RAYMOND JAMES FINANCIAL, INC.

REPORTS RECORD SECOND QUARTER RESULTS

ST. PETERSBURG, Fla. –Raymond James Financial, Inc. today reported unaudited net income of \$43,068,000, or \$0.58 per diluted share, for the second quarter ended March 26 on net revenues of \$480,448,000 compared to net income of \$15,194,000, or \$0.21 per diluted share, on net revenues of \$339,819,000, for fiscal 2003's second quarter.

Unaudited net income for the first half of fiscal 2004 was reported at \$67,298,000, up from 2003's \$29,622,000, while net revenues for the period increased to \$894,435,000 from \$671,214,000 the previous year. Diluted earnings per share were \$0.91 versus \$0.40 for last year's comparable period.

All per share amounts have been restated to reflect the effect of the March 2004 three-for-two stock split.

"After a year of recovery, the market has infused investors with renewed confidence," stated Thomas A. James, chairman and CEO. "As a result, commissions surged 42 percent over last year's anemic levels in the March quarter. The same forces increased investment banking revenues by 133 percent and investment advisory fees by 27 percent.

"Conjoined with restricted expense growth, the expansion in revenues has increased margins and generated a 183 percent increment in unaudited net income over last year's second quarter. As a result of these factors, both revenues and net income vaulted to new historic quarterly records," he continued.

"While it is unclear whether these factors can stay in alignment for the rest of the year, the domestic economy remains strong and corporate earnings are rising rapidly. Later this year, interest rates will probably begin to increase, dampening the robust growth in the economy, but the intermediate-term outlook is still benign as the rate of increase probably will be gradual," he concluded.

The company will conduct its quarterly conference call April 13 at 4:15 p.m. The telephone number is 800-773-5520. The call will also be available on demand on the company's Web site, www.RaymondJames.com, under About Our Company, Financial Results and SEC Filings.
