Section 5. Registrant's Business and Operations

Item 5.02 Compensatory Arrangements of Certain Officers

On January 3, 2007, Seitel Inc. (the "Company") granted restricted shares of its common stock, par value \$.01 per share (the "Common Stock"), to each of its non-employee directors pursuant to the Company's standard arrangements for director compensation. In addition, the Company granted restricted shares of the Common Stock to certain executive officers, including Robert D. Monson, the Company's President and Chief Executive Officer, which represented guaranteed key executive awards pursuant to the Company's Incentive Plan for fiscal year 2006. Each of these grants was made under the Company's 2004 Stock Option Plan (the "Plan"). However, the issuance in shares of Common Stock of Mr. Monson's 2006 key executive award would exceed the per-person award limitations under the Plan as to Mr. Monson by 88,003 shares. The compensation committee of the board of directors of the Company, as administrators of the Plan, determined that the value of those excess shares should be paid in cash to Mr. Monson, which was determined to be approximately \$308,000, based on the average of closing prices of the Common Stock on the last trading day of each month during 2006.
