2.1 The holders thereof are entitled to one vote for each share held on all matters voted on by shareholders except matters on which only the holders of another specified class or series of shares are entitled to vote.

2.2 Subject to the rights, privileges, restrictions and conditions attaching to shares of any class of the Corporation ranking prior to the Common Shares, the holders thereof are entitled to receive such dividends payable in money, property, or by the issue of fully paid shares of the Corporation, as may be declared by the Board of Directors and to receive the remaining property of the Corporation upon the liquidation, dissolution or winding up thereof.

2.3 The Directors of the Corporation may determine at any time and from time to time, with respect to all or a portion of any dividend on the Common Shares of the Corporation that such dividend shall be payable in money or, in the case of electing holders whose addresses on the books of the Corporation are in Canada, and in jurisdictions specified by the Directors outside Canada, by the issue of fully paid Common Shares of the Corporation having a value, as determined by the Directors, that is substantially equivalent, as of a date or period of days determined by the Directors, to the cash amount of such dividend, provided that the Directors may (but need not) value the Common Shares to be issued in payment of the dividend at a discount from or premium to the relevant market value thereof of up to 5%, in either case.

3

2.4 With respect to fractional shares that may result from any such stock dividend the Corporation shall issue to an agent for shareholders appointed by the Corporation a number of whole shares representing in the aggregate the fractional shares of all electing shareholders unless the Directors of the Corporation otherwise determine, for instance by the payment of cash in lieu of fraction of share interests that may result from any such stock dividend. In any event, no certificates representing fraction of share interests will be issued by the Corporation.

3. FIRST PREFERRED SHARES

The First Preferred Shares shall have attached thereto, as a class, the following rights, privileges, restrictions and conditions:

3.3 The First Preferred Shares of all series shall rank on a parity with each other and in priority to all other shares of the Corporation with respect to payment of dividends and with respect to distribution of assets in the event of liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, or any other distribution of assets for the purpose of winding up its affairs.

3.4 Except as otherwise provided in section 3.5 hereof or in the provisions attaching to any First Preferred Shares as a series, the holders of the First Preferred Shares shall not be entitled to receive any notice of or attend any meeting of shareholders of the Corporation and shall not be entitled to vote at any such meeting.

3.5 The approval of the holders of the First Preferred Shares with respect to any matters which may be required to be approved by them may be given by a resolution passed at a general meeting of the holders of the First Preferred Shares duly called and held upon not less than 21 days notice at which the holders of at least a majority of the outstanding First Preferred Shares are present or are represented by proxy and carried by the affirmative vote of not less than two-thirds of the votes cast at such meeting; if at any such meeting the holders of a majority of the outstanding First Preferred Shares are not present or represented by a proxy within one-half hour after the time appointed for such meeting then the meeting shall be adjourned to such date not less than 21 days thereafter and to such time and place as may be designated by the chairman, and not less than 15 days written notice shall be given of such adjourned meeting; at such adjourned meeting the holders of First Preferred Shares present or represented by proxy may transact the business for which the meeting was originally called and a resolution passed thereat by the affirmative vote of not less than two-thirds of the votes cast at such meeting shall constitute the authorization of the holders of the First Preferred Shares; on every poll taken at any such meeting or adjourned meeting, every holder of First Preferred Shares shall be entitled to

one vote in respect of each First Preferred Share held; subject to the foregoing, the formalities to be observed in respect of the giving of notice of any such meeting or adjourned meeting and the conduct thereof shall be those from time to time prescribed in the by-laws of the Corporation with respect to meetings of shareholders.

3.6 Series K Preferred Shares

The Series K Preferred Shares shall, in addition to the rights, privileges, restrictions and conditions attaching to the First Preferred Shares as a class, carry and be subject to the following rights, privileges, restrictions and conditions:

4

3.6.1 Dividend

(a) The holders of the Series K Preferred Shares shall be entitled to cumulative, preferred cash dividends, when and as declared by the Board of Directors, out of moneys properly applicable to the payment of dividends in an amount determined in accordance with section 3.6.1(b) hereof and no more, payable quarterly in respect of each 12 month period on the last day of March, June, September, and December (the Dividend Payment Dates), by cheque at par in lawful money of Canada at any branch in Canada of the Corporation's bankers with the first payment so to be made on any Series K Preferred Share to be paid on June 30, 1989.

(b) For the period from the date of issue of the Series K Preferred Shares to but excluding June 30, 1994 (the Initial Term), the dividend to be paid on each Series K Preferred Share shall be the amount of \$1.9375 per annum payable in equal quarterly instalments of \$0.484375 on each Dividend Payment Date, except the first dividend which shall be payable on June 30, 1989 and shall be in the amount of \$1.9375 multiplied by a fraction of which the numerator is the number of days from and including the original date of issue of the Series K Preferred Shares to but excluding June 30, 1989 and the denominator is 365.

After expiry of the Initial Term, the dividend to be paid on each Series K Preferred Shares on each Dividend Payment Date shall be an amount per share determined by applying the Quarterly Dividend Rate to \$25.00. Dividends shall accrue on a day-to-day basis. For the purposes hereof, (i) Quarterly Dividend Rate shall mean one quarter of 70% of the average of the Prime Rate in effect on each day during the period of three calendar months ending on the last day of the second calendar month preceding the month in which the dividend payment is to be made and (ii) Prime Rate for any day shall mean the arithmetic average (rounded to the nearest one hundredth of one percent (0.01%)) of the prime commercial lending rates of interest for each day during such period established and announced from time to time by The Royal Bank of Canada, Bank of Montreal and The Toronto-Dominion Bank as the reference rates of interest per annum in order to determine the interest rates they will charge on Canadian dollar commercial loans to customers in Canada and designated by the bank in question as its prime rate. The Prime Rate on a day when the aforesaid banks are not open for business shall be the Prime Rate on the next preceding day when they were open for business. If one or two of such banks do not have a prime rate in effect on a particular day, the Prime Rate for that day shall be the arithmetic average rounded as indicated above of the prime rates announced by the other banks, or the prime rate announced by the remaining bank, as the case may be, and if none of such banks has a prime rate in effect on a particular day, the Prime Rate for that day will be 1.5% above the average yield per annum on 91-day Government of Canada Treasury Bills, as reported by the Bank of Canada, for the most recent weekly tender immediately preceding such day.

3.6.2 Rights on Liquidation

In the event of the liquidation, dissolution or winding up of the Corporation or any other distribution of assets of the Corporation for the purpose of winding up its affairs, the holders of the Series K Preferred Shares shall be entitled to receive in lawful money of Canada \$25.00 per share together with all accrued and unpaid dividends to the date of distribution before any amounts shall be paid or any assets of the Corporation distributed to the holders of any shares ranking junior to the Series K Preferred Shares. The holders of the Series K Preferred Shares shall not be entitled to share in any further distribution of the property or assets of the Corporation.

3.6.3 Redemption

The Corporation may not redeem any of the Series K Preferred Shares prior to June 30, 1994. Subject to section 3.6.5 hereof, upon giving notice as hereinafter provided, the Corporation may, on or after June 30, 1994, redeem at any time all the

outstanding Series K Preferred Shares, or from time to time any part thereof, on payment for each such share to be redeemed of an amount equal to \$25.00 together with accrued and unpaid dividends to the date fixed for redemption, the whole constituting the Redemption Price. In the case of partial redemptions, the Series K Preferred Shares to be redeemed shall be selected by lot or in such other manner as the Corporation may determine. Any Series K Preferred Share so redeemed shall be cancelled and not reissued.

The Corporation shall give at least 30 days prior notice in writing to each person who at the date of giving such notice is the holder of Series K Preferred Shares to be redeemed of the intention of the Corporation to redeem such shares; such notice shall be given by posting the same in a postage paid envelope

addressed to each holder of Series K Preferred Shares to be redeemed at the last address of such holder as it appears on the books of the Corporation at the date of the notice or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation; provided that the accidental failure or omission to give any such notice as aforesaid to one or more of such holders shall not affect the validity of the redemption as to the other holders of the Series K Preferred Shares to be redeemed. Such notice shall set out the number of such Series K Preferred Shares held by the person to whom it is addressed which are to be redeemed and the Redemption Price and shall also set out the date on which the redemption is to take place, and on and after the date so specified for redemption the Corporation shall pay or cause to be paid to the holders of such Series K Preferred Shares to be redeemed the redemption price on presentation and surrender at the Registered Office of the Corporation or at any other place or places within Canada designated by such notice, of the certificate or certificates for such Series K Preferred Shares so called for redemption; such payment shall be made by cheque payable at par at any branch in Canada of the Corporation's bankers; if a part only of such Series K Preferred Shares represented by any certificate shall be redeemed, a new certificate for the balance shall be issued; from and after the date specified in any such notice, the Series K Preferred Shares called for redemption shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Redemption Price shall not be duly made by the Corporation; at any time after notice of redemption is given as aforesaid, the Corporation shall have the right to deposit the Redemption Price of any or all Series K Preferred Shares called for redemption with any chartered bank or banks or with any trust company or trust companies in Canada named in the notice of redemption to the credit of a special account or accounts in trust for the respective holders of such shares, to be paid to them respectively upon surrender to such bank or banks or trust company or trust companies of the certificate or certificates representing the same, and upon such deposit or deposits being made, such shares shall be redeemed on the redemption date specified in the notice of redemption; after the Corporation has made a deposit as aforesaid with respect to any shares, the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof and the rights of the holders thereof shall be limited to receiving the proportion of the amounts so deposited applicable to such shares, without interest; any interest allowed on such deposit shall belong to the Corporation.

Redemption moneys that are represented by a cheque which was mailed to a registered holder in accordance with this section 3.6.3 and which has not been duly presented for payment within, or that otherwise remain unclaimed (including moneys held on deposit as aforesaid) for a period of five (5) years from the date of the redemption, shall be forfeited to the Corporation.

3.6.4 Purchase for Cancellation

Subject to section 3.6.5 hereof, the Corporation may also at any time or from time to time purchase for cancellation the whole or any part of the Series K Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, at the lowest price or prices at which in the opinion of the Directors of the Corporation such shares are obtainable plus in each case all accrued and unpaid dividends and costs of purchase.

3.6.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series K Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series K Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series K Preferred Shares;

- (b) the Corporation shall not call for redemption, redeem, purchase or otherwise retire for value or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series K Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series K Preferred Shares);
- (c) the Corporation shall not call for redemption, redeem, purchase or otherwise retire for value less than all of the Series K Preferred Shares then outstanding; or
- (d) except in connection with the exercise of a retraction privilege attaching to any other Series of

First Preferred Shares of the Corporation, the Corporation shall not call for redemption, redeem, purchase or otherwise retire for value any shares of any class or series ranking on a parity with the Series K Preferred Shares, provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series K Preferred Shares;

unless, in each case, all cumulative dividends accrued on outstanding Series K Preferred Shares up to and including the dividend payable on the last preceding Dividend Payment Date shall have been declared and paid.

Any approval of the holders of Series K Preferred Shares required to be given pursuant to this section 3.6.5 may be given in accordance with sections 3.6.6 and 3.6.7 by the affirmative vote of the holders of the majority of the Series K Preferred Shares.

3.6.6 Voting Rights

If the Corporation fails to pay eight dividends on the Series K Preferred Shares, whether or not consecutive, the holders of the Series K Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one vote for each Series K Preferred Share held, until all such arrears of dividends on the Series K Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again rise under the provisions of this section 3.6.6.

In connection with any action to be taken by the Corporation which requires the approval of the holders of the Series K Preferred Shares as a series, each Series K Preferred Share shall entitle the holder thereof to one vote for such purpose.

3.6.7 Issue of Additional First Preferred Shares and Amendment of Rights, Privileges, etc. of the Series K Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series K Preferred Shares without the authorization of the holders of the Series K Preferred Shares.

The provisions attached to the Series K Preferred Shares may be repealed, altered, modified or amended from time to time with such approvals as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.6.8.

3.6.8 Approval of Holders of Series K Preferred Shares

Any approval given by the holders of the Series K Preferred Shares shall be deemed to have been sufficiently given if it shall have been given by the holders of Series K Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.6.9 Conversion Privilege

A holder of Series K Preferred Shares holding at least 20,000 Series K Preferred Shares shall have the right, at his option, to convert on March 31, 1994 (the Conversion Date), subject to the terms and provisions hereof, all or part of his Series K Preferred

Shares into Cumulative Redeemable First Preferred Shares, Series L (the Series L Preferred Shares), on the basis of 20,000 Series K Preferred Shares for one Series L Preferred Share. The conversion of Series K Preferred Shares may be effected by surrender of the certificate or certificates representing the same at any time not less than thirty (30) days and not more than sixty (60) days prior to the Conversion Date during usual business hours at the option of the holder at the Registered Office of the Corporation or at any office of any transfer agent of the Corporation at which the Series K Preferred Shares are transferable accompanied: (1) by payment or evidence of payment of the tax (if any) payable as provided in this 3.6.9; and (2) by written instrument of surrender in form satisfactory to the Corporation duly executed by the registered holder, or his attorney duly authorized in writing, in which instrument such holder shall elect to convert all or part only of the Series K Preferred Shares represented by such certificate or certificates in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the

expense of the Corporation, a new certificate representing the Series K Preferred Shares represented by such certificate or certificates which have not been converted. A holder of Series K Preferred Shares to be converted shall not be entitled to fractional shares upon conversion but shall be entitled to receive a new certificate representing the number of remaining Series K Preferred Shares which cannot be converted.

As promptly as practicable on or after the Conversion Date the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series K Preferred Shares so surrendered, a certificate or certificates issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully paid and non-assessable Series L Preferred Shares and the number of remaining Series K Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series K Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series L Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series L Preferred Shares at such time.

The registered holder of any Series K Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted after such record date and before the payment date of such dividend.

The issuance of certificates for Series L Preferred Shares upon the conversion of Series K Preferred Shares shall be made without charge to the converting holders of Series K Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series L Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series L Preferred Shares are issued in respect of the issuance of such Series L Preferred Shares or the certificates therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series K Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.6.10 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act* (Canada), under section 191.2 of the said Act or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series K Preferred Shares will be required to pay tax on dividends received on the Series K Preferred Shares under section 187.2 of Part IV.1 of such Act or any successor or replacement provision of similar effect.

3.6.11 Mail Service Interruption

If the Corporation determines that mail service is or is threatened to be interrupted at the time when the Corporation is required or elects to give any notice hereunder by mail, or is required to send any cheque or any share certificate to the holder of any Series K Preferred Share, whether in connection with the redemption of such share or otherwise, or any share certificate to the holder of any Series L Preferred Share upon conversion of his Series K Preferred Shares, the Corporation may, notwithstanding

the provisions hereof:

- (i) give such notice by telex, telecopier or telegraph communication or by means of publication once in each of two successive weeks in a newspaper of general circulation published or distributed in Montréal and Toronto and such notice shall be deemed to have been given on the date on which such telex, telecopier or telegraph communication was given or on the date on which the first publication has taken place; and
- (ii) fulfill the requirement to send such cheque or such share certificate by arranging for delivery thereof to the principal office of the Corporation in Montréal and Toronto, and such cheque and/or certificate shall be deemed to have been sent on the date on which notice of such arrangement shall have been given as provided

8

in (i) above, provided that as soon as the Corporation determines that mail service is no longer interrupted or threatened to be interrupted such cheque or share certificate, if not theretofore delivered to such holder, shall be sent by ordinary unregistered first class prepaid mail to the registered address of each person who at the date of mailing is a registered holder and who is entitled to receive such cheque or share certificate, or in the event of the address of any such holder not so appearing, then at the last address of such holder known to the Corporation.

3.7 Series L Preferred Shares

The Series L Preferred Shares shall, in addition to the rights, privileges, restrictions and conditions attaching to the First Preferred Shares as a class, carry and be subject to the following rights, privileges, restrictions and conditions:

3.7.1 PART I

All defined terms, used in Part I of section 3.7 and not defined therein, are defined and have the meaning ascribed to them in Part II of section 3.7.

3.7.1.1 Payment of Dividends

(a) For the Initial Term, the holders of Series L Preferred Shares shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the Directors of the Corporation, out of the moneys of the Corporation properly applicable to the payment of dividends, a fixed cumulative preferential cash dividend. Such solicitation shall be contained in a notice (Notice Requesting Bids) to be sent by the Corporation to such Dealers which notice shall:

Each holder of Series L Preferred Shares who elects to sell all or a part of its holdings of Series L Preferred Shares shall, together with such notice, deposit the certificate or certificates representing Series L Preferred Shares which such holder desires to sell (with the transfer panel on such certificate duly completed and signed or, in the

alternative, with a duly completed stock transfer power of attorney accompanying such certificate or certificates) at the registered office of the Corporation, or at any place where the Series L Preferred Shares may be transferred or at any other place or places in Canada specified by the Corporation to holders of the Series L Preferred Shares in the Notification to Holders. If a holder of Series L Preferred Shares wishes to sell only some of the Series L Preferred Shares represented by any share certificate or certificates, the holder may deposit the certificate or certificates with the Corporation, as aforementioned, and the Corporation shall issue and deliver to such holder, at the expense of the Corporation, a new share certificate representing the Series L Preferred Shares which are not being delivered for sale. Any holder of Series L Preferred Shares that fails to respond to the Notification to Holders by the date specified for response therein will be deemed to have elected to continue to hold all of the Series L Preferred Shares then held by it subject to the terms and conditions as to the Dealer Determined Quarterly Dividend Rate and the Dealer Determined Term which are set forth in the Notification to Holders. The Corporation shall have all such powers and authority as may be necessary to determine finally the adequacy of all transfer instruments and related matters with respect to the sale of shares by an existing holder to a Dealer hereunder. (f) At least one Business Day prior to the end of the Initial Term, or the then current Corporation Determined Term or Dealer Determined Term or any Auction Dividend Period, as the case may be, the Corporation shall notify the Dealer submitting the Accepted Dealer Offer of the number of shares to be purchased by such Dealer in accordance with section 3.7.4.2(e) of this Part IV and of the identity of the vendor or vendors thereof.

(g) On the day of expiry of the Initial Term, the Corporation Determined Term, Dealer Determined Term or on the Settlement Date immediately following the expiry of the relevant Auction Dividend Period, as the case may be, the Dealer submitting the Accepted Dealer Offer will purchase the Series L Preferred Shares from the holders specified in section 3.7.4.2(f) of this Part IV, at the purchase price as set out in section 3.7.4.1(j) of this Part IV. For the purposes of completing such purchase, the Dealer submitting the Accepted Dealer Offer shall deposit with the Corporation, at its registered office, on or prior to noon (Montréal time) on such date, a certified cheque payable to the Corporation, as agent for the vendors referred to in section 3.7.4.2(f) of this Part IV, representing the aggregate purchase price of the Series L Preferred Shares to be purchased pursuant to this section 3.7.4.2(g) together with a direction as to registration particulars with respect to such

3.7.4.3 Termination of Application

Notwithstanding the acceptance of a Dealer Offer as provided for in this Part IV, the Corporation may notify the holders that the Corporation does not intend to proceed to implement application of the Dealer Determined Quarterly Dividend Rate and Dealer Determined Term as set forth in the Notification to Holders provided that such notification is given by the Corporation to existing holders on or before expiry of the Initial Term or the then current Corporation Determined Term or Dealer Determined Term or the relevant Auction Dividend Period, as the case may be. In such circumstances, the provisions of Part V hereof shall be applied in accordance with such Part and, for greater certainty, the Dealer whose Dealer Offer has been accepted, shall not be obliged to purchase any Series L Preferred Shares pursuant to such Dealer Offer. Any such notification shall not limit or restrict the right of the Corporation, prior to the expiry of any subsequent Corporation Determined Term, Dealer Determined Term or Auction Dividend Period, as the case may be, to implement the provisions of this Part IV by forwarding a Notice Requesting Bids to one or more Dealers.

3.7.4.4 Miscellaneous

25

as follows and in the following order of priority:

- (i) all Hold Orders shall be considered valid, but only up to and including, in the aggregate, the number of Series L Preferred Shares held by such Existing Holder, and, solely for purposes of allocating compensation among the Dealers submitting Hold Orders, if the number of Series L Preferred Shares subject to such Hold Orders exceeds the number of Series L Preferred Shares held by such Existing Holder, the number of Series L Preferred Shares subject to each such Hold Order shall be reduced pro rata to cover the number of Series L Preferred Shares held by such Existing Holder;
 - (A) Any Bid shall be considered valid up to and including the excess of the number of Series L Preferred Shares held by such Existing Holder over the number of Series L Preferred Shares subject to any Hold Order referred to in paragraph (i) of this section 3.7.5.3(d);

Edgar Filing: BCE INC - Form 6-K

same rate shall be reduced pro rata to cover the number of Series L Preferred Shares equal to such excess;

(C) Subject to subparagraph (ii)(A) of this section 3.7.5.3(d), if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid in the ascending order of their respective rates up to the amount of such excess; and

(D) In any such event, the number, if any, of such Series L Preferred Shares subject to Bids not valid under this paragraph (ii) shall be treated as the subject of a Bid by a Potential Holder; and

(iii) all Sell Orders shall be considered valid but only up to and including in the aggregate the excess of the number of Series L Preferred Shares held by such Existing Holder over the sum of the Series L Preferred Shares subject to Hold Orders referred to in paragraph (i) of this section 3.7.5.3(d) and valid Bids by Existing Holders referred to in paragraph (ii) of this section 3.7.5.3(d).

(e) If more than one Bid is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid with the rate therein specified.

3.7.5.4 Determination of Sufficient Clearing Bids, Winning Bid Rate and Current Dividend Rate

(a) On the Submission Deadline on each Auction Date, the Auction Manager shall assemble all Orders submitted or deemed submitted to it by the Dealers (each such Order as submitted or deemed submitted by a Dealer being individually a Submitted Hold Order, a Submitted Bid or a Submitted Sell Order, as the case may be, or a Submitted Order and, collectively, Submitted Hold Orders, Submitted Bids or Submitted Sell Orders, as the case may be, or Submitted Orders) and shall determine:

(i) the excess of (a) the total number of Series L Preferred Shares issued and outstanding over (b) the number of Series L Preferred Shares that are the subject of Submitted Hold Orders (such excess being the Available Shares);

(ii) from the Submitted Orders, whether:

(A) the number of Series L Preferred Shares that are the subject of Submitted

Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Rate;

exceeds or is equal to the sum of:

(B) (I) the number of Series L Preferred Shares that are the subject of Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Rate; and

(II) the number of Series L Preferred Shares that are the subject of Submitted Sell Orders;

and if such excess or equality exists (other than because all of the Series L Preferred Shares are the subject of Submitted Hold Orders), then such Submitted Bids in subparagraph (A) hereof shall be Sufficient Clearing Bids ; and

(iii) if Sufficient Clearing Bids exist, the lowest rate specified in the Submitted Bids which if the Auction Manager accepted:

(A) (I) each Submitted Bid from Existing Holders specifying that lowest rate, and

(II) all other Submitted Bids from Existing Holders specifying lower rates, thus entitling those Existing Holders to continue to hold the Series L Preferred Shares that are the subject of those Submitted Bids; and

(B) (I) each Submitted Bid from Potential Holders specifying such rate, and

(II) all other Submitted Bids from Potential Holders specifying lower rates, thus entitling those Potential Holders to purchase the Series L Preferred Shares that are the subject of those Submitted Bids,

would result in such Existing Holders described in subparagraph (A) hereof continuing to hold an aggregate number of Series L Preferred Shares which, when added to the aggregate number of Series L Preferred Shares to be purchased by such Potential Holders described in subparagraph (B) hereof, would equal not less than the number of Available Shares. This lowest rate is the Winning Bid Rate .

(b) Promptly after the Auction Manager has made the determinations pursuant to section 3.7.5.4(a) of this Part, the Auction Manager shall advise the Corporation of the Bankers Acceptance Rate and, based on such determinations, of the dividend rate applicable to the Series L Preferred Shares for the next succeeding Auction Dividend Period (the Current Dividend Rate) as follows:

(i) if Sufficient Clearing Bids exist, the Current Dividend Rate for the next succeeding Auction Dividend Period shall be equal to the Winning Bid Rate so determined;

(ii) if Sufficient Clearing Bids do not exist (other than because all of the Series L Preferred Shares are the subject of Submitted Hold Orders), that the Current Dividend Rate for the next succeeding Auction Dividend Period shall be equal to the Maximum Rate; or

(iii) if all of the Series L Preferred Shares are the subject of Submitted Hold Orders, that the Current Dividend Rate for the next succeeding Auction Dividend Period shall be equal to 50% of the Bankers Acceptance Rate determined at 10:00 a.m. Montréal time on the Auction Date.

3.7.5.5 Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Shares

Based on the determinations made pursuant to section 3.7.5.4(a) of this Part, the Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Manager shall take such other action as set forth below:

(a) If Sufficient Clearing Bids have been made, subject to the provisions of sections 3.7.5.5(c) and 3.7.5.5(d) of this Part, Submitted Bids and Submitted Sell Orders shall be accepted and rejected in the following order of priority and all other Submitted Bids shall be rejected:

Edgar Filing: BCE INC - Form 6-K

- (i) (A) the Submitted Sell Order of each Existing Holder shall be accepted, and (B) the Submitted Bid of each Existing Holder specifying any rate that is higher than the Winning Bid Rate shall be rejected, thus requiring each such Existing Holder to sell the Series L Preferred Shares that are the subject of such Submitted Sell Order and such Submitted Bid;
 - (ii) the Submitted Bid of each Existing Holder specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus entitling each such Existing Holder to continue to hold the Series L Preferred Shares that are the subject of such Submitted Bid;
 - (iii) the Submitted Bid of each Potential Holder specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Holder to purchase the Series L Preferred Shares that are the subject of such Submitted Bid;
 - (iv) the Submitted Bid for each Existing Holder specifying a rate that is equal to the Winning Bid Rate shall be accepted, thus entitling each such Existing Holder to continue to hold the Series L Preferred Shares that are the subject of such Submitted Bid, unless the number of Series L Preferred Shares subject to all such Submitted Bids is greater than the total number of Available Shares minus the number of Series L Preferred Shares subject to Submitted Bids described in paragraphs (ii) and (iii) of this section 3.7.5.5(a) (the Remaining Shares). In this event, the Submitted Bids of each such Existing Holder described in this paragraph (iv) shall be rejected, and each such Existing Holder shall be required to sell Series L Preferred Shares, but only in an amount equal to the difference between (A) the number of Series L Preferred Shares then held by such Existing Holder subject to such Submitted Bid and (B) the number of Series L Preferred Shares obtained by multiplying (x) the number of Remaining Shares by (y) a fraction, the numerator of which shall be the number of Series L Preferred Shares held by such Existing Holder subject to such Submitted Bid, and the denominator of which shall be the sum of the number of Series L Preferred Shares subject to such Submitted Bids made by all such Existing Holders who specified a rate equal to the Winning Bid Rate; and
 - (v) the Submitted Bid of each Potential Holder specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the number of Series L Preferred Shares obtained by multiplying (A) the difference between the total number of Available Shares and the number of Series L Preferred Shares subject to Submitted Bids described in paragraphs (ii), (iii) and (iv) of this section 3.7.5.5(a) by (B) a fraction, the numerator of which shall be the number of Series L Preferred Shares subject to such Submitted Bid and the denominator of which shall be the sum of the number of Series L Preferred Shares subject to such Submitted Bids made by all Potential Holders who specified rates equal to the Winning Bid Rate;
- (b) If Sufficient Clearing Bids have not been made (other than because all of the Series L Preferred Shares are subject to Submitted Hold Orders), subject to the provisions of sections 3.7.55 (c) and 3.7.5.5(d) of this Part, Submitted Bids and Submitted Sell Orders shall be accepted or rejected in the following

order of priority and all other Submitted Bids shall be rejected:

- (i) the Submitted Bid of each Existing Holder specifying any rate that is equal to or lower than the Maximum Rate shall be accepted, thus entitling that Existing Holder to continue to hold the Series L Preferred Shares that are the subject of such Submitted Bid;
- (ii) the Submitted Bid of each Potential Holder specifying any rate that is equal to or lower than the Maximum Rate shall be accepted, thus requiring such Potential Holder to purchase the Series L Preferred Shares that are the subject of such Submitted Bid; and

If less than all the outstanding Series P Preferred Shares are to be redeemed, the shares to be redeemed shall be selected by lot or shall be redeemed pro rata (disregarding fractions) as the Board of Directors in its sole discretion shall determine provided that registered holdings of 10 shares or less be redeemed in full.

The Corporation shall give at least 30 days prior notice in writing to each person who at the date of giving such notice is the holder of Series P Preferred Shares to be redeemed of the intention of the Corporation to redeem such shares; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of Series P Preferred Shares to be redeemed at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation, provided that the accidental failure or omission to give any such notices as aforesaid to one or more of such holders shall not affect the validity of the redemption as to the other holders of the Series P Preferred Shares to be redeemed. Such notice shall set out the number of such Series P Preferred Shares held by the person to whom it is addressed which are to be redeemed and the redemption price and shall also set out the date on which the redemption is to take place, and on and after the date so specified for redemption the Corporation shall pay or cause to be paid to the holders of such Series P Preferred Shares to be redeemed the redemption price on presentation and

surrender at any place or places within Canada designated by such notice, of the certificate or certificates for such Series P Preferred Shares so called for redemption; such payment shall be made by cheque payable at par at any branch in Canada of the Corporation's bankers; if a part only of such Series P Preferred Shares represented by any certificate shall be redeemed, a new certificate for the balance shall be issued at the expense of the Corporation; from and after the date specified in any such notice, the Series P Preferred Shares called for redemption shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the redemption price shall not be duly made by the Corporation; at any time after notice of redemption is given as aforesaid, the Corporation shall have the right to deposit the redemption price of any or all Series P Preferred Shares called for redemption with any chartered bank or banks or with any trust company or trust companies in Canada named in the notice of redemption to the credit of a special account or accounts in trust for the respective holders of such shares, to be paid to them respectively upon surrender to such bank or banks or trust company or trust companies of the certificate or certificates representing the same, and upon such deposit or deposits being made, such shares shall be redeemed on the redemption date specified in the notice of redemption; after the Corporation has made a deposit as aforesaid with respect to any shares, the holders thereof shall not, from and after the redemption date, be entitled to exercise any of the rights of shareholders in respect thereof and the rights of the holders thereof shall be limited to receiving the proportion of the amounts so deposited applicable to such shares, without interest; any interest allowed on such deposit shall belong to the Corporation.

3.8.4.2 Manner of Exercise of Retraction Privilege

The retraction privilege provided for in section 3.8.4.1 may be exercised by notice in writing in form satisfactory to the Corporation duly executed by the registered holder, or his attorney duly authorized in writing, given to the transfer agent for Series P Preferred Shares at least 30 days but not more than 60 days prior to the Retraction Date, accompanied by the certificate or certificates representing the Series P Preferred Shares in respect of which the holder thereof desires to exercise such retraction privilege; such notice shall specify the number of Series P Preferred Shares which the holder elects to have redeemed.

Unless the Corporation gives notice to the holders of the Series P Preferred Shares pursuant to section 3.8.7.1 (a) hereof of the right to convert Series P Preferred Shares into a further series of First Preferred Shares, and unless otherwise permitted by the Corporation, the election of any holder to have redeemed all or any Series P Preferred Shares pursuant to this section 3.8.4, shall be irrevocable upon receipt by or on behalf of the Corporation of the certificates for the shares to be redeemed and the signification of the election of the holder thereof in accordance with the provisions of this section 3.8.4.2.

As promptly as practicable after the Retraction Date of any Series P Preferred Shares surrendered for redemption, the Corporation shall pay or cause to be paid to the holder of such Series P Preferred Shares to be redeemed the redemption price; such payment shall be made by cheque payable at par at any branch in Canada of the Corporation's bankers. Such redemption shall be deemed to have been made at the close of business on the Retraction Date so that the rights of the holder of such Series P Preferred Shares as the holder thereof shall cease at such time.

If the holder of Series P Preferred Shares represented by any certificate or certificates surrendered as herein provided elects to have redeemed less than all such shares, the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series P Preferred Shares represented by the certificate or certificates surrendered as aforesaid which have not been redeemed; provided, however, that if the Series P Preferred Shares represented by any certificate or certificates surrendered as aforesaid include any shares theretofore called for redemption pursuant to section 3.8.3 hereof, then on the date fixed for the redemption of such Series P Preferred Shares the holders thereof

3.8.7 Conversion into Further Series of First Preferred Shares

3.8.7.1 Conversion Privilege into Further Series of First Preferred Shares

(a) The Corporation may, subject to applicable law, at its option, at any time create an additional series of First Preferred Shares (hereinafter referred to as *Additional Shares*) into which, upon and subject to the terms hereinafter set forth, the holders of Series P Preferred Shares shall have the right to convert Series P Preferred Shares into the Additional Shares on the basis of one Additional Share for each Series P Preferred Share. The Corporation shall give notice in writing of the creation of the Additional Shares and of the conversion right provided for herein to the then registered holders of the Series P Preferred Shares; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of Series P Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation. Such notice shall set out the date on which the conversion will take place (the *Series P Preferred Share Conversion Date*) and shall be given not less than 45 days nor more than 60 days prior to the Series P Preferred Share Conversion Date.

(b) If the Corporation has created and is entitled to issue the Additional Shares, a holder of Series P Preferred Shares may, at his option, convert Series P Preferred Shares held by him into Additional Shares on a share-for-share basis on the Series P Preferred Share Conversion Date.

3.8.7.2 Manner of Exercise of Conversion Privilege into Further Series of First Preferred Shares

The conversion of Series P Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 60 days prior to the Series P Preferred Share Conversion Date but not later than the close of business on the 15th day preceding the Series P Preferred Share Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series P Preferred Shares are transferable accompanied by: (1) payment or evidence of payment of the tax (if any) payable as provided in this section 3.8.7.2; and (2) a written instrument of surrender in form satisfactory to the Corporation duly executed by the registered holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of:

(a) the Series P Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series P Preferred Shares represented by such certificate or certificates which have not been converted; or

(b) the Series P Preferred Shares represented by such certificate or certificates, theretofore called for redemption in part, in which event on the date specified for the redemption of such Series P Preferred Shares such holder shall be entitled to payment of the redemption price of the Series P Preferred Shares represented by such certificate or certificates which have been called for redemption and which have not been converted prior to the date of redemption as well as a certificate representing any Series P Preferred Shares represented by such certificate or certificates which have been neither converted nor redeemed.

As promptly as practicable after the Series P Preferred Share Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series P Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Additional Shares and the number of remaining Series P Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Series P Preferred Share

Conversion Date, so that the rights of the holder of such Series P Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Additional Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Additional Shares at such time.

The registered holder of any Series P Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into Additional Shares after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Additional Shares upon the conversion of Series P Preferred Shares shall be made without charge to the converting holders of Series P Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Additional Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Additional Shares are issued in respect of the issuance of such Additional Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series P Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid..

3.8.7.3 Conditions of Issue of Additional Shares

The Corporation may issue the Additional Shares only if:

- (a) the Corporation creates the Additional Shares, fixing the number of shares thereof (which shall be at least equal to the number of Series P Preferred Shares outstanding at the close of business on the business day prior to the effective date of such designation), and setting forth the rights, privileges, restrictions and conditions attaching thereto as a series;
- (b) all dividends then payable on the Series P Preferred Shares then outstanding and on all other shares of the Corporation ranking as to dividends prior to or on a parity with the Series P Preferred Shares accrued up to and including the dividends payable on the immediately preceding respective date or dates for the payment of dividends thereon have been declared and paid or moneys set aside for payment;
- (c) the Corporation uses its best efforts to qualify, if necessary, the Additional Shares for distribution or distribution to the public, as the case may be, upon the conversion of Series P Preferred Shares into Additional Shares in all provinces of Canada in which there are then addresses of holders of Series P Preferred Shares appearing in the books of the Corporation or in which there is a stock exchange upon which the Series P Preferred Shares are then listed for trading; and
- (d) the Corporation ensures that the Additional Shares will not, if issued, be or be deemed to be term preferred shares within the meaning of the *Income Tax Act* (Canada) if such definition were read without reference to paragraph (f) of the definition of term preferred share set out in subsection 248(1) of the *Income Tax Act* (Canada) or any successor or replacement provision of similar effect.

3.8.8 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series P Preferred Shares:

Preferred Shares);

(c) the Corporation shall not redeem, purchase or otherwise retire less than all of the Series P Preferred Shares (for the purposes hereof, a conversion of Series P Preferred Shares shall not be deemed to be a redemption, purchase or retirement of such shares); or

(d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of a shareholder's retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series P Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series P Preferred Shares;

unless, in each such case, all cumulative dividends accrued on outstanding Series P Preferred Shares up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of Series P Preferred Shares required to be given pursuant to this section 3.8.8 may be given in accordance with the second paragraph of section 3.8.10 and section 3.8.13. Notwithstanding the provisions of section 3.8.13 hereof, any approval required to be given pursuant to this section 3.8.8 shall be required to be given only by the affirmative vote of the holders of the majority of the Series P Preferred Shares present or represented at a meeting, or adjourned meeting, of the holders of Series P Preferred Shares duly called for the purpose and at which a quorum is present.

3.8.10 Voting Rights

If the Corporation fails to pay eight dividends on the Series P Preferred Shares, whether or not consecutive, the holders of the Series P Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one vote for each Series P Preferred Share held, until all such arrears of dividends on the Series P Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.8.10.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series P Preferred Shares voting as a series or as part of a class, each Series P Preferred Share shall entitle the holder thereof to one vote for such purpose.

3.8.11 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series P Preferred Shares without the authorization of the holders of the Series P Preferred Shares.

3.8.12 Modifications

The provisions attaching to the Series P Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.8.13.

3.8.13 Approval of Holders of Series P Preferred Shares

Any approval given by the holders of the Series P Preferred Shares shall be deemed to have been sufficiently given if it shall have been given by the holders of Series P Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.9.3 Redemption at the Option of the Corporation

The Corporation may not redeem any of the Series Q Preferred Shares prior to December 1, 2000. 3.9.4 Conversion of Series Q Preferred Shares

3.9.4.1 Conversion at the Option of the Holder

Holders of Series Q Preferred Shares shall have the right, at their option, on December 1, 2000 and on December 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and conditions hereof, all or any Series Q Preferred Shares registered in their name into Series R Preferred Shares of the Corporation on the basis of one (1) Series R Preferred Share for each Series Q Preferred Share. The Corporation shall give notice in writing to the then holders of the Series Q Preferred Shares of the Selected Percentage Rate (as defined in section 3.10.1.1 of the articles of the Corporation relating to the Series R Preferred Shares) determined by the Board of Directors to be applicable for the next succeeding Fixed Dividend Rate Period (as defined in section 3.10.1.1 of the articles of the Corporation relating to the Series R Preferred Shares) and of the conversion right provided for herein; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of the Series Q Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

40

If the Corporation gives notice as provided in section 3.9.3 to the holders of the Series Q Preferred Shares of the redemption of all the Series Q Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.9.4.1 to the holders of the Series Q Preferred Shares of a Selected Percentage Rate (as defined in section 3.10.1.1 of the articles of the Corporation relating to the Series R Preferred Shares) for the Series R Preferred Shares or of the conversion right and the right of any holder of Series Q Preferred Shares to convert such Series Q Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series Q Preferred Shares shall not be entitled to convert their shares into Series R Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series R Preferred Shares, after taking into account all Series Q Preferred Shares tendered for conversion into Series R Preferred Shares and all Series R Preferred Shares tendered for conversion into Series Q Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.9.4.1, to all affected holders of Series Q Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series Q Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series Q Preferred Shares, new certificates representing the Series Q Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.9.4.2 Automatic Conversion

If following the close of business on the 14th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series Q Preferred Shares after taking into account all Series Q Preferred Shares tendered for conversion into Series R Preferred Shares and all Series R Preferred Shares tendered for conversion into Series Q Preferred Shares, then, all, but not part, of the remaining outstanding Series Q Preferred Shares shall automatically be converted into Series R Preferred Shares on the basis of one (1) Series R Preferred Share for each Series Q Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.9.4.1, to the holders of such remaining Series Q Preferred Shares at least seven (7) days prior to the Conversion Date.

3.9.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series Q Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series Q Preferred Shares are transferable accompanied by: i) payment or evidence of payment of the tax (if any) payable as provided in this section 3.9.4.3; and ii) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series Q Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series Q Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series Q Preferred Shares into Series R Preferred Shares on the applicable Conversion Date as provided for in section 3.9.4.2, the Series Q Preferred Shares, in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series R Preferred Shares and the holders thereof shall be deemed to be holders of Series R Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series Q Preferred Shares were transferable of the certificate or certificates representing Series Q Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series R Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.9.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series Q Preferred Shares so surrendered, a certificate or certificates issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series R Preferred Shares and the number of remaining Series Q Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series Q Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series R Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series R Preferred Shares at such time.

The holder of any Series Q Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into Series R Preferred Shares after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series R Preferred Shares upon the conversion of Series Q Preferred Shares shall be made without charge to the converting holders of Series Q Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series R Preferred Shares represented thereby; provided, however that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series R Preferred Shares are issued in respect of the issuance of such Series R Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in the name or names other than that of the holder of the Series Q Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.9.4.4 Status of Converted Series Q Preferred Shares

All Series Q Preferred Shares converted into Series R Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.9.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series Q Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series Q Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series Q Preferred Shares;
- (b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series Q Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series Q Preferred Shares);
- (c) the Corporation shall not purchase or otherwise retire less than all of the Series Q Preferred Shares then outstanding; or
- (d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series Q Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series Q Preferred Shares;

unless, in each such case, all cumulative dividends on outstanding Series Q Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of Series Q Preferred Shares required to be given pursuant to this section 3.9.5 may be given in accordance with the second paragraph of section 3.9.7 and section 3.9.10. Notwithstanding the provisions of section 3.9.10 hereof, any approval required to be given pursuant to this section 3.9.5 shall be required to be given only by the affirmative vote of the holders of the majority of the Series Q Preferred Shares present or represented at a meeting, or adjourned meeting, of the holders of Series Q Preferred Shares duly called for the purpose and at which a quorum is present.

3.9.6 Purchase for Cancellation

The Corporation may at any time purchase for cancellation the whole or any part of the Series Q Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable plus in each case all accrued and unpaid dividends and costs of purchase.

3.9.7 Voting Rights

If the Corporation fails to pay eight (8) dividends on the Series Q Preferred Shares, whether or not consecutive, the holders of the Series Q Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting to one (1) vote for each Series Q Preferred Share held, until all such arrears of dividends on the Series Q Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.9.7.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series Q Preferred Shares voting as a series or as part of a class, each Series Q Preferred Share shall entitle the holder thereof to one (1)

vote for such purpose.

3.9.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series Q Preferred Shares without the authorization of the holders of the Series Q Preferred Shares.

The provisions attaching to the Series Q Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.9.10.

None of the series provisions of the articles of the Corporation relating to the Series Q Preferred Shares shall be amended or otherwise changed unless, contemporaneously therewith, the series provisions, if any, relating to the Series R Preferred Shares are, to the extent deemed required by the Corporation, amended or otherwise changed in the same proportion and in the same manner.

3.9.10 Approval of Holders of Series Q Preferred Shares

Any approval given by the holders of the Series Q Preferred Shares shall be deemed to have been sufficiently given if it shall have been given by the holders of Series Q Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.9.11 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act* (Canada), under subsection 191.2(1) of the said Act, or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series Q Preferred Shares will be required to pay tax on dividends received on the Series Q Preferred Shares under section

187.2 of Part IV.1 of such Act or any successor or replacement provision of similar effect.

3.10.4.1 Conversion at the Option of the Holder

Holders of Series R Preferred Shares shall have the right, at their option, on December 1, 2005 and on December 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and provisions hereof, all or any Series R Preferred Shares registered in their name into Series Q Preferred Shares of the Corporation on the basis of one (1) Series Q Preferred Share for each Series R Preferred Share. The Corporation shall give notice in writing to the then holders of the Series R Preferred Shares of the Selected Percentage Rate determined by the Board of Directors to be applicable for the next succeeding Fixed Dividend Rate Period and of the conversion right provided for herein; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of the Series R Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

If the Corporation gives notice as provided in section 3.10.3 to the holders of the Series R Preferred Shares of the redemption of all the Series R Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.10.4.1 to the holders of the Series R Preferred Shares of a Selected Percentage Rate or of the conversion right and the right of any holder of Series R Preferred Shares to convert such Series R Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series R Preferred Shares shall not be entitled to convert their shares into Series Q Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series Q Preferred Shares after taking into account all Series R Preferred Shares tendered for conversion into Series Q Preferred Shares and all Series Q Preferred Shares tendered for conversion into Series R Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.10.4.1, to all affected holders of Series R Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series R Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series R Preferred Shares, new certificates representing the Series R Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.10.4.2 Automatic Conversion

If following the close of business on the 14th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series R Preferred Shares after taking into account all Series R Preferred Shares tendered for conversion into Series Q Preferred Shares and all Series Q Preferred Shares tendered for conversion into Series R Preferred Shares, then, all, but not part, of the remaining outstanding Series R Preferred Shares shall automatically be converted into Series Q Preferred Shares on the basis of one (1) Series Q Preferred Share for each Series R Preferred Share on

47

the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.10.4.1, to the holders of such remaining Series R Preferred Shares at least seven (7) days prior to the Conversion Date.

3.10.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series R Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series R Preferred Shares are transferable accompanied by: (1) payment or evidence of payment of the tax (if any) payable as provided in this section 3.10.4.3; and (2) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series R Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series R Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series R Preferred Shares into Series Q Preferred Shares on the applicable Conversion Date as provided for in section 3.10.4.2, the Series R Preferred Shares in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series Q Preferred Shares and the holders thereof shall be deemed to be holders of Series Q Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series R Preferred Shares were transferable of the certificate or certificates representing Series R Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series Q Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.10.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series R Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series Q Preferred Shares and the number of remaining Series R Preferred Shares, if any, to which such holder is entitled. Such

conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series R Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series Q Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series Q Preferred Shares at such time.

The holder of any Series R Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into Series Q Preferred Shares after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series Q Preferred Shares upon the conversion of Series R Preferred Shares shall be made without charge to the converting holders of Series R Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series Q Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series Q Preferred Shares are issued in respect of the issuance of such Series Q Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in the name or names other than that of the holder of the Series R Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.10.4.4 Status of Converted Series R Preferred Shares

All Series R Preferred Shares converted into Series Q Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at

the close of business on the Conversion Date.

3.10.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series R Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series R Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series R Preferred Shares;
- (b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series R Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series R Preferred Shares);

unless, in each such case, all cumulative dividends on outstanding Series R Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of the Series R Preferred Shares required to be given pursuant to this section 3.10.5 may be given in accordance with the second paragraph of section 3.10.7 and section 3.10.10. Notwithstanding the provisions of section 3.10.10 hereof, any approval required to be given pursuant to this section 3.10.5 shall be required to be given only by the

The Corporation may at any time purchase for cancellation the whole or any part of the Series R Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable plus in each case all accrued and unpaid dividends and costs of purchase.

3.10.7 Voting Rights

If the Corporation fails to pay eight (8) dividends on the Series R Preferred Shares, whether or not consecutive, the holders of the Series R Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one (1) vote for each Series R Preferred Shares held, until all such arrears of dividends on the Series R Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.10.7.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series R Preferred Shares voting as a series or as part of a class, each Series R Preferred Share shall entitle the holder thereof to one (1) vote for such purpose.

3.10.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series R Preferred Shares without the authorization of the holders of the Series R Preferred Shares.

The provisions attaching to the Series R Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.10.10.

None of the series provisions of the articles of the Corporation relating to the Series R Preferred Shares shall be amended or otherwise changed unless, contemporaneously therewith, the series provisions, if any, relating to the Series Q Preferred Shares are, to the extent deemed required by the Corporation, amended or otherwise changed in the same proportion and in the same manner.

3.10.10 Approval of Holders of Series R Preferred Shares

3.10.11 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act* (Canada), under subsection 191.2(1) of the said Act, or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series R Preferred Shares will be required to pay tax on dividends received on the Series R Preferred Shares under section 187.2 of Part IV.I of such Act or any successor or replacement provision of similar effect.

If the Corporation gives notice as provided in section 3.11.3 to the holders of the Series S Preferred Shares of the redemption of all the Series S Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.11.4.1 to the holders of the Series S Preferred Shares of a Selected Percentage Rate (as defined in section 3.12.1.1 of the articles of the Corporation relating to the Series T Preferred Shares) for the Series T Preferred Shares or of the conversion right and the right of any holder of Series S Preferred Shares to convert such Series S Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series S Preferred Shares shall not be entitled to convert their shares into Series T Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series T Preferred Shares, after taking into account all Series S Preferred Shares tendered for conversion into Series T Preferred Shares and all Series T Preferred Shares tendered for conversion into Series S Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.11.4.1, to all affected holders of Series S Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series S Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series S Preferred Shares, new certificates representing the Series S Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.11.4.2 Automatic Conversion

If following the close of business on the 14th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series S Preferred Shares after taking into account all Series S Preferred Shares tendered for conversion into Series T Preferred Shares and all Series T Preferred Shares tendered for conversion into Series S Preferred Shares, then, all, but not part, of the remaining outstanding Series S Preferred Shares shall automatically be converted into Series T Preferred Shares on the basis of one (1) Series T Preferred Share for each Series S Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.11.4.1, to the holders of such remaining Series S Preferred Shares at least seven (7) days prior to the Conversion Date.

3.11.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series S Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series S Preferred Shares are transferable accompanied by: i) payment or evidence of payment of the tax (if any) payable as provided in this section 3.11.4.3; and ii) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized

56

in writing, in which instrument such holder may also elect to convert part only of the Series S Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series S Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series S Preferred Shares into Series T Preferred Shares on the applicable Conversion Date as provided for in section 3.11.4.2, the Series S Preferred Shares, in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series T Preferred Shares and the holders thereof shall be deemed to be holders of Series T Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series S Preferred Shares were transferable of the certificate or certificates representing Series S Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series T Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.11.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series S Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series T Preferred Shares and the number of remaining Series S Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series S Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series T Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series T Preferred Shares at such time.

The holder of any Series S Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series T Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series T Preferred Shares upon the conversion of Series S Preferred Shares shall be made without charge to the converting holders of Series S Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series T Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series T Preferred Shares are issued in respect of the issuance of such Series T Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series S Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.11.4.4 Status of Converted Series S Preferred Shares

All Series S Preferred Shares converted into Series T Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.11.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series S Preferred Shares:

(a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series S Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series S Preferred Shares;

(b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior

57

to the Series S Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series S Preferred Shares);

(c) the Corporation shall not purchase or otherwise retire less than all of the Series S Preferred Shares then outstanding; or

(d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series S Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series S Preferred Shares;

unless, in each such case, all cumulative dividends on outstanding Series S Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of Series S Preferred Shares required to be given pursuant to this section 3.11.5 may be given in accordance with the second paragraph of section 3.11.7 and section 3.11.10. Notwithstanding the provisions of section 3.11.10 hereof, any approval required to be given pursuant to this section 3.11.5 shall be required to be given only by the affirmative vote of the holders of the majority of the Series S Preferred Shares present or represented at a meeting, or adjourned meeting, of the holders of Series S Preferred Shares duly called for the purpose and at which a quorum is present.

3.11.6 Purchase for Cancellation

The Corporation may at any time purchase for cancellation the whole or any part of the Series S Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

3.11.7 Voting Rights

If the Corporation fails to pay eight (8) dividends on the Series S Preferred Shares, whether or not consecutive, the holders of the Series S Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one (1) vote for each Series S Preferred Share held, until all such arrears of dividends on the Series S Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.11.7.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series S Preferred Shares voting as a series or as part of a class, each Series S Preferred Share shall entitle the holder thereof to one (1) vote for such purpose.

3.11.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series S Preferred Shares without the authorization of the holders of the Series S Preferred Shares.

3.11.9 Modifications

The provisions attaching to the Series S Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.11.10.

None of the series provisions of the articles of the Corporation relating to the Series S Preferred Shares shall be amended or otherwise changed unless, contemporaneously therewith, the series

58

provisions, if any, relating to the Series T Preferred Shares are, to the extent deemed required by the Corporation, amended or otherwise changed in the same proportion and in the same manner.

3.11.10 Approval of Holders of Series S Preferred Shares

Any approval given by the holders of the Series S Preferred Shares shall be deemed to have been sufficiently given if it shall have been given by the holders of Series S Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.11.11 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act* (Canada), under subsection 191.2(1) of the said Act, or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series S Preferred Shares will be required to pay tax on dividends received on the Series S Preferred Shares under section 187.2 of Part IV.I of such Act or any successor or replacement provision of similar effect.

3.11.12 Mail Service Interruption

If the Corporation determines that mail service is, or is threatened to be, interrupted at the time when the Corporation is required or elects to give any notice hereunder by mail, or is required to send any cheque or any share certificate to the holder of any Series S Preferred Shares, whether in connection with the redemption or conversion of such share or otherwise, the Corporation may, notwithstanding the provisions hereof:

(a) give such notice by telex, telecopier or telegraph communication or by means of publication once in each of two successive weeks in a newspaper of general circulation published or distributed in Montréal and Toronto and such notice shall be deemed to have been given on the date on which such telex, telecopier or telegraph communication was given or on the date on which the first publication has taken place; and

(b) fulfill the requirement to send such cheque or such share certificate by arranging for delivery thereof to the principal office of the Corporation in Montréal, and such cheque and/or certificate shall be deemed to have been sent on the date on which notice of such arrangement shall have been given as provided in (a) above, provided that as soon as the Corporation determines that mail service is no longer interrupted or threatened to be interrupted such cheque or share certificate, if not theretofore delivered to such holder, shall be sent by ordinary unregistered first class prepaid mail to the registered address of each person who at the date of

mailing is a registered holder and who is entitled to receive such cheque or share certificate, or in the event of the address of any such holder not appearing on the securities register of the Corporation, then at the last address of such holder known to the Corporation.

3.11.13 Notice of Annual Dividend Rate Applicable to the Series T Preferred Shares

Within three (3) business days of the determination of the Annual Dividend Rate (as defined in section 3.12.1.1 of the articles of the Corporation relating to the Series T Preferred Shares) the Corporation shall give notice thereof to the holders of the Series S Preferred Shares by publication once in the national edition of the Globe and Mail in the English language and once in the City of Montréal in both the French and English languages in a daily newspaper of general circulation in Montréal; provided that if any such newspaper is not being generally circulated at that time, such notice shall be published in another equivalent publication.

In the event that any date on which any dividend on the Series S Preferred Shares is payable by the Corporation, or any date on or by which any other action is required to be taken by the Corporation or the holders of Series S Preferred Shares hereunder, is not a business day (as hereinafter defined), then such dividend shall be payable, or such other action shall be required to be taken, on or by the next succeeding day that is a business day. A business day shall be a day other than a Saturday, a Sunday or any other day that is treated as a holiday at the Corporation's principal office in Canada.

Edgar Filing: BCE INC - Form 6-K

- (a) **Annual Dividend Rate** means for any Fixed Dividend Rate Period the rate of interest expressed as a percentage per annum (rounded to the nearest one-thousandth (1/1000) of one percent (1%)) which is equal to the Government of Canada Yield multiplied by the Selected Percentage Rate for such Fixed Dividend Rate Period;

2.12.1.2 General

The holders of the Series T Preferred Shares shall be entitled to receive fixed, cumulative, preferred cash dividends, as and when declared by the Board of Directors, out of moneys of the Corporation properly applicable to the payment of dividends, in the amount per share per annum determined by multiplying the Annual Dividend Rate by \$25.00, payable quarterly in respect of each 12 month period on the first day of February, May, August and November by cheque at par in lawful money of Canada at any branch in Canada of the Corporation's bankers.

Dividends declared on the Series T Preferred Shares shall (except in case of redemption in which case payment of dividends shall be made on surrender of the certificate representing the Series T Preferred Shares to be redeemed) be paid by posting in a postage paid envelope addressed to each holder of the Series T Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation, or, in the case of joint holders, to the address of that one whose name appears first in the securities register of the Corporation as one of such joint holders, a cheque for such dividends (less any tax required to be deducted) payable to the order of such holder or, in the case of joint holders, to the order of all such holders failing written instructions from them to the contrary. Notwithstanding the foregoing, any dividend cheque may be delivered by the Corporation to a holder of Series T Preferred Shares at his address as aforesaid. The posting or delivery of such cheque shall be deemed to be payment and shall satisfy and discharge all liabilities for the payment of such dividends to the extent of the sum represented thereby (plus the amount of any tax required to be deducted as aforesaid) unless such cheque is not paid on due presentation.

3.12.1.3 Calculation of Annual Dividend Rate

The Corporation shall calculate on the 21st day prior to the first day of each Fixed Dividend Rate Period the Annual Dividend Rate for each Fixed Dividend Rate Period based upon the Selected Percentage Rate and the Government of Canada Yield in effect at 10:00 A.M. any such newspaper is not being generally circulated at that time, such notice shall be published in another equivalent publication.

3.12.2 Rights on Liquidation

In the event of the liquidation, dissolution or winding up of the Corporation or any other distribution of assets of the Corporation for the purpose of winding up its affairs, the holders of the Series T Preferred Shares shall be entitled to receive \$25.00 per Series T Preferred Share together with all dividends accrued and unpaid up to but excluding the date of payment or distribution, before any amounts shall be paid or any assets of the Corporation distributed to the holders of the Common Shares of the Corporation or any other shares ranking junior to the Series T Preferred Shares. Upon payment of such amounts, the holders of the Series T Preferred Shares shall not be entitled to share in any further distribution of the property or assets of the Corporation.

3.12.3 Redemption at the Option of the Corporation

The Corporation may not redeem any of the Series T Preferred Shares prior to November 1, 2006. Subject to applicable law and section 3.12.5 hereof, upon giving notice as hereinafter provided, the Corporation may, on November 1, 2006 or on November 1 in every fifth year thereafter, redeem at any time all, but not less than all, the outstanding Series T Preferred Shares on payment of \$25.00 for each such share to be redeemed together with accrued and unpaid dividends up to but excluding the date fixed for redemption, the

61

whole constituting the redemption price.

The Corporation shall give notice in writing not less than 45 days nor more than 60 days prior to the date on which the redemption is to take place to each person who at the date of giving such notice is the holder of Series T Preferred Shares to be redeemed of the intention of the Corporation to redeem such shares; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of Series T Preferred Shares to be redeemed at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation, provided that the accidental failure or omission to give any such notices as aforesaid to one or more of such holders shall not affect the validity of the redemption as to the other holders of the Series T Preferred Shares to be redeemed. Such notice shall set out the number of such Series T Preferred Shares held by the person to whom it is addressed which are to be redeemed and the redemption price and shall also set out the date on which the redemption is to take place, and on and after the date so specified for redemption the Corporation shall pay or cause to be paid to the holders of such Series T Preferred Shares to be redeemed the redemption price on presentation and surrender at any place within Canada designated by such notice, of the certificate or certificates for such Series T Preferred Shares so called for redemption; such payment shall be made by cheque payable at par at any branch in Canada of the Corporation's bankers; from and after the date specified in any such notice, the Series T Preferred Shares called for redemption shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the redemption price shall not be duly made by the Corporation; at any time after notice of redemption is given as aforesaid, the Corporation shall have the right to deposit the redemption price of any or all Series T Preferred Shares called for redemption with any chartered bank or banks or with any trust company or trust companies in Canada named in the notice of redemption to the credit of a special account or accounts in trust for the respective holders of such shares, to be paid to them respectively upon surrender to such bank or banks or trust company or trust companies of the certificate or certificates representing the same, and upon such deposit or deposits being made, such shares shall be redeemed on the redemption date specified in the notice of redemption; after the Corporation has made a deposit as aforesaid with respect to any shares, the holders thereof shall not, from and after the redemption date, be entitled to exercise any of the rights of shareholders in respect thereof and the rights of the holders thereof shall be limited to receiving the proportion of the amounts so deposited applicable to such shares, without interest; any interest allowed on such deposit shall belong to the Corporation.

3.12.4 Conversion of Series T Preferred Shares

3.12.4.1 Conversion at the Option of the Holder

Holders of Series T Preferred Shares shall have the right, at their option, on November 1, 2006 and on November 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and provisions hereof, all or any Series T Preferred

Shares registered in their name into Series S Preferred Shares of the Corporation on the basis of one (1) Series S Preferred Share for each Series T Preferred Share. The Corporation shall give notice in writing to the then holders of the Series T Preferred Shares of the Selected Percentage Rate determined by the Board of Directors to be applicable for the next succeeding Fixed Dividend Rate Period and of the conversion right provided for herein; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of the Series T Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

If the Corporation gives notice as provided in section 3.12.3 to the holders of the Series T Preferred Shares of the redemption of all the Series T Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.12.4.1 to the holders of the Series T Preferred Shares of a Selected Percentage Rate or of the conversion right and the right of any holder of Series T Preferred Shares to convert such Series T Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series T Preferred Shares shall not be entitled to convert their shares into Series S Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series S

Preferred Shares after taking into account all Series T Preferred Shares tendered for conversion into Series S Preferred Shares and all Series S Preferred Shares tendered for conversion into Series T Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.12.4.1, to all affected holders of Series T Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series T Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series T Preferred Shares, new certificates representing the Series T Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.12.4.2 Automatic Conversion

If following the close of business on the 14th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series T Preferred Shares after taking into account all Series T Preferred Shares tendered for conversion into Series S Preferred Shares and all Series S Preferred Shares tendered for conversion into Series T Preferred Shares, then, all, but not part, of the remaining outstanding Series T Preferred Shares shall automatically be converted into Series S Preferred Shares on the basis of one (1) Series S Preferred Share for each Series T Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.12.4.1, to the holders of such remaining Series T Preferred Shares at least seven (7) days prior to the Conversion Date.

3.12.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series T Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series T Preferred Shares are transferable accompanied by: (1) payment or evidence of payment of the tax (if any) payable as provided in this section 3.12.4.3; and (2) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series T Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series T Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series T Preferred Shares into Series S Preferred Shares on the applicable Conversion Date as provided for in section 3.12.4.2, the Series T Preferred Shares in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series S Preferred

Shares and the holders thereof shall be deemed to be holders of Series S Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series T Preferred Shares were transferable of the certificate or certificates representing Series T Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series S Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.12.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series T Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series S Preferred Shares and the number of remaining Series T Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series T Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series S Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series S Preferred Shares at such time.

The holder of any Series T Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series

S Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series S Preferred Shares upon the conversion of Series T Preferred Shares shall be made without charge to the converting holders of Series T Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series S Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series S Preferred Shares are issued in respect of the issuance of such Series S Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series T Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.12.4.4 Status of Converted Series T Preferred Shares

All Series T Preferred Shares converted into Series S Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.12.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series T Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series T Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series T Preferred Shares;
- (b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series T Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series T Preferred Shares);
- (c) the Corporation shall not purchase or otherwise retire less than all of the Series T Preferred Shares then outstanding; or

(d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series T Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series T Preferred Shares;

unless, in each such case, all cumulative dividends on outstanding Series T Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of the Series T Preferred Shares required to be given pursuant to this section 3.12.5 may be given in accordance with the second paragraph of section 3.12.7 and section 3.12.10. Notwithstanding the provisions of section 3.12.10 hereof, any approval required to be given pursuant to this section 3.12.5 shall be required to be given only by the affirmative vote of the holders of the majority of the Series T Preferred Shares present or represented at a meeting or adjourned meeting, of the holders of Series T Preferred Shares duly called for the purpose and at which a quorum is present.

3.12.6 Purchase for Cancellation

The Corporation may at any time purchase for cancellation the whole or any part of the Series T Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the

64

lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

3.12.7 Voting Rights

If the Corporation fails to pay eight (8) dividends on the Series T Preferred Shares, whether or not consecutive, the holders of the Series T Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one (1) vote for each Series T Preferred Share held, until all such arrears of dividends on the Series T Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.12.7.

The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.13.4.1, to all affected holders of Series U Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series U Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series U Preferred Shares, new certificates representing the Series U Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.13.4.2 Automatic Conversion

If following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series U Preferred Shares after taking into account all Series U Preferred Shares tendered for conversion into Series V Preferred Shares and all Series V Preferred Shares tendered for conversion into Series U Preferred Shares, then, all, but not part, of the remaining outstanding Series U Preferred Shares shall automatically be converted into Series V Preferred Shares on the basis of one (1) Series V Preferred Share for each Series U Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.13.4.1, to the holders of such remaining Series U Preferred Shares at least seven (7) days prior to the Conversion Date.

3.13.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series U Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series U Preferred Shares are transferable accompanied by: i) payment or evidence of payment of the tax (if any) payable as provided in this section 3.13.4.3; and ii) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series U Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series U

Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series U Preferred Shares into Series V Preferred Shares on the applicable Conversion Date as provided for in section 3.13.4.2, the Series U Preferred Shares, in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series V Preferred Shares and the holders thereof shall be deemed to be holders of Series V Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series U Preferred Shares were transferable of the certificate or certificates representing Series U Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series V Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.13.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series U Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series V Preferred Shares and the number of remaining Series U Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series U Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series V Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series V Preferred Shares at such time.

The holder of any Series U Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series V Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series V Preferred Shares upon the conversion of Series U Preferred Shares shall be made without charge to the converting holders of Series U Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series V Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series V Preferred Shares are issued in respect of the issuance of such Series V Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series U Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.13.4.4 Status of Converted Series U Preferred Shares

All Series U Preferred Shares converted into Series V Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.13.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series U Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series U Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series U Preferred Shares;
- (b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series U Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series U Preferred Shares);

(c) the Corporation shall not purchase or otherwise retire less than all of the Series U Preferred Shares then outstanding; or

75

(d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series U Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series U Preferred Shares;

unless, in each such case, all cumulative dividends on outstanding Series U Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of Series U Preferred Shares required to be given pursuant to this section 3.13.5 may be given in accordance with the second paragraph of section 3.13.7 and section 3.13.10. Notwithstanding the provisions of section 3.13.10 hereof, any approval required to be given pursuant to this section 3.13.5 shall be required to be given only by the affirmative vote of the holders of the majority of the Series U Preferred Shares present or represented at a meeting, or adjourned meeting, of the holders of Series U Preferred Shares duly called for the purpose and at which a quorum is present.

3.13.6 Purchase for Cancellation

The Corporation may at any time purchase for cancellation the whole or any part of the Series U Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

3.13.7 Voting Rights

If the Corporation fails to pay eight (8) dividends on the Series U Preferred Shares, whether or not consecutive, the holders of the Series U Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one (1) vote for each Series U Preferred Share held, until all such arrears of dividends on the Series U Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.13.7.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series U Preferred Shares voting as a series or as part of a class, each Series U Preferred Share shall entitle the holder thereof to one (1) vote for such purpose.

3.13.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series U Preferred Shares without the authorization of the holders of the Series U Preferred Shares.

3.13.9 Modifications

The provisions attaching to the Series U Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.13.10.

None of the series provisions of the articles of the Corporation relating to the Series U Preferred Shares shall be amended or otherwise changed unless, contemporaneously therewith, the series provisions, if any, relating to the Series V Preferred Shares are, to the extent deemed required by the Corporation, amended or otherwise changed in the same proportion and in the same manner.

3.13.10 Approval of Holders of Series U Preferred Shares

Any approval given by the holders of the Series U Preferred Shares shall be deemed to have

76

been sufficiently given if it shall have been given by the holders of Series U Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.13.11 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act* (Canada), under subsection 191.2(1) of the said Act, or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series U Preferred Shares will be required to pay tax on dividends received on the Series U Preferred Shares under section 187.2 of Part IV.1 of such Act or any successor or replacement provision of similar effect.

3.13.12 Mail Service Interruption

If the Corporation determines that mail service is, or is threatened to be, interrupted at the time when the Corporation is required or elects to give any notice hereunder by mail, or is required to send any cheque or any share certificate to the holder of any Series U Preferred Shares, whether in connection with the redemption or conversion of such share or otherwise, the Corporation may, notwithstanding the provisions hereof:

(a) give such notice by telex, telecopier or telegraph communication or by means of publication once in each of two successive weeks in a newspaper of general circulation published or distributed in Montréal and Toronto and such notice shall be deemed to have been given on the date on which such telex, telecopier or telegraph communication was given or on the date on which the first publication has taken place; and

(b) fulfill the requirement to send such cheque or such share certificate by arranging for delivery thereof to the principal office of the Corporation in Montréal, and such cheque and/or certificate shall be deemed to have been sent on the date on which notice of such arrangement shall have been given as provided in (a) above, provided that as soon as the Corporation determines that mail service is no longer interrupted or threatened to be interrupted such cheque or share certificate, if not theretofore delivered to such holder, shall be sent by ordinary unregistered first class prepaid mail to the registered address of each person who at the date of mailing is a registered holder and who is entitled to receive such cheque or share certificate, or in the event of the address of any such holder not appearing on the securities register of the Corporation, then at the last address of such holder known to the Corporation.

3.13.13 Notice of Annual Dividend Rate Applicable to the Series V Preferred Shares

Within three (3) business days of the determination of the Annual Dividend Rate (as defined in section 3.14.1.1 of the articles of the Corporation relating to the Series V Preferred Shares) the Corporation shall give notice thereof to the holders of the Series U Preferred Shares by publication once in the national edition of the *Globe and Mail* in the English language and once in the *City of Montréal* in both the French and English languages in a daily newspaper of general circulation in Montréal; provided that if any such newspaper is not being generally circulated at that time, such notice shall be published in another equivalent publication.

3.13.14 Listing of Series U Preferred Shares

Upon receipt of a Qualifying Listing Request, the Corporation shall use its reasonable best efforts to obtain within 120 days thereafter a conditional listing for the Series U Preferred Shares on the Exchange and thereafter, should such listing be obtained, to maintain a listing for so long as in the aggregate there are at least 1,000,000 Series U Preferred Shares and/or Series V Preferred Shares outstanding. For greater certainty, however, the Corporation shall not be in breach of its obligations hereunder if the Requesting Holders of such Qualifying Listing Request do not sell such number of Series U Preferred Shares to such number of holders so as to meet the then listing requirements of the Exchange. The Corporation shall pay all fees and costs incidental to

obtaining and maintaining such listing.

Dividends declared on the Series V Preferred Shares shall (except in case of redemption in which case payment of dividends shall be made on surrender of the certificate representing the Series V Preferred Shares to be redeemed) be paid by posting in a postage paid envelope addressed to each holder of the Series V Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation, or, in the case of joint holders, to the address of that one whose name appears first in the securities register of the Corporation as one of such joint holders, a cheque for such dividends (less any tax required to be deducted) payable to the order of such holder or, in the case of joint holders, to the order of all such holders failing written instructions from them to the contrary. Notwithstanding the foregoing, any dividend cheque may be delivered by the Corporation to a holder of Series V Preferred Shares at his address as aforesaid. The posting or delivery of such cheque shall be deemed to be payment and shall satisfy and discharge all liabilities for the payment of such dividends to the extent of the sum represented thereby (plus the amount of any tax required to be deducted as aforesaid) unless such cheque is not paid on due presentation.

3.14.1.3 Calculation of Annual Dividend Rate

The Corporation shall calculate on the 21st day prior to the first day of each Fixed Dividend Rate Period the Annual Dividend Rate for each Fixed Dividend Rate Period based upon the Selected Percentage Rate and the Government of Canada Yield in effect at 10:00 A.M. (Montréal time) on the said 21st day prior to the first day of each Fixed Dividend Rate Period and give notice thereof: (i) within one (1) business day to all stock exchanges in Canada on which the Series V Preferred Shares are listed for trading or if the Series V Preferred Shares are not listed on a stock exchange in Canada, to the Investment Dealers Association of Canada; and (ii) within three (3) business days to, except in relation to the initial Fixed Dividend Rate Period, the holders of the Series V Preferred Shares by publication once in the national edition of the *Globe and Mail* in the English language and once in the *City of Montréal* in both the French and English languages in a daily newspaper of general circulation in Montréal; provided that if any such newspaper is not being generally circulated at that time such notice shall be published in another equivalent publication.

3.14.2 Rights on Liquidation

In the event of the liquidation, dissolution or winding up of the Corporation or any other distribution of assets of the Corporation for the purpose of winding up its affairs, the holders of the Series V Preferred Shares shall be entitled to receive \$25.00 per Series V Preferred Share together with all dividends accrued and unpaid up to but excluding the date of payment or distribution, before any amounts shall be paid or any assets of the Corporation distributed to the holders of the Common Shares of the Corporation or any other shares ranking junior to the Series V Preferred Shares. Upon payment of such amounts, the holders of the Series V Preferred Shares shall not be entitled to share in any further distribution of the property or assets of the Corporation.

3.14.3 Redemption at the Option of the Corporation

The Corporation may not redeem any of the Series V Preferred Shares prior to March 1, 2012. Subject to applicable law and section 3.14.5 hereof, upon giving notice as hereinafter provided, the Corporation may, on March 1, 2012 or on March 1 in every fifth year thereafter, redeem at any time all, but not less than all, the outstanding Series V Preferred Shares on payment of \$25.00 for each such share to be redeemed together with accrued and unpaid dividends up to but excluding the date fixed for redemption, the whole constituting the redemption price.

The Corporation shall give notice in writing not less than 45 days nor more than 60 days prior

to the date on which the redemption is to take place to each person who at the date of giving such notice is the holder of Series V Preferred Shares to be redeemed of the intention of the Corporation to redeem such shares; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of Series V Preferred Shares to be redeemed at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation, provided that the accidental failure or omission to give any such notices as aforesaid to one or more of such holders shall not affect the validity of the redemption as to the other holders of the Series V Preferred Shares to be redeemed. Such notice shall set out the number of such Series V Preferred Shares held by the person to whom it is addressed which are to be redeemed and the redemption price and shall also set out the date on which the redemption is to take place, and on and after the date so specified for redemption the Corporation shall pay or cause to be paid to the holders of such Series V Preferred Shares to be redeemed the redemption price on presentation and surrender at any place within Canada designated by such notice, of the certificate or certificates for such Series V Preferred Shares so called for redemption; such payment shall be made by cheque payable at par at any branch in Canada of the Corporation's bankers; from and after the date specified in any such notice, the Series V Preferred Shares called for redemption shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the redemption price shall not be duly made by the Corporation; at any time after notice of redemption is given as aforesaid, the Corporation shall have the right to deposit the redemption price of any or all Series V Preferred Shares called for redemption with any chartered bank or banks or with any trust company or trust companies in Canada named in the notice of redemption to the credit of a special account or accounts in trust for the respective holders of such shares, to be paid to them respectively upon surrender to such bank or banks or trust company or trust companies of the certificate or certificates representing the same, and upon such deposit or deposits being made, such shares shall be redeemed on the redemption date specified in the notice of redemption; after the Corporation has made a deposit as aforesaid with respect to any shares, the holders thereof shall not, from and after the redemption date, be entitled to exercise any of the rights of shareholders in respect thereof and the rights of the holders thereof shall be limited to receiving the proportion of the amounts so deposited applicable to such shares, without interest; any interest allowed on such deposit shall belong to the Corporation.

3.14.4 Conversion of Series V Preferred Shares

3.14.4.1 Conversion at the Option of the Holder

Holders of Series V Preferred Shares shall have the right, at their option, on March 1, 2012 and on March 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and provisions hereof, all or any Series V Preferred Shares registered in their name into Series U Preferred Shares of the Corporation on the basis of one (1) Series U Preferred Share for each Series V Preferred Share. The Corporation shall give notice in writing to the then holders of the Series V Preferred Shares of the Selected Percentage Rate determined by the Board of Directors to be applicable for the next succeeding Fixed Dividend Rate Period and of the conversion right provided for herein; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of the Series V Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

If the Corporation gives notice as provided in section 3.14.3 to the holders of the Series V Preferred Shares of the redemption of all the Series V Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.14.4.1 to the holders of the Series V Preferred Shares of a Selected Percentage Rate or of the conversion right and the right of any holder of Series V Preferred Shares to convert such Series V Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series V Preferred Shares shall not be entitled to convert their shares into Series U Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series U Preferred Shares after taking into account all Series V Preferred Shares tendered for conversion into Series U Preferred Shares and all Series U Preferred Shares tendered for conversion into Series V Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this

section 3.14.4.1, to all affected holders of Series V Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series V Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series V Preferred Shares, new certificates representing the Series V Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.14.4.2 Automatic Conversion

If following the close of business on the 14th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series V Preferred Shares after taking into account all Series V Preferred Shares tendered for conversion into Series U Preferred Shares and all Series U Preferred Shares tendered for conversion into Series V Preferred Shares, then, all, but not part, of the remaining outstanding Series V Preferred Shares shall automatically be converted into Series U Preferred Shares on the basis of one (1) Series U Preferred Share for each Series V Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.14.4.1, to the holders of such remaining Series V Preferred Shares at least seven (7) days prior to the Conversion Date.

3.14.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series V Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series V Preferred Shares are transferable accompanied by: (1) payment or evidence of payment of the tax (if any) payable as provided in this section 3.14.3; and (2) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series V Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series V Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series V Preferred Shares into Series U Preferred Shares on the applicable Conversion Date as provided for in section 3.14.4.2, the Series V Preferred Shares in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series U Preferred Shares and the holders thereof shall be deemed to be holders of Series U Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series V Preferred Shares were transferable of the certificate or certificates representing Series V Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series U Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.14.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series V Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series U Preferred Shares and the number of remaining Series V Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series V Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series U Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series U Preferred Shares at such time.

The holder of any Series V Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series U Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series U Preferred Shares upon the conversion of Series V

Preferred Shares shall be made without charge to the converting holders of Series V Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series U Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series U Preferred Shares are issued in respect of the issuance of such Series U Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series V Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.14.4.4 Status of Converted Series V Preferred Shares

All Series V Preferred Shares converted into Series U Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.14.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series V Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series V Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series V Preferred Shares;

3.15.4 Conversion of Series W Preferred Shares

3.15.4.1 Conversion at the Option of the Holder

Holders of Series W Preferred Shares shall have the right, at their option, on September 1, 2007 and on September 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and conditions hereof, all or any Series W Preferred Shares registered in their name into Series X Preferred Shares of the Corporation on the basis of one (1) Series X Preferred Share for each Series W Preferred Share. The Corporation shall give notice in writing to the then holders of the Series W Preferred Shares of the Selected Percentage Rate (as defined in section 3.16.1.1 of the articles of the Corporation relating to the Series X Preferred Shares) determined by the Board of Directors to be applicable for the next succeeding Fixed Dividend Rate Period (as defined in section 3.16.1.1 of the articles of the Corporation relating to the Series X Preferred Shares) and of the conversion right provided for herein; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of the Series W Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

If the Corporation gives notice as provided in section 3.15.3 to the holders of the Series W Preferred Shares of the redemption of all the Series W Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.15.4.1 to the holders of the Series W Preferred Shares of a Selected Percentage Rate (as defined in section 3.16.1.1 of the articles of the Corporation relating to the Series X Preferred Shares) for the Series X Preferred Shares or of the conversion right and the right of

any holder of Series W Preferred Shares to convert such Series W Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series W Preferred Shares shall not be entitled to convert their shares into Series X Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series X Preferred Shares, after taking into account all Series W Preferred Shares tendered for conversion into Series X Preferred Shares and all Series X Preferred Shares tendered for conversion into Series W Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.15.4.1, to all affected holders of Series W Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series W Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series W Preferred Shares, new certificates representing the Series W Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.15.4.2 Automatic Conversion

If following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series W Preferred Shares after taking into account all Series W Preferred Shares tendered for conversion into Series X Preferred Shares and all Series X Preferred Shares tendered for conversion into Series W Preferred Shares, then, all, but not part, of the remaining outstanding Series W Preferred Shares shall automatically be converted into Series X Preferred Shares on the basis of one (1) Series X Preferred Share for each Series W Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.15.4.1, to the holders of such remaining Series W Preferred Shares at least seven (7) days prior to the Conversion Date.

3.15.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series W Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series W Preferred Shares are transferable accompanied by: i) payment or evidence of payment of the tax (if any) payable as provided in this section 3.15.4.3; and ii) a written instrument

of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series W Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series W Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series W Preferred Shares into Series X Preferred Shares on the applicable Conversion Date as provided for in section 3.15.4.2, the Series W Preferred Shares, in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series X Preferred Shares and the holders thereof shall be deemed to be holders of Series X Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series W Preferred Shares were transferable of the certificate or certificates representing Series W Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series X Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.15.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series W Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series X Preferred Shares and the number of remaining Series W Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of

such Series W Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series X Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series X Preferred Shares at such time.

The holder of any Series W Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series X Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series X Preferred Shares upon the conversion of Series W Preferred Shares shall be made without charge to the converting holders of Series W Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series X Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series X Preferred Shares are issued in respect of the issuance of such Series X Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series W Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.15.4.4 Status of Converted Series W Preferred Shares

All Series W Preferred Shares converted into Series X Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.15.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series W Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series W Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series W Preferred Shares;
- (b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution

on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series W Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series W Preferred Shares);

- (c) the Corporation shall not purchase or otherwise retire less than all of the Series W Preferred Shares then outstanding; or
- (d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series W Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series W Preferred Shares;

unless, in each such case, all cumulative dividends on outstanding Series W Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of Series W Preferred Shares required to be given pursuant to this section 3.15.5 may be given in accordance with the second paragraph of section 3.15.7 and section 3.15.10. Notwithstanding the provisions of section 3.15.10 hereof, any approval required to be given pursuant to this section 3.15.5 shall be required to be given only by the affirmative vote of the holders of the majority of the Series W Preferred Shares present or represented at a meeting, or adjourned meeting, of the holders of Series W Preferred Shares duly called for the purpose and at which a quorum is present.

3.15.6 Purchase for Cancellation

The Corporation may at any time purchase for cancellation the whole or any part of the Series W Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

3.15.7 Voting Rights

If the Corporation fails to pay eight (8) dividends on the Series W Preferred Shares, whether or not consecutive, the holders of the Series W Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one (1) vote for each Series W Preferred Share held, until all such arrears of dividends on the Series W Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.15.7.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series W Preferred Shares voting as a series or as part of a class, each Series W Preferred Share shall entitle the holder thereof to one (1) vote for such purpose.

3.15.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series W Preferred Shares without the authorization of the holders of the Series W Preferred Shares.

3.15.9 Modifications

The provisions attaching to the Series W Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.15.10.

None of the series provisions of the articles of the Corporation relating to the Series W

Preferred Shares shall be amended or otherwise changed unless, contemporaneously therewith, the series provisions, if any, relating to the Series X Preferred Shares are, to the extent deemed required by the Corporation, amended or otherwise changed in the same proportion and in the same manner.

3.15.10 Approval of Holders of Series W Preferred Shares

Any approval given by the holders of the Series W Preferred Shares shall be deemed to have been sufficiently given if it shall have been given by the holders of Series W Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.15.11 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act (Canada)*, under subsection 191.2(1) of the said Act, or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series W Preferred Shares will be required to pay tax on dividends received on the Series W Preferred Shares under section 187.2 of Part IV.1 of such Act or any successor or replacement provision of similar effect.

3.15.12 Mail Service Interruption

If the Corporation determines that mail service is, or is threatened to be, interrupted at the time when the Corporation is required or elects to give any notice hereunder by mail, or is required to send any cheque or any share certificate to the holder of any Series W Preferred Shares, whether in connection with the redemption or conversion of such share or otherwise, the Corporation may, notwithstanding the provisions hereof:

(a) give such notice by telex, telecopier or telegraph communication or by means of publication once in each of two successive weeks in a newspaper of general circulation published or distributed in Montréal and Toronto and such notice shall be deemed to have been given on the date on which such telex, telecopier or telegraph communication was given or on the date on which the first publication has taken place; and

(b) fulfill the requirement to send such cheque or such share certificate by arranging for delivery thereof to the principal office of the Corporation in Montréal, and such cheque and/or certificate shall be deemed to have been sent on the date on which notice of such arrangement shall have been given as provided in (a) above, provided that as soon as the Corporation determines that mail service is no longer interrupted or threatened to be interrupted such cheque or share certificate, if not theretofore delivered to such holder, shall be sent by ordinary unregistered first class prepaid mail to the registered address of each person who at the date of mailing is a registered holder and who is entitled to receive such cheque or share certificate, or in the event of the address of any such holder not appearing on the securities register of the Corporation, then at the last address of such holder known to the Corporation.

3.15.13 Notice of Annual Dividend Rate Applicable to the Series X Preferred Shares

Within three (3) business days of the determination of the Annual Dividend Rate (as defined in section 3.16.1.1 of the articles of the Corporation relating to the Series X Preferred Shares) the Corporation shall give notice thereof to the holders of the Series W Preferred Shares by publication once in the national edition of the Globe and Mail in the English language and once in the City of Montréal in both the French and English languages in a daily newspaper of general circulation in Montréal; provided that if any such newspaper is not being generally circulated at that time, such notice shall be published in another equivalent publication.

3.15.14 Listing of Series W Preferred Shares

Upon receipt of a Qualifying Listing Request, the Corporation shall use its reasonable best efforts to obtain within 120 days thereafter a conditional listing for the Series W Preferred Shares on the Exchange and thereafter, should such listing be obtained, to maintain a listing for so long as in the aggregate there are at least 1,000,000 Series W Preferred Shares and/or Series X Preferred Shares outstanding. For greater certainty, however, the Corporation shall not be in breach of its obligations hereunder if the Requesting Holders

of such Qualifying Listing Request do not sell such number of Series W Preferred Shares to such number of holders so as to meet the then listing requirements of the Exchange. The Corporation shall pay all fees and costs incidental to obtaining and maintaining such listing.

surrender to such bank or banks or trust company or trust companies of the certificate or certificates representing the same, and upon such deposit or deposits being made, such shares shall be redeemed on the redemption date specified in the notice of redemption; after the Corporation has made a deposit as aforesaid with respect to any shares, the holders thereof shall not, from and after the redemption date, be entitled to exercise any of the rights of shareholders in respect thereof and the rights of the holders thereof shall be limited to receiving the proportion of the amounts so deposited applicable to such shares, without interest; any interest allowed on such deposit shall belong to the Corporation.

3.16.4 Conversion of Series X Preferred Shares

3.16.4.1 Conversion at the Option of the Holder

Holders of Series X Preferred Shares shall have the right, at their option, on September 1, 2012 and on September 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and provisions hereof, all or any Series X Preferred Shares registered in their name into Series W Preferred Shares of the Corporation on the basis of one (1) Series W Preferred Share for each Series X Preferred Share. The Corporation shall give notice in writing to the then holders of the Series X Preferred Shares of the Selected Percentage Rate determined by the Board of Directors to be applicable for the next succeeding Fixed Dividend Rate Period and of the conversion right provided for herein; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of the Series X Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

If the Corporation gives notice as provided in section 3.16.3 to the holders of the Series X Preferred Shares of the redemption of all the Series X Preferred Shares, the Corporation shall not be required to

100

give notice as provided in this section 3.16.4.1 to the holders of the Series X Preferred Shares of a Selected Percentage Rate or of the conversion right and the right of any holder of Series X Preferred Shares to convert such Series X Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series X Preferred Shares shall not be entitled to convert their shares into Series W Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series W Preferred Shares after taking into account all Series X Preferred Shares tendered for conversion into Series W Preferred Shares and all Series W Preferred Shares tendered for conversion into Series X Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.16.4.1, to all affected holders of Series X Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series X Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series X Preferred Shares, new certificates representing the Series X Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.16.4.2 Automatic Conversion

If following the close of business on the 14th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series X Preferred Shares after taking into account all Series X Preferred Shares tendered for conversion into Series W Preferred Shares and all Series W Preferred Shares tendered for conversion into Series X Preferred Shares, then, all, but not part, of the remaining outstanding Series X Preferred Shares shall automatically be converted into Series W Preferred Shares on the basis of one (1) Series W Preferred Share for each Series X Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.16.4.1, to the holders of such remaining Series X Preferred Shares at least seven (7) days prior to the Conversion Date.

3.16.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series X Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series X Preferred Shares are transferable accompanied by: (1) payment or evidence of payment of the tax (if any) payable as provided in this section 3.16.4.3; and (2) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series X Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series X Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series X Preferred Shares into Series W Preferred Shares on the applicable Conversion Date as provided for in section 3.16.4.2, the Series X Preferred Shares in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series W Preferred Shares and the holders thereof shall be deemed to be holders of Series W Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series X Preferred Shares were transferable of the certificate or certificates representing Series X Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series W Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.16.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series X Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series W Preferred Shares and the number of remaining Series X Preferred Shares, if any, to which such holder is entitled. Such conversion shall be

The holder of any Series X Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series W Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series W Preferred Shares upon the conversion of Series X Preferred Shares shall be made without charge to the converting holders of Series X Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series W Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series W Preferred Shares are issued in respect of the issuance of such Series W Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series X Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.16.4.4 Status of Converted Series X Preferred Shares

(c) the Corporation shall not purchase or otherwise retire less than all of the Series X Preferred Shares then outstanding; or

(d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series X Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series X Preferred Shares;

unless, in each such case, all cumulative dividends on outstanding Series X Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of the Series X Preferred Shares required to be given pursuant to this section 3.16.5 may be given in accordance with the second paragraph of section 3.16.7 and section 3.16.10. 3.16.6 Purchase for Cancellation

The Corporation may at any time purchase for cancellation the whole or any part of the Series X Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

3.16.7 Voting Rights

If the Corporation fails to pay eight (8) dividends on the Series X Preferred Shares, whether or not consecutive, the holders of the Series X Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one (1) vote for each Series X Preferred Share held, until all such arrears of dividends on the Series X Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.16.7.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series X Preferred Shares voting as a series or as part of a class, each Series X Preferred Share shall entitle the holder thereof to one (1) vote for such purpose.

3.16.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series X Preferred Shares without the authorization of the holders of the Series X Preferred Shares.

3.16.9 Modifications

The provisions attaching to the Series X Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.16.10.

None of the series provisions of the articles of the Corporation relating to the Series X Preferred Shares shall be amended or otherwise changed unless, contemporaneously therewith, the series provisions, if any, relating to the Series W Preferred Shares are, to the extent deemed required by the Corporation, amended or otherwise changed in the same proportion and in the same manner.

3.16.10 Approval of Holders of Series X Preferred Shares

Any approval given by the holders of the Series X Preferred Shares shall be deemed to have been sufficiently given if it shall have been given by the holders of Series X Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.16.11 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act* (Canada), under subsection 191.2(1) of the said Act, or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series X Preferred Shares will be required to pay tax on dividends received on the Series X Preferred Shares under section 187.2 of Part IV.1 of such Act or any successor or replacement provision of similar effect.

Upon receipt of a Qualifying Listing Request, the Corporation shall use its reasonable best efforts to obtain within 120 days thereafter a conditional listing for the Series X Preferred Shares on the Exchange and thereafter, should such listing be obtained, to maintain a listing for so long as in the aggregate there are at least 1,000,000 Series X Preferred Shares and/or Series W Preferred Shares outstanding. For greater certainty, however, the Corporation shall not be in breach of its obligations hereunder if the Requesting Holders of such Qualifying Listing Request do not sell such number of Series X Preferred Shares to such number of holders so as to meet the then listing requirements of the Exchange. The Corporation shall pay all fees and costs incidental to

The conversion of Series Y Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series Y Preferred Shares are transferable accompanied by: i) payment or evidence of payment of the tax (if any) payable as provided in this section

3.17.4.3; and ii) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series Y Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series Y Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series Y Preferred Shares into Series Z Preferred Shares on the applicable Conversion Date as provided for in section 3.17.4.2, the Series Y Preferred Shares, in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series Z Preferred Shares and the holders thereof shall be deemed to be holders of Series Z Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series Y Preferred Shares were transferable of the certificate or certificates representing Series Y Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series Z Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.17.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series Y Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series Z Preferred Shares and the number of remaining Series Y Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of

110

such Series Y Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series Z Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series Z Preferred Shares at such time.

The holder of any Series Y Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series Z Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series Z Preferred Shares upon the conversion of Series Y Preferred Shares shall be made without charge to the converting holders of Series Y Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series Z Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series Z Preferred Shares are issued in respect of the issuance of such Series Z Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series Y Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.17.4.4 Status of Converted Series Y Preferred Shares

All Series Y Preferred Shares converted into Series Z Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.17.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series Y Preferred Shares:

(a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series Y Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series Y Preferred Shares;

(b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series Y Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series Y Preferred Shares);

(c) the Corporation shall not purchase or otherwise retire less than all of the Series Y Preferred Shares then outstanding; or

(d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series Y Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series Y Preferred Shares;

unless, in each such case, all cumulative dividends on outstanding Series Y Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of Series Y Preferred Shares required to be given pursuant to this section 3.17.5 may be given in accordance with the second paragraph of section 3.17.7 and section 3.17.10. Notwithstanding the provisions of section 3.17.10 hereof, any approval required to be given pursuant to this section 3.17.5 shall be required to be given only by the affirmative vote of the holders of the majority of the Series Y Preferred Shares present or represented at a meeting, or adjourned meeting, of the holders of Series Y Preferred Shares duly called for the purpose and at which a quorum is present.

3.17.6 Purchase for Cancellation

The Corporation may at any time purchase for cancellation the whole or any part of the Series Y Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

3.17.7 Voting Rights

If the Corporation fails to pay eight (8) dividends on the Series Y Preferred Shares, whether or not consecutive, the holders of the Series Y Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one (1) vote for each Series Y Preferred Share held, until all such arrears of dividends on the Series Y Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.17.7.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series Y Preferred Shares voting as a series or as part of a class, each Series Y Preferred Share shall entitle the holder thereof to one (1) vote for such purpose.

3.17.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series Y Preferred Shares without the authorization of the holders of the Series Y Preferred Shares.

3.17.9 Modifications

The provisions attaching to the Series Y Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.17.10.

None of the series provisions of the articles of the Corporation relating to the Series Y Preferred Shares shall be amended or otherwise changed unless, contemporaneously therewith, the series provisions, if any, relating to the Series Z Preferred Shares are, to the extent deemed required by the Corporation, amended or otherwise changed in the same proportion and in the same manner.

3.17.10 Approval of Holders of Series Y Preferred Shares

Any approval given by the holders of the Series Y Preferred Shares shall be deemed to have been sufficiently given if it shall have been given by the holders of Series Y Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.17.11 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act* (Canada), under subsection 191.2(1) of the said Act, or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series Y Preferred Shares will be required to pay tax on dividends received on the Series Y Preferred Shares under section 187.2 of Part IV.1 of such Act or any successor or replacement provision of similar effect.

3.17.12 Mail Service Interruption

If the Corporation determines that mail service is, or is threatened to be, interrupted at the time when the Corporation is required or elects to give any notice hereunder by mail, or is required to send any cheque or any share certificate to the holder of any Series Y Preferred Shares, whether in connection with the redemption or conversion of such share or otherwise, the Corporation may, notwithstanding the provisions hereof:

112

(a) give such notice by telex, telecopier or telegraph communication or by means of publication once in each of two successive weeks in a newspaper of general circulation published or distributed in Montréal and Toronto and such notice shall be deemed to have been given on the date on which such telex, telecopier or telegraph communication was given or on the date on which the first publication has taken place; and

(b) fulfill the requirement to send such cheque or such share certificate by arranging for delivery thereof to the principal office of the Corporation in Montréal, and such cheque and/or certificate shall be deemed to have been sent on the date on which notice of such arrangement shall have been given as provided in (a) above, provided that as soon as the Corporation determines that mail service is no longer interrupted or threatened to be interrupted such cheque or share certificate, if not theretofore delivered to such holder, shall be sent by ordinary unregistered first class prepaid mail to the registered address of each person who at the date of mailing is a registered holder and who is entitled to receive such cheque or share certificate, or in the event of the address of any such holder not appearing on the securities register of the Corporation, then at the last address of such holder known to the Corporation.

3.17.13 Notice of Annual Dividend Rate Applicable to the Series Z Preferred Shares

Within three (3) business days of the determination of the Annual Dividend Rate (as defined in section 3.18.1.1 of the articles of the Corporation relating to the Series Z Preferred Shares) the Corporation shall give notice thereof to the holders of the Series Y Preferred Shares by publication once in the national edition of *The Globe and Mail* in the English language and once in the City of Montréal in both the French and English languages in a daily newspaper of general circulation in Montréal; provided that if any such newspaper is not being generally circulated at that time, such notice shall be published in another equivalent publication.

3.17.14 Definitions

3.17.15 Interpretation

In the event that any date on which any dividend on the Series Y Preferred Shares is payable by the Corporation, or any date on or by which any other action is required to be taken by the Corporation or the holders of Series Y Preferred Shares hereunder, is not a business day (as hereinafter defined), then such dividend shall be payable, or such other action shall be required to be taken, on or by the next succeeding day that is a business day. A **business day** shall be a day other than a Saturday, a Sunday or any other day that is treated as a holiday at the Corporation's principal office in Canada.

3.18 Series Z Preferred Shares

The Series Z Preferred Shares shall, in addition to the rights, privileges, restrictions and conditions attaching to the First Preferred Shares as a class, carry and be subject to the following rights, privileges, restrictions and conditions:

3.18.1 Dividend

3.18.1.1 Definitions

For the purposes hereof, the following capitalized terms shall have the following meanings, unless the context otherwise requires:

(a) **Annual Dividend Rate** means for any Fixed Dividend Rate Period the rate of interest expressed as a percentage per annum (rounded to the nearest one-thousandth of one percent (0.001%)) which is equal to the Government of Canada Yield multiplied by the Selected Percentage Rate for such Fixed Dividend Rate Period;

(b) **Dividend Payment Date** means the first day of each of March, June, September and December in each year;

(d) **Government of Canada Yield** on any date shall mean the average of the yields determined by two registered Canadian investment dealers, selected by the Board of Directors, as being the yield to maturity on such date compounded semi-annually and calculated in accordance with generally accepted financial practice, which a non-callable Government of Canada Bond would carry if issued in Canadian dollars in Canada at 100% of its principal amount on such date with a term to maturity of five years; and

(e) **Selected Percentage Rate** for each Fixed Dividend Rate Period means the rate of interest, expressed as a percentage of the Government of Canada Yield, determined by the Board of Directors as set forth in the notice to the holders of the Series Z Preferred Shares given in accordance with the provisions of section 3.18.4.1, which rate of interest shall be not less than 80% of

the Government of Canada Yield.

3.18.1.2 General

The holders of the Series Z Preferred Shares shall be entitled to receive fixed, cumulative, preferred cash dividends, as and when declared by the Board of Directors, out of moneys of the Corporation properly applicable to the payment of dividends, in the amount per share per annum determined by multiplying the Annual Dividend Rate by \$25.00, payable quarterly in respect of each 12 month period on the first day of March, June, September and December by cheque at par in lawful money of Canada at any branch in Canada of the Corporation's bankers.

Dividends declared on the Series Z Preferred Shares shall (except in case of redemption in which case payment of dividends shall be made on surrender of the certificate representing the Series Z Preferred Shares to be redeemed) be paid by posting in a postage paid envelope addressed to each holder of the Series Z Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation, or, in the case of joint holders, to the address of that one whose name appears first in the securities register of the Corporation as one of such joint holders, a cheque for such dividends (less any tax required to be deducted) payable to the order of such holder or, in the case of joint holders, to the order of all such holders failing written instructions from them to the contrary. Notwithstanding the foregoing, any dividend cheque may be delivered by the Corporation to a holder of Series Z Preferred Shares at his address as aforesaid. The posting or delivery of such cheque shall be deemed to be payment and shall satisfy and discharge all liabilities for the

114

payment of such dividends to the extent of the sum represented thereby (plus the amount of any tax required to be deducted as aforesaid) unless such cheque is not paid on due presentation.

3.18.1.3 Calculation of Annual Dividend Rate

The Corporation shall calculate on the 21st day prior to the first day of each Fixed Dividend Rate Period the Annual Dividend Rate for each Fixed Dividend Rate Period based upon the Selected Percentage Rate and the Government of Canada Yield in effect at 10:00 A.M. (Montréal time) on the said 21st day prior to the first day of each Fixed Dividend Rate Period and give notice thereof: (i) within one (1) business day to all stock exchanges in Canada on which the Series Z Preferred Shares are listed for trading or if the Series Z Preferred Shares are not listed on a stock exchange in Canada, to the Investment Dealers Association of Canada; and (ii) within three (3) business days to, except in relation to the initial Fixed Dividend Rate Period, the holders of the Series Z Preferred Shares by publication once in the national edition of The Globe and Mail in the English language and once in the City of Montréal in both the French and English languages in a daily newspaper of general circulation in Montréal; provided that if any such newspaper is not being generally circulated at that time, such notice shall be published in another equivalent publication.

3.18.2 Rights on Liquidation

In the event of the liquidation, dissolution or winding up of the Corporation or any other distribution of assets of the Corporation for the purpose of winding up its affairs, the holders of the Series Z Preferred Shares shall be entitled to receive \$25.00 per Series Z Preferred Share together with all dividends accrued and unpaid up to but excluding the date of payment or distribution, before any amounts shall be paid or any assets of the Corporation distributed to the holders of the Common Shares of the Corporation or any other shares ranking junior to the Series Z Preferred Shares. Upon payment of such amounts, the holders of the Series Z Preferred Shares shall not be entitled to share in any further distribution of the property or assets of the Corporation.

3.18.3 Redemption at the Option of the Corporation

The Corporation may not redeem any of the Series Z Preferred Shares prior to December 1, 2007. Subject to applicable law and section 3.18.5 hereof, upon giving notice as hereinafter provided, the Corporation may, on December 1, 2007 or on December 1 in every fifth year thereafter, redeem at any time all, but not less than all, the outstanding Series Z Preferred Shares on payment of \$25.00 for each such share to be redeemed together with accrued and unpaid dividends up to but excluding the date fixed for redemption, the whole constituting the redemption price.

The Corporation shall give notice in writing not less than 45 days nor more than 60 days prior to the date on which the redemption is to take place to each person who at the date of giving such notice is the holder of Series Z Preferred Shares to be redeemed of the intention of the Corporation to redeem such shares; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of Series Z Preferred Shares to be redeemed at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation, provided that the accidental failure or omission to give any such notices as aforesaid to one or more of such holders shall not affect the validity of the redemption as to the other holders of the Series Z Preferred Shares to be redeemed. Such notice shall set out the number of such Series Z Preferred Shares held by the person to whom it is addressed which are to be redeemed and the redemption price and shall also set out the date on which the redemption is to take place, and on and after the date so specified for redemption the Corporation shall pay or cause to be paid to the holders of such Series Z Preferred Shares to be redeemed the redemption price on presentation and surrender at any place within Canada designated by such notice, of the certificate or certificates for such Series Z Preferred Shares so called for redemption; such payment shall be made by cheque payable at par at any branch in Canada of the Corporation's bankers; from and after the date specified in any such notice, the Series Z Preferred Shares called for redemption shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the redemption price shall not be duly made by the Corporation; at any time after notice of redemption is given as aforesaid, the Corporation shall have the right to deposit the redemption price of any or all Series Z Preferred Shares called for redemption with any chartered bank or banks or with any trust company or trust companies in Canada named in the notice of redemption to the credit of a special account or accounts in

115

trust for the respective holders of such shares, to be paid to them respectively upon surrender to such bank or banks or trust company or trust companies of the certificate or certificates representing the same, and upon such deposit or deposits being made, such shares shall be redeemed on the redemption date specified in the notice of redemption; after the Corporation has made a deposit as aforesaid with respect to any shares, the holders thereof shall not, from and after the redemption date, be entitled to exercise any of the rights of shareholders in respect thereof and the rights of the holders thereof shall be limited to receiving the proportion of the amounts so deposited applicable to such shares, without interest; any interest allowed on such deposit shall belong to the Corporation.

3.18.4 Conversion of Series Z Preferred Shares

3.18.4.1 Conversion at the Option of the Holder

Holders of Series Z Preferred Shares shall have the right, at their option, on December 1, 2007 and on December 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and provisions hereof, all or any Series Z Preferred Shares registered in their name into Series Y Preferred Shares of the Corporation on the basis of one (1) Series Y Preferred Share for each Series Z Preferred Share. The Corporation shall give notice in writing to the then holders of the Series Z Preferred Shares of the Selected Percentage Rate determined by the Board of Directors to be applicable for the next succeeding Fixed Dividend Rate Period and of the conversion right provided for herein; such notice shall be given by posting the same in a postage paid envelope addressed to each holder of the Series Z Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

If the Corporation gives notice as provided in section 3.18.3 to the holders of the Series Z Preferred Shares of the redemption of all the Series Z Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.18.4.1 to the holders of the Series Z Preferred Shares of a Selected Percentage Rate or of the conversion right and the right of any holder of Series Z Preferred Shares to convert such Series Z Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series Z Preferred Shares shall not be entitled to convert their shares into Series Y Preferred Shares if, following the close of business on the 14th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series Y Preferred Shares after taking into account all Series Z Preferred Shares tendered for conversion into Series Y Preferred Shares and all Series Y Preferred Shares tendered for conversion into

Series Z Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.18.4.1, to all affected holders of Series Z Preferred Shares at least seven (7) days prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series Z Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series Z Preferred Shares, new certificates representing the Series Z Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.18.4.2 Automatic Conversion

If following the close of business on the 14th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 1,000,000 Series Z Preferred Shares after taking into account all Series Z Preferred Shares tendered for conversion into Series Y Preferred Shares and all Series Y Preferred Shares tendered for conversion into Series Z Preferred Shares, then, all, but not part, of the remaining outstanding Series Z Preferred Shares shall automatically be converted into Series Y Preferred Shares on the basis of one (1) Series Y Preferred Share for each Series Z Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.18.4.1, to the holders of such remaining Series Z Preferred Shares at least seven (7) days prior to the Conversion Date.

3.18.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series Z Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 14th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series Z Preferred Shares are transferable accompanied by: (1) payment or evidence of payment of the tax (if any) payable as provided in this section 3.18.4.3; and (2) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series Z Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series Z Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series Z Preferred Shares into Series Y Preferred Shares on the applicable Conversion Date as provided for in section 3.18.4.2, the Series Z Preferred Shares in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series Y Preferred Shares and the holders thereof shall be deemed to be holders of Series Y Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series Z Preferred Shares were transferable of the certificate or certificates representing Series Z Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series Y Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.18.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series Z Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series Y Preferred Shares and the number of remaining Series Z Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series Z Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series Y Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series Y Preferred Shares at such time.

The holder of any Series Z Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series Y Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series Y Preferred Shares upon the conversion of Series Z Preferred Shares shall be made without charge to the converting holders of Series Z Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series Y Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series Y Preferred Shares are issued in respect of the issuance of such Series Y Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series Z Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.18.4.4 Status of Converted Series Z Preferred Shares

All Series Z Preferred Shares converted into Series Y Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

117

3.18.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series Z Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series Z Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series Z Preferred Shares;
- (b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series Z Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series Z Preferred Shares);
- (c) the Corporation shall not purchase or otherwise retire less than all of the Series Z Preferred Shares then outstanding; or
- (d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series Z Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series Z Preferred Shares;

unless, in each such case, all cumulative dividends on outstanding Series Z Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Any approval of the holders of the Series Z Preferred Shares required to be given pursuant to this section 3.18.5 may be given in accordance with the second paragraph of section 3.18.7 and section 3.18.10. Notwithstanding the provisions of section 3.18.10 hereof, any approval required to be given pursuant to this section 3.18.5 shall be required to be given only by the affirmative vote of the holders of the majority of the Series Z Preferred Shares present or represented at a meeting or adjourned meeting, of the holders of Series Z Preferred Shares duly called for the purpose and at which a quorum is present.

3.18.6 Purchase for Cancellation

The Corporation may at any time purchase for cancellation the whole or any part of the Series Z Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

3.18.7 Voting Rights

If the Corporation fails to pay eight (8) dividends on the Series Z Preferred Shares, whether or not consecutive, the holders of the Series Z Preferred Shares shall have the right to receive notice of, and to attend, each meeting of shareholders of the Corporation which takes place more than 60 days after the date on which the failure first occurs (other than a separate meeting of the holders of another series or class of shares) and such holders shall also have the right, at any such meeting, to one (1) vote for each Series Z Preferred Share held, until all such arrears of dividends on the Series Z Preferred Shares shall have been paid whereupon such rights shall cease unless and until the same default shall again arise under the provisions of this section 3.18.7.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series Z Preferred Shares voting as a series or as part of a class, each Series Z Preferred Share shall entitle the holder thereof to one (1) vote for such purpose.

3.18.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with

118

the Series Z Preferred Shares without the authorization of the holders of the Series Z Preferred Shares.

3.18.9 Modifications

The provisions attaching to the Series Z Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.18.10.

None of the series provisions of the articles of the Corporation relating to the Series Z Preferred Shares shall be amended or otherwise changed unless, contemporaneously therewith, the series provisions, if any, relating to the Series Y Preferred Shares are, to the extent deemed required by the Corporation, amended or otherwise changed in the same proportion and in the same manner.

3.18.10 Approval of Holders of Series Z Preferred Shares

Any approval given by the holders of the Series Z Preferred Shares shall be deemed to have been sufficiently given if it shall have been given by the holders of Series Z Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.18.11 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act* (Canada), under subsection 191.2(1) of the said Act, or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series Z Preferred Shares will be required to pay tax on dividends received on the Series Z Preferred Shares under section 187.2 of Part IV.I of such Act or any successor or replacement provision of similar effect.

3.18.12 Mail Service Interruption

If the Corporation determines that mail service is, or is threatened to be, interrupted at the time when the Corporation is required or elects to give any notice hereunder by mail, or is required to send any cheque or any share certificate to the holder of any Series Z Preferred Shares, whether in connection with the redemption or conversion of such share or otherwise, the Corporation may, notwithstanding the provisions hereof:

Holders of Series AA Preferred Shares shall have the right, at their option, on September 1, 2007 and on September 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and conditions hereof, all or any Series AA Preferred Shares registered in their name into Series AB Preferred Shares of the Corporation on the basis of one (1) Series AB Preferred Share for each Series AA Preferred Share. The Corporation shall give notice in writing to the then holders of the Series AA Preferred Shares of the conversion right provided for herein; such notice shall be given, at the option of the Corporation, by courier or by posting the same in a postage paid envelope, in either case, addressed to each holder of the Series AA Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation or by Electronic Delivery addressed to each holder of Series AA Preferred Shares requesting Electronic Delivery at the last electronic address as provided by the holder to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

If the Corporation gives notice as provided in section 3.19.3 to the holders of the Series AA Preferred Shares of the redemption of all the Series AA Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.19.4.1 to the holders of the Series AA Preferred Shares of the conversion right and the right of any holder of Series AA Preferred Shares to convert such Series AA Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series AA Preferred Shares shall not be entitled to convert their shares into Series AB Preferred Shares if, following the close of business on the 10th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 2,500,000 Series AB Preferred Shares, after taking into account all Series AA Preferred Shares tendered for conversion into Series AB Preferred Shares and all Series AB Preferred Shares tendered for conversion into Series AA Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.19.4.1, to all affected holders of Series AA Preferred Shares prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series AA Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series AA Preferred Shares, new certificates representing the Series AA Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.19.4.2 Automatic Conversion

If following the close of business on the 10th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 2,500,000 Series AA Preferred Shares after taking into account all Series AA Preferred Shares tendered for conversion into Series AB Preferred Shares and all Series AB Preferred Shares tendered for conversion into Series AA Preferred Shares, then, all, but not part, of the remaining outstanding Series AA Preferred Shares shall

automatically be converted into Series AB Preferred Shares on the basis of one (1) Series AB Preferred Share for each Series AA Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.19.4.1, to the holders of such remaining Series AA Preferred Shares prior to the Conversion Date.

3.19.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series AA Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 10th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series AA Preferred Shares are transferable accompanied by: i) payment or evidence of payment of the tax (if any) payable, as provided in this section 3.19.4.3; and ii) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series AA Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series AA Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series AA Preferred Shares into Series AB Preferred Shares on the applicable Conversion Date as provided for in section 3.19.4.2, the Series AA Preferred Shares, in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series AB Preferred Shares and the holders thereof shall be deemed to be holders of Series AB Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series AA Preferred Shares were transferable of the certificate or certificates representing Series AA Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series AB Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.19.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series AA Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series AB Preferred Shares and the number of remaining Series AA Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series AA Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series AB Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series AB Preferred Shares at such time.

The holder of any Series AA Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series AB Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series AB Preferred Shares upon the conversion of Series AA Preferred Shares shall be made without charge to the converting holders of Series AA Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series AB Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series AB Preferred Shares are issued in respect of the issuance of such Series AB Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series AA Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.19.4.4 Status of Converted Series AA Preferred Shares

All Series AA Preferred Shares converted into Series AB Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.19.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series AA Preferred Shares:

provided by law) to receive notice of, attend, or vote at, any meeting of the shareholders of the Corporation unless the Corporation shall have failed to pay eight (8) dividends on the Series AA Preferred Shares, whether or not consecutive. In that event, and for only so long as any such dividends remain in arrears, the holders of Series AA Preferred Shares will be entitled to receive notice of

and to attend all shareholders meetings which take place more than sixty (60) days after the date on which the failure first occurred, and to one (1) vote for each Series AA Preferred Share held, except meetings at which only holders of another specified class or series of shares are entitled to vote.

The record date for the purpose of determining holders of Series AB Preferred Shares entitled to receive dividends on each Dividend Payment Date shall be the last Trading Day of the next preceding Month. In the event of the redemption or purchase of the Series AB Preferred Shares or the distribution of the assets of the Corporation as contemplated by section 3.20.2 hereof, the amount of the dividend which has accrued during the Month in which such redemption, purchase or distribution occurs shall be the amount (rounded to the nearest one-thousandth (1/1000) of one cent) calculated by multiplying:

Notwithstanding the foregoing, any dividend cheque may be delivered by the Corporation to a holder of Series AB Preferred Shares at his address as aforesaid. The posting or delivery of such cheque shall be deemed to be payment and shall satisfy and discharge all liabilities for the payment of such dividends to the extent of the sum represented thereby (plus the amount of any tax required to be deducted as aforesaid) unless such cheque is not paid on due presentation.

3.20.1.3 Calculation of Designated Percentage

3.20.3 Redemption at the Option of the Corporation

Subject to applicable law and section 3.20.5 hereof, upon giving notice as hereinafter provided, the Corporation may redeem at any time all, but not less than all, the outstanding Series AB Preferred Shares on payment of \$25.50 for each such share

to be redeemed together with accrued and unpaid dividends up to but excluding the date fixed for redemption, the whole constituting the redemption price.

The Corporation shall give notice in writing not less than 45 days nor more than 60 days prior to the date on which the redemption is to take place to each person who at the date of giving such notice is the holder of Series AB Preferred Shares to be redeemed of the intention of the Corporation to redeem such shares; such notice shall be given, at the option of the Corporation, by courier or by posting the same in a postage paid envelope, in either case, addressed to each holder of Series AB Preferred Shares to be redeemed at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation, or by Electronic Delivery addressed to each holder of Series AB Preferred Shares requesting Electronic Delivery at the last electronic address as provided by the holder to the Corporation, provided that the accidental failure or omission to give any such notices as aforesaid to one or more of such holders shall not affect the validity of the redemption as to the other holders of the Series AB Preferred

131

Shares to be redeemed. Such notice shall set out the number of such Series AB Preferred Shares held by the person to whom it is addressed which are to be redeemed and the redemption price and shall also set out the date on which the redemption is to take place, and on and after the date so specified for redemption the Corporation shall pay or cause to be paid to the holders of such Series AB Preferred Shares to be redeemed the redemption price on presentation and surrender at any place within Canada designated by such notice, of the certificate or certificates for such Series AB Preferred Shares so called for redemption; such payment shall be made by cheque payable at par at any branch in Canada of the Corporation's bankers; from and after the date specified in any such notice, the Series AB Preferred Shares called for redemption shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the redemption price shall not be duly made by the Corporation; at any time after notice of redemption is given as aforesaid, the Corporation shall have the right to deposit the redemption price of any or all Series AB Preferred Shares called for redemption with any chartered bank or banks or with any trust company or trust companies in Canada named in the notice of redemption to the credit of a special account or accounts in trust for the respective holders of such shares, to be paid to them respectively upon surrender to such bank or banks or trust company or trust companies of the certificate or certificates representing the same, and upon such deposit or deposits being made, such shares shall be redeemed on the redemption date specified in the notice of redemption; after the Corporation has made a deposit as aforesaid with respect to any shares, the holders thereof shall not, from and after the redemption date, be entitled to exercise any of the rights of shareholders in respect thereof and the rights of the holders thereof shall be limited to receiving the proportion of the amounts so deposited applicable to such shares, without interest; any interest allowed on such deposit shall belong to the Corporation.

3.20.4 Conversion of Series AB Preferred Shares

3.20.4.1 Conversion at the Option of the Holder

Holders of Series AB Preferred Shares shall have the right, at their option, on September 1, 2012 and on September 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and provisions hereof, all or any Series AB Preferred Shares registered in their name into Series AA Preferred Shares of the Corporation on the basis of one (1) Series AA Preferred Share for each Series AB Preferred Share. The Corporation shall give notice in writing to the then holders of the Series AB Preferred Shares of the conversion right provided for herein; such notice shall be given, at the option of the Corporation, by courier or by posting the same in a postage paid envelope, in either case, addressed to each holder of the Series AB Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation, or by Electronic Delivery addressed to each holder of Series AB Preferred Shares requesting Electronic Delivery at the last electronic address as provided by the holder to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

If the Corporation gives notice as provided in section 3.20.3 to the holders of the Series AB Preferred Shares of the redemption of all the Series AB Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.20.4.1 to the holders of the Series AB Preferred Shares of the conversion right and the right of any holder of Series AB Preferred Shares to convert such Series AB Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series AB Preferred Shares shall not be entitled to convert their shares into Series AA Preferred Shares if, following the close of business on the 10th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 2,500,000 Series AA Preferred Shares after taking into account all Series AB Preferred Shares tendered for conversion into Series AA Preferred Shares and all Series AA Preferred Shares tendered for conversion into Series AB Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.20.4.1, to all affected holders of Series AB Preferred

132

Shares prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series AB Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series AB Preferred Shares, new certificates representing the Series AB Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.20.4.2 Automatic Conversion

If following the close of business on the 10th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 2,500,000 Series AB Preferred Shares after taking into account all Series AB Preferred Shares tendered for conversion into Series AA Preferred Shares and all Series AA Preferred Shares tendered for conversion into Series AB Preferred Shares, then, all, but not part, of the remaining outstanding Series AB Preferred Shares shall automatically be converted into Series AA Preferred Shares on the basis of one (1) Series AA Preferred Share for each Series AB Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.20.4.1, to the holders of such remaining Series AB Preferred Shares prior to the Conversion Date.

3.20.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series AB Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 10th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series AB Preferred Shares are transferable accompanied by: (i) payment or evidence of payment of the tax (if any) payable as provided in this section 3.20.4.3, and (ii) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series AB Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series AB Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series AB Preferred Shares into Series AA Preferred Shares on the applicable Conversion Date as provided for in section 3.20.4.2, the Series AB Preferred Shares in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series AA Preferred Shares and the holders thereof shall be deemed to be holders of Series AA Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series AB Preferred Shares were transferable of the certificate or certificates representing Series AB Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series AA Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.20.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series AB Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series AA Preferred Shares and the number of remaining Series AB Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series AB Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series AA Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series AA Preferred Shares at such time.

The holder of any Series AB Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series AA Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series AA Preferred Shares upon the conversion of Series AB Preferred Shares shall be made without charge to the converting holders of Series AB Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series AA Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series AA Preferred Shares are issued in respect of the issuance of such Series AA Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series AB Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.20.4.4 Status of Converted Series AB Preferred Shares

All Series AB Preferred Shares converted into Series AA Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.20.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series AB Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series AB Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series AB Preferred Shares;
- (b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series AB Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series AB Preferred Shares);

The Corporation may at any time purchase for cancellation the whole or any part of the Series AB Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

3.20.7 Voting Rights

The holders of Series AB Preferred Shares will not be entitled (except as otherwise provided by law) to receive notice of, attend, or vote at, any meeting of the shareholders of the Corporation unless the Corporation shall have failed to pay eight (8) dividends on the Series AB Preferred Shares, whether or not consecutive. In that event, and for only so long as any such dividends remain in arrears, the holders of Series AB Preferred Shares will be entitled to receive notice of and to attend all shareholders meetings which take place more than sixty (60) days after the date on which the failure first occurred, and to one (1) vote for each Series AB Preferred Share held, except meetings at which only holders of another specified class or series of shares are entitled to vote.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series AB Preferred Shares voting as a series or as part of a class, each Series AB Preferred Share shall entitle the holder thereof to one (1) vote for such purpose.

3.20.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series AB Preferred Shares without the authorization of the holders of the Series AB Preferred Shares.

3.20.10 Approval of Holders of Series AB Preferred Shares

Any approval given by the holders of the Series AB Preferred Shares shall be deemed to have been sufficiently given if it shall have been given by the holders of Series AB Preferred Shares as provided in the provisions attaching to the First Preferred Shares as a class, which provisions shall apply *mutatis mutandis*.

3.20.11 Tax Election

The Corporation shall elect, in the manner and within the time provided under the *Income Tax Act* (Canada), under subsection 191.2(1) of the said Act, or any successor or replacement provision of similar effect, and take all other necessary action under such Act, to pay tax at a rate such that no holder of the Series AB Preferred Shares will be required to pay tax on dividends received on the Series AB Preferred Shares under section 187.2 of Part IV.1 of such Act or any successor or replacement provision of similar effect.

3.21.4 Conversion of Series AC Preferred Shares

3.21.4.1 Conversion at the Option of the Holder

Holders of Series AC Preferred Shares shall have the right, at their option, on March 1, 2008 and on March 1 in every fifth year thereafter (a Conversion Date), to convert, subject to the terms and conditions hereof, all or any Series AC Preferred Shares registered in their name into Series AD Preferred Shares of the Corporation on the basis of one (1) Series AD Preferred Share for

each Series AC Preferred Share. The Corporation shall give notice in writing to the then holders of the Series AC Preferred Shares of the conversion right provided for herein; such notice shall be given, at the option of the Corporation, by courier or by posting the same in a postage paid envelope, in either case, addressed to each holder of the Series AC Preferred Shares at the last address of such holder as it appears on the securities register of the Corporation or, in the event of the address of any holder not so appearing, then to the address of such holder last known to the Corporation or by Electronic Delivery addressed to each holder of Series AC Preferred Shares requesting Electronic Delivery at the last electronic address as provided by the holder to the Corporation. Such notice shall set out the Conversion Date and shall be given not less than 45 days nor more than 60 days prior to the applicable Conversion Date.

If the Corporation gives notice as provided in section 3.21.3 to the holders of the Series AC Preferred Shares of the redemption of all the Series AC Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.21.4.1 to the holders of the Series AC Preferred Shares of the conversion right and the right of any holder of Series AC Preferred Shares to convert such Series AC Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series AC Preferred Shares shall not be entitled to convert their shares into Series AD Preferred Shares if, following the close of business on the 10th day preceding a Conversion Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 2,500,000 Series AD Preferred Shares, after taking into account all Series AC Preferred Shares tendered for conversion into Series AD Preferred Shares and all Series AD Preferred Shares tendered for conversion into Series AC Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.21.4.1, to all affected holders of Series AC Preferred Shares prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series AC Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series AC Preferred Shares, new certificates representing the Series AC Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.21.4.2 Automatic Conversion

If following the close of business on the 10th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 2,500,000 Series AC Preferred Shares after taking into account all Series AC Preferred Shares tendered for conversion into Series AD Preferred Shares and all Series AD Preferred Shares tendered for conversion into Series AC Preferred Shares, then, all, but not part, of the remaining outstanding Series AC Preferred Shares shall automatically be converted into Series AD Preferred Shares on the basis of one (1) Series AD Preferred Share for each Series AC Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the provisions of section 3.21.4.1, to the holders of such remaining Series AC Preferred Shares prior to the Conversion Date.

3.21.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series AC Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 10th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series AC Preferred Shares are transferable accompanied by: i) payment or evidence of payment of the tax (if any) payable, as provided in this section 3.21.4.3; and ii) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series AC Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series AC Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series AC Preferred Shares into Series AD Preferred Shares on the applicable Conversion Date as provided for in section 3.21.4.2, the Series AC Preferred Shares, in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series AD Preferred Shares and the holders thereof shall be deemed to be holders of Series AD Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series AC Preferred Shares were transferable of the certificate or certificates representing Series AC

Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series AD Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.21.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series AC Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series AD Preferred Shares and the number of remaining Series AC Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Series AC Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series AD Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series AD Preferred Shares at such time.

The holder of any Series AC Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series AD Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series AD Preferred Shares upon the conversion of Series AC Preferred Shares shall be made without charge to the converting holders of Series AC Preferred

Shares for any fee or tax in respect of the issuance of such certificates or the Series AD Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series AD Preferred Shares are issued in respect of the issuance of such Series AD Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series AC Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.21.4.4 Status of Converted Series AC Preferred Shares

All Series AC Preferred Shares converted into Series AD Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

3.21.5 Restrictions on Dividends and Retirement of Shares

Without the approval of the holders of outstanding Series AC Preferred Shares:

- (a) the Corporation shall not declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of the Corporation ranking junior to the Series AC Preferred Shares) on the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series AC Preferred Shares;
- (b) the Corporation shall not redeem, purchase or otherwise retire or make any capital distribution on or in respect of the Common Shares of the Corporation or any other shares of the Corporation ranking junior to the Series AC Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking junior to the Series AC Preferred Shares);

- (d) the Corporation shall not redeem, purchase or otherwise retire (except in connection with the exercise of any retraction privilege or any mandatory redemption obligation attaching thereto) any shares of any class or series ranking on a parity with the Series AC Preferred Shares provided that, for greater certainty, the covenant in this clause (d) shall not limit or affect any such action in respect of any class of shares ranking in priority to the Series AC Preferred Shares;

unless, in each such case, all cumulative dividends on outstanding Series AC Preferred Shares accrued up to and including the dividend payable for the last completed period for which dividends were payable shall have been declared and paid.

Notwithstanding the provisions of section 3.21.10 hereof, any approval required to be given pursuant to this section 3.21.5 shall be required to be given only by the affirmative vote of the holders of the majority of the Series AC Preferred Shares present or represented at a meeting, or adjourned meeting, of the holders of Series AC Preferred Shares duly called for the purpose and at which a quorum is present.

3.21.6 Purchase for Cancellation

The Corporation may at any time purchase for cancellation the whole or any part of the Series AC Preferred Shares outstanding from time to time, in the open market through or from an investment dealer or any firm holding membership on a recognized stock exchange, or by private agreement or otherwise, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

3.21.7 Voting Rights

The holders of Series AC Preferred Shares will not be entitled (except as otherwise provided by law) to receive notice of, attend, or vote at, any meeting of the shareholders of the Corporation unless the Corporation shall have failed to pay eight (8) dividends on the Series AC Preferred Shares, whether or not consecutive. In that event, and for only so long as any such dividends remain in arrears, the holders of Series AC Preferred Shares will be entitled to receive notice of and to attend all shareholders meetings which take place more than sixty (60) days after the date on which the failure first occurred, and to one (1) vote for each Series AC Preferred Share held, except meetings at which only holders of another specified class or series of shares are entitled to vote.

In connection with any actions to be taken by the Corporation which require the approval of the holders of the Series AC Preferred Shares voting as a series or as part of a class, each Series AC Preferred Share shall entitle the holder thereof to one (1) vote for such purpose.

3.21.8 Issue of Additional Preferred Shares

The Corporation may issue additional series of First Preferred Shares ranking on a parity with the Series AC Preferred Shares without the authorization of the holders of the Series AC Preferred Shares.

The provisions attaching to the Series AC Preferred Shares as a series may be repealed, altered, modified or amended from time to time with such approval as may then be required by the *Canada Business Corporations Act*, any such approval to be given in accordance with section 3.21.10.

None of the series provisions of the articles of the Corporation relating to the Series AC Preferred Shares shall be amended or otherwise changed unless, contemporaneously therewith, the series provisions, if any, relating to the Series AD Preferred Shares are, to the extent deemed required by the Corporation, amended or otherwise changed in the same proportion and in the same manner.

3.21.10 Approval of Holders of Series AC Preferred Shares

If the Corporation gives notice as provided in section 3.22.3 to the holders of the Series AD Preferred Shares of the redemption of all the Series AD Preferred Shares, the Corporation shall not be required to give notice as provided in this section 3.22.4.1 to the holders of the Series AD Preferred Shares of the conversion right and the right of any holder of Series AD Preferred Shares to convert such Series AD Preferred Shares as herein provided shall cease and terminate in that event.

Holders of Series AD Preferred Shares shall not be entitled to convert their shares into Series AC Preferred Shares if, following the close of business on the 10th day preceding a Conversion

Date, the Corporation determines that there would remain outstanding on the Conversion Date less than 2,500,000 Series AC Preferred Shares after taking into account all Series AD Preferred Shares tendered for conversion into Series AC Preferred Shares and all Series AC Preferred Shares tendered for conversion into Series AD Preferred Shares. The Corporation shall give notice in writing thereof, in accordance with the provisions of the first paragraph of this section 3.22.4.1, to all affected holders of Series AD Preferred Shares prior to the applicable Conversion Date and will issue and deliver, or cause to be delivered, prior to such Conversion Date, at the expense of the Corporation, to such holders of Series AD Preferred Shares, who have surrendered for conversion any certificate or certificates representing Series AD Preferred Shares, new certificates representing the Series AD Preferred Shares represented by any certificate or certificates surrendered as aforesaid.

3.22.4.2 Automatic Conversion

If following the close of business on the 10th day preceding a Conversion Date the Corporation determines that there would remain outstanding on the Conversion Date less than 2,500,000 Series AD Preferred Shares after taking into account all Series AD Preferred Shares tendered for conversion into Series AC Preferred Shares and all Series AC Preferred Shares tendered for conversion into Series AD Preferred Shares, then, all, but not part, of the remaining outstanding Series AD Preferred Shares shall automatically be converted into Series AC Preferred Shares on the basis of one (1) Series AC Preferred Share for each Series AD Preferred Share on the applicable Conversion Date and the Corporation shall give notice in writing thereof, in accordance with the

provisions of section 3.22.4.1, to the holders of such remaining Series AD Preferred Shares prior to the Conversion Date.

3.22.4.3 Manner of Exercise of Conversion Privilege

The conversion of Series AD Preferred Shares may be effected by surrender of the certificate or certificates representing the same not earlier than 45 days prior to a Conversion Date but not later than the close of business on the 10th day preceding a Conversion Date during usual business hours at any office of any transfer agent of the Corporation at which the Series AD Preferred Shares are transferable accompanied by: (i) payment or evidence of payment of the tax (if any) payable as provided in this section 3.22.4.3; and (ii) a written instrument of surrender in form satisfactory to the Corporation duly executed by the holder, or his attorney duly authorized in writing, in which instrument such holder may also elect to convert part only of the Series AD Preferred Shares represented by such certificate or certificates not theretofore called for redemption in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Series AD Preferred Shares represented by such certificate or certificates which have not been converted.

In the event the Corporation is required to convert all remaining outstanding Series AD Preferred Shares into Series AC Preferred Shares on the applicable Conversion Date as provided for in section 3.22.4.2, the Series AD Preferred Shares in respect of which the holders have not previously elected to convert, shall be converted on the Conversion Date into Series AC Preferred Shares and the holders thereof shall be deemed to be holders of Series AC Preferred Shares at the close of business on the Conversion Date and shall be entitled, upon surrender during usual business hours at any office of any transfer agent of the Corporation at which the Series AD Preferred Shares were transferable of the certificate or certificates representing Series AD Preferred Shares not previously surrendered for conversion, to receive a certificate or certificates representing the same number of Series AC Preferred Shares in the manner and subject to the terms and provisions as provided in this section 3.22.4.3.

As promptly as practicable after the Conversion Date, the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series AD Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series AC Preferred Shares and the number of remaining Series AD Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so

that the rights of the holder of such Series AD Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series AC Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series AC Preferred Shares at such time.

The holder of any Series AD Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into a Series AC Preferred Share after such record date and on or before the date of the payment of such dividend.

The issuance of certificates for the Series AC Preferred Shares upon the conversion of Series AD Preferred Shares shall be made without charge to the converting holders of Series AD Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series AC Preferred Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Series AC Preferred Shares are issued in respect of the issuance of such Series AC Preferred Shares or the certificate therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Series AD Preferred Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

3.22.4.4 Status of Converted Series AD Preferred Shares

All Series AD Preferred Shares converted into Series AC Preferred Shares on a Conversion Date shall not be cancelled but shall be restored to the status of authorized but unissued shares of the Corporation as at the close of business on the Conversion Date.

The holders of Series AD Preferred Shares will not be entitled (except as otherwise provided by law) to receive notice of, attend, or vote at, any meeting of the shareholders of the Corporation unless the Corporation shall have failed to pay eight (8) dividends on the Series AD Preferred Shares, whether or not consecutive. In that event, and for only so long as any such dividends remain in arrears, the holders of Series AD Preferred Shares will be entitled to receive notice of and to attend all shareholders meetings which take place more than sixty (60) days after the date on which the failure first occurred, and to one (1) vote for each Series AD Preferred Share held, except meetings at which only holders of another specified class or series of shares are entitled to vote.

5. CLASS B SHARES

The Class B Shares shall have attached thereto, as a class, the following rights, privileges, restrictions and conditions:

5.1 The holders thereof are not entitled to notice of or to attend or vote at any meeting of shareholders of the Corporation except as may be required by the *Canada Business Corporations Act*.

5.2 Subject to the rights, privileges, restrictions and conditions attaching to shares of any class of the Corporation ranking prior to the Class B Shares, the holders thereof are entitled to receive such dividends payable in money, property, or by the issue of fully paid shares of the Corporation, as may be declared by the Board of Directors and to receive on an equal basis share for share with the holders of the Common Shares the remaining property of the Corporation upon the liquidation, dissolution or winding up thereof.

5.3 The Directors of the Corporation may determine at any time and from time to time, with respect to all or a portion of any dividend on the Class B Shares of the Corporation that such dividend shall be payable in money or, in the case of electing holders whose addresses on the books of the Corporation are in Canada, and in jurisdictions specified by the Directors outside Canada, by the issue of fully paid Class B Shares of the Corporation having a value, as determined by the Directors, that is substantially equivalent, as of a date or period of days determined by the Directors, to the cash amount of such dividend, provided that the Directors may (but need not) value the Class B Shares to be issued in payment of the dividend at a discount from or premium to the relevant market value thereof of up to 5%, in either case.

5.4 With respect to fractional shares that may result from any such stock dividend the Corporation shall issue to an agent for shareholders appointed by the Corporation a number of whole shares representing in the aggregate the fractional shares of all electing shareholders unless the Directors of the Corporation otherwise determine, for instance by the payment of cash in lieu of fraction of share interests that may result from any such stock dividend. In any event, no certificates representing fraction of share interests will be issued by the Corporation.

5.5 A holder of Class B Shares shall have the right, at his option, to convert at any time and from time to time, subject to the terms and provisions hereof, all or part of his Class B Shares into Common Shares, on the basis of one Common Share for each Class B Share. The conversion of Class B Shares may be effected by surrender of the certificate or certificates representing the same at any time during usual business hours at the option of the holder at the Registered Office of the Corporation or at any office of any transfer agent of the Corporation at which the Class B Shares are transferable accompanied: (1) by payment or evidence of payment of the tax (if any) payable as provided in this section 5.5; and (2) by written instrument of surrender in form satisfactory to the Corporation duly executed by the registered holder, or his attorney duly authorized in writing, in which instrument such holder shall elect to convert all or part only of the Class B Shares represented by such certificate or certificates in which event the Corporation shall issue and deliver or cause to be delivered to such holder, at the expense of the Corporation, a new certificate representing the Class B Shares represented by such certificate or certificates which have not been converted. The date of such surrender of certificates representing Class B Shares to be converted is referred to hereinafter as the *Conversion Date*. A holder of Class B Shares to be converted shall not be entitled to fractional shares upon conversion but shall be entitled to receive a new certificate representing the number of remaining Class B Shares which cannot be converted.

As promptly as practicable on or after the *Conversion Date* the Corporation shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Class B Shares so surrendered, a certificate or certificates issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully paid and non-assessable Common Shares and the number of remaining Class B

Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at the close of business on the Conversion Date, so that the rights of the holder of such Class B Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Common Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Class B Shares at such time.

The registered holder of any Class B Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted after such record date and before the payment date of such dividend.

The issuance of certificates for Common Shares upon the conversion of Class B Shares shall be made without charge to the converting holders of Class B Shares for any fee or tax in respect of the issuance of such certificates or the Common Shares represented thereby; provided, however, that the Corporation shall not be required to pay any tax which may be imposed upon the person or persons to whom such Common Shares are issued in respect of the issuance of such Common Shares or the certificates therefor or which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name or names other than that of the holder of the Class B Shares converted, and the Corporation shall not be required to issue or deliver such certificate unless the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

5.6 In respect of the declaration and payment of dividends and upon the liquidation, dissolution or winding up of the Corporation the Class B Shares shall rank *pari passu* with the Common Shares of the Corporation.
