of such Proceeding with counsel reasonably satisfactory to the indemnified party. After notice from the indemnifying party to the indemnified party of its election to assume the defense of such Proceeding, the indemnifying party will not, as long as it diligently conducts such defense, be liable to the indemnified party for any fees of other counsel or any other expenses with respect to the defense of such Proceeding, in each case subsequently incurred by the indemnified party in connection with the defense of such Proceeding, other than reasonable costs of investigation. The indemnifying party may however, assume the defense of a Proceeding while reserving expressly all rights to deny, that the claims made in that Proceeding are within the scope of and subject to indemnification in which case (i) the indemnified party may participate in the defense thereof, at the expense of the indemnifying party using counsel of the indemnified party's choosing, (ii) no compromise or settlement of such claims may be effected by the indemnifying party without the indemnified party's consent unless (A) there is no finding or admission of any violation of Legal Requirements or any violation of the rights of any Person and no effect on any other claims that may be made against the indemnified party, and (B) the sole relief provided is monetary damages that are paid in full by the indemnifying party; and (iii) the indemnified party will have no liability with respect to any compromise or settlement of such claims effected without its consent. If notice is given to an indemnifying party of the commencement of any Proceeding and the indemnifying party does not, within ten days after the indemnified party's notice is given, give notice to the indemnified party of its election to assume the defense of such Proceeding, the indemnifying party will be bound by any determination made in such Proceeding or any compromise or settlement effected by the indemnified party.

Notwithstanding the foregoing, if an indemnified party determines in good faith that there is a reasonable probability that a Proceeding may adversely affect it or its affiliates other than as a result of monetary damages for which it would be entitled to indemnification under this Agreement, the indemnified party may, by notice to the indemnifying party, assume the exclusive right to defend, compromise, or settle such Proceeding, but the indemnifying party will not be bound by any determination of a Proceeding so defended or any compromise or

settlement effected without its consent.

Section 12 hereof shall govern jurisdiction over disputes under this Article 10.

**Procedure for Indemnification Other Claims.**

A claim for indemnification for any matter not involving a third-party claim may be asserted by notice to the party from whom indemnification is sought.

**Exclusive Remedy.**

If Closing occurs, a claim for Damages pursuant to this Article shall be the indemnified party's sole and exclusive remedy with respect to any Breach of representation or warranty, or covenant in this Agreement, or any other Transaction Document regardless whether such claim arises in contract, tort, breach of warranty or any other legal or equitable theory; provided that the rights and limitations of this Article 10 shall not apply to any claim for failure to pay the Purchase Price or for breach of any affirmative or negative covenant under this or any other agreement related hereto that occurs after Closing, and the parties shall retain all rights and remedies available hereunder or under applicable law for such Breach, subject to any express limits on such remedies contained in the applicable agreement. In addition, a party shall be entitled to specific performance.

**POST-CLOSING COVENANTS**

**Cooperation; Marketing and Support.**

The parties will cooperate with and provide such further assurances to each other as are reasonably necessary or requested to perfect (of record or otherwise) and effectively vest Buyer's title to the Shares, aid in the prosecution, defense, or other action regarding litigation of any rights arising from or affecting title to the Shares, and assist in making a smooth transition in ownership of the Shares from Sellers to Buyer at each party's own expense. Sellers, upon reasonable notice, shall be permitted to have access to the records transferred to Buyer as provided in this Agreement at no charge to Sellers.

Following Closing, Buyer shall provide the Company with (i) such marketing, sales, technology and administrative support as Sellers shall reasonably request, which shall be charged to the Company, and (ii) such reasonable assistance in retaining accounts as Sellers shall reasonably request.

Buyer and the Company shall use their reasonable efforts to refer clients and potential clients to the other.

**Treatment of Confidential Information**

Each of the Sellers acknowledge that he or she has or may have had in the past, and in the future may have, access to confidential information of the Company and/or Buyer, including customer lists, files, records, products, technical information, sales activities, procedures, promotion, pricing techniques, business plans, dealer lists and credit and financial data concerning customers. Each of Sellers agree that he or she will keep confidential all such confidential information and, except with the specific prior written consent of Buyer, will not disclose such confidential information to any person except; (i) Representatives of Buyer, (ii) its own Representatives, provided that such Representatives agree to the confidentiality provisions of this Section.

**Confidential information shall not include (A) such information that becomes known to the public generally through no fault of Sellers, (B) information required to be disclosed by the terms of this Agreement or by law or the Order of any Governmental Body under color of law, provided that prior to disclosing any information pursuant to this clause (B), Sellers shall, if possible, give prior written notice thereof to Buyer and provide Buyer with the opportunity to contest such disclosure, or (C) such information that the disclosing party reasonably believes the disclosure of which is required in connection with the defense of a lawsuit against the disclosing party. Because of the difficulty of measuring the economic loss that may be incurred as a result of the breach of the covenants above, and because of the immediate and irreparable damage that would be caused for which the injured party would have no other adequate remedy, Sellers agree that Buyer and/or the Company may enforce the provisions of this section by injunctions and restraining orders against each of them who breaches any of these provisions. Nothing herein shall be construed as prohibiting Buyer from pursuing any other remedy available at law or in equity for such breach or threatened breach, including the recovery of damages, subject to the limitations of Article 10.**

**Buyer acknowledges that it has had access to confidential information of the Company and its customers and Sellers and agrees that in the event that this Agreement is terminated pursuant to Section 9, it will keep confidential all such confidential information and, except with specific prior written consent of Sellers, will not disclose such confidential information to any person. Confidential information shall not include (A) such information that becomes known to the public generally through no fault of Buyer, (B) information required to be disclosed by law or the order of any governmental authority under color of law, provided that prior to disclosing any information pursuant to this clause (B), Buyer shall, if possible, give prior written notice thereof to Sellers and provide Sellers with the opportunity to contest such disclosure, or (C) such information that Buyer reasonably believes the disclosure of which is required in connection with the defense of a lawsuit against Buyer.**

**The obligations of the parties under this Section shall survive the termination of this Agreement.**

#### **Tax Treatment of Contemplated Transaction; Preparation of Tax Returns**

Sellers and Buyer agree that the Deferred Contingent Amount shall be treated as installment purchase price. Sellers agree to prepare and execute applicable tax returns for the Company for any interim or stub period. Buyer agrees not to amend or otherwise change any tax return for any period ending prior to the Closing Date, or otherwise make any election or similar accounting method change that would have the effect of retroactively increasing any Seller's tax liability.

#### **Governance**

**Buyer shall consult Sellers before any change in the structure, management, operations or organization of the Company, until the Deferred Contingent Amount is paid in full.**

**Buyer shall maintain the company as a separate, direct or indirect, subsidiary of Buyer or an Affiliate of Buyer until the Deferred Contingent Amount has been paid to Sellers pursuant to Section 2.6 hereof, unless Buyer in good faith (A) makes a reasonable determination that merging or otherwise assimilating the Company into Buyer (or an Affiliate of Buyer) will not adversely affect the ability of Sellers to realize the full Deferred Contingent Amount, and (B) consults with Sellers at least ninety (90) days before such action. If the Company is nevertheless merged or assimilated, its operations will be maintained as if it were a separate entity, as a separate division and profit center with financial records separate from the consolidated financial records of Buyer or any Affiliate of Buyer, retain its name, and retain its officers, reporting lines and general autonomy. For the purposes of this Agreement, any reference to the Company following the Closing Date shall be deemed**

to refer to the Company as a subsidiary or division of Buyer or any Subsidiary or Affiliate of Buyer.

Marra shall remain as President of the Company and a director of the Company until payment of the Deferred Contingent Amount. Marra and Buyer mutually shall establish the Company's annual budget.

Buyer will not change the trade name of the Company or move its location without Marra's consent until the Deferred Contingent Amount is paid. Nothing contained in this paragraph (iii) shall be deemed to reduce or restrict the rights of Buyer under paragraph (i) of this Section 11.4(a).

The Company's Board shall consist of Bruce L. Marra, Thomas F. McKeon, J. Michael Adams, Jr. Allan R. Dennison, Craig G. Ford, Jeffrey A. Stopko, Ronald W. Virag and Robert L. Wise.

Until the Deferred Contingent Amount is paid, the Company shall maintain its current location and continue to rent the Company's offices from Marmont Realty Ventures, an affiliate of Marra, pursuant to the terms of the lease between Marmont Realty Ventures and the Company dated December 1, 2003.

### Employment Arrangements

From and after the Closing Date, Buyer shall cause the Company or its successor to: (a) satisfy the Company's obligations under each of the Employment Agreements, (b) use its best efforts to retain each present full-time employee of the Company at such employee's current position (or, if offered to, and accepted by, an employee, a position for which the employee is qualified with Buyer or a Subsidiary of Buyer at a salary commensurate with the position), and (c) pay compensation to each person who was employed as of the Closing Date and who continues to be employed by the Company on or after the Closing Date (other than Sellers), that is at least equal to the aggregate compensation that such person was receiving from the Company prior to the Closing Date.

On and after the Closing Date, (i) Buyer shall cause the Company or its successor to satisfy the Company's obligations under the Company Benefit Plans; (ii) for a period of at least two (2) years after the Closing Date, Buyer shall cause the Company or its successor to provide employee benefits to each such person who is an employee, on the Closing Date, that are substantially equivalent to the benefits under the Company Benefit Plans prior to the Closing Date. For vesting and eligibility purposes for employee benefits under each Company Benefit Plan and/or any employee benefit plan established by Buyer after the Closing Date, employees of the Company shall receive credit for years of service with the Company; and (iii) Buyer may discontinue and terminate the Company Benefit Plans, subject to clause (ii) above.

### Director of Christiana Bank

Nothing contained in this Agreement or his employment agreement shall prevent Marra from serving as Vice Chairman and Director of Christian Bank and Trust Company, Greenville, Delaware.

### **ARBITRATION**

Any dispute, to the maximum extent allowed by applicable law, shall be submitted to and finally resolved by, binding arbitration. Any party may file a written Demand for Arbitration with the American Arbitration Association's Pittsburgh, Pennsylvania Regional Office, and shall send a copy of the Demand for Arbitration to the other party. The arbitration shall be conducted pursuant to the terms of the Federal Arbitration Act and the Commercial Arbitration rules of the American Arbitration Association, except that discovery may be had in accordance with the Federal Rules

of Civil Procedure. The venue for the arbitration shall be the Pittsburgh, Pennsylvania office of the American Arbitration Association. The arbitration shall be conducted before one arbitrator selected through the American Arbitration Association's arbitrator selection procedures. The arbitrator shall promptly fix the time, date and place of the hearing and notify the parties. The parties shall stipulate that the arbitration hearing shall last no longer than five business days. The arbitrator shall render a decision within ten days of the completion of the hearing, which decision may include an award of legal fee, costs of arbitration and interest. The arbitrator shall promptly transmit an executed copy of his or her decision to the parties. The decision of the arbitrator shall be final, binding and conclusive upon the parties, absent manifest error. Each party shall have the right to have the decision enforced by any court of competent jurisdiction. Notwithstanding any other provision of this Section, any dispute in which a party seeks equitable relief may be brought in Allegheny County, Pennsylvania that has jurisdiction.

### **Public Announcements; Filings**

**Any public announcement or similar publicity with respect to this Agreement or the Contemplated Transactions will be issued at such time and in such manner as Buyer determines, subject to Sellers' prior consent as to its time, form and content, provided that Sellers' consent shall not be unreasonably withheld and shall not be withheld at all if Buyer's counsel is of the opinion such an announcement is legally required.
